Squidward finally blasts off the Patricks attached to him with ink and prepares to take down the Tortured One once and for all, only to see SpongeBob holding on to the arm that attempted to squish Good Patrick. After SpongeBob reveals that he was able to come back to life because of his ability to regenerate via a single cell, he fuses with all of the cells covering all the Patricks and becomes Porifera. After devouring all of the Patricks (except for Good Patrick), he prepares to go to battle with the Tortured One, explaining how what it did was far more monstrous than what was done to it before finally delivering the first punch, officially starting the battle between the two. They both manage to tear pieces of each other apart. As a result, the Tortured One releases its stomach in an attempt to consume him, causing Porifera's skin to melt as he comes into contact with it.

After Barnacle Boy sacrifices himself to make Mt. Bikini Bottom erupt, Sandy (now Mermaid Squirrel) and Squidward attempt to push the Tortured One into the resulting crack in the earth. Sandy tries to save SpongeBob, but Squidward says that it's too late, with most of his skin having been melted off of his body. Inside of the Tortured One's mindscape, SpongeBob (not appearing as Porifera) sees the TO, being hoisted by a machine similar to the one in the Krusty Krab. He explains to SpongeBob his plans to consume everything in the ocean indiscriminately, not caring whether or not anyone he eats had anything to do with his torment. He then grabs SpongeBob with multiple hooks and stretches him out, intending to torment and eventually kill SpongeBob.

However, Gary, finding his way into the mindscape, slithers up his body and bites him, while in the real world, TO's stomach pops open. When Squidward realizes he can save SpongeBob/Porifera, he goes up to him and manages to snap him out of his trance. Porifera, now mostly a large skeleton, lifts up the Tortured One and throws it into the magma-filled crevice, finally killing it once and for all. Porifera nearly goes down with it as the ground where he stands collapses, but Patrick, Sandy, and Squidward manage to grab a small chunk of him before he falls in, which turns into SpongeBob in his normal form and hugs the group.

When I was finished everyone that hadn't heard about him was shocked and horrified!

Noir Spiderman: THAT IS AWFUL!

Xenia: Yeah!

Camie: And Mr. Krabs Greed lead to all that!?

Tsuyu: What kind of monster would do that!?

Nico put his skeleton back in.

Nico: I hate it when that happens. But yeah! It was horrible!

Eli: Yeah.

Me: We saw him in this comic book.

I pulled out the comic book we printed for it.

I gave it to Camie and showed it to her.

When Camie saw it she turned WHITE AS A SHEET!

Camie: Oh my god!

She then fainted.

FWOMP!

Laney got out smelling salts and woke her up.

Nico: THAT ABOMINATION MUST PAY!

Tsuyu: Mr. Krabs isn't like that is he!?

Sirius: If he is we got to kill him!

Lily: Guys calm down! Before you all joined the team we did a thorough check of the Krusty Krab and found nothing like what we saw in the comic book in it. This all took place in an alternate universe.

Camie: Oh. Good.

Xenia: Nico had a massive paranoia fit when he saw it.

Me: Yeah. He grabbed a gun and wanted to kill Patrick.

Nico: I was really scared.

Qin: Yeah.

Lola: He tried getting me, Lori, and Lynn to destroy Patrick before he can "destroy us". And then, he tried getting Dive Man and Sandy in on it.

Nico: Yeah no kidding there!

Qin: It was full of Nightmare Fuel.

Sakura Knudson was reading it.

Sakura Knudson: I remember showing Swartz this comic. He was so scared shitless from it that he wouldn't come out of his room for a week.

Nico: He was scared of this comic too?

Sakura Knudson: Horrified! He had really horrible nightmares about monster starfish coming to land and tearing him apart.

Qin: GEEZ!

Sougo: Who would have thought that Swartz was scared of starfish.

Nico: Yeah.

May: These starfish, maybe.

Me: But not any other kind of starfish.

May: Yeah. If it was Starro that would have been a WHOLE different ballgame.

Nico: Yeah no shit.

Me: Thank goodness it wasn't. But the monsters that SpongeBob, Patrick, Squidward and Mr. Krabs all turned into were REALLY epic and cool.

Nico: They sure were.

Qin: Yeah.

Nico: WHY ARE WE STILL TALKING?! WE MUST KILL THAT MONSTER!

Me: NICO! We got to at least tell everyone what we're up against first.

Nico: Oh right. I forgot.

Me: No worries. But yeah. This all happened because of Mr. Krabs greed. He turned the Tortured One into a cash cow for making krabby patties out of him.

Lily: Yeah thank goodness we will never eat Starfish. I don't even want to know what they taste like.

Me: Me neither.

Nico: That version of Mr. Krabs got what he deserved.

Xenia: Yep.

Me: Okay now we can go find him.

Nico: Good!

Eli: He's 40 miles northwest from here!

Me: Should we call in the entire team?

Nico: NO! WE MUST KILL THAT MONSTER NOW!

Me: NICO!

SLAP!

I slapped him across the face!

Me: Nico pull yourself together! I know you want to kill this monster but at least stay calm and let us all help destroy him.

Nico: (Pants) You're right. Thanks man. I needed that. J.D. call the entire team in. We need all the help we can get.

I did so.

Juran: Hey, isn't this good enough? Among us here are a girl who's a vampire who can go Hammerhead and one of Skeletor's former evil warriors.

Nico: The Tortured One is a monster that can duplicate himself and attack NUMEROUS people all at once.

Juran: Oh right.

Then the entire team appeared.

Jared: We got here as soon as we could!

Celica: Yeah! So the Tortured One is back! Not good!

Lincoln: That's for sure, Eli.

Suddenly, we saw a beautiful and super sexy girl with long crimson red hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings and she's dressed in a red short-sleeved crop blouse, sleeveless red crop top, red skirt with the symbol of The Gaia Memory on it, red stockings, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with elemental forces, Gaia Memories, and angels on the coattails and on the back are The Dopant symbols and in her right hand is the Sword of Hope.

Lincoln: (GASPS) Oh, no way, Caitlin Mackenzie, Embodiment of All The Dopants.

Me: Wait, did you say Embodiment of All The Dopants?! No wonder we felt so much incredible power!

Nico: Yeah, it's really powerful!

Lincoln: And that's true, Caitlin Mackenzie is my Guardian Angel from Michigan, and she's the most powerful of my Guardian Angels because she's the Embodiment of all The Dopants from Kamen Rider W. She has all of the elemental powers of all The Dopants combined along with omnipotent power as strong as ours. She's a very skilled and very powerful swordswoman and she knows how to fight hard and smart in combat. She also knows all of The Dopant Embodiments and when she'd found out that they'd gotten kidnapped by Swartz and turned into Anothers in his plan to get rid of us, she was so enraged and so extremely pissed off big time, she'd called upon the Angels of Heaven who appeared in his lair and proceeded to slash him with their swords and blast him with heavenly light and fire, and they even branded him with the mark of eternal damnation, and the angels spoke that one day Swartz would be eternally damned for his crimes, and when the day of our battle against Swartz came last year.

Me: Oh damn! She did all that to him!

Sakura Knudson: So, that's why I saw him all banged up, slashed, and bleeding like crazy.

Lincoln: Yep, and the words of the angels came true when we destroyed Swartz and he was sent to The Black Gates forever. Caitlin came to Royal Woods and she met me when we were three, and we played together and hung out ever since.

Caitlin Mackenzie: Yep. But, one day, when I was eleven, I heard the sound of a bloodcurdling scream when I was walking down Franklin Avenue, I rushed on over to The Loud House: the source of the scream, I kicked the door in and I found Lincoln lying in a massive pool of blood and I also found Leni, Luna, Laney, Lucy, Lana, and Mr. and Mrs. Loud terrified by the sight of it. Caitlin asked what occurred and everyone told me that Lincoln got attacked and brutally and viciously stabbed by Lori, Lynn, Lola, Lisa, and Luan who planned this whole attack on Lincoln to get rid of him once and for all. As soon as they were done explaining, Lori, Lynn, Lola, Lisa, and Luan came back, but they were only greeted with glares from the angry nice sisters and parents, but me, I was mad, no, I was super mega pissed off beyond all forms and concepts of reason, and I viciously pounced on and proceeded to beat the living crap out of those five with the fury of the heavens and I blasted them with elemental blasts so ferociously and powerful, I knocked them out.

We gasped.

Eli: You did all that to them?!

Me: She did.

Anna Anyanova: Yeah, it was vicious, then, she called an ambulance over who picked up Lincoln and she went with them to the hospital, and she donated her blood to save Lincoln's life, and it did, but it also gave him all the elemental powers of all The Dopants from Kamen Rider W combined along with omnipotent power as strong as yours, J.D., and while Lincoln and Caitlin were both at the hospital, the news reached the rest of us who proceeded to call the cops and take Lori, Lynn, Lola, Lisa, and Luan away, and they got thrown in the Lansing Maximum Security Nuthouse for ten months. Caitlin Mackenzie hated Lori, Lynn, Lola, Lisa, and Luan with a very burning vengeance, and she swore if they ever did this sort of thing to Lincoln again, she would kill them and send them straight to Hell.

Nico: Oh shit! So, if they did anything like that to Lincoln again… !

Luan and Lola: She would kill us!

Lincoln: Yeah, she would.

Caitlin Mackenzie: But, when I heard the rumors that Chase Young was the one who turned Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into those very fucked-up monsters, I had decided to let go of that hatred because the very source of your suffering is dead.

Lincoln: He caused enough suffering to too many people for 1,500 years, and now that you're here.

Lincoln went up to and hugged Caitlin Mackenzie in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Caitlin Mackenzie: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Caitlin Mackenzie's necks with colored gems on the gold lightning bolts and blue and colored crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Caitlin Mackenzie: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Caitlin Mackenzie.

Caitlin Mackenzie had a smile on her face and tears in her eyes and she pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them.

Lincoln: Now, that we've reunited, let's get going.

Nico: Lets get moving!

We were off!

Gaon: It might already be too late.

Me: It's never too late.

We flew over a mountain and then we saw him, THE TORTURED ONE!

HE WAS A GINORMOUS KAIJU SIZED PINK STARFISH!

Lightning struck all over the place and the skies were surging with it.

Camie: OH! MY! GOD!

Xenia: Yep! He's huge.

Tortured One: (GODZILLA 2014 ROAR)

Nico: WHOA!

Me: Lets blast him! KAAAAAA MEEEEEE HAAAAAA MEEEE HAAAAAAAAAAA!

Nico: FINAL FLASH!

Eli: GALICK GUN!

Varie: MASENKO HA!

Vince: SPECIAL BEAM CANNON!

Girl Jordan: AIR SHATTERING ENERGY BALLS!

Lola: NUOVA STAR!

We fired a massive barrage of energy and elements and the blasts all hit him SQUARE IN THE BACK AND EXPLODED!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL UNBELIEVABLE EXPLOSION!

HE ROARED IN INTENSE PAIN AS HE WAS NOT GOING TO BE ABLE TO REGENERATE FROM THAT ONE!

Juran: Holy shit!

Nico: I TOLD YOU THIS IS AN ABOMINATION!

Tortured One: No. This is Patrick!

Patrick: HEY! That's my line!

The Tortured One saw Krabs of our world.

Tortured One: I haven't forgotten, Krabs. Your Krabby Patty secret formula… IS ME. You stole a piece of me, all those years ago… AND WE WANT IT BACK! Most people know that sea stars can regenerate a lost limb… but few know that in some cases, the lost limb can generate a new sea star.

Mr. Krabs: But I have NOT cooked you in this universe!

Tortured One: Maybe so. But it still doesn't absolve you. Sea star nervous systems aren't centralized. They're spread throughout our limbs. So when I ate an undercooked Krabby Patty… the memory cells fused with my own, endowing me with my copy's endless nightmares, his anguish, and his lust for REVENGE!

Me: Your petty vengeance blinds you!

Tortured One: And I don't know why you're all even stopping me. I'm not the one who started all this in the first place.

Me: It was the Krabs of your universe! You killed him! Shouldn't that have been enough?

The Tortured One: I wasn't done with just Krabs. I will make sure that all creatures suffer. Starting with SpongeBob.

SpongeBob: Why me!?

The Tortured One: You devoured my flesh for years without ever even bothering to learn what you were consuming.

SpongeBob: It was me from your universe you killed!

The Tortured One: But your ignorance absolves you of nothing! Once I've dissolved every last cell in your body, I'll finish Sandy, and Squidward, and the rest of Bikini Bottom. Then I'll grow a new army of stars and we will spread across the entire ocean, consuming everything, indiscriminately like you. But first I'm going to enjoy… Tearing your mind apart!

Me: YOU'RE FUCKING INSANE! If you think we're going to let you kill all life in the ocean then you got another thing coming!

Nico: YOU MUST PAY FOR YOUR CRIMES!

Me: YEAH!

I fired a massive blast of fire and burned the Tortured One all over!

Nico: NEGATIVE KARMA BALL!

Nico formed a powerful red energy ball and threw it and it hit The Tortured One and exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLY UNBELIEVABLE POWERFUL EXPLOSION!

He was blasted all over and burned! He was blown into a billion pieces. But only 1 piece was STILL Living and it regrew into a new star and it was THE TORTURED ONE IN ITS TRUE FORM!

Me: At least all the pieces won't be able to regenerate because they are burned.

Zocks: You pinheads are going down!

Tortured One: Who you calling pinhead?

Me: Uh you PINHEAD!

I then formed a bowling ball and rolled it.

Tortured One: Yaaaahhhh… ! [the bowling ball hits the Tortured One, transforming him into several pins. A "strike" symbol appears. The ball later crashes onto him, hitting the Tortured One again. Another "strike" symbol appears]

SpongeBob: You okay, Patrick?

Tortured One: [offscreen] Finland!

Me: That's funny.

Nico: SPONGEBOB, DO NOT BE CONCERNED FOR THE ABOMINATION!

SpongeBob: Okay okay! Sorry!

Nico: Even after two years had passed, he's still as hideous as ever.

Apple Fritter: Either way, he must be destroyed once and for all!

Suddenly, Apple Fritter's brilliant emerald green eyes turned neon brilliant emerald green and she was surrounded by a brilliant malachite green and strong sea green energy aura with stars, apple fritters, apples, magic, and Alicorns, she unholstered her massive Apple Fritter's Alicorn Eternal Magical Apple Helper Friendship Greatsword of Eternal Apple Helper Love and Apple Helper Harmony from her back, and as she approached The Tortured One, she left brilliant malachite green and strong sea green energy, stars, apple fritters, apples, magic, and Alicorns with every step.

Apple Fritter: There's absolutely no words that describe how much I hate you so much, Tortured One and Krabs, so many of Bikini Bottom's innocents have suffered far too much because of your greed and all of Bikini Bottom suffered because of it, and now, I will make sure that the both of you are destroyed here and now!

Suddenly, Apple Fritter was surrounded by a massive vortex of brilliant malachite green and strong sea green energy energy with stars, apple fritters, apples, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a moderate orchid phoenix with red eyes glaring at The Tortured One and Krabs: the red eyes of eternal death.

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! YOU'VE HAD THIS COMING FOR A VERY LONG

TIME, TORTURED ONE, AND NOW, YOUR DAY OF JUDGEMENT HAS FINALLY COME!

The Tortured One and Krabs ran at Lincoln, Apple Fritter, and Triple Berry now completely crazy and now out of her mind, but Lincoln, Apple Fritter, and Triple Berry kicked Bikini Bottom Krabs into The

Tortured One and Lincoln summoned a storm, and they got electrocuted severely with lightning strike after lightning strike and they crashed onto the ground.

Suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with turquoise blue light covering her body and it had the Spider emblem on its chest and eight-pack abs and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman.

Me: Whoa, so this is the one who fired that blast of Symbiote goo at Krabs and The Tortured One?!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust)(Sees the blue color on the symbiote bodysuit) Wait, the blue color on the symbiote suit, there's only one person whose favorite color is blue, isn't that right, Lori Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Lori Loud, but she had longer blonde hair, neon blue eyes, fangs, and she looked like he was 21 years old.

Black-Suited Lori: Yep, and my brother literally told you all about us, right?

Me: He did, and he merged with Lincoln yesterday.

Black-Suited Lori: I knew he would.

Black-Suited Lori fired black symbiote goo which bound The Tortured One and Krabs to the ground.

Black-Suited Lori: Now, end them.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic

Nico: YES! KILL THAT ABOMINATION!

They blasted it all over the place with indiscriminate fury and power.

Lincoln channeled Black Gate energy into his massive greatsword as the 7'6" massive, wide, double-edged golden blade was glowing with black energy.

Lincoln fired a massive black energy beam which hits The Tortured One and Krabs and the both of them were incinerated in black flame and their souls were sent to The Black Gates forever!

We all cheered wildly as Lincoln, Apple Fritter, and Triple Berry holstered their massive greatswords on their backs and powered down, and Apple Fritter's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer brilliant malachite green and strong sea green tail, long light yellow horn, and massive light yellow angel wings are permanent, and Triple Berry's new body, clothes, gold halo, weapons, jewelry, Third Eye, longer dark purple tail, and massive light pale yellow angel wings are permanent.

Suddenly, Apple Fritter and Triple Berry felt wobbly and they were about to faint, but Lincoln caught them in his massive and powerful muscular arms.

Lincoln: You and Triple Berry okay, Apple Fritter?

Apple Fritter: I'm a little dizzy from that.

Triple Berry: Same here, but we're alright.

Me: Now, you know how we felt. But, that was so awesome, you guys really gave those demonic monsters quite the beatdown of their miserable lives.

Nico: Yeah, and Black-Suited Lori showed up and held them down by firing symbiote goo at them.

Lincoln: And I delivered the coupe de grace by firing a blast of black energy from my greatsword.

Apple Fritter: Which destroyed them both and sent them to The Black Gates.

Triple Berry: They deserved it.

Suddenly, Apple Fritter wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Apple Fritter's face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Apple Fritter sucked in and absorbed the elements.

Just then, Lori arrived, and she saw her Black-Suited self.

Lori: Whoa, is that… me?

Black-Suited Lori: Yep, and my world's Lincoln already explained the whole story to them yesterday and you know why I'm here.

Lori: Yep.

Black-Suited Lori turned formed a massive black Symbiote web which latched onto Lori's stomach, and Lori began absorbing Black-Suited Lori into her body, and then, Lori's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Lori began merging with Lori and Lori gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Lori's rainbow energy aura settled.

Me: Is it over?

Lori: It literally is. Hey, Black-Suited Lori, you settling in alright?

Black-Suited Lori: (Speaking through Lori's emblazoned Rainbow Eagle, Fairy, Dragon and Third Eye) Yeah, we've literally settled in perfectly.

We saw Lori's emblazoned Rainbow Eagle, Fairy, and Dragon glow with blue light.

Eli: So, whenever we speak to you, the Rainbow Eagle, Fairy, and Dragon will glow with blue light.

Me: Awesome, and we already can speak with Lori's other counterpart as well.

Lori 2: (Through the Rainbow Eagle, Fairy, Dragon, and Third Eye) Exactly.

Girl Jordan: Ooh, Lori, try to summon your Symbiote suit.

Lori concentrated and immediately, her body was covered in a black Symbiote suit with blue light reflecting off it and it had the spider emblem on it.

Lincoln: Yep, it worked.

The Symbiote suit disappeared back into Lori's body.

Nico: AT LAST! THE MONSTER IS DESTROYED!

Me: Thank goodness! I did not expect Krabs from that universe to be there too.

Nico: (Sigh of relief!) I overreacted a bit there didn't I?

Twilight Sparkle: A bit?

Nico: Okay I REALLY Overreacted there. Sorry guys.

Eli: No worries Nico.

Jared: At least we got rid of the monster.

Maria: And no one innocent got killed.

Me: Yeah and we avenged all those killed in the universe he came from.

Eli: Yep.

Qin: And destroyed the terror of Krabs and his insatiable greed.

Mr. Krabs: That version of me was a monster.

Plankton: At least that version of me died a hero.

Me: I agree there.

Nico: Yeah he sure did.

Lola: Yep.

Nico: I hope we didn't make a mess

Me: Nope. We were out in the boondocks here. So that's a relief.

Xenia: Yeah.

Nico: Yeah lets head back and collect the fortune in wienies here.

Xenia: Good idea.

We went back and then collected our loot in wieners.

Nico: It was worth it!

Me: Yep. We'll build a massive wiener fun zone for Phoenix Land.

Xenia: I like that.

Nico: We have so many possibilities.

Eli: Yep.

Horsea: Can I try some?

Nico: Sure.

We tried some wieners and they were juicy, delicious and tender.

Me: Mmm! Delicious.

May: I'll say.

Horsea burped.

Horsea: Oh pardon me.

Nico: No worries.

Lols: Good. But this was a really profitable rescue.

Qin: It sure was.

Noir Spiderman: That Tortured one thing made my Vulture look cute.

Me: That is an understatement. Noir Vulture didn't kill as many people as The Tortured One did.

Qin: Yeah.

Noir Spiderman: How many did it kill?

Me: Countless.

Qin: Yeah.

Nico: Yep. Now we got other business to do.

Pelee Plesiosaurus: Awesome to see you again J.D.

Me: Same here. Pelee is the Embodiment of the Plesiosaurus Dopant and she has the power to breathe underwater, talk to fish, swim fast without buoyancy resistant and even knows mermaids and everything.

Merman: That is amazing! Just like me with the same skills.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

A blast of lightning flew in and hit Another Merman and knocked her down and I caught the ridewatch and purified it and I brought over Pelee.

Me: Cool! Thanks Lincoln.

Lincoln: Uh that wasn't me.

Me: If it wasn't you then who?

?: From me.

Elec Man 2: (In a girls voice) Sorry about that guys.

Nico: Elie Elec!? Whoa!

Elie Elec: Awesome to see you again Nico. And I'm naked.

Me: Uh oh.

Lincoln: Right, Sindel. Now, let's go find your Revenant.

Suddenly, we saw a beautiful and super sexy girl with long black hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful green angel wings and Wind Kanji on her forehead and she's dressed in a black dress, dark blue stockings, black knee-high heels, and long white sleeveless trenchcoat with light, wind, Keyblades, and angels on the coattails and on the back is Deep Space and in her right hand is the Hyperdrive Keyblade.

The second is a beautiful and super sexy girl with long black hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings and Star Kanji on her forehead and she's dressed in a black dress, dark blue stockings, black knee-high heels, and long white sleeveless trenchcoat with light, stars, Keyblades, and angels on the coattails and on the back is The Land of Dragons and in her right hand is the Hidden Dragon Keyblade.

And the third is a beautiful and super sexy girl with long silver hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings and Dark Kanji on her forehead and she's dressed in a black dress, dark blue stockings, black knee-high heels, and long white sleeveless trenchcoat with light, darkness, stars, Keyblades, and angels on the coattails and on the back is The World That Never Was and in her right hand is the Ultima Keyblade from Kingdom Hearts 2, and with them are the thirteen girls.

Suddenly, our rainbow energy auras exploded and flared up extremely as we gained an astronomical power boost.

Lincoln: (GASPS) Dahlia Xaldin, Keyblade Knight of Deep Space and Embodiment of Xaldin, The Whirlwind Lancer of The 3 Tornadoes, Irinia Xigbar, Keyblade Knight of The Land of Dragons and Embodiment of Xigbar, The Freeshooter of The 2 Stars of Space, and Allie Xemnas, Keyblade Knight of The World That Never Was and Embodiment of Xemnas, The Superior of the In-Between of The Dark Void.

Allie Xemnas: That's right.

Dahlia Xaldin: And we got the girls away from Sindel's Revenant, but not before snipping some of her hair.

Irinia Xigbar: And Boss Cass took off again.

?: RAIDEN!

We then saw our target, the Revenant version of Sindel, and she was out for Raiden's head.

Lincoln fired gold spider silk webs that tied him up, and then, she chanted a powerful incantation and his large golden halo glowed and the four orbiting gold rings fired rays of rainbow healing light which hit Revenant Sindel and purified her and freeing her of Quan Chi's curse and Shinnok's dark influence along with ending Shao Kahn's spell that bewitched her. We cheered as we holstered our weapons and powered down and Lincoln's wild gold hair, eleven massive and long gold wolf tails, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange.

Alternate Sindel: W-what happened?

Sindel explained everything to her alternate self, and she was horrified by what she'd done.

Alternate Sindel: I can't believe what I've done. I let my own thirst for power blind me, I murdered Jerrod, turned against Edenia, and even worse, I turned against Kitana, Jade, and their comrades and cost them their lives, and I betrayed Raiden and the Elder Gods. I am filled with so much regret.

Lincoln: This wasn't your fault, it was Kronika's lies along with the dark actions of Quan Chi, Shinnok, and Shao Kahn from your timeline that this happened to you.

Alternate Sindel: But, still, what I'd done can never be forgotten. (To Sindel) There is something I need you to do, Sindel: I need you to assimilate me. You'll not only have my powers, but you'll also have knowledge of everything we'd heard from Kronika. This is the only way I can redeem myself.

Sindel: I understand.

Sindel went up to her alternate self and she placed her hand on her head, and then, Alternate Sindel glowed with bright green light as she was assimilated into Sindel and she assimilated all her alternate self's powers and knowledge. Suddenly, a massive tornado of purple energy and winds exploded out of her and surrounded her, and two purple dragons flew around the vortex. Then, the vortex faded and Sindel emerged.

But, she underwent quite a powerful transformation: she now had glowing neon purple dragons on her arms and stomach, purple highlights in the bangs of her long white hair with long black streak, necklace of purple gems and purple gem pendant, and she has on her past self's outfit from Mortal Kombat 11, and she also now has massive black angel wings with white tips on the black feathers.

Nico: That was incredible!

Sindel: Just like what Liu Kang did in assimilating his alternate future's self along with his powers and knowledge, I also did the same with my alternate future's self. Kronika will not get away with this, when the time comes that we face her, she will die, and the same will go with Mileena, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, Kollector, and Bi-Han.

Lincoln: That's right, Kronika's done enough damage to too many timelines in her madness to create a New Era and Mileena, Shinnok, Rain, Tanya, Reiko, Skarlet, Motaro, Sektor, Kollector, and Bi-Han have caused enough damage to Outworld and Earth, and they will answer for their crimes. (To Dahlia Xaldin, Irinia Xigbar, and Allie Xemnas) And it's so good to see you all again, Dahlia Xaldin, Irinia Xigbar, and Allie Xemnas.

Dahlia Xaldin, Irinia Xigbar, and Allie Xemnas: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, girls.

Lincoln went up to Dahlia Xaldin, Irinia Xigbar, and Allie Xemnas and he hugged them, and Dahlia Xaldin, Irinia Xigbar, and Allie Xemnas are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, gold version of Mithra's halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Dahlia Xaldin: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Irinia Xigbar: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Allie Xemnas: Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these three sexy hot mamas?

Lincoln: Indeed I do, J.D, the first girl is Dahlia Xaldin, Keyblade Knight of Deep Space and Embodiment of Xaldin, The Whirlwind Lancer of The 3 Tornadoes, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of wind and she's a very good friend of Lilo, Stitch, and all their friends, and she defended them from Gantu and from his former boss, Dr. Jacques von Hämsterviel, and Dahlia also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII especially Xaldin for endangering Belle and trying to turn Beast into a Heartless so he can acquire his heart for the creation of Kingdom Hearts, and she wants to make sure he and the rest of them pay for their crimes. She's also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Whoa.

Lincoln: The second girl is Irinia Xigbar, Keyblade Knight of The Land of Dragons and Embodiment of Xigbar, The Freeshooter of The 2 Stars of Space, she's my Guardian Angel from Michigan and she's a Keyblader with the powers of the stars and she's an awesome sharpshooter. She's a very good friend of Mulan, Shang, Mushu, and all their friends, and she harbors a truly nasty hatred for Shan Yu and the Huns for their attempts to attack and conquer China and she swore that if they ever attack China again, she would drench the lands of China with their blood, and Irinia also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII except for Xigbar, and she wants to make sure the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. Nico: You don't have to worry though, we killed Shan Yu in January of this year and sent him and the Huns to The Black Gates during the Chinese New Year.

Irinia Xigbar: Awesome!

Lincoln: Yep, and the third girl is Allie Xemnas, Keyblade Knight of The World That Never Was and Embodiment of Xemnas, The Superior of the In-Between, she's Lincoln's Guardian Angel from Michigan and she's a Keyblader with the powers of darkness and the void, and she also has the powers of negative energy, and the negative energy she radiates not only gives us an astronomical power boost that's similar to draining and absorbing an astronomically infinite number of Kisenian Blossoms, and she even has the power to make dishonorable villains fall prey to hatred and rage. She's the most powerful Keyblade Knight and the most powerful of The Embodiments of Organization XIII. She harbors a very very very very nasty hatred towards Xemnas for what he did to Nico that kick-started The 20 Days of Darkness, and she swore that one day, if he ever ever comes back from the dead, she would kill him and throw his body into a volcano, and she also harbors a very nasty hatred towards THE OTHER MEMBERS of Organization XIII except for Roxas, Axel, Xion, Zexion, Lexeaus, Luxord, and Demyx, and she wants to make sure the rest of them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. Me: Whoa!

Nico: And that negative energy increase we had, she gave us that?!

Lincoln: Yep, that's one of her special abilities, and now that you three are here.

Lincoln went up to and hugged Dahlia Xaldin in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Irinia Xigbar in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. And Lincoln went up to and hugged Allie Xemnas in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Dahlia Xaldin: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on Dahlia Xaldin, Irinia Xigbar, and Allie Xemnas' necks with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Allie Xemnas: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Dahlia Xaldin, Irinia Xigbar, and Allie Xemnas.

Dahlia Xaldin, Irinia Xigbar, and Allie Xemnas had a smile on their face and tears in their eyes and they then pounced on Lincoln and they proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the thirteen girls, and when Lincoln saw them, he immediately recognized them immediately. The thirteen girls are the Simulator versions of Diane Parker, Cathy King, Amy Young, Hannah Choi, Heather Valentine, Marina Romanova, Maddie O'Malley, Evie Holloway, Katherine Woolf, Zara Tien, Gwen Harper, Priya Desai, and Carrie James from Criminal Case.

Lincoln: Oh wow, it's the Simulator versions of Diane Parker, Cathy King, Amy Young, Hannah Choi, Heather Valentine, Marina Romanova, Maddie O'Malley, Evie Holloway, Katherine Woolf, Zara Tien, Gwen Harper, Priya Desai, and Carrie James from Criminal Case.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Simulator Diane Parker: Yes, we're okay, thanks to you.

Then, when Simulator Diane Parker and the other twelve girls saw who it was that saved them from the Revenant version of Sindel, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The

Simulator Diane Parker: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Simulator Diane Parker: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator versions of Diane Parker, Cathy King, Amy Young, Hannah Choi, Heather Valentine, Marina Romanova, Maddie O'Malley, Evie Holloway, Katherine Woolf, Zara Tien, Gwen Harper, Priya Desai, and Carrie James with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and we took down the third of the Revenants of Quan Chi.

Maria: And now, we've taken down the third of Quan Chi's revenants.

Lincoln: Yeah, we've still got the Revenant versions of Kabal, Stryker, Nightwolf, Jade, Jax, and Sub-Zero to stop, and then, we get after Boss Cass before he does something even more dangerous.

Me: I'm gonna rip that dirty cassoway's head off for this!

Nico: Save seconds for all of us, J.D., he's not getting out of this alive!

* * *

After purifying Revenant Sindel and Sindel assimilated her, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Dahlia Xaldin, Irinia Xigbar, and Allie Xemnas saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Allie Xemnas: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Irinia Xigbar: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Dahlia Xaldin: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've

also gotten smarter as well.

Allie Xemnas: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Dahlia Xaldin: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Allie, Irinia, and Dahlia, what memories did you have with Lincoln?

Allie Xemnas: We were hoping you'd ask that. Well, one time, Lincoln, Dahlia, Irinia, and I along with the rest of his Guardian Angels and harem were at Girl Jordan's house and we were there for a pool party, since she invited Lincoln and all of us.

Dahlia Xaldin: But, then, Becky's alarm sounded, and we suddenly heard the familiar sound of a loud belch in the air along with catching the smell of B.O., farts, and smelly feet, and we knew who it was that had those sorts of characteristics: that aggressive, belching, farting, rude, disgusting pig of a sister, Lynn, and we found out that mutt was back to kill Lincoln and all of us.

Irinia Xigbar: We'd had enough of that filthy animal running loose again, so we pounced on and beat that mutt hard into the ground, but then, Allie fired a blast of darkness and void energy at her which made Lynn be overcome with the same thing Nico went through because of Xemnas, but for Lynn, she was being confronted by visions of Lincoln pointing out her misdeeds and all the times she'd gotten his blood on her hands, and it made her go crazy. We told Lynn there was only one way for the torment to end: she needed to show genuine remorse for her actions to Lincoln, but being the totally stubborn jackass that she was, she refused.

Eli: Lynn!

Lincoln: We were pretty angry ourselves that Lynn refused to show genuine remorse, so those visions of me continued torturing her, but a few weeks later, she was literally tired, weak, and tormented and she broke down and cried and she showed genuine remorse by apologizing to me and I accepted her apology and we hugged, and that led to Lynn being freed from Allie's curse.

Nico: So, Lynn showed genuine remorse and that broke Allie's curse, that's an impressive condition she put out for her.

Lincoln: Yeah, but Lisa was enraged that Lynn broke because of Allie's curse, and she did the one thing that pissed me off to that day: she threw Allie into a portal that led to The Realm of Darkness and she was laughing insanely.

We gasped.

Carolina Keyblada: We were super pissed off that Lisa did that, but Darla helped Allie out of there in less than a second, we told Mr. and Mrs. Loud of what Lisa did to Allie, and they were enraged, but none more so than Lincoln. He electrocuted Lisa with 900,000,000,000 volts of lightning and sent her flying into a metal container and he welded the door shut! That was how pissed off he was.

Lola: Lisa went way too far that day, and we never talked to her for nine months.

Nico: Lisa Loud, of all the horrible things you've ever done to Lincoln and his Guardian Angels, this is one that definitely takes the cake!

Me: It really did it, and Lincoln was so enraged at what Lisa did, he made her experience the extent of his fury.

We got a shower, and then, Lincoln, Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator

Luna are heading to Deep Bloober Sea.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator Luna are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator Luna had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Akiza Izinski: Wow, so this is Deep Bloober Sea, it sure is awesome.

Lincoln: It sure is, Akiza, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator Luna dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa

Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator Luna got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator Luna and they hugged them in their abnormally massive and powerful muscular arms, and Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator Luna placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Deep Bloober Sea, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator Luna with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator Luna are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Shadow Weaver, Shattered Glass Airachnid, Universe 666 Trina Riffin, Simulator Tifa Lockhart, Simulator Rinoa Heartilly, Simulator Quistis Trepe, Simulator Selphie Tilmitt, Simulator Akiza Izinski, and Simulator Luna, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Chronos from Dragalia Lost and he's come to destroy the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like one bit: the figure we saw and the dark energy we sensed belongs to Chronos from Dragalia Lost and he's come to destroy the world again.

Nicole: Oh, shit, this isn't good.

Nicole Nerissa: We need to slay that traitorous dragon here and now.

Lincoln: Exactly what we're going to do, Nicole. That traitorous dragon has caused enough damage already, he will be hunted down and destroyed.

Me: This is going to be one deadly and wild battle.

Nico: You said it. Alright, gang, we may not have a mission for today, but we still need to hunt down and destroy Chronos.

Lincoln: That traitorous dragon will die for his crimes!

Nicole Nerissa: I will never allow him to live a single second further, this time, he dies here and now!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to the park to destroy Chronos of Dragalia Lost.

We arrived at the park to hunt down the traitorous dragon, Chronos.

Me: Alright, we're here in the park.

Nico: Yeah, now where is that traitorous dragon, Chronos?

?: YOU FOOLISH HEROES WILL PERISH AND BE WIPED FROM THE FACE OF THE EARTH!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of light, time, fire, water, wind, and darkness that came out of nowhere and they hit the barrier, but the elemental volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Chronos, or you will be forced out!

A titanic dragon closer to appearance to a kaiju with glowing eyes and gold-colored horns and a large, yellow, circular structure behind him with five wings representing the five Greatwyrms came out, it was none other than Chronos, the traitorous dragon of Dragalia Lost.

Lincoln: You just don't even know when to quit, do you, Chronos. You continue to serve your master, Morsayati, and continue to cause mayhem to humanity, you make me sick.

Chronos (Dragalia Lost) YOU DARE TO SPEAK TO ME LIKE THAT?! DO YOU EVEN KNOW WHO I AM?!

Nicole Nerissa: Clearly, we do, traitor of the dragons!

Suddenly, Nicole Nerissa's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, quintessence, lightning, fire, earth, water, wind, light, darkness, life energy, phoenixes, and angels, she unholstered her Guardian of Kandrakar greatsword from her back, and as she approached Chronos, she left pink energy, stars, quintessence, lightning, fire, earth, water, wind, light, darkness, magic, life energy, phoenixes, and angels with every step.

Nicole Nerissa: Everything that Lincoln said about is indeed true, you may have appeared to be a kind dragon who wants to help Euden fulfill his wish of saving Zethia. However, it was only a front for your true self: and your true self is a sadistic and heartless minion of Morsayati who doesn't care for the lives of mortals. That is truly unforgivable, Chronos, you don't deserve forgiveness for your crimes, and as The Guardian of The Heart of Kandrakar, I will make you pay for every last one of those crimes with your own blood.

Suddenly, Nicole Nerissa was surrounded by a massive vortex of pink energy with stars, lightning, fire, earth, water, wind, light, darkness, magic, life energy, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a neon pink phoenix with red eyes glaring at Chronos: the red eyes of eternal death. Then, as the vortex faded, Nicole Nerissa emerged, but she was changed forever.

We arrived at the park to hunt down the traitorous dragon, Chronos.

Me: Alright, we're here in the park.

Nico: Yeah, now where is that traitorous dragon, Chronos?

Suddenly, Nicole Nerissa's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, quintessence, lightning, fire, earth, water, wind, light, darkness, life energy, phoenixes, and angels, she unholstered her Guardian of Kandrakar greatsword from her back, and as she approached Chronos, she left pink energy, stars, quintessence, lightning, fire, earth, water, wind, light, darkness, magic, life energy, phoenixes, and angels with every step.

Nicole Nerissa: Everything that Lincoln said about is indeed true, you may have appeared to be a kind dragon who wants to help Euden fulfill his wish of saving Zethia. However, it was only a front for your true self: and your true self is a sadistic and heartless minion of Morsayati who doesn't care for the lives of mortals. That is truly unforgivable, Chronos, you don't deserve forgiveness for your crimes, and as The Guardian of The Heart of Kandrakar, I will make you pay for every last one of those crimes with your own blood.

Suddenly, Nicole Nerissa was surrounded by a massive vortex of pink energy with stars, lightning, fire, earth, water, wind, light, darkness, magic, life energy, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a neon pink phoenix with red eyes glaring at Chronos: the red eyes of eternal death. Then, as the vortex faded, Nicole Nerissa emerged, but she was changed forever.

Nicole Nerissa grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large pink orbs orbiting around her legs, she has the body of a goddess, she has pink highlights in the bangs of her long midnight black hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon pink eyes and a pink energy aura with quintessence, life energy, stars, lightning, fire, earth, water, wind, ice, light, darkness, magic, phoenixes, and angels surrounding her, she has the symbol of The Heart in the hands of an angel emblazoned on her forehead and Third Eye with pink iris, she has on angel earrings with pink gems for eyes and holding the Quintessence, Element, Lightning, and Eternity Kanjis in her hands, she also has an angel with pink gems for eyes and holding the

Nicole Nerissa has on a short-sleeved light blue shirt and sleeveless pink blouse, necklace with the Heart of Kandrakar, pink skirt, pink pants, dark blue knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with quintessence, life energy, stars, lightning, fire, earth, water, wind, light, darkness, magic, ice, phoenixes, and angels on the coattails, and on the back is the Heart of Kandrakar surrounded by quintessence, life energy, stars, lightning, fire, earth, water, wind, earth, light, darkness, magic, ice, phoenixes, and angels. Suddenly, Nicole Nerissa felt a sharp pain on her back, and then, her massive black angel wings with pink tips on the black feathers grew and sprouted out from her back, and she also now has eleven massive and long black wolf tails with pink tips and pink markings, Nicole Nerissa has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Nicole Nerissa's Sword of Kandrakar and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink energy, quintessence, life energy, stars, lightning, fire, wind, earth, light, darkness, ice, magic, phoenixes, and angels, and when it emerged, it was transformed into Nicole Nerissa's Quintessence Elemental Magic Heart of Kandrakar Guardian Greatsword of Elemental Kandrakar Quintessence Lightning Heart Justice, it's a brand-new massive greatsword with embedded pink gems and the symbol of The Heart etched on the 7'6" massive, wide, double-edged pink blade, large neon gold dragon heads with pink gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large pink gems embedded in their foreheads, longer midnight black handle, four large gold phoenix heads with pink gems for eyes and on the bottom of the large gold phoenix heads is a gold dragon head with pink gems for eyes and a pink gem in its mouth for the pommel, Nicole Nerissa has on her large gold Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large gold phoenix head with pink gems for eyes and large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below the symbol of The Heart that said, "Nicole Nerissa, Guardian of Quintessence and The Heart of Kandrakar, Chosen Guardian of Kandrakar, Loving Elder Daughter of Nerissa, Friend of Hay Lin, Irma Lair, Taranee Cook, Cornelia Hale, Cassidy, Halinor, Kadma, Yan Lin, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, Xenia Lin, and Eliza Brown, Guardian Angel and Loving Future Wife of Lincoln Loud, Despiser of Royal Woods' Jerks, Destroyer of Chronos, Destroyer of Dark Nerissa and Phobos, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Quintessence, Lightning, Fire, Earth, Ice, Water, Light, Darkness, Magic, Stars, Life Energy, Phoenixes, and Angels"

Suddenly, Nicole Nerissa's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Nicole Nerissa has transformed into SUPER ANGEL-KANDRAKAR HEART QUINTESSENCE GUARDIAN-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC KANDRAKAR HEART ELEVEN ELEMENTAL MAGIC QUINTESSENCE HEAVENLY PHOENIX ANGEL OF DIVINE COSMIC KANDRAKAR HEART ELEVEN ELEMENTAL MAGIC QUINTESSENCE HEAVENLY PHOENIX ANGEL JUSTICE AND DIVINE COSMIC KANDRAKAR HEART ELEVEN ELEMENTAL MAGIC QUINTESSENCE HEAVENLY PHOENIX ANGEL LOVE!

We were really amazed by Nicole Nerissa's Super Angel-Kandrakar Heart Quintessence Guardian-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Chronos saw it, he fell into a rage and fired blasts of elements to kill her, but Nicole Nerissa absorbed the elemental blasts and they made her stronger than ever, and she fired a powerful barrage of pink energy, quintessence, life energy, stars, lightning, fire, water, earth, wind, light, darkness, ice, magic, phoenixes, and angels at Chronos, and they exploded with such incredible power as the barrage hit him, he got back up and this really angered him now.

Nerissa: Incredible, Nicole's transformed.

Lincoln: She did, and she really pissed off Chronos now!

Nicole Nerissa: (Divine Echoing Godly Voice of The Divine Cosmic Kandrakar Heart Eleven Elemental Magic Quintessence Heavenly Phoenix Angel and Divine Cosmic Kandrakar Heart Eleven Elemental Magic Quintessence Heavenly Phoenix Angel Love) You bet I did, and now, it's high-time to put an end to this traitorous dragon once and for all, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Nicole Nerissa.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused more than enough trouble for a lifetime, Chronos, now, it's high-time we put an end to you once and for all.

Nicole Nerissa and Lincoln went after Chronos who continued firing blasts of elemental energy at them, but Lincoln and Nicole Nerissa absorbed them and it made them infinite times stronger than ever, and they fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Chronos and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Nicole Nerissa also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Chronos even madder than ever and used his Chronokinesis to heal his wounds!

Chronos: YOU WORTHLESS HUMANS! I WILL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You can't kill us, Chronos, we're immortal and invincible, and we're also The Champions of The Gods. But, you, you're nothing more than a traitor to all dragons and a threat to mankind. There is no place for you in this world or the next.

Then, Lincoln fired black Symbiote tentacles from his chest who grabbed Chronos and he began pulling Chronos to him, and once Chronos made contact with Lincoln's skin, Lincoln began absorbing the titanic dragon into his body and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he assimilated all of Chronos' superhuman physical attributes, huge size, nigh-immortality which was also added to his true immortality, high intelligence, shapeshifting, Photokinesis, Chronokinesis, Pyrokinesis, Hydrokinesis, Aerokinesis, Umbrakinesis, and dimensional travel, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head.

Then, an energy card with Chronos' drained soul appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Chronos' forehead, the traitorous dragon was sent to The Black Gates for eternity. We cheered wildly for what Nicole Nerissa and Lincoln did as they holstered their massive greatswords and powered down, and Nicole Nerissa's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive black angel wings are permanent.

Nicole Nerissa: Burn in The Black Gates forever, you traitorous dragon. Thank you for helping me get rid of Chronos forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Nicole.

Suddenly, Nicole Nerissa wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Nicole Nerissa's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Nicole Nerissa sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: I certainly wasn't expecting Chronos to appear, but we managed to get rid of that traitorous dragon for good.

Me: You said it.

Nico: Yeah, what a traitor. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one: Jessie Campbell, Keyblade Knight of The Toy Box.

Sora: Oh man, no way, we haven't seen her in years.

Roxas: It sure has been years since we last saw her.

Michelle Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Jessie Campbell is Lincoln's Guardian Angel from Michigan and she's a Keyblader and proud defender of toys. She's a very good friend of Andy, Woody, Buzz, and all their friends, and she harbors a truly nasty hatred for that nasty toy-destroying monster, Sid Phillips, and wanted to make him pay for his crimes against toys, and she also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII, and she wants to make sure them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

We gasped.

Me and Nico: Oh shit.

Nicole: So, we're not the only ones who harbor hatred for that little toy-destroying monster.

Lincoln: Yep, she hated Sid Phillips for his crimes against toys, so much so that if she ever saw him yet again, she'd summon the spirits of the destroyed toys to get revenge on Sid.

Nico: Even resorting to that?! Whew! But, she won't have to worry about him, we did defeat him months ago and sent him to The Charon Reform School.

Lincoln: That we did, so she won't resort to resurrecting the spirits of the destroyed toys to get their revenge on Sid. But, if he does try to get out to get revenge, I'll ask Jessie to do just that.

Me: (Snickers) Now, that would be hilarious to see.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Nico: But later after the party later today.

---

Later we were at the table and in front of us were jars of Carolina Reaper Peppers!

Horsea: What are you guys eating?

Me: Carolina Reaper Peppers. We're having a contest to see who can eat the most of them from the jar.

EVERYONE GASPED!

Nico: Yep.

Me: Ready for this?

Eli: We're ready.

(THE GOOD THE BAD AND THE UGLY THEME PLAYS)

We all looked at each other with competitive faces.

Poliwag: It's been nice knowing you guys.

Nico: Ready?

Me: Ready.

Nico took a pepper out.

Nico: Bring on the pain.

CRUNCH!

Nico ate a pepper and almost INSTANTLY his face turned red and fire exploded out.

I took 4 peppers and ate them and a fire aura exploded out with devastating force!

Laney bit one and then SCREAMED IN AGONY AS A JET OF FIRE BLASTED OUT OF HER MOUTH AND BURNED LYNN!

She fainted!

Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP! (PICKS UP LANEY) HUP HUP HUP HUP HUP HUP HUP HUP!

Nico ate 5 of them and intense fire formed around him.

FWOMP FWOMP FWOMP!

Carol, Sam and Lori fainted from the intense heat.

Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP! (Picks them up) HUP HUP HUP HUP HUP HUP HUP HUP!

I ate 8 of them and more fire exploded out of me.

Eli, May and Maria fainted too.

Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP! (Picks them up) HUP HUP HUP HUP HUP HUP HUP HUP!

Manaphy: I'll cool them down

Varie: Okay.

Lana, Lola, Lisa, Lily and Lucy fainted from the intensely powerful spice!

Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP! (Picks them up) HUP HUP HUP HUP HUP HUP HUP HUP!

Poromon: They're dropping like flies!

And he was right on that. Until only me and Nico remained.

Tentacool, Manaphy, Horsea, Vaporeon and the Water Mascots were giving everyone water.

I then took a pepper and ate it and my fire aura grew.

Nico then took the last pepper and looked at it and then he fainted.

FWOMP!

I WON!

Me: OH YEAH BABY!

Xenia: J.D. WINS!

I took the last of the peppers in the jar and ate them and drank the juice too and my fire aura exploded out more and it was awesome.

Nico got up and coughed out smoke and fire.

Poromon: Sorry, Nico!

Nico: (WHEEZES) No worries.

?: Boy that is a brutal one!

We saw a girl with blue hair and had blue eyes and she had red clothes and red angel wings and had a tiara with the symbol of the Denziman on it and she had the same symbol on her skirt.

Dana Denziman: Dana Denziman - Embodiment of the Denziman from 1980 ready for action!

Me: Awesome to have you with us Dana.

Xenia: Same here.

Horsea: Tell us more about yourself.

Dana Denziman: Sure. I like collecting Marvel Comics and I am a huge fan of the Marvel comics. Also I have a really massive collection of them and they are so fun. Also I like going fishing and even surprising people I love.

Qin: Nice.

Xenia: Awesome

Dana Denziman: Yeah.

Me: Would you like to join the team?

Dana Denziman: I would be honored.

May: Nico, which Gene Slammer do you think you'll meet next?

Nico: Ice Man next.

Me: Ooh a cold one next.

Qin: Yep.

Nico: You guys know what today is

Qin: Yep. The Anniversary of the battle with Grandfather!

Xenia: Boy that was awesome.

We went down to Lynn's Table for the party.

---

At Lynn's Table we were celebrating an awesome party.

All of us: (CLINKS GLASSES) CHEERS!

Nico: To the death of Grandfather 2 years ago.

Lold: Yeah!

Xenia: That was awesome!

Vypra: 2 Years have passed already.

Nico: Yep.

Kit: Mind explaining?

Me: Well on July 20th, 2021 which was 2 years ago today we went into battle against the most evil Adult Villain that the Kids Next Door ever faced. His name was Grandfather and he was Numbuh 1's grandfather and Numbuh 0's father.

I went over his history and it was horrible.

---

Grandfather is the overarching antagonist of the Codename: Kids Next Door series, serving as the main antagonist of Cartoon Network's 3rd animated feature film, Codename: Kids Next Door Operation: Z.E.R.O. He is by far the most powerful and evil villain that the KND has faced as a whole.

He is an extremely powerful and tyrannical being who once ruled the world before he was overthrown by his elder son, Monty Uno. Many years later, he was revived by his younger son and successor, Father, and began transforming the people of the world into Senior

Citi-zombies. Grandfather is very tall and lanky, and significantly taller than a normal person. He had a bald head and a large beard with long, scraggly strands of hair. He is also the grandfather of Nigel Uno (Numbuh 1), and Number Zero/Monty Uno's father and arch-nemesis.

He was voiced by Neil Ross, who also voiced Norman Osborn/ Green Goblin in Spider-Man: The Animated Series, the Cyclops in The SpongeBob SquarePants Movie, and Colonel Volgin in Metal Gear Solid 3: Snake Eater.

During the Victorian Era, Grandfather (back then known as Pappy) ruled the world with an iron fist and forced all children to work in his tapioca factories. One day, his son, Monty Uno, discovered the Book of KND, led an uprising of children and defeated his evil father by erasing memories and powers.

During the dawn of the 21st century, Grandfather's other son, Benedict Uno, used the Recommissioning Module on Grandfather, then a decrepit old man, to restore his former self, and expected to work together with him to destroy the Kids Next Door and rule the world alongside him. However, Grandfather shunned his son and ordered him to leave, calling him a failure and claiming that he liked his other son more.

He then revealed his plan: To turn all of the kids in the world into Senior Citi-zombies, as well as everyone who was ever a kid. The villains cheered, until they realized that they all used to be children and that this amounted to every person in the world. They tried to flee, but in vain. Once Grandfather turned all of them into his zombie minions, he ordered them to invade the Kids Next Door's treehouses throughout the world, turn them into zombies as well, and turn their treehouses into tapioca factories. Soon, every nearly KND operative (and presumably every person) on the planet was transformed, save for Numbuh 1, who would commission his father by the name of Numbuh 0 again.

After establishing his rule over the world, Grandfather turned his efforts to finding and destroying the Book of KND, as it could provide children with hope; the only thing that could defeat him. Grandfather arrived near its location just in time to be confronted by his son

Monty, who was carrying the book in his back pocket. Monty wrestled with Grandfather until he found the Book of KND. Monty was able to resist Grandfather's power, but soon began to succumb to it.

Monty was able to fight off Grandfather long enough for Sector V to launch the KND Moonbase at him, and seemingly destroyed him. However, Grandfather survived relatively unscathed and emerged from the wreckage, only to find out that he was standing in a Decommissioning Chamber from the Moonbase. Grandfather and Numbuh 0 were both decommissioned once again, and turned back into their harmless, and clueless adult selves. This causes all of the Senior Citi-Zombies to turn back into their regular selves too and the tapioca factories to turn back into sector tree houses.

---

When I was finished everyone that hadn't heard about it was shocked and horrified.

Kit: WHOA!

Taro: What kind of villain name is Grandfather?

Me: Well he is an old man but also he is the VERY FATHER of all Adults, the ultimate Evil.

Nico: His goal was to kill the entirety of kids around the world and even DOUBLE CROSS and kill his own family.

Xenia: Yeah.

Kit: What a monster!

Camie: No kidding!

Lola: Yep. We went into battle with him and he was that dangerously strong.

Knightbrace: He even double crossed us too!

Zarya: Yeah no kidding.

Count Spankulot: (Transylvanian Accent) What he did was very bad.

Me: Worse than that Count. He was beyond pure evil.

Lola: Yeah.

Nico: He also could turn people into Senior Citizombies

Numbuh 2: Yeah he sure did.

Qin: That was crazy.

Kit: WHOA! That must've been scary!

Xenia: Yeah it was.

Numbuh 2: It was.

Nico: Yeah and he turned all the KND Treehouses into Tapioca pudding factories.

Mary Knudson: And I don't really like Tapioca pudding.

Numbuh One: But I also learned a few things

Kit: Like what?

Numbuh 1: I found out that my father was really the legendary Numbuh 0.

Me: His father helped start the 7th Generation of The Kids Next Door. Which was really awesome.

Lola: That was a massive shock.

Me: And that the Delightful Children were really the long lost members of Sector Z.

Qin: Yep.

Laney: And that Father was really his uncle. Both his Grandfather and uncle were Genocidal monsters that want to destroy the entire human race.

Xenia: Yeah.

Numbuh One: (laughs) I also learned how to crash a moon base!

Me: He sure did. It was a Kamikaze attack. It worked.

Lola: Yeah.

Me: This is the old Moonbase.

I showed the old one.

Me: And here is the new version.

I showed them that.

Kit: Wow! That is amazing.

Xenia: It sure is.

Lola: Yep.

Kit: That was really awesome.

Me: Yep. But you don't know the full extent of what happened back then. We not only dealt with Grandfather but also we faced evil versions of the Adult Villains and even Clones of Patrick from the Tortured One.

Nico: Oh yeah.

Tsubasa: That was one you first fought that monster?!

Me: Yep. It sure was.

Qin: Scary too.

Me: Yeah and we faced Dark Versions of the Adult Villains too. Here's what went down back then.

I went over everything that happened in chapter 1463 in detail and it was awesome.

When I was finished everyone was absolutely amazed!

Kit: Wow! That is so cool!

Xenia: Yep.

Numbuh One: I did the final blow.

Kit: That is cool! Way to go Nigel.

Numbuh 1: Thanks.

Me: It was epic!

Nico: And now, Grandfather will never harm any kids again.

Me: Neither will Father. And after that awesome battle Nigel and Rachel got hitched. 1 year after that war they got married and it was awesome.

Laney: it sure was

Varie: That was a great wedding and we found out that Rachel's mother was in the KND long ago.

Numbuh 362: Yep. My mother was Numbuh 361.

Xenia: That is awesome.

Kit: That sure is awesome! Congratulations to both of you.

Taro: We're so proud of you guys.

Numbuh 1: Thank you all.

Me: You're welcome.

Poromon: I hope you have lots of kids!

Numbuh 1: I know we will. But not now. Soon.

Numbuh 362: Yeah. Soon.

Qin: Someday.

Xenia: Yeah.

Turbo: And back then I helped out in that battle. It was so fun.

Lola: Yeah you sure did Turbo. That was awesome.

Nico: It sure was.

Turbo: I sped you guys to where he was.

Me: That was so awesome. And we owe you big for that.

Turbo: Aw it was nothing.

Numbuh 1: Yeah.

Nico: I'll never forget that day

Me: Me neither. That was so epic.

Kit: Boy that was an awesome day for you all.

Xenia: Yep.

Camie: It sure was.

We had a really great party and it was so much fun.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for 20 more days

It was really hot out and the ponies and people were trying to find ways to keep cool.

Me: WHEW! Man is it hot outside.

Nico: Boy no kidding. It's 100˚Fahrenheit out here.

Maria: Good thing I have plenty of water.

Me: Yeah. At least it's not 130˚ like it was that one time.

Lana: Boy no kidding.

Lola: It's really hot.

Rarity: At least we're trying to stay cool.

Rainbow Dash: Too bad everyone and everypony isn't at the beach. That would be a great way to cool down for them.

Camie: I agree there.

Zipp Storm: I know.

Peyton: Yeah they need to cool down too.

Nico: Peyton, I want to thank you, King Shark, and your teams for coming.

Peyton: No problem Nico. I can't wait to eat and kick some butt too.

Me: (LAUGHS) You are always sure hungry Peyton.

Nico: Yeah.

Crimson Fox: (French Accent) He sure has an appetite for fun and action.

Laney: I agree there.

Nico: Crimson Fox, I never did get to hear your real name

Crimson Fox: Oh I apologize Nico. It's Vivian D'Aramis or Constance D'Aramis. We are twin sisters that share the same Superhero name.

Laney: It's complicated Nico.

Crimson Fox: Oui. I'm Vivian today.

Qin: Wow!

Nico: That is really awesome. Twins that can be one hero.

Lola: Yeah.

Crimson Fox: Oui oui. It's confusing I know.

Nico: And what jobs do you have?

Crimson Fox: We both work as Librarians.

Me: That works.

Nico: Cool cool.

Laney: I like that Vivian.

Twilight Sparkle: Me too. Being a Librarian is fun.

Me: It sure is.

Nico: Yep.

Lana: Boy that was an awesome party yesterday.

Kit: It sure was and it was so fun to hear about what you guys did that day 2 years ago.

Taro: It sure was. You guys really had a great battle back then.

Nico: That was a great adventure for us back then.

Haruka: It's scary to know that Grandfather could turn others into zombies.

May: They're not really zombies.

Me: They were called Senior Citizombies. They were Senior Citizens that act like zombies.

Haruka: Oh that's different.

Nico: Yeah. But it was awesome.

Maria: And he was even worse then Father

Me: Yeah because both Father and Grandfather were going to destroy the entire human race by killing all the kids.

Qin: Yeah what a bunch of heartless evil monsters.

Nico: Yeah. Either way they both got what they deserved.

Kit: Thank goodness. You guys sure did great killing them. And you gave them both the Black Gates right?

Me: Yep. Good riddance.

[splat]

We saw that Seashell, Glory and Peach Fizz had their ice creams fall on the ground.

Seashell, Glory, and Peach Fizz: Huh? [crying]

Me: Oh don't worry girls I got this. (SPINS MAGISWORD BRACELET)

ICE CREAM SCOOP MAGISWORD!

I gave them all new scoops of ice cream for their cones.

Seashell: Hey thanks J.D.!

Peach Fizz: Boy it sure is hot out today.

Glory: Yeah!

Me: Whew no kidding girls. You all trying to stay cool in this heat?

Seashell: We sure are.

Me: Want to come with us?

Peach Fizz: Sure.

They got to licking their cones.

Nico: And Sector Z is back where they belong.

Lola: Yep. And the Moonbase is better than ever.

Xenia: It sure is. And the Kids are now finally free of evil.

Nico: Yep. And most of the Adult Villains are now in the M.O.E.

Lana: They sure are.

Hitch Trailblazer and Sunny Starscout were in overdrive making smoothies for everyone.

Hitch Trailblazer: Okay, Sunny! We've got two super citrus…

Sunny Starscout: Yup!

Hitch Trailblazer:… three triple berry…

Sunny Starscout: Got it!

Hitch Trailblazer:… one dreamy greenie, and one grilled cheese with extra-cheesy French fries?

Sunny Starscout: Huh?

Hitch Trailblazer: Wait a second.

Sparky Sparkeroni: [giggling]

Hitch Trailblazer: Nice try, Sparky! Silly little dragon.

GRILLED CHEESE SANDWICH AND FRENCH FRIES MAGISWORDS!

I gave Sparky and awesome meal for that.

Hitch Trailblazer: What the!?

Me: (LAUGHS) That is a funny order for a little dragon.

We laughed!

Sunny Starscout: (LAUGHS) That is funny.

Me: Yeah. Whew! Sure is hot out isn't it?

Hitch Trailblazer: Yeah it sure is.

Sunny Starscout: Boy everypony is trying to find ways to beat the heat.

Me: I know.

Peyton: Good thing I can use water, huh?

Nico: That is for sure.

Sunny Starscout: Usual Smoothies guys?

Me: Sure!

Eli: Yes please.

They got to work and gave us our awesome smoothies.

Me: (Slurps) Ahh. Kiwipaya Blue Raspberry. Delicious.

Nico: Boy all the fruits are awesome. (Slurps) Ahh. Especially Banana Blue Raspberry Strawnana.

Xenia: Yeah.

Misty Brightdawn: That was a really awesome party yesterday though.

Pipp Petals: It sure was guys.

Nico: Yeah everyone had fun. Guys I'm sorry you had to see me overreact to the Tortured One like that though.

Me: It's all right Nico.

King Shark: (panting) As a shark, I'm particularly dying of heat!

Me: It could be worse. At least we're not on the planet Valmorg. That's over 2,000˚ Fahrenheit there.

King Shark: That is true.

Sunny gave him a big Gigagulp Smoothie.

King Shark: Ahh sweet relief. Thanks Sunny.

Sunny Starscout: You're welcome King Shark.

He slurped it down.

Dahlia: I can't believe it's this hot out.

Nico: You're telling me Dahlia.

Sunset Shimmer: I like finding ways to beat the heat. But it's cool we're drinking smoothies like this.

Lola: It sure is.

Rainbow Dash: I always love good smoothies to beat the heat.

Juran: I'm fucking dying out here!

Me: I know. But we went through worse than this.

Maria gave Juran some water.

Me: At least the situation is not as bad as what happened when Arnold, Gerald and friends were about to be killed by the Jolly Olly Man during a heat wave like this.

Nico: Really?

Me: It was crazy. He was charging $50.00 for Orange Cremesicle.

Nico: What!? That's highway robbery and during a heat wave.

Me: I know.

Gaon: Need… water.

Maria gave him some.

Nico: What happened back then?

Me: Well it was just about 3 weeks ago. I got word that the Jolly Olly Man escaped from prison and I knew that the best way to find him would be in a sweltering heat wave like this.

---

I was walking down the sidewalk of the city.

Me: (Voiceover) It was 120˚ Fahrenheit that day and I was using Vexen's ice powers to keep me cool which really works perfectly I might add.

Past me: Whew! What a scorcher. But perfect to flush out the Jolly Olly Man. But the kids are going to be desperate for some relief.

Me: (Voiceover) You should have seen what was going on for kids to be cooling down. The Swimming Pools were full to capacity, air conditioning units were on the fritz, Mr. Green was staying cool inside the freezer and kids were trying to stay cool, the City Sanitation department was on strike and garbage was piling up, Ice bags melt fast, scorching hot themed movies were playing in the theaters, it was grade A Unbearable.

Past Me: Whew! Man this is nuts! This heat really has people desperate for relief.

Me: (Voiceover) But then came Mr. Hothead Kidhater himself the Jolly Olly Man.

I saw a bunch of kids trying to get ice cream.

Past me: Uh oh.

Helga: Yeah well I DEMAND that you supply me with some Ice Cream before I kill you!

Past me: Oh great.

I went over.

Arnold: What's going on?

Sid: Highway robbery! The jerk's charging $100.00 for a scoop of ice cream.

Past Me: What!? That's a ripoff!

I went over to him.

I grabbed him by his shirt.

Past me: You better give these kids ice cream or else!

Jolly Olly man: Oh yeah?

CRUNCH!

I kneed him right in the crotch and grabbed the truck and lifted it up and gave everyone his ice cream.

Past me: There you go kids. Now take this Jolly Olly Man!

POW!

I punched him square in the face and sent him flying right into a BURNING BUILDING!

He was screaming in pain as he was on fire! Then the paddy wagon came and put him out and took him back to the Saturn Insane Asylum.

Past Me: Nice.

Me: (Voiceover) I put a curse on him that will banish him to the black gates if he ever pulled something like that again.

FLASHBACK ENDS

Me: That's why I hate the Jolly Olly man.

Nico: Ouch.

Eli: I hate that jerk too.

Qin: Yeah.

Me: The guy never learns. Now he has 3rd degree burn scars over 80% of his body.

Laney: Yep.

Lana: Ouch.

Vroon: WE'RE GOING TO DIE OUT HERE!

Nico: Knock it off Vroon. No we aren't.

Laney: Yeah. This is nothing we can't handle.

Nico drank some water.

Maria: There you go.

Nico: Ahh.

Me: Come on guys you're overreacting. This heat is nothing compared to what we went through on Valmorg.

Carol: Yeah we handled worse than this.

Xenia: This is a walk in the park compared to Valmorg.

Nico: You're right guys. Besides there should be work to do.

Qin: Yeah. Rain, Sleet, Snow, Extreme Heat we can do it.

Lola: Yeah.

May drank some water.

May: Ahh. Thanks.

Maria: Anytime.

Lincoln: Okay, guys, we've got ourselves a huge emergency. We got word from Dad that The Platypus Brothers have escaped once again.

We gasped.

Lola: What?! But, didn't we already kick those four morons into the ground?!

Lincoln: We did, but the last time, the culprit behind that was Schnozmo. But, Dad told me Schnozmo is still in his cell and chained to the wall.

Me: Well, if it wasn't Schnozmo, then, who was it?

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which formed into a viewing window and we saw the footage at Lynn's Table. Then, we saw The Platypus Brothers get busted out, but then, we saw who it was that freed them, it was none other than that smelly mutant cheapskate and pariah of Gotham Royal York, Flip! The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

WE WERE EXTREMELY PISSED OFF AND SUPER ENRAGED: FLIP WAS THE ONE WHO FREED THE PLATYPUS BROTHERS AGAIN!

Me: (SUPER ENRAGED SCREAM) THAT UGLY STUPID MUTANT! I CAN'T BELIEVE THAT FUCKFACE WAS THE ONE WHO FREED THEM!

Nico: YOU GOOD-FOR-NOTHING STUPID MORON, I'M GONNA SLASH YOUR TESTICLES OFF FOR THIS!

Lincoln: As much as I want to bash your heads in, I want to agree with you.

Me and Nico: You do?

Then, we saw Lincoln's body turn atomic red, and then, he really let out his anger. WE KNEW THAT IT MEANT TROUBLE!

Me and Nico: OH SHIT!

Lincoln: (SUPER NTH-DEGREE ENRAGED EXTREMELY ANGRY SCREAM) (RAINBOW ENERGY AURA FLARES UP EXTREMELY) FLIP, I'M GONNA RIP YOUR CROTCH RIGHT OFF AND SHOVE THEM RIGHT UP YOUR THREE-CHEEKED SMELLY BUTT, AND THEN, I'M GONNA RIP YOUR ARMS OFF AND SHOVE THEM RIGHT UP YOUR EARS AND SHOVE YOUR LEGS RIGHT IN YOUR UGLY MOUTH! THEN, I'M GONNA TEAR YOUR UGLY HEAD OFF YOUR SHOULDERS, MOUNT IT ON A STAKE, AND PARADE IT THROUGH TOWN! THEN, I'LL TAKE YOUR HEADLESS BODY AND THROW IN THE DESERT FOR THE VULTURES AND OTHER CARNIVORES TO EAT!

May and Varie screamed as they jumped into Nico's and my arms!

Me: OOF!

Nico: May, you okay?

May: Nope… ! Sometimes, Lincoln really scares me when he gets this angry!

Varie: (GULPS) Same here.

Me: It'll be all right girls.

Lincoln cooled down, but not Eli, his body was literally firetruck red, and when he opened his eyes, they were literally blood red, and steam whistled out of his ears!

TRAIN WHISTLE!

Me: UH OH!

Eli: (SUPER NTH-DEGREE ENRAGED EXTREMELY ANGRY SCREAM) (RAINBOW ENERGY AURA FLARES UP EXTREMELY) FFFFFFFFFFFLLLLLLLLLLLLLLLLLLLLLLLLLIIIIIIIIIIIIIIIIIIIIIIIIIIPPPPPPPPPPP

Eli took off to Lynn's Table in a fit of mega destructive rage as he left a trail of superhot flames, and as he barged into the restaurant, he went at Flip and he proceeded to give Flip the nastiest, ugliest, bloodiest, and most graphic beating no one could ever imagine as we saw it through the viewing window the four large orbiting gold rings orbiting around the corners of Lincoln's halo created, and it was indeed ugly.

ELI SMASHED FLIP IN HIS UGLY NOSE, HE TORE HIS MUSTACHE OFF AND HE SHOVED IT INTO HIS BELLY BUTTON, THEN HE PROCEEDED TO TEAR FLIP'S REMAINING HAIR OFF!

BELLOWING SCREAM OF PAIN!

Me: YIKES!

THEN, ELI'S NAILS GREW INTO CLAWS AND HE PROCEEDED TO SCRATCH FLIP ALL OVER THE PLACE WITH HIS SHARP CLAWS DRAWING TONS OF BLOOD THAT TRANSFORMED INTO BLOOD RED RUBIES THANKS TO LINCOLN'S CURSE, THEN, HE GOT OUT HIS SWORD, AND THEN!

SLASH! SLASH!

ELI SLASHED FLIP'S THREE BUTT CHEEKS AND HIS CROTCH CLEAN OFF AND FLIP LET OUT ANOTHER BELLOWING SCREAM OF PAIN!

Me: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY!

Qin: HOLY CRAP!

Lincoln: JEEZ! THIS IS EXACTLY WHAT I WOULD'VE DONE TO FLIP IF I WENT INTO THAT KIND OF RAGE!

Luan: No way, Lincoln, if you went into that kind of rage, it would've been much more bloodier and much more graphic.

Me: GEEZ!

Flip was mutilated and disemboweled and tortured brutally!

THIS CAUSED EVERYONE TO RUN INTO GARBAGE CANS AND THEY THREW UP LIKE CRAZY!

We ran to comfort everyone barfing in the trash cans.

Nico: HOLY SHIT!

Chunk: OH JEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Twilight and friends hurled all over the place!

Rita: Okay, now that really is too gruesome, and I have to agree with Luan with what she said, if it had been Lincoln, the thrashing he would've given Flip would've been much more bloodier and much more graphic.

Me: I've got a feeling he could be at this for a long while!

But, just when I was about to be proven right, we saw Eli do the worst thing anyone could ever do to Flip: HE GOT OUT A BOMB AND STUFFED IT INTO HIS THROAT, HE GOT OUT OF THE RESTAURANT, AND THEN… !

KABOOOOOOOOOOOOOOOOOOOMMMMM!

THE BOMB EXPLODED AND FLIP WAS COVERED IN SOOT AND HIS LOWER BODY'S SKELETON WAS EXPOSED AND TONS OF

GOLD, JEWELS, GEMS, AND CURRENCIES EXPLODED FROM FLIP THANKS TO ELI'S RAMPAGE ON FLIP!

Me: HOLY FUCKING SHIT!

Eli: IF YOU EVER DO SOMETHING LIKE THAT AGAIN, I'LL RIP YOUR LUNGS RIGHT OUT OF YOUR CHEST AND FEED THEM TO THE EAGLES! YOU GODDAMN UGLY MUTANT CHEAPSKATE ASSHOLE!

WE GASPED!

Nico: Un-fucking-believable!

Eli was breathing heavily thanks to his rampage against Flip, but he cooled down a few seconds later.

Lincoln: You okay, Eli?

Me: You feeling much better?

Eli: Yeah, I am. Now, we better get after The Platypus Brothers and stop them.

Nico: Yeah.

We were pretty uneasy, but Eli cooled down after his rampage on Flip, and he was in a shit ton of big trouble with Lynn Sr. who was now pretty pissed off as he stands over Flip menacingly.

Lynn Sr.: You've done tons of shitty things, Flip, but this is the absolute worst! You're just lucky that it wasn't Lincoln who barged in, because if he did, you wouldn't even survive. But, that doesn't mean you are safe from me.

Lynn Sr.'s nails turned into sharp claws, and Flip gulped in horror: HE WAS UP SHIT CREEK WITHOUT A PADDLE NOW!

Me: UH OH!

Nico: Let's let Mr. Lynn have his fun.

Me: Good idea.

WE HEARD SCREAMING AND MORE AND THE VIEWING WINDOW CLOSED.

Qin: Whew!

Nico: That was brutal. Now we got to find the platypus brothers.

Camie: Yeah.

Nico: They couldn't have gone far.

Eli: (Senses for them) Found them. They are heading towards the Crystal Brighthouse.

Sunny Starscout: Then we better get over there!

Hitch Trailblazer: Lets go everyone and everypony.

We teleported there.

We were there.

Laney: Wow that is fast and cool.

Xenia: Awesome.

Me: Yep. Time to give those rotten beaver-tailed bean turds what for.

Nico: They're probably sweating too.

Me: Yeah.

Lincoln: Now, let's go find Cheesly, Alpine, Fancy Pants, and Phillip and pulverize them. (Senses for Cheesly, Alpine, Fancy Pants, and Phillip) AHA! Gotcha! They're 100 clicks north of our location and they're heading right for us. (Sensed Flip's musclebound goons) Oh, you've got to be kidding! FLIP!

Me: So, now he's sent his goons at us again?!

Lincoln: He didn't do so in the past three days, but now, Flip's absolutely back on trying to piss us off again!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Cheesly, Alpine, Fancy Pants, and Phillip.

Cheesley: (NTH DEGREE SCREAMING) YOU LUMPHEADS ARE GOING TO PAY FOR EVERYTHING YOU DID TO US!

We then saw CHEESELY, ALPINE, FANCY-PANTS AND PHILLIP THE PLATYPUS BROTHERS!

Nico: Well if it isn't our least favorite beaver-tailed buttfaces.

Xenia: Time for some buttkicking. (CRACKS KNUCKLES)

Me: And it's going to hurt REALLY bad! (CRACKS KNUCKLES)

Nico: Oh yeah!

Me: Should've known you four jackasses would break out again!

Cheesly: YOU SHUT YOUR MOUTHS! YOU'VE RUINED US!

Lincoln: YOU DID THAT TO YOURSELVES, YOU MORONS!

Lincoln punched Cheesly hard in the face, and sent him flying into the others and they crashed into a wall.

Me: We'd already let Eli loose and he mongrelized Flip who freed you four again, and now, it's your turn.

Seashell: Yeah, we're not letting you four duck-billed freaks get out of this alive!

Glory: You're heading right back to Lynn's Table.

Peach Fizz: And not in one piece!

Nico grabbed my glass of water and threw it.

SPLASH!

Alpine: HEY! Actually I needed that. It was hot.

Maria: Then here. HAVE SOME MORE!

She fired a blast of water at them like a mad fire hydrant and drenched them all over!

Lola: TAKE THAT!

Me: Watch this one! (MAD CAT YOWL)

Then NUMEROUS MAD CATS CAME AND MAULED THEM ALL OVER THE PLACE!

They got out and had piano keys for teeth.

Nico poured ketchup on them.

I even put mayonnaise, herbs and sauce on them.

I rang a dinner triangle.

Me: Tick Tock! Dinner!

TICK TOCK TICK TOCK TICK TOCK TICK TOCK!

Tick Tock the Crocodile came and he saw the Platypus Brothers come and licked his chomps and then went over and ate them and chewed them all over the place.

Me: That taste good Tick Tock?

He nodded as he swallowed them.

Then they reappeared and Tick Tock had a good meal.

Tick Tock gave us and thumbs up and left.

Nico: Funny.

Nico threw an anvil.

Me, Eli and Lincoln threw anvils too and then..

KRABLANG!

They got hit by them!

OUCH!

Nico: (LAUGHS) That was funny!

King Shark charged at them.

King Shark then smashed them down with a powerful charge!

Qin: Nice one!

Me: Hey you dorks! Look! (PULLS OUT UGLY MASK) OOOGA BOOGA BOOGA!

Platypus Brothers: AAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHH!

They screamed and then fell to pieces!

Nico: Nice one!

May: Oh may god forgive me for this. (ACTIVATES OL' FACEFULL'S RIDEWATCH)

She then rumbled and then HURLED HER GUTS OUT ALL OVER THE BROTHERS!

Me: OH SICK!

Nico: You okay, babe?

May: Yeah I'll be fine. But that was funny.

Qin: Yep.

Camie: Yeah.

Me: Here's a funny one. (ACTIVATES NARUKO'S RIDEWATCH)

I then formed numerous Sexy Jutsu versions of my entire harem.

But then the PLATYPUS BROTHERS GOT LAUNCHED INTO THE AIR WITH A MASSIVE NOSEBLEED!

Nicole: SO the brothers are perverts too! I'll fix that!

But then SHE REALLY WENT BALLISTIC ON THEM!

NICOLE SMASHED THE BROTHERS IN THEIR BEAKS AND SHE TORE THEIR TAILS OFF AND SHE THEM DOWN THEIR THROATS, THEN SHE GOUGED THEIR EYES OUT AND RIPPED THEIR FEET AND ARMS OFF!

BELLOWING SCREAMS OF PAIN!

Me: YIKES!

THEN, NICOLE'S NAILS GREW INTO CLAWS AND SHE PROCEEDED TO SCRATCH THE BROTHERS ALL OVER THE PLACE WITH HER SHARP CLAWS DRAWING TONS OF BLOOD THAT TRANSFORMED INTO BLOOD RED RUBIES THANKS TO LINCOLN'S CURSE, AND SHE SCRATCHED THEM ALL OVER LIKE HOW REN DID IN THE INFAMOUS REN SEEK'S HELP EPISODE! THEN, SHE GOT OUT HER SWORD, AND THEN!

SLASH! SLASH!

NICOLE SLASHED THE FOUR OF THEM ALL OVER AND THEN SLASHED ALL FOUR OF THEIR CROTCHES CLEAN OFF AND THE PLATYPUS BROTHERS ALL LET OUT ANOTHER BELLOWING SCREAMS OF PAIN!

Me: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY!

Qin: HOLY CRAP!

The Platypus Brothers were all being mutilated and disemboweled and tortured brutally!

THIS CAUSED EVERYONE TO RUN INTO GARBAGE CANS AND THEY THREW UP LIKE CRAZY!

We ran to comfort everyone barfing in the trash cans.

Nico: HOLY SHIT!

Chunk: OH JEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Twilight and friends hurled all over the place!

SHE VICIOUSLY MAULED AND TORE ALL FOUR OF THE BROTHERS LIMB FROM LIMB!

Nico: Brutal!

Me: (Whispering to Nico) Just imagine if that happened to Jiraiya.

Nico: (GULP)

She stopped 45 minutes later.

Most of us were STILL HURLING OUR GUTS OUT!

Twilight Sparkle: (PROJECTILE VOMITING)

Fluttershy: (PROJECTILE VOMITING)

Sunset Shimmer: (PROJECTILE VOMITING)

Rainbow Dash: (PROJECTILE VOMITING)

Rarity: (PROJECTILE VOMITING)

It was horrible!

Nicole: Geez! Sorry about that guys.

Nico: It's fine. What about Applejack and Pinkie Pie?

Applejack, Pinkie Pie, Starlight Glimmer, Sunny and friends were also throwing up.

Starlight Glimmer: (Groans) That was so horrible.

Nico: You're not going to kill your dad are you?

Nicole: No way! I would never do that to my father. Especially you, Lincoln, Ace Bunny or Clyde. Not with you guys doing lovemaking these last few days.

Xenia: Good.

Me: Good.

Nicole: But at least you weeded out more perverts.

But then there was a rumble and then massive piles of gold bars and huge jewels exploded out of the brothers.

Nico: Whoa!

Qin: Nice one!

Nico: We're not done with this yet!

Seashell: Now it's our turn!

Peach Fizz: I've had it with these clods!

Morning Glory: Same with me!

Petunia Paleo: I'm going to rip these 4 apart!

Me: Go get them girls!

Suddenly, the colored eyes of Seashell, Glory, and Peach Fizz turned neon colors and they're surrounded by colored energy auras with stars, seashells, fireworks, peaches, magic, and Alicorns, they unholstered their massive greatswords from their backs, and as they approached Cheesly, Alpine, Fancy Pants, and Phillip, they left colored energy, stars, seashells, fireworks, peaches, magic, and Alicorns with every step.

Seashell: You four jerks absolutely make me sick, it's bad enough you jerks enjoyed tormenting and torturing your little brother, but you also enjoy making the lives of everyone around you a living nightmare with your stupid antics, and that's something I can't stand!

Glory: But, it's quite obvious that you refuse to change and still want to remain the jerks that you are, and Flip had some goddamn nerve to break you jerks free.

Peach Fizz: Eli had already given that fat mutant cheapskate the thrashing of his life, and now, it's your turn.

Seashell, Glory, and Peach Fizz: THE MARETIME BAY PIPSQUEAKS ARE GOING TO TEACH YOU FOUR DUCK-BILLED BEAVER-TAILED FREAKS A LESSON!

Suddenly, Seashell, Glory, and Peach Fizz were surrounded by massive vortexes of colored energy with stars, seashells, fireworks, peaches, and magic surrounding the vortexes, there are Alicorns flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at Cheesly, Alpine, Fancy Pants, and Phillip: the red eyes of death.

Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO SEASHELL, GLORY, AND PEACH FIZZ! We were amazed by the Super Angel-Maretime Bay Pipsqueak

Love Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformations of Seashell, Glory, and Peach Fizz, and when Lincolns saw them, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Edward's four older brothers saw it, they bellowed with rage and ran at them with fresh new clubs to kill them, but The Pipsqueaks fired massive barrages of colored energy, conch shells, fireworks, peaches, magic, Equestrian Magic, and Alicorns at the jerks, and they got hit and electrocuted and sent flying into a brick wall, they got out, but now, they were pissed off!

Seashell: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Maretime Bay Pipsqueak Conch Shell Love Alicorn Princess Angel and Divine United Friendship Divine Cosmic Starstorm Maretime Bay Pipsqueak Conch Shell Love Alicorn Princess Angel Love) You four really are a bunch of crazy jerks.

The Platypus Brothers bellowed with rage and were about to run at them like rampaging bulls, but then, four blobs of black and sea foam green symbiote goo webbed their feet to the ground.

Eli: Huh?! Okay, who the heck did that?!

Suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with turquoise blue light covering her body and it had the Spider emblem on its chest and eight-pack abs and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman.

Me: Whoa, so this is the one who fired that blast of Symbiote goo at those assholes?!

Nico: Hah, those four can't get after us like a bunch of rampaging bulls!

Lincoln: Wait, the sea foam green color on the symbiote suit, there's only one person whose favorite color is sea foam green, isn't that right, Leni Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Leni Loud, but she had longer blonde hair, neon sea foam green eyes, fangs, and she looked like he was 21 years old.

Black-Suited Leni: Yep, and Linky told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Leni: I knew he would.

Leni: Whoa, is that… me?

Black-Suited Leni: Yep, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Leni: Yep.

Black-Suited Leni turned formed a massive black Symbiote web which latched onto Leni's stomach, and Leni began absorbing Black-Suited Leni into her body, and then, Leni's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Leni began merging with Leni and Leni gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Leni's rainbow energy aura settled.

Me: Is it over?

Leni: It totes is. Hey, Black-Suited Leni, you settling in alright?

Black-Suited Leni: (Speaking through Lori's emblazoned Rainbow Dragon and Third Eye) Yeah, we've totes settled in perfectly.

We saw Leni's emblazoned Rainbow King Ghidorah glow with sea foam green light.

Eli: So, whenever we speak to you, the Rainbow King Ghidorah will glow with sea foam green light.

Me: Awesome, and we already can speak with Leni's other counterpart as well.

Leni 2: (Through the Rainbow King Ghidorah and Third Eye) Exactly.

Girl Jordan: Ooh, Leni, try to summon your Symbiote suit.

Leni concentrated and immediately, her body was covered in a black Symbiote suit with sea foam green light reflecting off it and it had the spider emblem on it.

Lincoln: Yep, it worked.

The Symbiote suit disappeared back into Leni's body.

Cheesly: When we get out of this, we'll beat you all to death!

Petunia Paleo: The only ones getting beaten to death will be you and your dumb brothers, Cheesly!

We were spewing threats of thrashings at Cheesly, Alpine, Fancy Pants, and Phillip, and that made those four dunderheads super mega angry, and they tried to get after us, but with the symbiote goo fired at their feet by Black-Suited Leni's arrival, they were stuck, and soon, they were dead worse than dead.

Suddenly, Petunia Paleo's light Persian blue turned neon light Persian Blue and she was surrounded by a grayish azure and cornflower blue energy aura with stars, bones, magic, and Alicorns, she unholstered her massive Petunia Paleo's Alicorn Eternal Magical Paleontologist Friendship Greatsword of Eternal Paleontologist Love and Paleontologist Harmony from her back, and as she approached The Platypus Brothers, she left grayish azure and cornflower blue energy, stars, bones, magic, and Alicorns with every step.

Petunia Paleo: There's absolutely no words that describe how much I hate you and your brothers so much, Cheesly, and The Pipsqueaks were right to say that about you. Now, it's high time we deliver you four the punishment of a lifetime and send you right back to Lynn's Table.

Suddenly, Petunia Paleo was surrounded by a massive vortex of grayish azure and cornflower blue energy with stars, bones, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a Persian blue phoenix with red eyes glaring at The Platypus Brothers: the red eyes of eternal death.

Petunia Paleo has transformed into SUPER ANGEL-EQUESTRIAN ARCHEOLOGIST LOVE ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERAL ETERNAL CELESTIAL XELNAGA COSMIC STARSTORM MAGIC FRIENDSHIP EQUESTRIAN ARCHEOLOGIST LOVE ALICORN PRINCESS ANGEL OF DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP EQUESTRIAN ARCHEOLOGIST LOVE ALICORN PRINCESS ANGEL JUSTICE AND DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP EQUESTRIAN ARCHEOLOGIST LOVE ALICORN PRINCESS ANGEL LOVE!

We were amazed by Petunia Paleo's Super Angel-Equestrian

Archeologist Love Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Platypus Brothers saw it, they went absolutely insane and managed to get unstuck and ran at her to kill her with clubs again, but Petunia Paleo fired a massive barrage of grayish azure and cornflower blue energy, stars, bones, magic, and Alicorns, and they hit Cheesly and his brothers again and they crashed into another wall, they got back up, and they were even madder and more insane than ever.

Apple Bloom, Scootaloo, and Sweetie Belle: (TRULY AMAZED) Whoa… !

Nico: So awesome!

Me: (TRULY AMAZED) Incredible… !

Eli: (AMAZED) So awesome!

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Petunia Paleo's transformed into her Super Angel-Equestrian Archeologist Love Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, same with The Pipsqueaks, and with what you four tried to do to them, I'm gonna break both your arms and legs before I break your heads open! And I'll give you four an even worse beating than what Eli did to Flip!

We gasped!

Petunia Paleo: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Equestrian Archeologist Love Alicorn Princess Angel and Divine United Friendship Divine Cosmic Starstorm Equestrian Archeologist Love Alicorn Princess Angel Love) Yep, you four are done for, let's get them, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-

Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined The Pipsqueaks and Petunia Paleo, and so did we as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Flip already got the beating he deserved from Eli, and now, it's your turn to suffer the consequences of our wrath!

Lincoln, Seashell, Glory, Peach Fizz, and Petunia Paleo went after Cheesly, Alpine, Fancy Pants, and Phillip who's now gone Nth Degree Fucked-Up Insane, and they fired extremely powerful blasts of rainbow energy, green energy, light blue energy, orange energy, grayish azure and cornflower blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Platypus Brothers and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on them and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, The Pipsqueaks, and Petunia Paleo attacked them with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really really really driving The Platypus Brothers even madder and even more insane than ever until they looked like rabid dogs with rabies.

Cheesly: (NTH DEGREE FUCKED UP SCREAM) YOU! YOU! I WILL KILL YOU ALL!

The Platypus Brothers ran at Lincoln, The Pipsqueaks, and Petunia Paleo now completely crazy and now out of their minds, but Lincoln, The Pipsqueaks, and Petunia Paleo kicked The Platypus Brothers into the air and Lincoln summoned a storm, and they got electrocuted severely with lightning strike after lightning strike and they crashed onto the ground.

Then, Lincoln pounced on Cheesly, Alpine, Fancy Pants, and Alpine, and he proceeded to give them an even worse version of the nastiest, ugliest, bloodiest, and most graphic beating Eli gave Flip, and it's like nothing anyone could ever imagine as we saw it.

LINCOLN SMASHED THEM IN THEIR NOSES, HE TORE THEIR TAILS OFF AND HE SHOVED THEM INTO THEIR BELLY BUTTONS, THEN HE PROCEEDED TO TEAR THEIR HAIR OFF!

BELLOWING SCREAMS OF PAIN!

THEN, LINCOLN PROCEEDED TO SCRATCH CHEESLY, ALPINE, FANCY PANTS, AND PHILLIP ALL OVER THE PLACE WITH HIS GOLDEN-ARMORED CLAWS DRAWING TONS OF BLOOD THAT TRANSFORMED INTO BLOOD RED RUBIES THANKS TO HIS CURSE, THEN, HE RAISED HIS MASSIVE GREATSWORD INTO THE AIR, AND THEN!

---

LINCOLN SLASHED THEIR CROTCHES CLEAN OFF AND THEY LET OUT ANOTHER BELLOWING SCREAM OF PAIN!

Me: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY!

THIS CAUSED EVERYONE TO RUN INTO GARBAGE CANS AND THEY THREW UP LIKE CRAZY!

We ran to comfort everyone barfing in the trash cans.

Me: I've got a feeling he could be at this for a long while!

But, just when I was about to be proven right, we saw Lincoln do the worst thing anyone could ever do to The Platypus Brothers: HE GOT OUT AND IGNITED FOUR BOMBS AND STUFFED THEM INTO THEIR THROATS, HE GOT BACK TO US, AND THEN… !

KABOOOOOOMMMMM!

THE BOMBS EXPLODED AND THE PLATYPUS BROTHERS WERE COVERED IN SOOT AND THEIR LOWER BODIES' SKELETONS WERE EXPOSED AND EXTREMLY MASSIVE TONS OF GOLD, JEWELS, GEMS, AND CURRENCIES EXPLODED FROM THEM THANKS TO LINCOLN'S RAMPAGE!

Cheesly: (SUPER AFRAID) THERE'S NO WAY WE CAN EVEN BEAT THAT MONSTER! HE'S EXCESSIVELY TOO STRONG!

Alpine: (SUPER AFRAID) THAT'S IT, WE'RE DONE FOR IF WE STAY ANY LONGER! LET'S GET OUT OF HERE!

Phillip: (ANGRY) WHAT?! ARE YOU SUGGESTING WE RUN?! THEY RUINED OUR LIVES, WE DON'T RUN, WE STAY AND FIGHT!

But, bad move: Lincoln charged at them on all fours and he was going to kill them, that made The Platypus Brothers turn white as ghosts and they ran for their lives only for Lincoln to headbutt Cheesly in his stomach and he crashed into the others.

Cheesly: YOU HAVEN'T SEEN THE LAST OF US! WE'LL BREAK OUT AGAIN AND GET OUR REVENGE ON YOU JERKS ONCE AGAIN!

Suddenly, Lincoln let out a massively loud roar that shook the ground and he pounded his chest like a gorilla and that made Cheesly and his other brothers turn even paler and they ran into a portal that I opened up and they were back in their separate isolated cells at Lynn's Table.

We were really shaking in our shoes!

Nico: Oh… , shit!

Me: Flip's really crossed it when he busted those four morons out of their posts. That stain's already inching closer to getting his just desserts! But, this also proves one thing: mess with Lincoln and that beast will show them no mercy.

We cheered wildly as Lincoln, The Pipsqueaks, and Petunia Paleo holstered their massive greatswords on their backs and powered down, and The Pipsqueaks' new bodies, clothes, weapons, jewelry, gold halo, Third Eyes, longer tail, longer horns, and massive angel wings are permanent, and Petunia Paleo's new body, clothes, gold halo, weapons, jewelry, Third Eye, longer grayish azure and cornflower blue tail, and massive light pale opal angel wings are permanent.

Petunia Paleo: That'll teach those four jerks never to come after us again!

Seashell: They better not, or else those four morons are in for an even worse beating, same with that moron, Flip.

Suddenly, The Pipsqueaks and Petunia Paleo pounced on Lincoln and they kissed him all over his face, massive muscular body, eight-pack abs, and lips, and he returned it, and we cheered for them.

Lincoln: Well, we taught those morons a painful lesson again. How's Dad's thrashing of Flip?

Just then, Lynn Sr. showed up, but his hands were literally covered in blood.

Lynn Sr.: Just got done thrashing that mutant and leaving tons of scratches all over him, including that fat hairy gut of his, and I just got quite the bounty of blood red rubies.

Lynn Sr. showed us ten bags full of blood red rubies courtesy of his thrashing of Flip.

Laney: That's so awesome, Dad!

Luan: Yeesh, I knew Lincoln hated Flip that much that he wanted him to pay, but Dad's fury because of Flip hiring that serial killer to kill Gramps years ago along with all the other things Flip's tried to do to us proved that you want him dead, Dad.

Lynn Sr.: I never should've tried to be friends with that moron if I had known of his real nature, but he'll one day get his just desserts by our hands if he goes over the edge one more time.

Me: That stain will face his punishment!

Nico: And he'll suffer for everything he's ever done!

Me: Oh yeah!

Nico: That takes care of that!

Me: Thank goodness.

Lola: We'll make sure they are staying there this time.

Xenia: Yeah!

Camie: No kidding.

Lincoln: Flip does something like this again I'll make sure we give him the Black Gates for good.

Qin: I agree!

Laney: Yeah that stain on our lives has done too much damage.

Nico: But part of that was graphic!

Nicole: Sorry.

Me: Both Eli and Nicole's parts were.

Qin: Yeah.

Eli: Yep. Now for business. We have Another Whale, Horse, Elephant and Snake Skeletons, Utomodachi and King Shark.

We gasped!

Qin: Whoa!

Lola: Animal skeletons are archenemies? Whoa!

King Shark: Oh yeah! We call them The Skeleton Terrorizers. They are called that because they are animal skeletons that are alive.

Lucy Loud: Wicked.

Eli: Nice.

Maria: Who do we call for them?

Me: Believe it or not she's right here. Petunia agreed to be their archenemy.

Petunia Paleo: Wow! That is so cool!

Maria: Boy that was easy. Didn't have to call anyone else in.

Me: Yeah.

Eli: And I sense that they are one person. Minus Another King Shark.

Me: Neat.

Nico: There they are!

We saw figures come in and they were Another Whale, Horse, Elephant and Snake Skeletons and Utomodachi!

Me: WHOA!

Qin: WHOA! They are living Skeletons!

Starlight Glimmer: Wow! Fright Rider would get along great with them and so would Ghost Roaster, Funny Bone and all the Undead Skylanders.

Me: They sure would.

Another Whale Skeleton: (In a girls voice) That is for sure!

Me: (GASP) That voice!

They merged and she reverted back. She was a girl with blue hair and had black clothes and had star angel wings and had a tiara with the symbol for the Comet Dopant on it and the same symbol was on her skirt and she had a star sword. And her eyes are blank and white meaning she's blind.

Me: (GASP) Callie Comet!

Callie Comet: Awesome to hear your voice again J.D.

Me: You too Callie.

Maria: Oh man She's blind. I wonder what happened.

Me: 15 years ago she lost her vision because her house caught on fire and she was burned in her eyes when a piece of burning debris fell on her and she lost her vision. But she also has the powers of Comets and can command the stars and more.

Philip: Wow! That is awesome!

Nico: Yeah!

Callie Comet: It sure is. And I've also relied on the wind and vibrations in the air to help me get around.

Nico We can fix that.

Me: Like this. (SNAPS FINGERS)

Then she had her blue eyes returned to her and for the first time in 15 years she could see everything clearly again!

Callie Comet: (GASP!) I… I… I CAN SEE! I can see! Wow! What happened!?

Me: I restored your vision. You can see again.

Callie then ran and hugged me.

Callie Comet: Wow! Thank you! This is amazing! Boy I have so much to catch up on now that I can see again! Boy I can't wait to tell my mom.

Me: She is going to be really happy.

Callie Comet: My god J.D. you look amazingly tall.

Me: I know. A lot has happened in 15 years.

Nico: Sorry your first sight is this.

Callie Comet: I can tell a lot went on here. But I heard it all. You guys really messed up the Platypus Brothers.

Me: We sure did. Sorry you had to hear all that. But now that you can see again we have so much to show you.

Callie Comet: And I can't wait to see it all.

Me: Yeah. By the way is the Another King Shark friendly or hostile?

Callie Comet: Friendly and she is really interesting and cool.

Qin: Awesome.

Nico: Yep.

May: Sorry we have to do this.

Callie Comet: No worries.

Me: Those skeletons will make great additions to our museum of fun.

Qin: Yep.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Spring abundant holoél

She glowed and was separated from the Anothers.

Petunia Paleo: Time for action!

She and Crimson Fox fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: Awesome!

Maria: Time for backup! (TURNS DIAL) CLONES GALORE 6!

She summoned Multiple Man, Star Creature, Sumo Wrestler Army, Dark Kamen Rider Drive, Land Pollution Vice Minister Hiramechimedes and Hydra (Hercules)!

Me: Oh yeah!

Qin: Yeah!

Nico: Now we wait.

Me: We don't have to wait long!

We saw a figure and it was ANOTHER KING SHARK!

Nico: Whoa!

Qin: Awesome!

Another King Shark: (In a girls voice) Boy this will be fun!

Me: That voice!

She reverted back and it was a girl with dark blue hair and blue eyes and she had pitch black clothes and she had black angel wings and a tiara that had the symbol for the Terror Dopant on it and it was on her skirt too and she had a demon sword.

Me: (GASP) Trina Terror!

Trina Terror: Good to see you again J.D.

Me: You too. Trina is the Embodiment of the Terror Dopant and she is known as the master of terror and she has the power to bring your worst fears to life. She even can use Doom Sharks like Kaos can and she can even summon nightmare sharks to terrorize people all over.

King Shark: Wow! Awesome to meet an amazing shark master.

Trina Terror: Same here.

Kaito: (gets out Jetman gear) Did Swartz promise you anything?

Zocks: (gets out Zyuranger gear) Because we can grant it instead

Kaito got a jet sword and Zocks got a Mighty Morphin sword.

Trina Terror: No he didn't promise me anything. I used his fear of The Tortured One and made it scare him really bad. I used my nightmare sharks to make them scarier than every.

Nico: WHOA!

Qin: Clever and awesome.

Xenia: Yeah!

Me: Nice work!

Trina Terror: I know.

Sougo: (gets out Jetman Ridewatch) King Shark can be scary too.

Geiz: (gets out Mighty Morphin Ridewatch) He even ate Luther Paradigm alive once.

Sougo got RedHawkArmor while Geiz got TyrannoMightyMorphinArmor

King Shark: It's true. I did. He tasted like chicken.

Trina Terror: Nice! I'm glad he is dead now.

Qin: Yeah.

Me: Sorry we have to fight like this.

Trina Terror: No worries.

She turned into Another King Shark!

Nico: Spread the sharks! (ACTIVATES KING SHARK AND UTOMODACHI'S RIDEWATCHES)

He fired blasts of energy and blasted her down.

May: Take this! (ACTIVATES SHARK BROTHERS AND GAMMAIZER FIRE'S RIDEWATCHES)

She fired waves of fire and energy and smashed her down.

Maria: Top this too. (ACTIVATES EVIL POISON IVY AND UNIVERSE 666 MYSTIQUE'S RIDEWATCHES)

She fired waves of energy and leaves and smashed her down.

Crimson Fox: Now for this one. (ACTIVATES UTOMODACHI'S RIDEWATCH)

She fired waves of energy and smashed her down.

Then Webstor, Man Spider, Banshee Woman, Levia-Slate, Leo Zodiarts and Mosquito Girl came.

Nico: Awesome Team Webstor!

Webstor: Thanks Nico.

But then I felt a chill run down my back.

Me: (SHIVERING) WHOA! That was a little cold!

Nico: Yeah that was cold!

?: Sorry.

We saw Ice Man.

Me: Ice Man. Wow!

Ice Man 2: (In a girls voice) Sorry about that. I am a cold one.

Nico: Eis Ice!? Whoa!

Eis Ice: Good to see you again Nico. I got this.

She fired ice blasts and blasted Another King Shark and she was back to normal and I caught the ridewatch and purified it.

I brought Trina over as she was wobbling.

Me: Awesome!

Eis Ice: That was fun.

Me: Let me guess, you're naked right?

Eis Ice: Yep.

Me: Oh boy.

I put on my blind man glasses.

Nicole: Anyone peeks at her I will do much worse than I did with the Platypus Brothers.

The boys covered their eyes.

Me: It's going to hurt a lot.

Eis Ice: I know. I'm ready.

Me: Okay. (SNAPS FINGERS)

She then doubled over in pain.

She threw up.

She fired a beam of ice and it froze May in a block of ice! She reverted back and was a girl with blue hair and had blue eyes and had blue angel wings and had a snowflake in the middle of her forehead.

Eis Ice: (Groans) That hurt.

She got up and was naked.

Eis Ice: Whoa. (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling. We can fix this.

The fashion brigade gave her awesome new blue clothes.

Eis Ice: Wow! Awesome clothes. Whoa! I froze May in a block of ice! Sorry about that.

Me: One sec.

I fired a wave of fire and thawed her out.

May: It's fine. You have ice powers like me. I expected your first name to begin with an I.

Eis Ice: I know. But my name is Eis Ice. Like Eis Shenron. Ice Ice would sound confusing and silly.

Nico: Clever.

Crimson Fox: It sure is. What's your favorite memory of Nico?

Eis Ice: When me and Nico found a bunch of mafia men and we froze them in ice and delivered them to the cops.

Qin: Awesome.

Nico: Yep.

Nico and Eis hugged.

Nico: I've missed you.

Eis Ice: Same here Nico.

We went back home.

Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Drakus: I've been waiting to do this to you for a long time, Black Dragon asshole!

Drakus kicked him into a room, closes the door, and turns out the lights, and what follows is a series of painful screams & bear noises as a polar bear tears at Revenant Kabal, and other sounds being heard from the door. Just as the screams stop, Revenant Kabal bursts through the door, with scratches all over. He tried to escape and get after us again, but the bear grabs him, and dragged in back in to finish the job, only for Revenant Kabal to run, slip on banana peels Drakus placed, and fall down a trap door, and he's dead from the fall at the bottom, and his soul is sent to The Black Gates for good. We cheered as we holstered our weapons and powered down and Lincoln's wild gold hair, eleven massive and long gold wolf tails, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange.

Lincoln: Never again will The Black Dragon Clan plague Earth ever again, rot in The Black Gates forever with the rest of your fellow thugs, Revenant Kabal! (To Jessie Campbell) And it's so good to see you again, Jessie Campbell.

Jessie Campbell: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, Jessie.

Lincoln went up to Jessie Campbell and he hugged her, and Jessie Campbell is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jessie Campbell: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and

he's become truly immortal, and Lincoln, you know these three sexy hot mamas?

Lincoln: Indeed I do, J.D, this is Jessie Campbell, Keyblade Knight of The Toy Box, she's my Guardian Angel from Michigan and she's a Keyblader and proud defender of toys. She's a very good friend of Andy, Woody, Buzz, and all their friends, plus, she knew that Hannah Phillips and Andy are dating and she was really happy for them, but she harbors a truly nasty hatred for Hannah's nasty toy-destroying vile monster, Sid Phillips, and wanted to make him pay for his crimes against toys, and she also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII, and she wants to make sure them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Me: Jeez, so we weren't the only ones who hated that nasty toy-destroying monster.

Nico: Looks like it, and we took care of Sid Phillips and we threw him in The Charon Reform School for the rest of his life.

Jessie Campbell: Good, that no-account scumbag deserved it.

Michelle Emperyous: He sure did, and Jessie came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Laney: She never took kindly to those who would destroy toys, and Sid was at the top of her list.

Lincoln: She swore if she ever saw him hurt another toy again, she'd summon the spirits of the destroyed toys to get revenge on him.

Luna: Thank goodness she didn't, it would've gotten pretty ugly.

Lincoln: Yeah, thank goodness, and now that you're here, Jessie.

Lincoln went up to and hugged Jessie Campbell in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Jessie Campbell: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Jessie Campbell's necks with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Jessie Campbell: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jessie Campbell.

Jessie Campbell had a smile on her face and tears in her eyes and she then pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them immediately. The four girls are Mari Enomoto, Masayo Ukai, Sayaka Asai, and Yuko Igarashi from Dirty Laundry.

Lincoln: Oh wow, it's Mari Enomoto, Masayo Ukai, Sayaka Asai, and Yuko Igarashi from Dirty Laundry.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Mari Enomoto: Yes, we're okay, thanks to you.

Then, when Mari Enomoto and the other three girls saw who it was that saved them from the Revenant version of Kabal, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

We returned to the World Tree Estate, and we took down the next of the Revenants of Quan Chi.

Maria: And now, we've taken down the next of Quan Chi's revenants.

Lincoln: Yeah, we've still got the Revenant versions of Stryker, Nightwolf, Jade, Jax, and Sub-Zero to stop, and then, we get after Boss Cass before he does something even more dangerous.

Me: I'm gonna rip that dirty cassoway's head off for this!

Nico: Save seconds for all of us, J.D., he's not getting out of this alive!

* * *

After destroying Revenant Kabal, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Jessie Campbell saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Jessie Campbell: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Jessie, and I can still defend myself, and in addition to getting stronger and bigger in muscle

mass, I've also gotten smarter as well.

Jessie Campbell: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Jessie Campbell: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Jessie, what memories did you have with Lincoln?

Jessie Campbell: We were hoping you'd ask that. Well, one time, Lincoln and I along with the rest of his Guardian Angels and harem were at Paige's house for some fun. But, then, Becky Long's alarm sounded, and we suddenly heard the familiar sound of a loud belch in the air along with catching the smell of B.O., farts, and smelly feet, and we knew who it was that had those sorts of characteristics: that aggressive, belching, farting, rude, disgusting pig of a sister, Lynn, and we found out that mutt was back to kill Lincoln and all of us. We'd had enough of that filthy animal running loose again, so we pounced on and beat that mutt hard into the ground, but then, I hogtied that animal and ran her back to The Loud House and she got grounded for nineteen weeks and thrown into a metal container.

Eli: Not again, Lynn!

Nico: Sometimes, Lynn is such a glutton for punishment.

Lincoln: She sure was a glutton for punishment, no matter how many times we'd clobbered her, she always came back for more, she was stubborn, infuriating, and narrow-minded thanks to her Dark Side.

Luna: Which is why we're so glad to be rid of her for good.

Me: You said a mouthful, Luna.

We got a shower, and then, Lincoln, Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō are heading to Shoal Atoll.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black swim trunks with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the swim trunks, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Da Qiao: So, this is Shoal Atoll, it truly is beautiful.

Lincoln: It sure is, Da Qiao, and it's perfect for our first date. Shall we?

Lincoln, Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Shoal Atoll, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Da Qiao, Simulator Zhu Rong, and Simulator Nō, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is Dreadnought Galaxy.

Me: That battleship galaxy! Whoa! I remember that one.

Nicole: Boy that was a challenge.

Nico: Who wants to go with?

Rocket Raccoon: Me and Eddy?

Me: Ooh! Cool!

Eddy: Lets do it!

They went in and it activated and they were at DREADNOUGHT GALAXY!

Nico: We're here.

Eddy: Wow!

Nico: Any tips, Nicole?

Nicole: (On the Radio) Well you guys are going to face Topmaniac for round 2 right?

Nico: Yep.

Nicole: So do what you did to him before.

Nico: Okay then.

?: Let me help you guys.

Out came a girl with yellow hair and red eyes and she had yellow clothes, Red Angel Wings and had a tiara with the symbol for the Sun Vulcan team from 1981 on it and she had the same symbol on her skirt and she had a Sun Sword in her hand.

Sunny Vulcan: Sunny Vulcan, Embodiment of The Taiyo Sentai Sun Vulcan Team of 1981 ready for action.

Rocket Raccoon: Awesome to have you with us.

Sunny Vulcan: Same here.

Nico: Awesome!

Sunny Vulcan: Lets go get that top.

Nico: With pleasure.

Eddy: All right!

They were off.

Eddy: If I were a spinning top, where would I hide?

Nico: Right there.

They found an arena and they landed and out came TOPMANIAC! For round 2!

Nico: Topmaniac!

Eddy: Lets get him!

Rocket Raccoon: Yeah!

Sunny Vulcan: This is gonna be good!

Nico: (gets out King Shark and Merman's Ridewatches) This might get fishy!

Nico activated them and fired waves of water and smashed the top of Topmaniac's head.

Nico: YEAH!

Sunny Vulcan: I am not just the Embodiment of the Sun Vulcan Team but I am also known as the Princess of the Sun.

She fired sun bombs and they hit the top of Topmaniac and blasted him.

Nico: WHOA!

Eddy: Awesome! Now time for me and Rocket.

Rocket: You don't have to tell me twice!

They fired last blasts from their blasters and blasted him and he exploded!

Nico: YEAH!

Then the star came out!

Nico: There's the star!

Eddy: Me and Rocket got it!

They got the star!

YOU GOT A STAR!

Sunny Vulcan: That was awesome!

Nico: YEAH!

They high five.

Rocket Raccoon: Anything else you want to say about your background?

Sunny Vulcan: Sure. I am called the Princess of The Sun because I was literally born on the Sun and raised on Earth and it's how I got amazing Sun powers. Also I am one of the best pastry chefs in the world and I make some of the most amazing cakes and donuts in the world.

Nico: Cool!

Eddy: Boy you would be amazing for Lily and Homer. They love all foods including donuts.

Nico: It's true.

Sunny Vulcan: I can tell they will love them.

Nico: Would you like to join the team?

Sunny Vulcan: I would be honored.

They left and we cheered wildly.

Meanwhile at M.O.E. HQ in Montana, Griffin was heading into his room.

Griffin: Time for me to take a nap for a few hours.

With that, Griffin hopped on his bed and clutched his pillow. Or at least he thought it was a pillow.

Griffin: Huh?

Poromon: Hello?

Manaphy: Hey Griffin.

Griffin: Hey what are you guys doing here?

Poliwag: Having some fun.

Horsea: And we're hiding to have fun with Maria and everyone.

Griffin: Do Nico, May and everyone know you're here?

Manaphy: They should get our message.

Splat: Hey, has anyone seen the mascots?

Maria: Nope. Haven't seen them.

Nico: Me neither.

May: Yeah.

I was getting a glass of juice.

Me: Huh?

I saw a note.

Me: (Reading) "Gone to M.O.E. HQ to have some fun. Come and find us. Mascots." Oh you silly guys.

I went and brought the note over to Nico and he read it.

Nico: WHAT!?

UH OH!

Manaphy: This is a nice room, Griffin.

Griffin: Thanks. My bed as you see is a birds nest.

Poromon: Perfect for a fellow bird.

Griffin: Indeed.

---

We were flying over to M.O.E. HQ.

Nico: When I find those little sillies they are going to be in trouble.

Me: Nico don't be too hard on them! You know they just like to have fun. Besides they want to see more of M.O.E. HQ. It's not every day we go see what their HQ is like.

Nico: You're right on that. It is not every day we go there.

Inkling: I hope they haven't caused too much trouble.

Me: Me too.

Qin: Yeah.

---

In Griffin's room the Mascots were reading books.

Poromon: Awesome selection of books.

Griffin: Thanks.

Manaphy: They sure are awesome and Mama loves all these.

Griffin: I'm glad she does.

Poliwag was jumping on the bed with Horsea

Horsea: Bouncy!

Poliwag: HAHAHA! YEAH!

Griffin: (LAUGHS) Yeah it sure is.

The doorbell rang and it was a scary demonic laugh.

Mascots: (SCREAM)

Griffin: Oh it's just our doorbell. Scary huh.

Outside we heard the doorbell.

Me: Okay that doorbell is scary.

Nico: Yeah sounds like something out of a haunted house.

Eli: Yeah.

Vypra answered it.

Vypra: Hey guys.

Me: Hello Vypra. Sorry to drop by like this.

Vypra: You want to find the mascots right?

Me: Uh yeah.

Vypra: They're in Griffin's room. Follow me.

Horri Bull: I hope they haven't mssed up Griffin's room.

Vypra: No they are just talking and getting to see his room.

Me: That's cool.

Vexen: Hey guys!

Me: Hey Vexen. Sorry for the unexpected swing by but the mascots are here.

Vexen: Ah no worries.

We were led to Griffin's room.

Vypra: Here we are.

I knocked on the door.

Griffin: Come in!

We opened it and saw the mascots looking at photo albums with Griffin.

Griffin: And here is me bashing Iron Man in New York.

Poromon: Wow!

Me: Aw you're reminiscing about stuff.

Poromon: Hey guys!

Punch: How the Hell did you guys get out of the Estate anyway?!

Poromon: Oh we took this.

He showed a special pneumatic tube system that goes from our estate to the M.O.E. HQ

Poromon: It's called the Mascot Tube Transport.

Manaphy: We secretly built it. It's a tube system that goes from the estate to here.

Nico: That is totally new.

Me: Very crafty. Like one of those old fashioned mail delivery tubes.

Poromon: Yep.

Qin: That is slippery and genius.

Griffin: I didn't know you built that here.

Nico: When did you build this?!

Manaphy: 6 months ago. We built it to get to know the M.O.E. HQ better and hang out with everyone here.

Me: Oh. That is cool

May: Aww you guys want to spend time with everyone here.

Me: That's understandable.

Lisa Loud: Next time, ask permission!

Nico: You took the words right out of my mouth Lisa.

Lisa Loud: Apologies.

Poromon: Sorry.

Me: No harm done but you should ask us.

Poromon: We will.

Griffin: Hey, at least you saw my room. Now, there's only 309 of the core ones to go.

Me: (LAUGHS) That is true. Your room is awesome Johnny.

Nico: A birds nest for a bed is cool.

Qin: Yeah.

* * *

Later we were back home.

Carnivac: We have to get a full view on the Core Masters of Evil members rooms in the future

Me: Good idea.

Qin: I agree there.

Nico: I do too.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Comrade Black from DeBlob, and he's planning to drain the color and take over the world of DeBlob. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than Comrade Black from DeBlob, and he's planning to drain the color and take over the world of DeBlob.

We gasped.

Nicole: That color draining black and white monster!

Nico: Comrade Black from DeBlob? Whoa!

Me: We're not letting that monster drain the color of the world of DeBlob and take over!

Nico: You said it, that monster's getting his death sentence!

Camie: Who is Comrade Black?

Nicole: The main bad guy from the video game DeBlob.

She went over his history.

He invades the fictional world of Chroma City, taking away all the color with the help of the INKT Corportaion - prompting the titular hero of Blob to save the city alongside a rebel faction known as the Color Underground.

Comrade Black attempts everything from propaganda campaigns to the creation of super-soldiers to try and deal with Blob but continually fails to stop the hero.

When Blob and the Color Underground manage to liberate nearly all of Chroma City, Comrade Black desperately orders all his troops to retreat to his spaceship in Lake Raydia, and attempts to launch all the stolen color into a black hole where it will be lost forever.

Blob manages to stowaway onto the spaceship and defeat Comrade Black, then detonates a device that devours the spacecraft in a burst of color and whimsy.

A post-credits scene reveals that Comrade Black survived the destruction of his spaceship, and is now trapped on a tiny island populated by cute, colorful creatures, much to his hatred.

However, in de Blob 2 it is revealed that Comrade Black escaped his island by forcing its inhabitants to build him a cannon to do so, which shoots him to a colorful city called Prisma City.

By the time Blob and his new friend Pinky track him down, they find that the Downtown District of the city is colorless, and later they begin to learn about a mysterious priest named Papa Blanc who is participating in the election of Prisma City's new mayor. Blob and Pinky begin to suspect something when they find that Papa Blanc is turning all the Raydians into mindless, color-hating people called Blancs by brainwashing them in ink and using strange henchmen called Shepherds to keep everyone in line with hypnosis. Sure enough, when the elections are over and Papa Blanc wins, he turns out to be Comrade Black! Blob was able to stop Black from officially being sworn in, but then he escaped and continued his reign of gray over the city.

When the duo of heroes arrive at the city zoo, turned into a detention center, Blob receives a surprising telegram from Black, who tells Blob he has captured the Color Underground and is now humiliating them in front of the Inkies and Blancs. But Blob is able to break into the zoo, reclaim it from INKT, and rescue his friends.

Eventually, Blob regains more and more of Prisma City with his color powers, eventually forcing Comrade Black to take over the Prisma City Space Agency and launch himself and his few remaining Inky soldiers into space. When Blob and Pinky follow him, they learn that the entire time Comrade Black had been using them. At the end of each level in the game, a mysterious satellite dish on the Major Landmark shoots an energy beam into the sky. On the last level, Black reveals that ironically he was relying on Blob's color energy to power his doomsday device which he calls a Hypno Ray that will hypnotize the entire planet. Again, he taunts Blob by forcing him several times to choose to save Graydians trapped in biodomes rigged with explosives and risk running out of time, or keep going and abandon them.

When Blob reaches Black on the Hypno Ray, Black touches the beam of the Hypno Ray and it mutates him, making him grow much larger, stronger, and fatter, beginning the final boss battle. As the battle continues, it goes on from just fighting Comrade Black to fighting off several groups of his soldiers ranging from normal Inky Soldiers to a new bazooka wielding soldier called the Spikey Inky. Blob was able to defeat Comrade Black by overloading the Hypno Ray with color. This creates a black hole in which Comrade Black was sucked in, but Pinky saved Blob and they both arrived safely on Planet Raydia.

A post-credits cutscene shows that Comrade Black is still alive in space, but with all his army gone and lost deep in space, it's very doubtful he'll be able to terrorize Planet Raydia ever again…

---

When she we done we were shocked!

Qin: WHOA!

Nico: He wants to drain the color from everything huh? Not on our watch!

Alice Gehabach: Nico, which Gene Slammer do you think you'll meet next?

Hydranoid: I bet you they're all going to vomit when reverting back now.

Nico: Yeah. Now we have the robots from Mega Man 2 to meet. Next will be Heat Man.

Qin: Awesome!

Lola: And hot too.

Lola: Yeah!

Then the previous group came. Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Elysium, the major antagonist in Dragalia Lost and he's come to destroy the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like one bit: the figure we saw and the dark energy we sensed belongs to Elysium, the major antagonist in Dragalia Lost and he's come to destroy the world.

Nicole: Oh, shit, this isn't good.

Claire Callaghan: We need to slay that traitorous dragon here and now.

Lincoln: Exactly what we're going to do, Claire, and just like what I did to Chronos yesterday, I'm going to absorb him!

Me: Uh oh.

Nico: This is going to get ugly. Alright, gang, let's go, we're heading to the world of DeBlob, and we're going to destroy that monster, Comrade Black.

Lincoln: Comrade Black isn't getting away with this, he's going to be destroyed for trying to drain the color and take over the world, and once we get done with destroying Comrade Black, you're next, Elysium.

Claire Callaghan: I will never allow him to live a single second further, this time, he dies here and now!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to the world of DeBlob and destroy Comrade Black and take back the color, and once we get done with destroying Comrade Black, Lincoln and Claire Callaghan are going to destroy Elysium of Dragalia Lost.

We went to the ship and we were off to the planet Raydia.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 9033.9: The U.S.S. Valorous Phoenix is en route to the planet Raydia. Our mission is to help Blob and his team the Color Underground battle the evil Comrade Black and make sure no color gets turned into black and white forever.

Xenia: This is gonna be amazing.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We were at the planet Raydia.

Drakkon: Is this it?.

Nico: Yep.

Lola: It sure is awesome.

Nico: Lets engage the landing.

We got to landing and we were in front of Chroma City and it was being drained of its color.

Me: So this is Chroma City.

Inkling: Perfect place to recolor it.

Splat: It sure is.

Fourtress: How do we find Blob?

Chan Lee: Shouldn't be too hard. Just look for a moving blob with a smiling face.

Nico: How about right there?

We saw Blob and his friends of different colors fighting Comrade Black's men.

Nico: Lets make a mess!

We went at them.

Blob: No way are we letting you drain our city!

But then…

KRASPLAT!

Orange paint splattered all over the soldiers and they dissolved!

Inkling: Never mess with color.

Blob: Wow! Team Loud Phoenix Storm! It's an honor to meet you all and Lady Nicole thank goodness you all arrived.

Nicole: I'm glad we did and no need for formalities. Just Nicole is fine.

Blob: I'm glad you all came. Lets meet up at our base.

We followed him.

We arrived at the base of Blob and friends and it was an abandoned subway station.

Baron Mordo: Is there a base that you guys use?

Blob: It sure is.

Green Blob: We're glad you made it though.

Orange Blob: Yeah we're going to destroy Comrade Black once and for all.

Purple Blob: We've had it with him.

Blob: Oh, this is the Color Underground. They've been good friends for a long time. This is the Professor, who's the leader. And these are Arty, Zip, Bif, and Pinky

Zenet Surrow: Nice to meet you guys!

Contestir: You seem like a good resistance.

Pinky: We sure are.

Arty: Yep and it's awesome to have the famous Team Loud Phoenix Storm here.

Camie: We're glad to help out.

Me: Yep.

Captain Cold: (looks outside) Man, those Graydians look miserable.

Blob: I know. Comrade Black is draining all the color from everything and making the world sad and depressing.

Nico: No kidding.

Xenia: This is horrible.

Qin: Maybe my rainbow ray can make the color come back.

Blob: Luckily, all I have to do is get in contact with color and I can not only free the Graydians. But also recolor the buildings too.

Gus Grav: That's good thinking.

Vulcan: We can help with that as well.

Me: We are going to need a lot of color and more.

Xenia: Yeah.

Lincoln: I can do orange for this.

Xenia: And we all can do each of the colors.

Blob went outside came in contact with a pool of Orange Color, becoming orange as a result.

Blob: Can you guys cover me while I paint the Graydians and the buildings?

Dayu: We can! Comrade Black's goons won't be able to hurt us with their ink weapons.

Me: That we can do.

I got my Paintbrush of Iris ready!

Tabby: Lets do it mates!

Splat: Yeah!

We blasted the Black Goons with our paint and Inkling and Splat blasted them with Ink.

Splat: The Art of War!

She fired paint and dissolved them.

Blob turned orange and turned the buildings orange.

Hotlink: Keep it up, Blob!

Nico: Yeah!

Blob: You got it!

We fired waves of color and drenched all of Comrade Black's men and destroyed them.

Inkling: Suck on Ink!

She fired waves of orange ink and blasted Comrade Black's men all over!

KRASPLAT!

Pinky: Don't let Blob get into any water. Any color he has will wash off!

Harpymon: Like we'll let that happen!

Me: Right!

Qin fired her rainbow ray and blasted numerous men of Comrade Black.

Nico: Yeah! Nice shot Qin.

Qin: Thanks!

Jesse Glenn: (to Comrade Black's men) Now now. It's not polite to interrupt a star of a performance.

Plitheon: Especially when he's working!

They fired lasers and me and Nico fired waves of paint and drenched the men.

SPLAT!

Mickey: Top this one!

He fired waves of paint thinner and drenched and dissolved the men and killed them.

Me: Awesome job Mickey!

ZOOM ZOOM ZOOM ZOOM!

Rainbow Dash ran fast and fired rainbow lightning and blasted Comrade Black's men.

Rainbow Dash: Awesome!

Bonz: I'll summon some monsters to protect you, Blob!

Blob: Thanks!

Bonz summoned his signature undead monsters! He summoned Pumpking and more.

Nico: Take that!

Mason Brown: Blob, tell me you're almost done!

Avior: Because now, they're sending in the big guns!

Blob: Just finished!

Rainbow Dash: Awesome! Lets see how they like this!

She ran fast and flew into the air and then..

BOOOOOOOOOOOOOOOOMMMMMMM!

She formed a massive Sonic Rainboom and rained down color all over and melted the big guns and tanks over the place and destroyed Comrade Black's men and even restored the color to the entire city!

Xenia: WHOA!

Nico: Nice one!

Me: Great job R.D.!

Rainbow Dash: That was really awesome!

Blizzard: There. Everything's colorful again.

Nico: Thanks to Rainbow Dash's Sonic Rainboom.

Xenia: Yep and all of us.

Blob: That is for sure.

Twilight Sparkle: Never underestimate the power of the Sonic Rainboom.

Lola: And the power of the colors of the rainbow.

Nico: Yep. Now to figure out our next move.

Sabator: Oh, it's obvious what that is.

Nurzak: We end Comrade Black's reign of terror.

Nico: Yep.

We set our sights on Comrade Black's ship.

Nico: Entrance time people!

We went at the ship.

Comrade Black was INFURIATED! All his plans were ruined.

Then the spirits of the colors appeared and swirled around him and then converged and then a diamond came out and fired waves of rainbow lights and blasted the ship all over and burned everything in rainbow fire and then out of a blast of rainbow light came us.

Me: Now THAT was a dazzling one!

Comrade Black: Team Loud Phoenix Storm!?

Me: That's right Black! Your color draining days are over!

Red X: Nowhere left to run now!

Comrade Black: SILENCE! I KILL YOU!

I fired a wave of rainbow lightning and blasted him all over the place!

Me: Take that you fiend!

Comrade Black fired ink at us. But the ink had no effect.

Ren Krawler: Seriously?

Linehalt: You know that has no real effect on us, right?

Me: Is that the best you can do?

Rainbow Dash ran fast and fired rainbow lightning and blasted him.

Rainbow Dash: YOU LIKE THAT DIRT CLOD!?

Nico: Top this!

He fired a massive wave of rainbow energy and blasted Comrade Black all over.

Myotismon: The last thing anyone will hear of you wll be the sound of you going splat!

Me: Yeah!

Courage: And that will be from me doing this!

He took in a deep breath and then….

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHH

COURAGE RELEASED A MASSIVELY LOUD AND POWERFUL SCREAM AND IT SHOOK EVERYTHING ALL OVER THE SHIP! COMRADE BLACK GROANED AND SCREAMED IN PAIN FROM IT! AND HE WAS MELTING FROM THE SCREAM!

Courage stopped 1 minute and 30 seconds later and he was really beat.

Nico: Nice, Courage!

Francesca: Good golly! That scream is powerful!

She picked up Courage and held him. He was tired.

Comrade Black was a pile of slop from that!

Me: That will hold him long enough for us to have the usual battles.

Then Pinky & The Brain, Black Adam, Jet, Golden Glider, Mole Man, Kite Man, Magneto, Melter, Jack O Lantern and Ragdoll came.

Nico: Pinky & The Brain, Black Adam, Jet, Golden Glider, Mole Man, Kite Man, Magneto, Melter, Jack O Lantern and Ragdoll.

Pinky: Are you guys having a colorful day?

Nico: We sure are!

Black Adam: Good to know.

Me: Yeah!

Jet: Everything here won't be black and white by the time this is done.

Me: That is for sure.

Golden Glider: We heard you fought the Platypus Brothers.

Nico: We sure did.

Mole Man: I hope you guys made them scream!

Me: Oh we sure did. And it was awesome!

Turkey Jerk came.

Me: Geez Turkey Jerk you sure can't get enough punishment can you?

Turkey Jerk: Nope. I love it.

Me: Okay Mr. Eager-To-Be-Pulverized.

Turkey Jerk: So, the ink has no effect on you guys, huh?

Nico: They were designed to be lethal to Blob, not us.

Me: Yep.

Turkey Jerk: Thank goodness.

We got the battles underway.

?: YOU FOOLISH HEROES WILL PERISH AND BE WIPED FROM THE FACE OF THE EARTH!

Suddenly, the eight large planets and stars orbiting around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eight large gold orbs orbiting around Alex the Lion and Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of light and elemental magic that came out of nowhere and they hit the barrier, but the elemental volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Elysium, or you will be forced out!

A giant white dragon with gold horns and blue eyes and a blue jewel on his chest came out, it was none other than Elysium, the misanthropic dragon from Dragalia Lost.

Lincoln: You just don't even know when to quit, do you, Elysium, you tried to destroy humanity and set out on keeping the world on a linear path, at first, you were a kind and caring dragon who believed in the power of possibility, but you fell down a dark path.

Elysium (Dragalia Lost): HUMANITY IS TO BLAME FOR IT! I WAS DOING WHAT I BELIEVED TO BE RIGHT!

Claire Callaghan: No, what you've been doing was trying to destroy humanity and destroy the world, and I cannot allow that to go on any further.

Suddenly, Claire Callaghan's purple eyes turned neon purple and she was surrounded by a white and purple energy aura with stars, light, psychic energy, fairies, phoenixes, and angels, she unholstered her Arcana Force EX The Light Ruler-themed greatsword from her back, and as she approached Elysium, she left white and purple energy, stars, light, psychic energy, fairies, phoenixes, and angels with every step.

Claire Callaghan: Everything that Lincoln said about is indeed true, you may have appeared to be a truly kind and caring dragon who believed in the power of possibility at first. But, upon you seeing the branching worlds crumble away and become a threat to other worlds, you decided to create a perfect world: one without freedom and is set on a linear path. Because of it, you became a control freak that desires complete control over the world, you belittle humans, believing that only you have the power to keep the world in check. You are even worse than the many other control freak villains that Team Loud Phoenix Storm's killed in the past, Elysium, and for that, there shall be no mercy for the likes of you!

Suddenly, Claire Callaghan was surrounded by a massive vortex of white and purple energy, stars, light, and psychic energy surrounding the vortex, there are fairies, phoenixes, angels, and Arcana Force EX The Light Ruler flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Elysium: the red eyes of death. Then, as the vortex faded, Claire Callaghan emerged, but she was changed forever.

Claire Callaghan grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large white orbs orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long white hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a white and purple energy aura with stars, light, psychic energy, fairies, phoenixes, and angels surrounding her, she has Arcana Force EX The Light Ruler emblazoned on her forehead and Third Eye with purple iris, she has on angel earrings with purple gems for eyes and holding the Light and Eternity Kanjis in her hands, she also has Arcana Force EX The Light Ruler with purple gems for eyes and holding the Light and Eternity Kanjis in its hands for the second pendant on the bottom of her purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Claire Callaghan has on a sleeveless white crop top, white skirt, white stockings, white knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, light, psychic energy, fairies, phoenixes, and angels on the coattails, and on the back is Arcana Force EX The Light Ruler surrounded by stars, light, psychic energy, phoenixes, and angels. Suddenly, Claire Callaghan felt a sharp pain on her back, and then, her massive white angel wings with purple tips on the white feathers grew and sprouted out from her back, and she also now has eleven massive and long white wolf tails with purple tips and purple markings, Claire Callaghan has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Claire Callaghan's massive Arcana Force EX The Light Ruler-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of white and purple energy, stars, light, psychic energy, fairies, phoenixes, and angels, and when it emerged, it was transformed into Claire Callaghan's Psychic Fairy Arcana Force EX The Light Ruler Greatsword of Psychic Light Arcana Force EX Light

Ruler Justice, it's a brand-new massive greatsword with embedded white gems and Arcana Force Ex The Light Ruler etched on the 7'6" massive, wide, double-edged purple blade, large purple dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple phoenix heads with white gems for eyes and on the bottom of the large purple phoenix heads is a purple dragon head with white gems for eyes and a purple gem in its mouth for the pommel, Claire Callaghan has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large version of Arcana Force EX The Light Ruler's head with white gems for eyes and large purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were really amazed by Claire Callaghan's Super Angel-Arcana Force EX The Light Ruler-Fairy-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Elysium saw it, he fell into a rage and fired blasts of elements to kill her, but Claire Callaghan stopped the blasts with a blast of psychic energy and redirected them at him, and she fired a powerful barrage of white and purple energy, stars, light, psychic energy, fairies, phoenixes, and angels at Elysium, and they exploded with such incredible power as the barrage hit him, he got back up and this really angered him now.

Melanie McPherson: (Scottish Accent) (GASPS) Oh, no way,… , did Claire just…?

Lincoln: She did, Melanie, Claire transformed into her Super Angel-Arcana Force EX The Light Ruler-Fairy-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and she really pissed off Elysium now!

Claire Callaghan: (Divine Echoing Godly Voice of The Divine Cosmic Light Psychic Arcana Force EX The Light Ruler Fairy Phoenix Angel and Divine Cosmic Light Psychic Arcana Force EX The Light Ruler Fairy Phoenix Angel Love) You bet I did, and now, it's high-time we put an end to this misanthropic dragon once and for all, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Claire Callaghan.

Claire Callaghan and Lincoln went after Elysium who continued firing blasts of elemental energy at them, but Lincoln and Claire Callaghan absorbed them and it made them infinite times stronger than ever, and they fired extremely powerful blasts of rainbow energy, white and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Elysium and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Claire Callaghan also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Elysium even madder than ever!

Elysium: YOU WORTHLESS HUMANS! I WILL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You can't kill us, Elysium, we're immortal and invincible, and we're also The

Champions of The Gods. But, you, you're nothing more than a threat to mankind and to all worlds. There is no place for you in this world or the next.

Then, Lincoln fired black Symbiote tentacles from his chest which grabbed Elysium and he began pulling Elysium to him, and once Elysium made contact with Lincoln's skin, Lincoln began absorbing the titanic dragon into his body and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he assimilated all of Elysium's light magic, elemental magic, summoning other dragons, complete control over mana, universal transcendence, draconic physiology, and superhuman physical attributes, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head.

Then, an energy card with Elysium's drained soul appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Elysium's forehead, the misanthropic dragon was sent to The Black Gates for eternity. We cheered wildly for what Claire Callaghan and Lincoln did as they holstered their massive greatswords and powered down, and Claire Callaghan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long white wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive white angel wings are permanent.

Claire Callaghan: Burn in The Black Gates forever, you misanthropic dragon. Thank you for helping me get rid of Elysium forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Claire.

Suddenly, Claire Callaghan wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Claire

Callaghan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Arcana Force EX The Light Ruler flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and light shined down on them and we cheered wildly. Then, Lincoln and Claire Callaghan sucked in and absorbed the elemental forces and light and they came back to us as the display vanished.

Lincoln: I certainly wasn't expecting Elysium to appear, but we got rid of that misanthropic dragon for good.

Me: You said it.

Nico: Yeah, what a traitor. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got a really good one: Princess Selene Scala Ad Caelum, Keyblade Knight of Scala Ad Caelum.

Sora: Oh man, no way, we haven't seen her in years.

Roxas: It sure has been years since we last saw her.

Michelle Emperyous: And I knew you'd pick her, Lincoln, and you guys will love meeting her, Princess Selene Scala Ad Caelum is Lincoln's Guardian Angel from Michigan and she's a very powerful Keyblader. She's not only The Keyblade Knight of Scala Ad Caelum, but she's also the Princess of Scala Ad Caelum, and she harbors a very nasty brutal hatred towards Xehanort big time for sending armies of Heartless there, and because of it, so many people had lost their hearts and were turned into Heartless, and she swore that one day, she'd return and take her revenge on Xehanort, and she also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII, and she wants to make sure them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

We gasped.

Me and Nico: Oh shit.

Nicole: Oh man, so Xehanort was the one who sent the Heartless to Scala Ad Caelum and because of it, so many people had lost their hearts and were turned into Heartless?!

Lincoln: It's a day that forever haunts Selene to this day, and she swore one day that she'd make him pay for what he did.

Me: It just proves how much of a lowlife Xehanort really is.

Nico: He's an unforgivable monster!

Eli: If he dares to come back again, it's The Black Gates for him.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Kite Man: Now THAT'S a splat!

Magneto: A loud one.

Melter: But now, no one here has to worry about losing their color.

Jack O Lantern: Alright, everyone who has ink on them, line up to get washed.

Ragdoll: It might not be lethal to us but it sure leaves a stain.

Me: Yeah.

Maria washed us off.

Laney: Ahh. Thanks Maria.

Maria: Anytime.

Me: Black is now a forgotten memory.

Camie: Yep.

Luz: Boy thank goodness and that was awesome how you used the lines we used to kill Belos.

Nico: Yeah that was awesome.

Blob: Boy it sure was cool! Thank you so much for helping us.

Nico: It was our pleasure Blob.

Me: Yeah this was awesome and colorful.

Nico: Great job today guys.

Blob: (To the viewers) Coloring is fun and very creative for everyone.

Laney: It sure is and it's fun.

We went back hoe and Chroma CIty was made part of Gotham Royal York and placed into our protection.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks. 19 days to go.

THE END

Me: I wonder what this planet is going to be like.

Fu: Boy good question. We'll find out when we get there.

Noir Spiderman: I'm really looking forward to this one.

Xenia: I am too.

Brittney: I'm excited to.

Lola: As am I.

Nico: All the planets we visit are fun.

Lucy Loud: I'm really excited myself. I can't wait to kick some butt there.

Laney: Same here.

Nico: Lucy, I want to thank you, Webstor, and your teams for coming

Lucy Loud: It's my pleasure Nico. It's going to be fun.

Renee Ravenclaw: (British Accent) I'm really looking forward to all this everyone.

Lucille Loud: (Scottish Accent) Aye so am I lass.

Varie: We're all excited for it.

Nico: Renee, remember when you first met Lincoln?

Renee Ravenclaw: I sure do. It was back when I was first teaching him how to master the arts of dark magic when he was wanting to learn how to use magic for a magic show.

Lincoln: Being the descendant of Rowena Ravenclaw, she knows all about the powers of magic.

Nico: That is so awesome.

Lincoln: It sure is.

Me: Also Renee your ancestor as you know was one of the founding members of Hogwarts.

Renee Ravenclaw: That is true. I'm glad she founded an amazing school like Hogwarts.

Nico: We are too and now you're part of Lincoln's awesome harem.

Renee Ravenclaw: I sure am and proud of it.

Me: Yeah you sure are.

Nico: You should be proud

Renee Ravenclaw: Oh I am.

Me: Yeah. Yesterday was a colorful one.

Qin: It sure was. We restored all the color to Chroma City.

Me: And met Blob and his friends.

Xenia: Yep.

Nico: Blob is such a colorful guy.

Me: He and his friends ALL are colorful. No pun intended. But that was awesome.

Laney: It sure was. And that Scream that Courage let out to immobilize Black like that? That was awesome.

Camie: Yeah it sure was!

Varie: Man Courage has to have the most powerful lungs in the universe for a scream like that.

Bai Tza: Oh he does. When all of Courage's enemies came to kill us, me and Courage dominated them in Dodgeball and Courage delivered the final blow by using a scream of that kind of power.

Xenia: WHOA!

Nico: Powerful!

Ultimate Spiderman: Boy that is amazing. I hope it didn't damage me because of the Symbiote.

Nico: It was worth it though

Me: It sure was.

Luz: And J.D., Nico, Lincoln that was so clever using the line that Eva, Lillith and King used on Belos.

Nico: That was awesome.

Felicia Wittebane: That was really awesome. That was exactly how I would have done it back then to my ancestor when we destroyed him.

Me: Thanks. That was fun. I had to put my shoes in the wash back home. Sorry if I'm coming in my bare feet.

I had my shoes off and was in my bare feet.

Nico: No worries J.D.

Maria: I contributed to most of the washing

Me: Thanks Maria.

Maria: Anytime. Oh we're here.

We arrived at a brown planet and it looked like a mountain world.

Nico: Looks like a mountain world from up here.

Xenia: Nice.

Nico: Lets get closer.

We went down to the planet and we landed and we saw that the planet was not just a mountain planet but there were WATERFALLS OF GRAVY!

Me: Whoa!

I went over to a river and tasted one and it was gravy!

Me: It's gravy!

Nico: I don't believe it! A Gravy Waterfall planet! This is amazing!

Eddy: We should call Lumpy!

Me: Good idea.

We called Ed.

Ed: Hi guys!

Me: Ed we have something delicious for you.

Ed smelled my finger.

Ed: FEE FI FOE PRAVY! I SMELL DELICIOUS GRAVY!

Me: Yep. And it's here! A Gravy Waterfall planet!

Eddy: Dig in to your heart's content, Lumpy!

Ed: GRAVY! YUM YUM YUM YUM!

He dove into a pool with a waterfall and was EATING LOTS OF GRAVY!

Ed: YUM! Scottish Haggis Gravy!

He dove into another pool!

Ed: DELICIOUS! Swiss Cheese Chicken Gravy!

He dove into another pool!

Ed: YUMMY! Mexican Hot Tamale Gravy! I'M IN GRAVY HEAVEN GUYS!

We laughed hysterically!

Eddy: (LAUGHS) Go Lumpy Go!

Nico: We should eat some too!

Ed: There's Plenty for everyone! Who needs a ladle?

He held out a bunch of ladles in his toes.

I took one and dove in.

Me: (SLURPS) Delicious! If only we had some mashed potatoes to go with this. It would be perfect.

Nico: I know.

Maria: Who says we can't have some here too?

I then used my powers and grew mashed potatoes pots there.

Nico: There!

We got some mashed potatoes and slathered gravy on them.

Nico: Oh boy!

We got to eating.

Nico: YUMMY!

Eli: Delicious!

Zuria: Boy it's like when we were back at that Mashed Potatoes and

Gravy planet. That was fun.

Nico: It sure was.

Misty Tredwell: Yeah. And Ed sure can't get enough Gravy can't he?

Me: HE LOVES the stuff Misty. He has a big bathtub full of Gravy in his bathroom.

Eddy: It's true!

Nico: I know.

Me: Yeah it's funny. Plus Ed makes ALL KINDS of things with gravy. He makes gravy cereal, gravy cakes, gravy gelatin, gravy fishballs, gravy pie, he is a Gravy Recipe Book.

Leni: And that is totes cool. I love making all of Ed's favorite foods with gravy.

Nico: That explains why we have so much instant gravy mix in Leni and Ed's pantry.

Ed: Yep!

Laney: I didn't know that Ed was a great chef that cooks with gravy.

Lola: Oh yeah. He is cool.

Me: And he not only likes jawbreakers but he also is an amazing Gravy Aficionado.

Nico: Yep he knows all about gravies from around the world.

Eddy: Steal Ed's gravy at your own peril.

Me: Wouldn't even attempt it. Besides on a gravy waterfall planet like this there's more than enough for all of us.

Nico: Yeah there sure is.

Eddy: At least we're not on a planet of Butterscotch Pudding.

Me: No that would NOT be a good thing. You know how Ed is with his allergies especially to butterscotch pudding.

Camie: Ed is allergic to butterscotch pudding?

Me: Oh he sure is. If any of it gets on him he gets all swollen and he grows hives all over him and he itches like crazy.

Camie: GEEZ!

Qin: Yeah we found out about it from a bet that went down between Eddy and friends.

Camie: What was the bet?

Me: Ed, Edd, Eddy, Rolf, Jonny and Kevin participated and they had to go 24 hours without their favorite things. Rolf couldn't eat any meat, Kevin couldn't call the Ed's dorks, Jonny couldn't listen to Plank, Eddy couldn't yell, Edd couldn't say smart words and Ed couldn't eat gravy. To them it was a bet but to us it was TORTURE.

Nico: Yeah.

Xenia: Yikes.

Camie: Boy YIKES!

Me: In the end Ed mistook some butterscotch pudding for gravy and dove into it and he came out a swollen itchy mess. We had no idea he was allergic to the stuff.

Camie: That is crazy!

Nico: Yeah.

Eddy: Any gravy thieves will be killed by Edzilla!

Me: You got that right Eddy!

Ed continued devouring gravy

He was REALLY GUZZLING DOWN the stuff like crazy.

Eddy: (LAUGHS) Go Lumpy Go!

We laughed hysterically at the sight!

Xenia: (LAUGHS) That is funny.

Luan: He sure gets a Gravyboat for that! (LAUGHS) Get it?

We laughed more!

Me: (LAUGHS) Good one Luan!

Lola: (LAUGHS) That was funny!

Eddy: (LAUGHS) Yeah!

Ed then got an idea and went to a tree. He had a vine in his hands.

Ed: "Look at me!" [Ed is holding on to the vine as he perches on a tree branch.] "I'm as helpless as a kitten in a tree." [He swings down.] "Meow."

Eddy: "Go, Lumpy, go!"

[Ed hits the Another Tree and swings backwards.]

Eddy: "He shoots!" [Eddy puts Nico in front of his path. Ed snatches him and dunks Nico at the peak of his swing into a pool of gravy.] "He scores!"

KRASPLAT!

Ed: "Yahoo!" [He falls towards me.]

I caught him with my feet.

Me: Boy that was awesome. With my heavy shoes on I would never be able to do this.

Ed burped.

Me: Excuse you Ed.

Ed: (LAUGHS) That was funny!

Nico came out of the gravy pool covered in gravy.

Nico licked himself off.

Nico: Yummy.

He came out.

Nico: Hope you don't mind that we get it!

Me: Sorry.

Eddy: Boy we sure made Lumpy happy.

Xenia: We sure did.

May: Ed's a happy boy right now

Eli: Yep he sure is.

Lincoln: Yeah. Now to get to work. I just found out something that Nico is not going to like.

Nico: What is it?

Lincoln: Gary and Betty are here and they are coming for us!

WE GASPED!

Nico: Oh man! Not them! But wait I got to set things right with them. I killed them during the 20 Days of Darkness and I'm going to apologize for that.

Juran: Do you have to?

Me: Juran he has to! During that time he wasn't in control of himself when he did it. The Digimon Emperor made him do that against his will and now he has to apologize from the bottom of his heart.

Lola: Yeah I know we hate them as much as anyone else but they are not killers they are actually dimwitted idiots that are overprotective of kids.

Juran: Oh.

Camie: Who are Gary and Betty?

Me: They were workers at a daycare camp for kids that were REALLY overprotective of kids.

I went over their history.

---

Happy Peppy Gary and Peppy Happy Betty are two workers at Camp Learn-a-Torium who are extremely overprotective of the kids in their care.

Happy Peppy Gary and Betty first appear in "Totally Spaced Out" when Timmy was sent to the Learn-a-Torium by his parents after Vicky had been kidnapped by Mark Chang. They were so annoying and protective that Timmy was willing to travel across the galaxy to get Vicky back, rather than spend a minute under their care. At the end of the episode, they were apparently captured by Mark Chang and his pals, and were being used as moles in a "Whack-A-Mole" type game.

They had a somewhat major role as villains in "Baby Face". After Timmy wishes himself into a baby to avoid Francis, he's nearly pummeled by Francis anyways after he throws up on him, but is saved by Happy Peppy Gary and Betty who sing a short song and place Francis inside a Fun Box, literally a small cage with lots of padlocks on it suspended over a pit. Eventually, Timmy grows weary of Happy Peppy Gary and Betty's singing and bad food, which is causing his fellow babies to cry, and uses blocks to wish them to the alligator inhabitants in the zoo. However, before baby Timmy can use the blocks to wish himself ten again (since he can't speak), Gary and Betty double back and then get very angry at Timmy and the other babies for not sleeping on time and staying up late while they were gone and proceed to wrap Them in blankets. Timmy tries to escape, but Gary and Betty catch him and place him in an even more secure crib, which makes Timmy start crying. In response to the crying infant, Gary and Betty simply place a soundproof chamber over Timmy's crib, and don't appear for the rest of the episode. Timmy however is saved by the other babies in the nursery and help him get to the name plate maker in the big kids' room.

Their final appearance was in "School's Out!: The Musical", where it's revealed they were little more than pawns in Head Pixie and Sanderson's "37-year plan" involving Flappy Bob, the owner of the Learn-A-Torium. After Flappy was freed from the Pixies' scheming by Timmy and becomes a clown again, Gary and Betty took over the Learn-A-Torium and tried to get the children to come there while it was under their wing, however Timmy and his fairies then held a fun concert right inside the Learn-A-Torium, where the music and lack of safety upset Gary and Betty a lot (Betty was so upset by the lack of safety she apparently had a heart attack). They, along with the Learn-A-Torium, haven't been seen since.

---

When I was finished everyone was somewhat shocked.

Juran: So they are just overprotective of them. That's no surprise.

Zocks: Just like how Flint is very overprotective of me and all that.

Kaito: Isn't that the other way around too?

Zocks: In a way.

Juran: So they are safety freaks.

Me: Exactly.

Qin: Yep.

Me: But Nico has to set things right for them by convincing them that he wasn't in control of himself back then.

Eli: We'll need someone to come and vouch for him.

Maria: Salem can do that.

Eddy: Why do I get the feeling this is gonna end badly?

Me: Eddy don't doubt yourself like that.

Maria called in Salem.

Salem then appeared.

Salem: I am here everyone.

Eli: Awesome. (Senses for them) They are 20 klicks to the north of here.

We gasped.

Me: What again?!

Nico: Sheesh, I knew they were stupid, but it looks like that memory is the only thing still inside their heads.

Eli: But, they still won't stop until they get revenge on us for what that asshole made you do to them. Lincoln, I hate to say it, but did Boss Cass have a hand in this?

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which formed into a viewing window and we saw the footage: and it proved Eli right, Boss Cass brought them to Gotham Royal York to still get revenge on Nico. The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

Camie: That dirty cassoway! He's gonna pay for this!

Nicole: And that he will.

Me: (To Lincoln) Lincoln, I hate to say this, but if we want to teach Gary and Betty a lesson, we're going to need you to (GULPS) go into Full Beast-Mode and turn into Monstrous Lincoln.

The other Loud Sisters and Rita gasped in horror!

Luna: Dude, are you mad?!

Lola: Asking Lincoln to turn into that monster?! That's like opening Pandora's Box again!

Lisa Loud: Lori, Lynn, Lola, Luan, and I still have nightmares of seeing him like that!

Nico: (GULPS) J.D., you sure about this?!

Me: I am.

Nico: Okay. Lincoln, can you…?

Lincoln: Say no more, I know just what to do.

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged out even more with veins forming, his long wild white hair became wilder, and his eyes turned from deep sapphire blue to deep blood red with dark circles under his eyes. LINCOLN'S GONE FULL-BEAST MODE AND TURNED INTO MONSTROUS LINCOLN!

Eli: Uh… Lincoln, you're still there?

Lincoln: (Beastly Voice) Yeah, I'm still in control, Eli. (Senses for Gary and Betty) AHA! Gotcha! Gary and Betty are 20 yards away, but they suspect nothing. We'll catch them off guard with the same monstrous surprise I gave Lori, Lynn, Lola, Lisa, and Luan long ago. (Sensed Flip's musclebound goons) Oh, you've got to be kidding! FLIP!

Me: So, now he's sent his goons at us again?!

Lincoln: (Beastly Voice) Obviously. Even after the thrashing Eli and Dad gave him, he still won't quit!

Lincoln concentrated on Flip's army of armed musclebound thugs, and then, waves of red energy came right out of them and they screamed in agonizing pain, and the waves of red energy flowed into Lincoln and he was getting stronger and stronger and stronger still, and as soon as Lincoln was done, the thugs were all drained of all their energy and were all left as dried up corpses drained of their life forces, muscle mass, virility, and strength, and he sent them to The Black Gates. Then, we set our sights on Gary and Betty who were looking for us.

Gary: Where are they?! WHERE!

Betty: They should be here somewhere!

But, we were already hiding in the shadows.

Me: (Smirks) That's right, keep looking, but a monstrous surprise is waiting for you.

Then… !

MONSTROUSLY MASSIVE AND EXPLOSIVELY LOUD BELCH!

A monstrously massive and explosive loud belch was heard, and it caught Gary and Betty off. Then, a massive shadow sped right past them, and it's got them scared stiff.

Then, something opened the bush and was looking at them as they were looking for the source, and something was breathing heavily as steam came out of his mouth, and he got his hands away from the bush.

MONSTROUSLY MASSIVE AND EXPLOSIVELY LOUD BELCH!

Another monstrously massive and explosive loud belch was heard as the ground quaked!

Nico: Lets go. (GULPS) I hope I know what I'm doing.

We went to find them.

We looked and heard something.

Nico: Okay! You can come out now. I'm unarmed!

Then out came GARY AND BETTY! And they were a mess.

Me: Whoa man! You two look like you were here for a while.

Gary: We have! And we were eating nothing but gravy for days!

Betty: We're really hungry!

We got them sat down and gave them good food and they had Ulti-Meatums and pizza and more.

Gary: Ahh thanks guys. BUT WE ARE STILL ANGRY WITH HIM! (POINTS TO NICO)

Me: And believe me you have every right to be but please just hear him out.

Nico: (sighs) Okay, Gary and Betty. I'm sorry for… whatever. (Walks away)

Eddy: See?! What'd I tell you?!

Me: Uh oh!

Ed: DON'T GO NICO!

Ed grabbed Nico and pulled him back.

Nico groaned, knowing he wasn't getting out of this.

Nico: (walking back) Dammit, Ed. You're very luckt that you're stronger than me and J.D. Otherwise

Having enough, Gary and Betty then grabbed his throat.

Nico: Okay, what? I'm sorry, okay, there?

Eddy: (facepalms) Still not helping your case.

Gary: [angry] "For the honor of our humanity…

Betty: We challenge you to a duel!"

Eddy: "A duel? Uh oh!"

Gary: "Prepare yourself, Nico, as vengeance will be ours."

Me: WHAT!? You can't be serious! I will face you both in his steed!

Gary: You're going to die for him!?

Me: To show you that vengeance is wrong and that he is truly sorry for what he did.

Salem: He's right! Nico wasn't in control of himself back then!

Betty: LIAR!

Me: Okay you have gone off the deep end.

Nico: It's actually true.

Betty: Really?

Me: Yes. So, you might want to reconsider the whole duel thing. I really am sorry.

Eddy: But can you really blame his insincere apology considering you two?

Nico: Yeah.

Me: Let me show you what happened back then.

I showed them what happened because of the Digimon Emperor during those days in the 20 Days of Darkness and it was all 100% true.

Nico: So, yes. I really am sorry. But I'm NOT sorry for the Digimon Emperor beating up the kids from South Park.

Me: I still hate that show. Always have and always will.

Qin: Me too!

Betty: Wow. I didn't know you were not in control.

Gary: We're sorry too Nico.

Betty: Yeah.

Nico: Can you let go of my throat now?

Gary: Oops sorry.

They let go of him.

Betty: And I agree with your opinion about the South Park Kids.

Gary: Yeah I hate that show too.

Me: Welcome to the club.

Betty: But I can tell you guys are here to fight us.

Gary: Yeah and you have a job to do.

Me: How about we make this funny.

I pulled out a giant fish club.

Eddy: A dueling fish?

Me: Yep.

Gary: And we accept your apology.

Nico: Thank you.

Me: Lets dance.

WHAM BLAM SMASH!

I smashed both of them in their heads with the fish!

Nico and all of us got out Dueling Fish and smashed their faces in!

Me: I know you guys are really overprotective of kids. But if we may ask why?

Gary: Oh it's both our faults.

Me: Why?

Betty: Because before we joined Flappy Bob's we had a daughter of our own.

Me: Really?

Gary: Yeah.

He pulled out a photo of her and she looked like a mini version of Betty.

Me: Aww she was adorable.

Betty: Yeah. We loved her more than anything. But then tragedy struck. She was playing on the railroad tracks to get her ball and then she didn't see the train coming and then… (Voice Breaking Then… (WAILING) SHE GOT HIT BY THAT TRAIN!

WE GASPED!

Nico: Oh my god!

Qin: We had no idea you were going through so much pain.

Nico: And suddenly, we feel like jerks.

Me: Feeling that way because you didn't know is all part of being human. But yeah we do feel like jerks.

Gary: It's okay guys you didn't know. It's why we were so overprotective of everything. We didn't want the same thing to happen to all kids like it happened to our daughter.

Me: Oh man. Sorry that happened. What was her name?

Gary: Tryni and she was an angel.

Me: Aww.

Eddy accidentally hit his fish into Nico's face.

WHAM!

Nico: OW! GODDAMMIT, EDDY!

Eddy: Sorry Nico.

Eddy smashed Betty on her head!

SMASH!

Nico: Nice!

Eddy: Timmy might not be understanding however.

Betty: I know and we treated him like a baby.

Qin: He had no idea you were going through all that.

Me: In fact. I think it's time for your souls to be healed. (SNAPS FINGERS)

I snapped my fingers and then beams of light shined down from the heavens and then the divine singing of angels was heard.

(THE MYSTICS DREAM FROM 6:07 TO 7:10 PLAYS)

A figure came down from in the light and it was TRYNI!

Gary and Betty were in awe.

Tryni: Hey mom and dad. I'm back.

She landed and Gary and Betty went over and hugged and smothered their daughter with love and kisses for the first time in years.

Gary: TRYNI WE MISSED YOU SO MUCH!

Betty: WELCOME BACK HONEY!

But, before Gary and Betty could go after Nico, Lincoln appeared and he had in his arms a bundle of snowballs that he made.

Lola: OH NO!

Luna: OH BOY!

Lincoln roared like an animal and fired the snowballs like crazy and Gary and Betty got pulverized like crazy!

Me: This is just like when I dealt with Lynn on Packing Day!

Lincoln's eyes turned from deep blood red back to deep sapphire blue and he relaxed himself.

Lincoln: That's right.

Dahlia: You really scared the daylights out of them. Now, it's high-time I teach them a lesson.

Tryni laughed at that.

Suddenly, Dahlia's light violet eyes turned neon light violet and she was surrounded by a pale light grayish turquoise energy aura with stars, flowers, magic, and Alicorns, she unholstered her massive Dahlia's Alicorn Eternal Magical Jungle Flower Friendship Greatsword of Eternal Jungle Flower Love and Jungle Flower Harmony from her back, and as she approached Gary and Betty, she left pale light grayish turquoise energy, stars, flowers, magic, and Alicorns with every step.

Dahlia: I understand that you still bear anger towards Nico for what happened years ago, Gary and Betty, but this was all the fault of The Digimon Emperor putting him through Hell, but if you refuse to listen to reason, then you will listen through force!

Suddenly, Dahlia was surrounded by a massive vortex of pale light grayish turquoise energy with stars, fritters, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a light violet phoenix with red eyes glaring at Gary and Betty: the red eyes of eternal death.

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! YOU HEARD WHAT SHE SAID, IF YOU WON'T LISTEN TO REASON, THEN YOU WILL LISTEN THROUGH FORCE!

We were amazed by Garden Grove's Super Angel-Equestrian Crystal Flower Master Love Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Gary and Betty saw it, they knew they were in trouble, and Garden Grove fired a massive and powerful barrage of grayish aquamarine energy, stars, flowers, magic, and Alicorns which hit Gary and Betty, they got back up, and they knew they were in trouble.

Nico: So awesome!

Me: (TRULY AMAZED) Incredible… !

Eli: (AMAZED) So awesome!

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Garden Grove's transformed into her Super Angel-Equestrian Crystal Flower Master Love Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form same with Dahlia, now we can take the fight to Gary and Betty.

Garden Grove: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Equestrian Crystal Flower Master Love Alicorn Princess Angel and Divine United Friendship Divine Cosmic Starstorm Equestrian Crystal Flower Master Love Alicorn Princess Angel Love) We'll make it quick and painless, let's get them, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of

Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Dahlia and Garden Grove, and so did we as we also unholstered our massive greatswords and transformed.

Dahlia: Well, that's one villain whom we've taken down swiftly.

Garden Grove: And at least, they are finally recovering.

Suddenly, Garden Grove and Dahlia pounced on Lincoln and they kissed him all over his face, massive muscular body, eight-pack abs, and lips, and he returned it, and we cheered for them.

?: Aw, bogus, looks like I missed the fight.

Suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with purple light covering her body and it had the Spider emblem on its chest and eight-pack abs and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman.

Me: Yeah, sorry about that.

Nico: But, they weren't like any of the other villains we'd fought against, they were just hurt and angry.

Lincoln: Yeah. (Sees the purple color) Wait, the purple color on the symbiote suit, there's only one person whose favorite color is sea foam green, isn't that right, Luna Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Luna Loud, but she had longer blonde hair, neon purple eyes, fangs, and she looked like he was 21 years old.

Black-Suited Luna: Yep, and our Linky told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Luna: I knew he would.

Luna: Whoa, dude, is that… me?

Black-Suited Luna: Yep, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Luna: Yep.

Black-Suited Luna turned formed a massive black Symbiote web which latched onto Luna's stomach, and Luna began absorbing Black-Suited Luna into her body, and then, Luna's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Luna began merging with Luna and Luna gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Luna's rainbow energy aura settled.

Me: Is it over?

Luna: It is. Hey, Black-Suited Luna, you settling in alright?

Black-Suited Luna: (Speaking through Luna's emblazoned Rainbow Mermaid and Third Eye) Yeah, we've settled in perfectly, dude.

We saw Luna's emblazoned Rainbow Mermaid glow with purple light.

Eli: So, whenever we speak to you, the Rainbow Mermaid will glow with purple light.

Me: Awesome, and we already can speak with Luna's other counterpart as well.

Luna 2: (Through the Rainbow Mermaid and Third Eye) Exactly.

Girl Jordan: Ooh, Luna, try to summon your Symbiote suit.

Luna concentrated and immediately, her body was covered in a black Symbiote suit with purple light reflecting off it and it had the spider emblem on it.

Lincoln: Yep, it worked.

The Symbiote suit disappeared back into Luna's body.

Nico: And that would be it for this part.

Me: Yep.

Gary: Thank you guys for helping us.

Me: It was our pleasure.

Betty: Yeah. We decided to join the M.O.E. And the Redemption Squad.

Me: Fair enough.

Eli: Cool.

Tryni: I got a lot of catching up to do.

Xenia: I can tell you do.

Nico: Now for the Anothers.

Eli: I sense that they are villains that Johnny Test faced.

Lola: Whoa!

Eli: They are Another Giant Germs, Evil Beekeeper, Lunch Lady (Johnny Test), Blast Ketchup, Cyborg Johnny & Dukey, Man Spider and Webstor.

WE GASPED!

Qin: Whoa! So they decided to have Blast Ketchup put into the M.O.E.

Nico: Yeah! And Cyborg Versions of Johnny and Dukey!? That's crazy!

Laney: And an evil version of Beekeeper? Wacky!

Me: Yeah.

Webstor: The Honey Bars he has are really tasty. You guys should try them.

Nico: Awesome

Webstor: Yep and those giant germs were made when Johnny mixed his sisters formula with his dads.

Me: Big mistake. And they decided to give the lunch lady that Susan, Mary and Johnny know a shot too.

Nico: Yeah.

Maria: Who do we call?

Me: Eis Ice, Felicia Fire, Elie Elec, Brie Bomb and Connie Cut.

Nico: Cool!

Qin: They will be happy to battle them.

Nico: How about that. Our newly recruited gene-slammers for them.

Eli: Yep. I sense that the Anothers minus Webstor are 2 people.

Nico: Interesting and cool.

Qin: Yeah.

Nico: Let's call them.

Maria did so.

Then out of vortexes of elements came Eis Ice, Felicia Fire, Elie Elec, Brie Bomb and Connie Cut!

Connie Cut: We're ready for this guys!

Felicia Fire: Yeah this will be fun.

Elie Elec: This will be fun and cool.

Lola: Yep.

Nico: Here they come!

Then out came Another Giant Germs, Evil Beekeeper, Lunch Lady (Johnny Test), Blast Ketchup, Cyborg Johnny & Dukey and Man Spider!

Me: WHOA!

Qin: This is gonna be ugly!

Noir Spiderman: GOOD GOD! What happened to that version of Spiderman!?

Nico: Don't fucking ask!

Me: Lets just say that it's his Spider half of his powers that grew out of control.

Noir Spiderman: Oh man.

Spiderman: Yeah and it was a nightmare I never want to go through again.

Maria: Rest assured we ensure that won't happen to any of you!

Noir Spiderman: Thanks guys. That means a lot.

Another Evil Beekeeper: (In a girls voice) That must've been awful!

Another Cyborg Johnny: (In a girls voice) Yeah no kidding.

Me: (GASP) Those voices.

They merged and reverted back. One was a girl with magenta hair and had blue eyes and pink clothes and she had purple angel wings and had a tiara with the symbol of the Anomalocaris Dopant on it and the same symbol was on her skirt and she had a Flower Sword.

The second girl was a girl with yellow hair and orange eyes and she had green clothes and had yellow angel wings and she had a tiara with the symbol of the Quetzalcoatlus Dopant on it and had the same symbol on her skirt and she had a wind sword.

Me: (GASP) Amelia Anomalocaris and Qin Quetzalcoatlus!

Nico: COOL!

Amelia Anomalocaris: Awesome to see you again J.D.

Qin Quetzalcoatlus: Yeah it sure is.

Me: You too girls. Amelia and Qin are the embodiments of the Anomalocaris and Quetzalcoatlus Dopants and they are both paleontologists and they can summon Cambrian Sea Creatures and even all the Pterodactyls from millions of years ago.

Nicole: Wow! That is really awesome! Anomalocaris lived back over 520 million years ago and Quetzalcoatlus was the largest of all the flying reptiles that lived 68 million years ago.

Nico: WOW!

Amelia Anomalocaris: I know. Cool huh?

Philip: That is awesome! And the Quetzalcoatlus Dopant was the largest Dopant me and Shotaro ever faced.

Shotaro: Yeah it was just as big as one from back then!

Me: They didn't call Quetzalcoatlus the largest ever flying reptile for nothing.

Nicole: You got that right.

Qin Quetzalcoatlus: That is too true on that.

Camie: How big was a Quetzalcoatlus back then?

Me: It had a wingspan that was as big as a Cessna 172 Prop Plane and it was over 36 feet long.

All of us: WOW!

Nico: That is amazing!

Nicole: Yeah no kidding.

Qin Quetzalcoatlus: That is amazing huh?

Nico: Yep.

May: I think it's awesome too.

Me: By the way is the Another Webstor friendly or hostile?

Amelia Anomalocaris: Friendly and she is amazingly strong and powerful.

Me: Nice.

Nico: Sorry we have to do this.

Amelia Anomalocaris: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Me: Awesome.

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Nico: Now for the Another Webstor.

Me: Yep.

Spiderman: This should be awesome and neat.

Maria: Time for backup! (TURNS DIAL) SHARK FORCE 6!

She summoned King Shark, Utomodachi, Shark Brothers, Gammaizer Fire, Evil Poison Ivy and Universe 666 Mystique!

Nico: Awesome!

Qin: Yeah! Now we wait.

Me: Yep. We don't have to wait long!

We saw a figure come out and it was ANOTHER WEBSTOR!

Nico: WHOA!

Webstor: Hey who is that handsome guy?

Nico: Another you Webstor.

Another Webstor: (In a girls voice) But It is awesome.

Me: (GASP) That voice!

She reverted back and it was a girl with brown hair and had blue eyes and had Red angel wings and she had red and blue clothes on like those of Spiderman and the Spiderman Emblem was on her shirt and she had a tiara with the symbol of the Hydrogen Dopant on it and she had the same symbol on her skirt and she had a red and blue sword in her hand.

Me: (GASP) Hailey Hydrogen A.K.A. SpiderNebula!

Nico: SpiderNebula!? Whoa!

Hailey Hydrogen: Awesome to see you again J.D.

Me: Same here and Peters you are going to love this. Like you guys she was bitten by a Radioactive spider herself and it gave her Spider Powers.

Spiderman: WOW! That is amazing!

Noir Spiderman: Wow! Welcome to the Spiderman club!

Hailey Hydrogen: It's an honor and also Spiderman is my hero and I love all his adventures and the bad guys he fought are awesome.

Me: They sure are. Also Hailey is the embodiment of the Hydrogen Dopant and she has the power to use the powers of Nebulae from all over the universe as her power.

Nico: That is cool!

Xenia: It sure is! Just like Akiko Suzuki can.

Nico: Yeah!

Me: Yep and thanks to me helping her with the Spiderman comic books and the Spiderman movies and TV shows I helped her become an awesome hero and gave her the name SpiderNebula.

Nico: That is so Cool!

Hailey Hydrogen: It sure is.

Camie: Wow! That is awesome!

Spiderman: I'm truly honored that you look up to me and my fellow Spiderman as your inspiration.

Hailey Hydrogen: And it's an honor to be in the presence of Spiderman and his counterparts.

Noir Spiderman: We're glad to have someone who wants to be like us.

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin sword and Zocks got a Jet Sword.

Hailey Hydrogen: Actually no he didn't. I webbed him up in a web cocoon and left him there as I fled.

Noir Spiderman: Just like how I dealt with some of my enemies.

Me: Very crafty! And the thing is just a few days ago we helped retrieve fragments of the Tablet of Order and Chaos and killed Noir Spiderman's enemies and killed Ultimate Carnage and 2099 Hobgoblin.

Girl Jordan: It's true. We gave them the black gates.

Hailey Hydrogen: Boy I heard all about that from Madame Web. She contacted me a couple of days ago and I wondered if it was all true. Now I see it is. Awesome job!

Me: Thanks.

Sougo: (gets out Mighty Morphin Ridewatch) It's a good thing no Fragments fused with any Dark Orbs.

Geiz: (gets out Jetman Ridewatch) Because that wouldn't have been good.

Sougo got TyrannoMightyMorphinArmor and Geiz got RedHawkArmor.

Hailey Hydrogen: No kidding! No one would want to see that.

Me: I agree there.

Lincoln: Since you are a Spider Hero lets separate you first.

Hailey Hydrogen: Good idea.

Lincoln separated her from Another Webstor.

She jumped over to us.

Hailey fired blue webs from her hands and wrapped up Another Webstor!

Me: Awesome!

Hailey's Spider Sense went off.

Hailey Hydrogen: Look out!

Another Webstor fired acid globs and we dodged them!

Me: WHOA!

Spiderman: WOW! Thanks!

Lucy Loud: This one's putting up more of a fight!

Hailey Hydrogen: Boy no kidding there!

Nico: (gets out Webstor's Ridewatch) Time to fight Spider with Spider!

Nico activated Webstor and Man Spider's ridewatches and fired webs that webbed up Another Webstor's mouth.

May: Taste this! (ACTIVATES BANSHEE WOMAN AND LEVIA-SLATE'S RIDEWATCHES)

She fired sonic waves and smashed down Another Webstor!

Maria: Time for some Leo power! (ACTIVATES LEO ZODIARTS

AND MOSQUITO GIRL'S RIDEWATCHES)

She fired waves of energy and blasted her down.

Me: YEAH!

Renee Ravenclaw: This will be fun! (ACTIVATES MANSPIDER'S RIDEWATCH)

She fired black webs and blinded Another Webstor!

Then Roman Goodwin, SHS Carnage, Mekenobite, Maremotus, Dr. Gene Splicer and Evil Blackarachnia came.

Nico: Cool team Roman!

Roman: Thanks Nico!

Hailey Hydrogen: WHOA! I loved watching Super Hero Squad back when I was a little girl. That show was funny.

SHS Carnage: I'm honored you like us.

Hailey Hydrogen: But Girl Jordan, I thought you wanted to kill all the versions of Carnage for how they ruined your life?

Girl Jordan: I still do but some versions of Carnage I can tolerate.

Nico: And they are in the M.O.E.

Hailey Hydrogen: Oh. That's different.

But then a blast of fire hit Another Webstor and blasted him and I caught the Ridewatch.

Me: WHOA!

?: That was awesome!

Heat Man came!

Me: Whoa! Heat Man!

Heat Man 2: (In a girls voice) Sorry about that guys.

Nico: Hena Heat!? Whoa!

Me: Wow this one is hot.

Maria: Now that's packing heat!

Nico: Yep.

Me: Nice shot though.

Hena Heat: Thanks.

Me: And I have a feeling you're naked.

Hena Heat: Yep.

Me: Oh boy.

I put on my blind man glasses.

Nicole: Anyone that peeks at her I will rip their heads off!

The boys covered their eyes.

Me: It's going to hurt a lot Hena.

Hena Heat: I'm ready.

Me: Okay. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain.

She vomited.

And she vomited out a blast of fire and it hit Qin and burned her arm.

Qin: OUCH!

Varie was healing her.

Hena reverted back and she had orange hair and yellow eyes and had fire angel wings and she had a symbol of a flaming match in the middle of her forehead.

Hena Heat: (GROANS) That hurt. (GASP) Oh man sorry Qin. I didn't see you.

Qin: No worries.

Hena Heat: (SEES HERSELF) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The Fashion brigade gave her a new orange outfit and she looked amazing.

Hena Heat: Wow! This looks awesome on me.

Me: It sure does.

Nico: How do you feel?

Hena Heat: Awesome and better than ever.

Renee Ravenclaw: What's your favorite memory of Nico?

Hena Heat: When me and Nico were at a chili pepper farm and Nico dared me to eat 5 ghost peppers and I succeeded.

Qin: Boy I remember that! You had fire coming out of your mouth every time you talked.

Me: WHOA! That is infernal.

Xenia: Yeah.

Hena Heat: But it was fun. And the farm makes really great hot sauces.

Me: You are a tough girl Hena. Just like me. I make my own hot sauces and they are good.

Hena Heat: Awesome!

Nico and Hena hugged.

Nico: I've missed you Hena.

Hena Heat: Same here Nico.

We went back home.

And we had the whole team with us, since we got ourselves a huge emergency, and we also brought The Masters of Evil with us.

Lincoln: Whoa, we're here in India, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're going to face the last five of Quan Chi's revenants: the revenant versions of Stryker, Nightwolf, Jade, Jax, and Sub-Zero, and we're going to free and purify them from Quan Chi's curse and Shinnok's influence.

Nico: As we guessed it, and by the first light of dawn tomorrow, Boss Cass will pay for everything he has done.

Me: You said it.

Lincoln: Boss Cass made a huge mistake bringing the Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Stryker, Nightwolf, Jade, Jax, and Sub-Zero here along with other misdeeds he's done in the past few days since his return. But, this ends here and now.

Suddenly, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's crisscross orange straps on his chest harness and orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails and white rabbit's tail, and massive white angel wings turned from white to gold as Lincoln transforms into Lincoln, God of The Eternal Wheel of Life.

Lars: Quan Chi's dark magic will end here and now, once we find the last five Revenants.

Lincoln: That's right.

Suddenly, we saw a beautiful and super sexy girl with long blue hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and she's dressed in a blue royal dress, blue stockings, blue legwarmers, blue sneakers, and long white sleeveless trenchcoat with light, Keyblades, and angels on the coattails and on the back is Scala Ad Caelum, in her right hand is the Ultima Weapon Keyblade from Kingdom Hearts 3 and with her are the eight girls.

Lincoln: (GASPS) Princess Selene Scala Ad Caelum, Keyblade Knight of Scala Ad Caelum.

Selene Scala Ad Caelum: That's right, and I managed to get the girls away from the Revenants versions of Stryker, Nightwolf, Jade, Jax, and Sub-Zero and Boss Cass took off again.

?: You will never leave here alive!

We then saw the Revenants versions of Stryker, Nightwolf, Jade, Jax, and Sub-Zero, and they were out for our heads.

Sylvester: The final five Revenants of Quan Chi have arrived. Now, we can free them from his curse and Shinnok's influence.

Lincoln fired gold spider silk webs that tied them up, and then, he chanted a powerful incantation and his large golden halo glowed and the four orbiting gold rings fired rays of rainbow healing light which hit the Revenant versions of Stryker, Nightwolf, Jade, Jax, and Sub-Zero and purified them and freed them of Quan Chi's curse and Shinnok's dark influence. Then, Nightwolf, Jade, Jax, and Sub-Zero assimilated their alternate selves and they gained their powers and knowledge along with black and dark brown angel wings.

We cheered as we holstered our weapons and powered down and Lincoln's wild gold hair, large gold wolf ears, eleven massive and long gold wolf tails and gold rabbit's tail, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange.

Lincoln: It's finally over, we freed the Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Stryker, Jade, Jax, and Sub-Zero and banished Revenant Kabal to The Black Gates, now all that's left is to deal with Boss Cass tomorrow. (To Selene Scala Ad Caelum) And it's so good to see you again, Selene Scala Ad Caelum.

Selene Scala Ad Caelum: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, Selene.

Lincoln went up to Selene Scala Ad Caelum and he hugged her, and Selene Scala Ad Caelum is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selene Scala Ad Caelum: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these three sexy hot mamas?

Lincoln: Indeed I do, J.D, this is Selene Scala Ad Caelum, Keyblade Knight of Scala Ad Caelum, she's my Guardian Angel from Michigan and she's a very powerful Keyblader. She's not only The Keyblade Knight of Scala Ad Caelum, but she's also the Princess of Scala Ad Caelum, and she harbors a very nasty brutal hatred towards Xehanort big time for sending armies of Heartless there, and because of it, so many people had lost their hearts and were turned into Heartless, and she swore that one day, she'd return and take her revenge on Xehanort, and she also harbors a very nasty hatred towards ALL THE MEMBERS of Organization XIII, and she wants to make sure them pay for their crimes. She is also very great friends with Sora, Riku, Kairi, Eli, Cid, Namine, Roxas, Xion, Yuffie, Leon, Aerith, and all their friends on all worlds including Sora's mother and is a very awesome sister to Aqua and Sora and Kairi and she is so happy for Sora and Kairi when they got married.

Kitana: And you're not the only one who'd lost her home to darkness, Selene.

Selene Scala Ad Caelum: We both lost everything to evil, Kitana. I lost all my friends and family due to Xehanort unleashing hordes of Heartless there and many of them were also turned into Heartless and Shao Kahn murdered your father, King Jerrod of Edenia, and he took and merged Edenia with Outworld and put Sindel under a spell that made her into the cruel Empress of Outworld.

Michelle Emperyous: That's something we'd noticed: a common link between you and Kitana, Selene.

Selene Emperyous: Both of you are members of royalty and both of you had lost your homes to evil, for you, Selene, Scala Ad Caelum was ravaged by The Heartless due to the cruelty of Xehanort, and for Kitana, she lost her father and Edenia to Shao Kahn's aggression and underhanded tactics.

Lincoln: One day soon, we'll head for Scala Ad Caelum and restore everyone to life, Selene.

Selene Scala Ad Caelum: Now, that is something I know you'll fulfill: my family and friends restored and Scala Ad Caelum finally free of Xehanort's evil for good. But, the same can't be said for Edenia: once Shao Kahn merged Edenia with Outworld, the spell can't be undone.

Kitana: And it can't be undone without destroying Outworld and the other merged realms, too many have lost their homes and their lives to Shao Kahn, he has left far too many scars that can never be healed.

Nico: That bastard, I'm so glad we destroyed him, Quan Chi, and Shang Tsung last year and sent them to The Black Gates.

Lincoln: You got that right, those three were the biggest major threats to Earth and the realms, but we did all the realms a service by removing them and sending them to The Black Gates, and now that you're here, Selene.

Lincoln went up to and hugged Selene Scala Ad Caelum in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Selene Scala Ad Caelum: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selene Scala Ad Caelum's neck with blue gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Selene Scala Ad Caelum: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selene Scala Ad Caelum.

Selene Scala Ad Caelum had a smile on her face and tears in her eyes and she pounced on Lincoln and she proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the eight girls, and when Lincoln saw them, he immediately recognized them immediately. The eight girls are the Simulator versions of Anko Uehara, Fuyumi Kujirakawa, Nagisa Nagase, and Azusa Fuyutsuki from Great Teacher Onizuka, the Simulator versions of Takako Shimizu and Yumi Omura from Chobits, the Simulator version of Ran Mouri from Case Closed and Anna Hanyu from Buddy Daddies.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Anna Hanyu: Yes, we're okay, thanks to you.

Anna Hanyu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Anna Hanyu: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator versions of Anko Uehara, Fuyumi Kujirakawa, Nagisa Nagase, Azusa Fuyutsuki, the Simulator versions of Takako Shimizu and Yumi Omura, the Simulator version of Ran Mouri, and Anna Hanyu with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and we've finally taken down all the Revenants of Quan Chi.

Maria: Whew, now that's what I call a major threat averted!

Lincoln: Yeah, we've freed the Revenant versions of Liu Kang, Kitana, Kung Lao, Sindel, Stryker, Jade, Nightwolf, Jax, and Sub-Zero who'd merged with Liu Kang, Kitana, Kung Lao, Sindel, Jade, Nightwolf, Jax, and Sub-Zero, and we banished Kabal's revenant to The Black Gates.

Me: Now, all that's left is to deal with Boss Cass.

Nico: He's not getting away with this, along with what he's done in the past few days. By dawn's first light tomorrow, he will die and he will never come back.

---

After freeing and purifying the Revenant versions of Sub-Zero, Jax, Jade, Nightwolf and Stryker, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selene Scala Ad Caelum saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selene Scala Ad Caelum: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now

looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Selene Scala Ad Caelum: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Selene Scala Ad Caelum: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Selene, what memories did you have with Lincoln?

Selene Scala Ad Caelum: We were hoping you'd ask that. Well, one time, Lincoln and I along with the rest of his Guardian Angels and harem were at Gus' Games and Grub for some fun. But, then, Becky Long's alarm sounded, and we suddenly heard the familiar sound of a loud shriek of rage, and we knew who it was: Lincoln's snobby, manipulative, sociopathic, bad-tempered, pink-wearing pageant demon of a sister, Lola, and we found out she was out to kill Lincoln again for defying her. But, I had enough of her, I decided to show Lola what happens when she messes with a real princess, I fired blasts of water which drenched Lola and caused her make-up to run and I proceeded to pulverize her like mad and I tied her up with light energy ropes.

Nico: OOH! Man, that was brutal! Lola made a big mistake fighting you!

Lincoln: Selene may be a princess, but she knows how to fight and Lola stood no chance against her.

Laney: Lola didn't want to fight her, but her Dark Side was such a sociopathic monster and she was willing to try and fight her and kill her so she can kill Lincoln, his Guardian Angels, and harem. She was so lucky Selene roughed her up.

Lana: No kidding, because we were about to get her!

Lily: But, Selene dealt with her and made her pay.

We got a shower, and then, Lincoln, Simulator Princess Peach, Simulator Princess Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, and Simulator Zahra Rashid are heading to Laverra Beach, and joining them is Ets, Miko Kubota, and the rest of his harem.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black swim trunks with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the swim trunks, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Ets was dressed in black and cyan blue swim trunks, blue sandals, and he had his weapons holstered in case of trouble.

And Miko Kubota and the rest of his harem are dressed in colored two-piece bikinis, sandals, and they had their weapons holstered in case of trouble, and Simulator Princess Peach, Simulator Princess

Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, and Simulator Zahra Rashid are are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Princess Peach, Simulator Princess Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, and Simulator Zahra Rashid had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Seashell: Wow, so this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Seashell.

Ets: And it's perfect for our date. Shall we?

Lincoln, Simulator Princess Peach, Simulator Princess Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, Simulator Zahra Rashid, Ets, Miko Kubota, and the rest of Ets' harem dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Princess Peach, Simulator Princess Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, and Simulator Zahra Rashid got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, and Miko Kubota and the rest of Ets' harem saw Ets lift a massive 900,000,000,000,000-lb barbell in his hands, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Princess Peach, Simulator Princess Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, and Simulator Zahra Rashid and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Princess Peach, Simulator Princess Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, and Simulator Zahra Rashid placed their hands on the massive pecs of Lincoln and his clones, and Ets made clones of himself and he and his clones went up to his harem and they hugged them in their abnormally massive and powerful muscular arms, and his harem placed their hands on the massive pecs of Ets and his clones and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln and Ets covered in kisses on their faces, bodies, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Princess Peach, Simulator Princess Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, and Simulator Zahra Rashid with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Princess Peach, Simulator Princess Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, and Simulator Zahra Rashid are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Princess Peach, Simulator Princess Daisy, Simulator Erina Nakiri, Petunia Paleo, Seashell, Glory, Peach Fizz, Simulator Ridley, and Simulator Zahra Rashid, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

We were at Phoenix Land.

Hit Girl: So, this is Phoenix Land, huh?

Me: Yep. This is our very own amusement park. We built it out of inspiration from Glove Universe down in Bikini Bottom.

Gina Goggle V: I would be honored.

We later left for home.

Shego: Man, those were good wieners!

Me: You said it Shego.

Nico: (BURPS) Pardon me.

Lincoln was watching TV with Girl Jordan and then suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Frank D'Amico, he's come back from Hell and he's brought with him a massive army of evil versions of everyone from Springfield, Quahog, and Citiesville to kill us all as revenge for what we did in killing his son, Chris, three days ago. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we heard it and headed for home!

Lincoln: ATTENTION TEAM LOUD PHOENIX STORM! THIS IS LINCOLN LOUD! WE GOT AN EMERGENCY SITUATION OF PRIME OMEGA CALIBER! REPORT BACK TO BASE AT ONCE!

THIS IS NOT A DRILL! REPEAT! THIS IS NOT A DRILL!

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than Frank D'Amico, he's come back from Hell and he's brought with him a massive army of evil versions of everyone from Springfield, Quahog, and Citiesville to kill us all as revenge for what we did in killing his son, Chris, three days ago.

We gasped.

Me: OH MAN!

Diana Darkus: That son of a bitch has come back from Hell?! No doubt about it, he's after revenge for what we did to his asshole son!

Nico: We've already dealt with that piece of shit we call his son three days ago, and now, Frank has come back from Hell with a massive army of evil versions of everyone from Springfield, Quahog, and Citiesville to kill us all as revenge for what we did in killing his son?!

Me: That piece of shit asshole! We're gonna kill him and his massive army of evil versions of everyone from Springfield, Quahog, and Citiesville! IT'S ON NOW, YOU PIECE OF SHIT!

Me: I got to warn the president right now.

Kickass: We can discuss what to do at my mansion!

I went to my room and pushed a button for the Red Phone to the White House.

Me: J.D. Knudson, Emergency Code ΓΣΛΞ.

President: Yes J.D. what's going on?

Me: Mr. President we have a Class 9 Emergency Situation. Frank D'Amico, the most ruthless mafia boss in New York City has returned from the dead and is out for revenge. He amassed a terrible army of evil versions of Springfield, Quahog and Citiesville and he is coming for us to kill us for killing his evil son Chris.

President: Oh no! How much time before he gets there?

Me: We thing 4 hours.

President: I'll send the army there right away.

Me: Thank you sir.

I hung up.

We went to the mansion of Kickass.

Horsea: Let's include Catapults to launch at the scumbags.

Nico: Good idea Horsea.

Qin: We're going to need every kind of weapon we can muster against them.

Nico: I agree.

I did a scan and it showed that they were coming from the East Northeast and Frank had amassed 21,000,000 people together.

Nico: Oh boy. One man leading 3 cities worth of evil people.

Camie: In three of the most HATED cities in the country.

Poromon: Just like in Angry Birds.

Nico: Yeah no kidding.

Qin: Yep.

Eli came back.

Eli: Okay everyone is in their homes. The whole city is put on safety lockdown.

Xenia: Good.

Nico: How long will it be before they get here?

Me: 2 Hours.

Nico: Lets get ready.

Me: We're going to need a lot of help.

Nico: Wait, are these…?!

Lincoln: Yep, Nico, you're right. The first girl is Emily Goodall, Embodiment of The Pink Rangers, she's my Guardian Angel from Harwood County, and she has 47 years of Pink Power Rangers in her and she's extremely powerful and she even knows how to use the skills and powers of all the Pink Power Rangers from over 47 years in her arsenal along with their weapons. She came to Royal Woods long ago and met me when we were ten years old. One day, Emily Goodall was walking home from school when she heard a loud scream coming from The Loud House, she ran there at once to see me running in fright and with severe bruises and knife wounds on him, and she soon found out who it was that did the dirty deed: Lori, Lynn, Lola, Lisa, and Luan who were on another bloody rampage again. They ran at her with the knives they used to hurt me and they were going to kill us both, but Emily Goodall used her massive arsenal of skills and techniques and she overpowered and knocked those five harpies out, and she threw them to Mom and Dad who grounded them for eighteen weeks and the siblings threw them in a metal container to keep them away from my and the rest of them as well. She cleaned up my physical wounds and hugged me and I hugged her as I cried, it really wounded her to see me go through that kind of torment and pain. She then told me about her, and when I found out she's The Embodiment of all the Pink Power Rangers, I fainted from stunning amazement. Plus, I and only I alone found out she's the sister of Emma Goodall, the Pink Megaforce Ranger and that she'd also met the previous Pink Rangers and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because of their heartlessness towards me, and she swore if they were to do this sort of thing to me once again, she would have them sent to prison and a mental asylum for the rest of their lives.

Emma Goodall: Yep, that's my little sister.

Tracey Burrows: The second girl is Gina Moran, Embodiment of The Yellow Rangers, she's Lincoln's Guardian Angel from Harwood County, and she has 47 years of Yellow Power Rangers in her and she's extremely powerful and she even knows how to use the skills and powers of all the Yellow Power Rangers from over 47 years in her arsenal along with their weapons. She came to Royal Woods long ago and met Lincoln when they were ten years old. They ran at her with the knives they used to hurt Lincoln and they were going to kill them both, but Gina Moran used her massive arsenal of skills and techniques and she overpowered and knocked those five harpies out, and she threw them to their parents who grounded them for eighteen weeks and the siblings threw them in a metal container to keep them away from Lincoln and the rest of them as well. She cleaned up Lincoln's physical wounds and hugged him and he hugged her as he cried, it really wounded her to see Lincoln go through that kind of torment and pain. She then told him about her, and when he found out she's The Embodiment of all the Yellow Power Rangers, he fainted from stunning amazement. Plus, he and only he alone found out she's the sister of Gia Moran, the Yellow Megaforce Ranger and that she'd also met the previous Yellow Rangers and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because of their heartlessness towards Lincoln, and she swore if they were to do this sort of thing to Lincoln once again, she would have them sent to prison and a mental asylum for the rest of their lives.

Gia Moran: When Gina told me about what they did, I was ready to go down there and clobber those five.

Lincoln: Your sister took them down with no problems at all.

Tracey Burrows: Yep. The third girl is Natalie Carver, Embodiment of The Blue Rangers, she's Lincoln's Guardian Angel from Harwood County, and she has 47 years of Blue Power Rangers in her and she's extremely powerful and she even knows how to use the skills and powers of all the Blue Power Rangers from over 47 years in her arsenal along with their weapons. She came to Royal Woods long ago and met Lincoln when they were ten years old. She then told him about her, and when he found out she's The Embodiment of all the Blue Power Rangers, he fainted from stunning amazement. Plus, he and only he alone found out she's the sister of Noah Carver, the Blue Megaforce Ranger and that she'd also met the previous Blue Rangers and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because of their heartlessness towards Lincoln, and she swore if they were to do this sort of thing to Lincoln once again, she would have them sent to prison and a mental asylum for the rest of their lives.

Noah Carver: Trying to mess with Natalie was really a big mistake.

Tracey Burrows: Yep, it was going to end badly. And the fourth girl is Jackie Holling, Embodiment of The Black Rangers, she's Lincoln's Guardian Angel from Harwood County, and she has 47 years of Black Power Rangers in her and she's extremely powerful and she even knows how to use the skills and powers of all the Black Power Rangers from over 47 years in her arsenal along with their weapons. She came to Royal Woods long ago and met Lincoln when they were ten years old. They ran at her with the knives they used to hurt Lincoln and they were going to kill them both, but Jackie used her massive arsenal of skills and techniques and she overpowered and knocked those five harpies out, and she threw them to their parents who grounded them for eighteen weeks and the siblings threw them in a metal container to keep them away from Lincoln and the rest of them as well. She cleaned up Lincoln's physical wounds and hugged him and he hugged her as he cried, it really wounded her to see Lincoln go through that kind of torment and pain. She then told him about her, and when he found out she's The Embodiment of all the Black Power Rangers, he fainted from stunning amazement. Plus, he and only he alone found out she's the sister of Jake Holling, the Black Megaforce Ranger and that she'd also met the previous Black Rangers and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion because of their heartlessness towards Lincoln, and she swore if they were to do this sort of thing to Lincoln once again, she would have them sent to prison and a mental asylum for the rest of their lives.

Me: Whoa, so now, we have the Embodiments of all The Main Power Rangers on our side.

Lincoln: There's also the possibility of The Embodiment of all The 6th Power Rangers as well, but we'll wait on that. Now, then, let's head down there and send Frank to join his son in The Black Gates for good!

Diana Darkus: That asshole's pissed us off for the last time!

?: I agree with you on that one!

Suddenly, we saw four girls appear in The World Tree Estate, the first girl has pink hair, blue eyes, pink clothes, pink angel wings, a pink lightning bolt tattoo on her right shoulder, and the Ptera Arrow Bow in her right hand, the second girl has yellow hair, blue eyes, yellow clothes, yellow angel wings, a yellow lion tattoo on her right shoulder, and the Golden Eagle sword in her right hand, the third girl has blue hair, blue eyes, blue clothes, blue angel wings, blue lightning bolt tattoo with a Blue Power Ranger on it, and the Power Lance in her right hand, and the fourth girl has black hair, blue eyes, black clothes, black angel wings, a black lightning bolt tattoo with a Black Power Ranger on it, and the Magna Defender sword in her right hand.

Lincoln: (GASPS) Emily Goodall, Embodiment of The Pink Rangers, Natalie Carver, Embodiment of The Blue Rangers, Gina Moran, Embodiment of The Yellow Rangers, and Jackie Holling, Embodiment of The Black Rangers!

Tracey Burrows: Oh man, I knew we'd catch up to them here!

Emily Goodall: You bet, it's awesome to see you here, Tracey, and it's so good to see you again, Lincoln.

Lincoln: It's awesome to see you all as well, Emily.

Nico: Wait, are these…?!

Lincoln: Yep, Nico, you're right. Diana Darkus: That asshole's pissed us off for the last time!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than DeJoule, one of the villains from the video game Blood Omen: Legacy of Kain and she's come to destroy the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like one bit: the figure we saw and the dark energy we sensed belongs to DeJoule the Energist, one of the villains from the video game Blood Omen: Legacy of Kain and she's come to destroy the world.

Nicole: Oh, shit, this isn't good. She's an energy being and she's really deadly and powerful.

Adrienne Candelaria: Either way, we've got to stop her.

Lincoln: Exactly what we're going to do, Adrienne, and since she's a being of pure energy, I'm going to absorb her.

Me: Uh oh.

Nico: No doubt you're going to do the same thing you did in absorbing Chronos and Elysium. Alright, gang, let's go, we're heading out to New York and we're going to kill that son of a bitch, Frank D'Amico, along with his army of evil versions of Springfield, Quahog, and Citiesville citizens!

Lincoln: That bastard saw his own son getting sent to The Black Gates, and now, he decides to return from the dead to get revenge on us?! He and his army are going to be left dead in an ocean of their own blood, and once we get done with destroying Frank D'Amico, you're next, DeJoule.

Adrienne Candelaria: You've caused more than enough trouble for the last time, DeJoule, you'll meet your end after we take care of Frank D'Amico.

Diana Darkus: Better be ready, Buttface, we're coming to nail your ass to the wall!

Nico: Hmm. Something's missing.

Me: What is it?

Nico: The previous Group.

Me: Right!

Maria: I'll call them.

Jack O Lantern: Can me, Pinky & The Brain, Black Adam, Jet, Golden Glider, Mole Man, Kite Man, Magneto, Melter, and Ragdoll go with you guys?

Nico: Sure guys. We're going to need to all the help we can get.

Xenia: Yeah no kidding.

Lola: Yeah.

Jack O Lantern: Awesome.

Lea: Nico, which Gene Slammer do you think you'll meet next?

Nico: Wood Man next.

Me: Cool!

Lola: Yep.

Nico: Lets head out.

We got our weapons ready and went to meet the Army and they supplied us from many weapons and more.

---

We were ready for action.

Pinky: What do we do now, Brain?

Brain: I suggest the mascots take turns keeping watch.

Marvel Loki: Good idea. Who gets first watch?

Poromon: I will!

Me: If my hunch is right, they will be coming right over that hill over there.

I pointed to a hill 5 miles away to the East Northwest.

Xenia: This will be brutal.

Me: I have the defense grid set to max.

Nico: Good.

Stewie: Anything yet, Poromon?

Poromon: Nothing. Nothing yet.

Me: It'll be a few minutes but be ready for anything.

General Thornton: Condition RED!

We waited.

Poromon: I see something! HERE THEY COME!

I flew up and saw A MASSIVE AND INCREDIBLY HUGE ANGRY MOB ARMED WITH PITCHFORKS, TORCHES, WEAPONS AND MORE!

Me: Oh shit! Here they come!

We saw them and they were chanting DEATH TO TEAM LOUD PHOENIX STORM!

Nico: Here they come guys!

General Thornton sounded the air raid sirens.

Me: Fire at will!

Nico: You heard him! Fire at will!

Jet: Maria, you might want to summon Mernan's team!

Maria: Already on it! (TURNS DIAL) MERMAN FORCE 6!

She summoned Merman, Genbu, Commander Saturn, Water Galboros, Paradox Brothers and Hot Dog Monster.

Nico: Yeah!

General Thornton: This is Thornton! All Units Fire At Will!

Frank D'Amico: CHARGE!

They came at us!

We fired waves of energy, bullets, missiles, grenades, bombs and elements and blasted them all over the place.

KRABOOOOM! KRABBBBOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOMMMM!

Nico threw a bunch of grenades!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Rhino: Fire the catapaults!

They hurled flaming bomb rocks and blasted numerous people apart!

KRABOOOOM! KRABBBBOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOMMMM! KRABOOOOM!
KRABBBBOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOMMMM!

Lasers from the World Tree fired and blasted the men all over.

Mole Man: Moloids, attack!

Mole Man summoned numerous Moloids and they bashed and slashed a lot of people all over.

Frank D'Amico: DON'T JUST STAND THERE! KILL THEM! KILL ALL OF THEM! LEAVE NONE OF THEM ALIVE!

They kept on coming!

Rubberband Man: I'm afraid to ask but… are there any scumbags that we know?

Me: We'll find out.

Nico: Lets not waste any time! CHARGE!

WE ROARED AND CHARGED!

We went at them and then slashed and clashed with them all over and the attack was brutal and savage! BLOOD AND GUTS WERE FLYING ALL OVER!

Magneto: You were fools to use metal weapons against us!

Magneto used his powers and threw their weapons back at them.

I slashed a man and beheaded him and then I stabbed a man and disemboweled him and grabbed his intestines and rapped them around Evil Otto's throat and cleaved him in half right down the middle and fountains of blood spewed out all over Evil Burns! I then grabbed Burns and snapped him like a twig and then threw him into a wood chipper!

Nico: Guess that answers your question Adam!

Rubberband Man: It does!

2099 Spiderman: I remember you all too well, Burns! Your descendant caused an explosion that mutated Kron just to spite me!

Sandman: That was really low!

Nico: He's in a thousand pieces now thanks to that wood chipper.

2099 Spiderman: Good.

I then banished his spirit to the Black Gates.

Quagmire then came!

Nico: I knew you would come! I got some pissed off friends for you to face!

Nico blew his flute and then a rumble was felt and then the thousands of victims that Quagmire raped on a daily basis came running to him!

Quagmire: All right! Time for more fun! Giggity!

Swordsman: You're in for pain!

The girls ran at him and then stabbed, mutilated him and ripped him to shreds and even raped and butchered him all over.

Me: Brutal!

Laney: Nice one!

Then Peter came and Meg Griffin punched and bashed him all over!

Meg Griffin: THAT'S FOR FARTING IN MY FACE YOU MOTHERFUCKER!

POW BLAM SMASH WHAM!

Meg Griffin: THAT'S FOR TURNING PEOPLE AGAINST ME!

She punched and pulverized him to dust!

She then slashed and disemboweled him!

Meg Griffin: And this is for me…

BANG!

She BLEW HIS ENTIRE HEAD OFF!

Meg Griffin: Just for making my life hell!

Connie D'Amico came.

Meg then snapped Connie's neck! And banished both her so-called father and bully to the Black Gates!

Bai Tza: Who's next?!

Joe Quimby and Hans Sprungfeld came and she snapped their necks and slashed their heads off and then banished their spirits to the Black Gates and then Nico banished Quagmire's spirit to the Black gates.

We slashed and blasted numerous people all over the place with indiscriminate fury! Limbs and body parts were flying EVERYWHERE!

Laney: YEAH!

Laney lashed a man with her vine whip and slashed numerous men all over!

An evil version of Chris Griffin came and I then slashed him in half and bisected him. I ripped out his heart and made him eat it and then I threw his bloody body into the Springfield Mafia.

Melter: Anyone else we should recognize?

Nico: Nope.

I slashed Evil Stewie and Brian and Adam West and banished them to the Black Gates as well as Bertram.

All of the citizens of Evil Springfield, Alt. Quahog and Citiesville were all killed and banished to the black gates.

Nico: Now for Frank D'Amico.

Demona: There was an Evil version of Brian?

Me: Yeah we never saw that before.

Nico: Yeah. Well now we don't have to worry. Lets go get him. ENTRANCE TIME!

We went at Frank as he was running.

Frank was running like a coward and then the spirits of Superheros came and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off in front of him and a phoenix cry was heard and then we came out!

Me: Frank D'Amico you are dead meat!

Diana Darkus: I killed you before and I can kill you again!

Frank D'Amico: YOU KILLED MY SON!

Me: Because that Bastard Motherfucker deserved it! Just like you will!

Golden Glider: Get ready for the beating of your life!

Nico: Yeah!

I went at him and punched him in the face and he went at me and I dodged his strike and punched him in his nose and kneed him in his mouth and knocked out some of his teeth and I punched him in the stomach 29 times and then I kicked him in his face and knocked out more teeth!

Nico then punched him in the chest and kicked him in the crotch and then bashed him in the back of his head.

Kite Man: Let me have a shot!

Kite Man fired an energy blast and blasted him.

Kite Man: YEAH!

Nico then grabbed Frank and smashed his face in all over.

Nico: How does that feel huh? The pain you delivered to countless people!?

Teresa: Wanna hear something?!

Frank D'Amico: WHAT!?

She released a powerful sonic scream and he screamed from the loud power of it!

Me: You like that!?

Qin: YEAH!? YOU LIKE THAT!?

Black Adam: Now, you will taste my wrath!

He fired a blast of lightning and electrocuted him!

Qin: Yeah!

Hit Girl kicked him square in the face and bashed him down.

Kickass bashed him all over with his clubs!

Nico gave him a wedgie.

HOING!

He screamed like a little girl!

Nico: SUPER NOOGIE!

Nico put him in a headlock and gave him a NASTY NOOGIE that drew blood!

BUZZSAW NOISE!

Xenia: Nice one!

Nico then kicked him in the face!

Then Vypra, Vexen, Calamitous, Hydro Man, Shiv, Bane, Webstor, Firefly, Ebon, King Hiss and Leonard came.

Nico: Vypra, Vexen, Calamitous, Hydro Man, Shiv, Bane, Webstor, Firefly, Ebon, King Hiss and Leonard.

Vypra: Man, you guys were busy!

Me: That is a total understatement.

Vexen: I didn't expect Frank to make an army that big.

Me: Me neither.

Calamitous: Good thing you guys took care of them.

Hydro Man: (to Nico) We heard you made amends with Gary and Betty.

Nico: I sure did.

Me: And we found out why they were so overprotective of all kids. They lost their daughter in a tragic accident and it devastated them. I resurrected her.

Hydro Man: Oh man! No wonder!

Shiv: Timmy, I hope you heard all that.

Timmy Turner: I did and I can't stay mad at them for something that happened like that.

Me: Good.

Hate Master came and then our auras flared up exponentially!

Qin: WHOA!

Me: Hate Master. Up for another round I see.

Hate Master: I sure am.

Me: Nice.

Hate Master: I think I stepped on some blood.

Me: Sorry about that.

Hate Master: No worries.

Me: But this will be good.

We got the usual battles underway.

---

Vypra was first.

Vypra: (to Luan) Nico's rescue was on a gravy waterfall planet where Ed was guzzling down gravy of different flavors. And Garden Grove and Dahlia transformed against Gary and Betty who Nico apologized to.

Luan: That was a really awesome adventure and Ed felt really right at home there. It was something he couldn't GRAVY out of. (LAUGHS) Get it?

The group laughed at her joke.

Vypra: (LAUGHS) That was a good one!

Nate Adams: (LAUGHS) Yeah! But that was a really awesome planet to see.

Pinkie Pie: You bet it was! It was one that Ed loved.

Maud Pie: (Monotonously) It was a good planet.

Featherweight: You got that right.

Sprocket: I agree there.

Vypra: That sure is a fun planet. Lets do it!

Luan flared up a Loki Aura and Vypra flared up a Hræsvelgr Aura. Luan sang I Love To Laugh from Mary Poppins and Vypra sang Leader of The Pack by The Shangri-Las. Luan and group fired waves of light, metal, gears and lightning and smashed them down.

---

Lana Loud, Rip, Trixie Lulamoon, Triple Berry, Flynn, Cali, Mags, Hugo, Tessa, Eon, Killer Frost and Poison Ivy VS Vexen - Ed sure loves his gravy and that gravy planet was perfect for him.

Lana: (LAUGHS) It sure was awesome for Ed.

Rip: Yeah it sure was and it was really fun seeing a planet like that.

Trixie Lulamoon: I thought it was a really amazing planet and it was perfect not just for Ed but also The Great and Powerful Trixie!

Triple Berry: I agree there too. I thought it was awesome.

Flynn: It sure was awesome! Especially for Ed and he loves his gravy.

Cali: Yeah he can't get enough of the stuff. He sure loves it.

Hugo: Yeah he makes everything from it.

Tessa: He sure does and that is awesome.

Eon: It really is amazing too.

Vexen: I never knew Ed was so gifted with Gravy. Lets do it!

Lana and group fired waves of energy and ice and magic and smashed them down.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of lightning and energy that came out of nowhere and they hit the barrier, but the lightning and energy volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, DeJoule, or you will be forced out!

A figure came out, and it was none other than DeJoule the Energist and a member of The Circle of Nine.

Lincoln: DeJoule the Energist, member of The Circle of Nine. I always knew you'd show up, and now, you're here to cause havoc on Earth, not while we're here, you insane energy being!

DeJoule: YOU DARE TALK TO ME LIKE THAT?! DO YOU KNOW WHO I AM!?

Adrienne Candelaria: Clearly, we do, and we've had enough of you.

Suddenly, Adrienne Candelaria's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with stars, darkness, shadows, psychic energy, fairies, phoenixes, and angels, she unholstered her Arcana Force EX The Dark Ruler-themed greatsword from her back, and as she approached DeJoule, she left black and purple energy, stars, darkness, shadows, psychic energy, fairies, phoenixes, and angels with every step.

Adrienne Candelaria: Everything that Lincoln said about is indeed true, and I'm also sick of what you did in Nosgoth, because of Nupraptor, you went insane and you teamed up with Bane and Anacrothe and created the Dark Eden, from where you all started a plot to twist the land. That is unforgivable, I don't care if you are a powerful being, DeJoule, when you dare to target humanity to make them all suffer, you just crossed the point of no return, and it can only end in one thing: your death!

Suddenly, Adrienne Candelaria was surrounded by a massive vortex of black and purple energy, stars, darkness, shadows, and psychic energy surrounding the vortex, there are fairies, phoenixes, angels, and Arcana Force EX The Dark Ruler flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at DeJoule: the red eyes of death. Then, as the vortex faded, Adrienne Candelaria emerged, but she was changed forever.

Adrienne Candelaria grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large black orbs orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long black hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a black and purple energy aura with stars, darkness, shadows, psychic energy, fairies, phoenixes, and angels surrounding her, she has Arcana Force EX The Dark Ruler emblazoned on her forehead and Third Eye with purple iris, she has on angel earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in her hands, she also has Arcana Force EX The Light Ruler with purple gems for eyes and holding the Dark and Eternity Kanjis in its hands for the second pendant on the bottom of her purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Adrienne Candelaria has on a sleeveless black crop top, black skirt, black stockings, black knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, darkness, shadows, psychic energy, fairies, phoenixes, and angels on the coattails, and on the back is Arcana Force EX The Dark Ruler surrounded by stars, darkness, shadows, psychic energy, phoenixes, and angels. Suddenly, Adrienne Candelaria felt a sharp pain on her back, and then, her massive black angel wings with purple tips on the black feathers grew and sprouted out from her back, and she also now has eleven massive and long black wolf tails with purple tips and purple markings, Adrienne Candelaria has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Adrienne Candelaria's massive Arcana Force EX The Dark Ruler-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and purple energy, stars, darkness, shadows, psychic energy, fairies, phoenixes, and angels, and when it emerged, it was transformed into Adrienne Candelaria's Psychic Fairy Arcana Force EX The Dark Ruler Greatsword of Psychic Gentle Darkness Arcana Force EX Dark Ruler Justice, it's a brand-new massive greatsword with embedded purple gems and Arcana Force Ex The Dark Ruler etched on the 7'6" massive, wide, double-edged black blade, black dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large black phoenix heads with purple gems for eyes and on the bottom of the large black phoenix heads is a black dragon head with purple gems for eyes and a purple gem in its mouth for the pommel, Adrienne Candelaria has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large version of Arcana Force EX The Dark Ruler's head with white gems for eyes and large purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Adrienne

Candelaria also attack her with some powerful punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving DeJoule even madder than ever!

DeJoule: YOU WORTHLESS HUMANS! I WILL KILL YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You can't kill us, DeJoule, we're immortal and invincible, and we're also The Champions of The Gods and we're known as gods among humans. But, you, you're nothing more than a threat to mankind and to all worlds. There is no place for you in this world or the next.

Then, Lincoln fired black Symbiote tentacles from his chest which grabbed DeJoule and he began pulling Elysium to him, and once DeJoule made contact with Lincoln's skin, Lincoln began absorbing the Guardian of The Pillar of Energy into his body and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he assimilated DeJoule's energy fire manipulation, lightning manipulation, lightning, her spell Sky Fury, creation, powering devices, energy aura, and life manipulation, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head.

Then, an energy card with DeJoule's drained soul appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on DeJoule's forehead, DeJoule was sent to The Black Gates for eternity. We cheered wildly for what Adrienne Candelaria and Lincoln did as they holstered their massive greatswords and powered down, and Adrienne Candelaria's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive black angel wings are permanent.

Adrienne Candelaria: Burn in The Black Gates forever, you misanthropic dragon. Thank you for helping me get rid of Elysium forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Adrienne.

Suddenly, Adrienne Candelaria wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Adrienne Candelaria's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Arcana Force EX The Dark Ruler flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and darkness behind them and we cheered wildly. Then, Lincoln and Adrienne Candelaria sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Lincoln: I certainly wasn't expecting DeJoule to show up. But, this means we're going to face the rest of The Circle of Nine soon, but we'll be ready for them.

Me: You said it.

Nico: If they show up, most of them will wind up in The Black Gates, except for Kain, he may have done some dark things, but he's honorable, so there's a spot open for him in The Masters of Evil. So, Lincoln, who's the next Keyblade Knight we're meeting tomorrow?

Lincoln: I've got three really good ones: Ophelia Olympus, Keyblade Knight of Olympus, Olivia Devereaux, Keyblade Knight of La Cité des Cloches, and Felicity Fantasia, Keyblade Knight of Fantasia.

Sora: Oh man, no way, we haven't seen them in years.

Roxas: It sure has been years since we last saw them.

Michelle Emperyous: And I knew you'd pick them, Lincoln, and you guys will love meeting them, Ophelia Olympus is Lincoln's Guardian Angel from Michigan who has an incredibly powerful connection to the Gods of Greece and is as strong and powerful as all of them. She's a Keyblader and she's a very powerful fighter and friends with Herc, his friends, and the Olympian Gods, and like Eli, she has a habit of blowing Hades' hair out and causing some pretty hilarious trouble for his minions, Pain and Panic, in The Underworld. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Selene Emperyous: Olivia Devereaux is Lincoln's Guardian Angel from Michigan and she is known as The Avatar of The Bells of The Seven Judgements. She's good friends of Quasimodo and his friends, and she harbors an extremely fierce hatred towards Frollo for everything he's done along with blaspheming against God, and she swore that one day, she would make Frollo suffer the Seven Judgements of Heaven for all of his sins. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Rachel Emperyous: And Felicity Fantasia is Lincoln's Guardian Angel from Michigan and she is an awesome master of music and more. She also harbors a hatred towards Chernabog for the dark crimes that he'd committed over the eons, and when the news of his destruction along with the destruction of The Firebird reached her, she was glad to know the first Disney Villain and dangerous fire beast are finally gone for good. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Me: Whoa! So, there's a Keyblade Knight for Olympus, Paris in Quasimodo's world, and Fantasia, that's so awesome!

Lincoln: And they're the last three Keyblade Knights that we're meeting tomorrow, and it's perfect because tomorrow is Boss Cass' final day alive.

Nico: That dirty cassoway's time will finally be up, and we'll never have to see him again!

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Bane: That takes care of that.

Webstor: Both Father and Son won't bother us anymore.

Firefly: No, they won't.

Me: Thank goodness for that.

Ebon: But you guys sure made a mess.

Me: Not just all over but on us too.

King Hiss: It was worth it, though.

Leonard: Let's clean it up.

Me: Good idea. We're going to need one helluva shower;.

Nico: You got that right. Great job today everyone.

Kickass: (To the viewers) Now this was a bloody battle and it was awesome.

Nico: Yep.

We went back home and got a much needed shower.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

18 days to go.

And we're going to meet the final three Keyblade Knights:

The first is Ophelia Olympus, Keyblade Knight of Olympus, she's Lincoln's Guardian Angel from Michigan who has an incredibly powerful connection to the Gods of Greece and is as strong and powerful as all of them. She's good friends of Quasimodo and his friends, and she harbors an extremely fierce hatred towards Frollo for everything he's done along with blaspheming against God, and she swore that one day, she would make Frollo suffer the Seven Judgements of Heaven for all of his sins. The next chapter is gonna be awesome as we're going to destroy the Game Show Manager and it will be awesome.

See you next time.

Me: I wonder what it is that Francesca, Courage, Muriel and Eustace have to show us.

Lola: We'll find out soon.

Bai Tza: I have a feeling this is gonna be just as awesome as what we saw the first time.

Lana: You're right on that.

RD Girl Jordan: I have that same feeling too.

Camie: Well it will be fun. I hope it's better than when we were here the last time when the farm was turned into a cesspool.

Nico: Yeah no kidding.

Varie: I agree there.

Nico: Bertrand, I want to thank you, Roman, and your teams for coming.

Bertrand: It's my pleasure Nico and it'll be so fun to help you.

Nico: It sure is.

Brittney: I agree there.

Nico: RD Girl Jordan, I'm sorry we had to fight you and your team in 2020.

RD Girl Jordan: It's all right Nico. You just did what you had to do to stop us.

Me: Looking back on that day that was a really brutal battle for all of us.

Xenia: Yeah no kidding.

Camie: I know.

RD Girl Jordan: I just can't believe that we were like that because of Sindri Myr.

Brittney: I know. What he did to all of you guys and made you so tyrannical and controlling is awful.

Camie: Yeah.

Nico: But it's a good thing we eventually freed you guys

Qin: Yeah.

RD Girl Jordan: Thanks to RD J.D.

Me: Awesome.

Camie: Yeah.

Nico: Yesterday was brutal as well.

Me: You're not kidding on that one.

Qin: A lot of blood spilled during that.

Xenia: And we killed Frank D'Amico and all the scumbags of the Three Hated Cities.

Camie: Yeah no kidding there.

Lola: That is for sure.

Varie: That was bloody and awesome.

Bertrand: It sure was.

2099 Spiderman: Remind us to go against Burns in the simulator. I still have to personally pay him back for the pain he caused to Kron.

Me: Noted Miguel.

Qin: That can be the next rescue.

Lola: Good idea.

Lana: Yeah.

Nico: It could be a good rescue idea in the future. Not tomorrow.

Qin: Oh sorry.

Nico: Okay, Courage. What do you have to show us?

Me: I think we're seeing it. LOOK!

We saw the Bagge Farmhouse inside a massive and big geodesic dome!

Xenia: WHOA! Look at that!

Varie: That is a big dome!

Camie: Magnificent!

We saw that it had a beautiful garden in it worthy of Eden.

Xenia: Boy what a garden!

Nico: Lets head inside.

We went to the door and I tried to open it but it wouldn't budge!

Me: What the?

I tried to open it.

Nico: What is it locked?

Me: No the doorknob is turning.

Francesca, Muriel, Eustace and Courage came!

They tried to get it open but couldn't!

Me: (GASP) No wonder we can't get in and they can't get out! The door is welded shut!

Nico: OH MAN! Look!

We saw PLANT MONSTERS!

Lana: Oh no, that company gave the Bagge farm the dome again!

Me: Uh oh!

Bai Tza: That's it, we're so going to have a very stern talk with that company after we turn all those vegetables into salads.

Eli: I've got some salad dressing and croutons for this! Lincoln, I hate to say it, but did Boss Cass have a hand in this?

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which formed into a viewing window and we saw the footage: and it proved Eli right, after the company brought down the dome, Boss Cass appeared and welded the door shut and he was laughing maniacally as he disappeared into a dark corridor. The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

Camie: That dirty cassoway! He's gonna pay for this!

Nicole: And that he will later on today on Lincoln's rescue.

Zocks: Courage! Explanation! Now!

Me: We'll have to teleport inside!

Nico: Right!

We teleported inside.

Eustace: Stupid plants!

He kicked a log and then tomatoes flew off the vines in a Delta Formation and then they formed Stingers. THEY STUNG EUSTACE'S FACE ALL OVER THE PLACE!

POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK!

YICHIHUAHUAS THAT IS REALLY GOING TO HURT!

Eustace screamed as the tomatoes chased him.

Laney: I'm never looking at tomatoes the same way again!

Me: Huh? What's this?

I picked up a seed package.

I read the ingredients.

Me: (Reading) "Ingredients: Hornets, Pythons, PIRANHAS!?" WHAT THE FUCK!?

Kaito: Courage, please. Tell us how this all started!

Courage: I sure can tell you! This happened when we were hungry and we found a newspaper add that said Free Food Forever. We got this dome and these seeds that came with it. We planted them and then got this amazing garden. Then we found out that the vegetables want to eat us! We tried to get out but couldn't!

Me: Because someone welded the door shut!

Courage: Yeah!

Snowbelle Treefrost: Sheesh, so we got ourselves a nasty case of animal-veggie hybrids?! That company's getting such an earful from us!

Strawberry Sunrise: Darn tooting!

Lincoln: Luckily, it won't end in a lawsuit, just an earful from us.

Nico: Yeah! WAIT! Bai Tza, didn't this happen to you before?

Bai Tza: Yeah it sure did! I remember that!

She went over what happened in the events of chapter 526.

---

At the Bagge Farm they were trying to grow some fruit and vegetables by hand.

Lincoln poured water on the plant they were growing.

Courage: Mm-hmm.

But the plant died.

Lincoln: Aw man.

Bai Tza: That's a shame.

Laney: Poor plant.

Lana: This place is a dead place.

Earth: Yep. But we can't give up. We have to find a way to get some food.

Laney: I could use my plant powers but I want to use the conventional method for once.

The wind blew and a newspaper hit Courage.

Francesca grabbed it and read an article.

Francesca: Hey look at this Grandma Muriel.

Muriel: "FREE FOOD FOREVER. CALL 555-GLUTTON"

Laney: This could be the answer to our problems.

They called them.

Later a big truck was with them and a man in a suit was too.

Man: We at Mega-Veg are delighted that you and your family have volunteered to test our product.

Bai Tza: You're welcome sir.

Laney: Happy we could help out.

Man: Never before in the L's of agriculture has mankind had an edible product that can withstand the harsh elements of nature.

Lincoln: This is gonna be amazing.

Lana: It sure is.

Earth: Yeah.

Man : Planted under our new Millennium Geodesic Environmental Dome.

Lincoln: Wow! What a dome.

Laney: It's a magnificent structure.

Man: And with just a few of our patented mega-seeds and the press of a button, you'll all have a garden that will be the envy of all your neighbors.

Lana: I can't wait to see this.

Francesca: This is gonna be so cool.

He hands Laney some packages of seeds and opens the dome door and they went in.

Man: Just step inside your new dome home and let the growing begin.

Laney: Thank you sir.

They went in and it was a cool dome. But a hissing sound was heard and Courage saw the man with a blowtorch welding the door suit.

He left.

Courage: On no.

Muriel: Here's the seeds the nice man left us.

Laney: Yep. We have cabbages, peas and tomatoes.

Laney opened the packages and dumped them out.

Lincoln: How does this dome work?

Bai Tza: I think this is how.

Bai Tza was by a button underneath a sign that said Activate Dome.

Lincoln: Okay.

Francesca pushed the button and storm clouds built over the barn with thunder and lightning and a tornado formed. It picked them up and spun them around and it was raining hard. Lightning struck hard as they screamed and ran inside for cover. When the storm stopped 3 minutes later it was sunny again.

Muriel: I hope our little seeds survived.

They went outside and saw an incredibly beautiful garden worthy of Eden.

Muriel: Oh my!

Laney: Wow! What a garden!

Lincoln: It's magnificent.

Earth: The beauty of natures bounty.

Bai Tza: This is a beautiful garden.

Muriel: Lets start the harvest guys.

Francesca: You got it Grandma Muriel.

They went out and started picking vegetables.

Muriel was picking tomatoes and she heard it buzzing somehow. She was shaking it.

Muriel: Oh a honeybee must've gotten lost in here.

Courage sniffed some peas and they roared at him and scared him.

Francesca: What's wrong Courage?

Courage: These plants are alive!

Laney: Well yeah they're supposed to be.

Muriel: I know you're hungry Courage.

She picks the whole plant of peas.

Muriel: I'll have that vegetable stew cooking in no time.

Francesca: I've got a bad feeling about this guys.

Earth: Me too.

In the kitchen they were waiting when suddenly they heard Muriel screaming. They ran into the kitchen and saw the pea plant with Muriel wrapped in it and it was going to EAT HER!

Laney: Those plants ARE alive!

Lana: Leave her alone you evil vegetable!

She punched the peas and it let her go and the peas then fired pea balls at Laney and she formed a baseball bat of vines and bat them back. They went into the living room afraid.

Muriel: You know those vegetables you want to eat guys, I think they want to eat us.

Lincoln: I know.

Earth: We have to get out of here!

They ran for the door of the dome and it was stuck.

Lincoln: I can't get it open!

Courage: That man welded the door shut!

Francesca: We're trapped!

Laney found an empty package of seeds.

Laney: What in the world is in these seeds he gave us? (Reads ingredients) "INGREDIENTS: HORNETS, PYTHONS, PIRANHAS!?" Oh dear lord! These plants are the most dangerous animals on the planet!

Lana: Let me see.

Lana read the ingredients and she was shocked.

Lana: These plants are an abomination to nature.

Laney: Wait! I have an idea!

Laney fired a blast of pheromone dust and it made the plants smell like steaks and the plants ate each other and turned into a green mess of roughage.

Lana: What a mess.

Lincoln: That's a lot of salad.

Lana: Way to go Lanes! What did you do?

Laney: I sprayed the plants with a pheromone dust of my creation that makes them smell like steak and they cannibalized each other.

Lincoln: That was very clever!

Earth: Great job Laney!

They cheered wildly for her.

Muriel: Indeed. Great job Laney.

Laney: Lets clean this all up and use my kind of super seeds.

In her hands were super seeds of a different kind.

Lana: You got it Laney.

Lana ate all of the vegetables.

Lincoln: (to the viewers) Now that is a girl that loves to eat her vegetables.

Lana ate 2000 pounds of all roughage vegetables and she was big and heavy.

Lana released a mega belch.

BBBUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUURRRRRRRRRR

She was back to normal after belching.

Lana: Excuse me.

They laughed.

Bai Tza: You are a good girl eating your vegetables.

Laney planted her seeds and they became all kinds of fruits, vegetables and more and this time without the animal DNA infused into them. One thing was for sure, They would never run out of food again. And Lana unwelded the door and they were free to go in and out to get clothes and stuff.

Lincoln then called us.

Me: Hey buddy.

Lincoln: Hey J.D.

Me: We saw on the satellites that the farm is in a huge dome.

Lincoln: Yeah. We're now a dome house.

Me: Oh that is cool!

Lincoln: It is. Lila how did Wuzzy beat a Blox?

Lila: It was with me and Yumi.

Wuzzy, Lila and Yumi did a combo called CARNIVORE FLAMER SAWBLADE. Yumi threw one of her fans and it turned into an energy saw blade and Wuzzy turned it into a razor sharp steak and Lila set it on fire. It turned into a flaming steak saw blade and slashed the Blox apart and it exploded.

Me: That was awesome Lila! Well done. Great job turning the farm into a dome guys.

Lincoln: Thanks J.D.

Me: Be safe there man.

Lincoln: Will do.

The call clicked off.

FLASHBACK ENDS

When she was done we were shocked!

Lola: Oh man!

Lana: I remember that! I ate all these vegetables right here! 2,000 pounds of them!

Laney: Yeah!

Me: Boy not only was the farm turned into a huge greenhouse but this beats the movie Little Shop of Horrors by a longshot!

Maria: And now, they're back for revenge.

Nico: Because of Boss Cass!

Me: Lets turn these vegetables into SALAD! (Spins Magisword Bracelet)

CHAINSAW MAGISWORD!

Nico: Now you're talking! ATTACK!

We went at the vegetables and sliced and diced and mulched them!

SLASH SLASH SLASH SLASH SLASH!

Nico: Anyone got a chainsaw?

Laney: Here!

Laney gave him one.

Nico: Thanks Laney.

Nico revved it up!

VROOM VROOM!

Nico: Lets mulch them!

We got to mulching and slicing the vegetables all over!

Nico: Trim these hedges!

Nico slashed and mulched them all over.

Nicole: Jared would not touch these vegetables with a 20 foot pole!

Lola: How about having them Deep Fried!

Lola fired a blast of fire and they caught fire! But the vegetables survived the fire!

Nico: They can withstand fire!? WHOA!

Laney: These are strong vegetables.

Lana: Yep.

Nico: We need acid!

Lisa Loud: Already have it.

She threw acid and splashed them but the vegetables were too strong for that!

Me: WHOA! Those are some really tough vegetables!

Lisa Loud: Not even acid destroys them!? Very tough.

Nico: Yep.

May: (growls) Let's see if they can survive some combo attacks!

May and Nico: SHREDDING ICE STORM!

They fired waves of ice blades and shredded the vegetables!

Me: That works!

Nico: YEAH!

May: Awesome!

Laney and Lola: FLAMING LEAF BLADESTORM!

They fired waves of fire leaf blades and shredded more of them!

Lincoln summoned Leobreaker and Wingsaber, and Leobreaker turned into clawed gauntlets and Wingsaber turned into metal wings that went onto Lincoln's massive angel wings.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) LINCOLN LOUD, SAVAGE CLAW WING MODE!

Nico: WHOA! Now, that's so awesome!

Me: Now, things are really going to get messy!

Lincoln used the Earth, Autobot, and Decepticon Cyber Planet Keys, and he gained the weapons of the Autobots and Decepticons and he went at The Piranha Cabbages, Python Peas and Hornet Tomatoes, and he slashed and diced those cannibalistic veggies to shreds. Then, Leobreaker and Wing Saber transformed back, and we saw the mess. We cheered wildly as Lincoln, Snowbelle Treefrost, and Strawberry Sunrise holstered their massive greatswords on their backs and powered down, and Snowbelle Treefrost's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer dark wintergreen tail, longer light green horn, and massive light green angel wings are permanent, and Strawberry Sunrise's new body, clothes, gold halo, weapons, jewelry, Third Eye, longer brilliant crimson tail, and massive very light yellow angel wings are permanent.

Rarity: My word, that certainly is a lot of chopped salad.

?: It sure is.

Suddenly, we saw a brown-haired girl with orange clothes and she has Mothra's massive wings on her back.

Lincoln: (GASPS) Melanie Mothra, Gene-Slammer of Mothra, Queen of The Kaiju.

Nico: Whoa, you know her?

Lincoln: Yep, this is Melanie Mothra, Gene-Slammer of Mothra, Queen of The Kaiju, she's my Guardian Angel from Japan, and she's a lover of moths and butterflies. Plus, she was the first person to see Mothra up close when she emerged from her cocoon, but as a result of it, Melanie was exposed to the radioactive energy of Mothra, and as a result, she'd gained all the powers of the incarnations of Mothra from the 1960s to now, and she'd also gained Mothra's massive wings as well along with a very powerful spiritual connection to The Kaiju Queen. She showed me and the other Guardian Angels what happened to her, and she made them promise not to tell anyone else of this, especially Lisa, who'd try to dissect her and find out her secret, and she really hates Lisa with a blazing passion.

Anna Anyanova: Yeah, one day, Melanie was walking through Franklin Avenue when she heard a loud scream along with the sound of mad laughter. She knew there was only one person who could make that loud scream: Lincoln, and the sound of mad laughter was none other than Lisa. She flew to The Loud House and barged into Lisa's room and she saw Lincoln tied to a steel table with a laser aimed at him, and Lisa was laughing like the mad scientist she is. She was about to activate the laser and kill Lincoln, but she fired golden silk webs from her hands and they wrapped around Lisa as it formed into a gold cocoon prison where she couldn't get out. She freed Lincoln and told the rest of the family what happened, and as soon as Lisa got free and came after Melanie and Lincoln, she was greeted by the angry stares of her other sisters and parents, and she got grounded for eighteen weeks, and the worst part: Melanie threw her in The Lansing Maximum Security Nuthouse for those eighteen weeks.

We gasped.

Eli: Lisa, of all the psychopathic, evil things you've ever done against Lincoln, this was the worst!

Luna: Dude, she's done tons of worst things to Lincoln and we've lost track of them.

?: That's something our Lisa used to have until she changed for the better.

Suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with yellow light covering her body and it had the Spider emblem on its chest and eight-pack abs and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman.

Me: Whoa!

Nico: You really scared us!

Lincoln: Big time. (Sees the yellow color) Wait, the yellow color on the symbiote suit, there's only one person whose favorite color is yellow, isn't that right, Luan Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Luan Loud, but she had longer brown hair, neon yellow eyes, fangs, and she looked like he was 21 years old.

Black-Suited Luan: Yep, and our Lincoln told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Luan: I knew he would.

Luan: Whoa, is that… me?

Black-Suited Luan: Yep, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Luan: Yep.

Black-Suited Luan turned formed a massive black Symbiote web which latched onto Luan's stomach, and Luan began absorbing Black-Suited Luan into her body, and then, Luan's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Luan began merging with Luan and Luan gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Luan's rainbow energy aura settled.

Me: Is it over?

Luan: It is. Hey, Black-Suited Luan, you settling in alright?

Black-Suited Luan: (Speaking through Luan's emblazoned Rainbow Angel, Fox, and Fairy and Third Eye) Yeah, we've settled in perfectly.

We saw Luan's emblazoned Rainbow Angel, Fox, and Fairy on her forehead glow with yellow light.

Eli: So, whenever we speak to you, the Rainbow Angel, Fox, and Fairy will glow with yellow light.

Me: Awesome, and we already can speak with Luan's other counterpart as well.

Luan 2: (Through the Rainbow Angel, Fox, and Fairy and Third Eye) Exactly.

Girl Jordan: Ooh, Luan, try to summon your Symbiote suit.

Luan concentrated and immediately, her body was covered in a black Symbiote suit with yellow light reflecting off it and it had the spider emblem on it.

Lincoln: Yep, it worked.

The Symbiote suit disappeared back into Luan's body.

Suddenly, Snowbelle Treefrost wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Snowbelle Treefrost's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and snow falling down on them and we cheered wildly. Then, Lincoln and Snowbelle Treefrost sucked in and absorbed the elemental forces and snow and they came back to us as the display vanished.

Nico: Now, we have to give the company a good talking to!

Me: First lets get this dome open.

Lisa pulled out a laser and opened the door and we got out.

Nico: WHEW!

Laney: I planted my seeds and replaced the old seeds with mine like before.

Nico: Goodl

Muriel: Oh thank you guys.

Me: Anytime.

Francesca: That was rough.

Camie: I know.

Then the Mega-Veg Fram-Aceuticals compant truck came and the man got out.

Man: Well how are you all liking the dome.

We glared at him with a very stern glare.

Me: Sir we need to have a VERY SERIOUS talk about the dome.

Laney: The dome works well and they loved it.

Me: But EXPLAIN THIS!

I showed the ingredients in the seeds.

Man: That could be anyone's ingredients.

Me: Don't play dumb. Your vegetables tried to turn the Bagge family into plant food!

Francesca: The vegetables were made with hornets, pythons and piranhas and they tried to eat us!

Nico: Care to enlighten us? Hmm?

The man was sweating nervously.

Man: Okay okay! We designed a bunch of vegetables to test so that can eat people! Boss Cass FORCES US to make them to kill people!

Nicole: Boss Cass! I knew it!

Me: What the hell were you thinking being in the employ of a monster like Boss Cass!?

Nico: Being forced I get!

Man: He promised us good money for it!

Qin: You know very well that Cass is not going to hold up to his end of the bargain!

Xenia: Yeah he is just going to double-cross you in the end!

Laney: That stupid Cassowary is going top pay for this.

Me: But what Boss Cass was doing to you guys was not helping people at all! It was REALLY PLAYING with fire.

Xenia: By combining the DNA with some of the most dangerous animals on the planet with vegetables to eat people is crimes against nature!

Camie: Yeah!

Nico: And they were difficult to kill!

Lana: But they make great salad.

Me: But still it's wrong on so many levels to do stuff like this for a criminal monster like Cass.

Xenia: Yeah. Instead of many vegetables that kill people you should make foods that are healthy and good that everyone will love.

Sunny Starscout: We make our own fruits and they taste really great.

Nico: Yeah make fruits that are good.

Maria: And make creatures that are like puppies.

Me: Yeah.

Nico: That works.

Lola: Yeah. But not with creatures that will kill people.

Nico: You'll even get paid for real.

Me: Yeah.

Man: Oh you're right! Working for Cass was a bad idea! Instead of growing vegetables that will kill, we're going to grow vegetables that EVERYONE will love and enjoy. Including fruits like you said.

Me: Good.

Xenia: Awesome.

Muriel: That is lovely.

Me: Also where can we get a dome like this? It's awesome.

Nico: It sure is. It makes an amazing greenhouse.

We laughed.

Me: But yeah it does.

Man: I doubt you'll need it.

Me: Never know. Can't hurt to have a place to grow new things.

Nico: True.

Man: But thank you all for helping me realize what a fool I was.

Me: Anytime. Just don't work for someone as crooked as Boss Cass again.

Laney: Yeah.

Man: Muriel, Eustace and family can keep the dome.

Laney: I already grew some new plants for them.

Man: Awesome. I'll see you all around.

He left.

Nico: That went pretty well, actually.

Qin: It sure did.

Camie: Yeah.

Courage: Mm-hmm.

Lola: I agree there. That was fun.

Nico: Plant monsters attacking us otherwise.

Me: Yeah.

Eli: And we made salad out of them.

Lana: Good salad.

Camie: Yep.

Qin: That was awesome

Nico: Now for business.

Eli: Yep and we have Another ACME Wildcat, Pandabubba, Salvador Cumo, Evil Dojo, Mala Mala Jong, Sapphire Dragon, Hannibal Roy Bean, SHS Carnage and Roman Goodwin!

We gasped!

Me: Whoa! The ACME Wildcat was a ferocious one.

Lola: Yeah the Coyote got scratched and ripped to shreds by it.

Nico: Yep. So they decided to recruit more members of the Heylin.

Roman Goodwin: We sure did.

Carly Atlas: That is awesome.

Me: Yep.

Nico: I knew locking up the remaining Heylin members would pay off!

Me: You got that right!

Qin: It sure did.

Maria: Awesome!

Lola: Only Dark Chase Young deserved death.

Lana: You got that right.

Nico: Anyway, who do we call?

Me: Gia Guts, Rina Mega, Melanie Mothra, Reggia McArthur, Allie Metallica, Allie Zeras and Ashley Zeras.

Nico: Cool!

Qin: This will be fun.

Lola: It sure will be.

Maria: I'll call them in.

She did so.

In swirls of elements and energy came said girls.

Gia Guts: Hey, guys!

Nico: Glad you all came.

Qin: This will be awesome.

Xenia: Yeah.

Eli: I sense that the Anothers are 7 people.

Qin: Wow!

Xenia: This will be awesome.

Nico: There they are!

Then we saw Another ACME Wildcat, Pandabubba, Salvador Cumo, Evil Dojo, Mala Mala Jong, Sapphire Dragon, Hannibal Roy Bean and SHS Carnage.

Nico: Whoa!

Qin: This is gonna be awesome.

Another Pandabubba: (In a girls voice) It sure will be for us!

Another Evil Dojo: (In a girls voice) You said it.

Me: (GASP) Those voices.

A couple of them merged and they reverted back into 6 girls.

Nico: Whoa! The Embodiments of the Venus, Spark, Yamata-No-Orochi, Squid, Twister and Butterfly Dopants right?

Brie Butterfly: That's right.

Philip: Wow! This is amazing!

Sena Spark: It sure is.

Qin: What powers do you girls have because of that?

Aphrodite Venus: I have the powers of Venus herself and I have the powers of Love and can grant amazing beauty to any girl.

Nico: Awesome.

Sena Spark: I have the powers of lightning and can fire lightning blasts and even use lightning auras.

Xenia: That is amazing.

Yumi Yamata-No-Orochi: I have the powers of the mighty 8 Headed Serpent of Japanese Myth and as you see I have 7 snakes coming out of my back and I can use the powers of the 8 elements of the Skylanders.

Laney: That is really cool!

Saya Squid: I have the powers of a squid and I am just as powerful as one. I can crack open a walnut with my bare hands.

Lola: That is powerful!

Xenia: Yeah!

Tammy Tornado: I have the powers of tornadoes and I can blow my enemies all over in them and even form storms that produce tornadoes.

Nico: Powerful and awesome!

Brie Butterfly: And I have the power to summon butterflies of every kind of color and I can even make elemental butterflies and even have butterflies damage my opponents.

Xenia: Wow! That is amazing!

Camie: It sure is!

Fu: That is really cool!

Nico: Yeah!

Me: By the way is the Another Roman Goodwin friendly or hostile?

Sena Spark: Friendly and she is amazingly powerful.

Nico: Neat!

Qin: Yep.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They separated from the Anothers.

The Wildcat Yowled and we fired waves of energy and blasted them and I caught the Wonder Ride Books.

Qin: Oh yeah!

Lola: Yep.

Me: Now for the Another Roman Goodwin.

Nico: All we can do now is wait.

Me: We don't have to wait long!

We saw a figure and it was ANOTHER ROMAN GOODWIN!

Me: Whoa! Another Roman.

Lola: This is gonna be brutal.

Xenia: Yep.

Another Roman: (In a girls voice) It will be fun though.

Me: That voice!

She reverted back and was a girl with yellow hair and yellow eyes and had yellow angel wings and she had a light aura around her and she had yellow clothes and she had a tiara with the symbol of the Shine Dopant on it and she had the same symbol on her skirt and on her right arm was the Spider Nazca Line and she had a shine sword.

Me: (GASP) Sheena Shine!

Nico: WHOA!

Sheena Shine: Awesome to see you again J.D.

Me: You too. Sheena is the embodiment of the Shine Dopant and has amazing light powers. Also as you can tell she is also the Embodiment of the Spider Earthbound Immortal, Uru.

Roman Goodwin: Wow! That is amazing! So the Earthbound Immortals have Embodiments too and not just Gene-slammers.

Sheena Shine: It's true and It's cool.

Carly Atlas: Wow!

Sougo: (gets out Build Ridewatch) I hope you put up a fight like Another Webstor did.

Armor Time! (Electronic rock music) Best Match! Build!

Geiz: (Gets out Brave Ridewatch) It's more fun that way.

Armor Time! (Fantasy Gamer Level 2 transformation music) Level Up! Brave!

Sougo got BuildArmor while Geiz got BraveArmor.

Sheena Shine: I know I will.

Lincoln: Lets do it!

Lincoln separated her.

Another Roman: I WILL BANISH YOU TO THE NETHERWORLD!

Me: Not if we banish you first!

He fired waves of red fire and I fired waves of fireballs and blasted them all over and massive explosions blasted out.

Xenia: Now this is a fight!

Nico: Try this red fire! (ACTIVATES ROMAN AND SHS CARNAGE'S RIDEWATCHES)

He fired waves of red fire and energy and smashed her all over.

May: And this too! (ACTIVATES MEKENOBITE AND MAREMOTUS' RIDEWATCHES)

She fired waves of fire and energy and smashed her all over.

Maria: Taste this! (ACTIVATES DR. GENE SPLICER AND EVIL BLACKARACHNIA'S RIDEWATCHES)

She fired waves of energy and elements and blasted her all over.

RD Girl Jordan: Top this too! (ACTIVATES SHS CARNAGE'S RIDEWATCH)

She fired waves of energy and smashed her down.

Then Titania, Vathek, Berserker, Universe 666 Makunga, Ruby Thursday and Minotaur came.

Nico: Nice team Titania.

Titania: Thanks Nico.

?: I got this one.

Out came Wood Man!

Me: Wood Man! Wow!

Wood Man 2: (In a girls voice) This will be fun.

Nico: Wuya Wood!? Whoa!

Wuya Wood: Yep.

She fired leaves and blasted Another Roman and I caught the Ridewatch and purified it.

Nico: Awesome!

Wuya Wood: Oh and yes I am naked.

Me: Oh boy. We know the drill.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Wuya Wood: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain as she reverted back! She vomited tree sap all over May!

May: YUCK!

Wuya reverted back and she was a girl with green hair and green eyes and had brown angel wings and she had a tree symbol in the middle of her forehead.

Wuya Wood: (GROANS) That really hurt. Oh man! Sorry May.

May: No worries.

Wuya Wood: (Sees herself) GAH! I NEED NEW CLOTHES!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome green and brown clothes.

Varie formed a mirror and she saw herself.

Wuya Wood: Oh wow! I look awesome.

Maria: You sure do.

Nico: You have the same first name as the Wuya Jack Spicer and his Dark Side know.

Wuya Wood: I sure do. And also I have her powers but they are mostly used for good.

Nico: Cool!

RD Girl Jordan: What's your favorite memory of Nico?

Wuya Wood: When me and Nico busted a massive drug ring and sent them to prison.

Nico: Yep that was fun.

Laney: Cool.

Nico and Wuya hugged.

Nico: I've missed you.

Wuya Wood: Same here Nico.

We later went back home.

We destroyed their robot suit in the process and that forced Boss Cass and Professor Karlos out, they tried to run, but Lincoln fired two black energy boomerangs which hit Boss Cass and Professor Karlos and they exploded into ashes and they were sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: It's finally over, Boss Cass is gone forever and that monster will never return to terrorize the world again! (To Ophelia Olympus, Olivia Devereaux, and Felicity Fantasia) And it's so good to see you again, Ophelia Olympus, Olivia Devereaux, and Felicity Fantasia.

Ophelia Olympus, Olivia Devereaux, and Felicity Fantasia: You too, Linky, it's been a long time, and it's also good to see you, Riku, Kairi, Roxas, Lea, Namine, and Xion again, Sora.

Sora: You too, girls.

Lincoln went up to Selene Scala Ad Caelum and he hugged her, and Selene Scala Ad Caelum is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selene Scala Ad Caelum: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these three sexy hot mamas?

Lincoln: Indeed I do, J.D, the first girl is Ophelia Olympus, Keyblade Knight of Olympus, she's my Guardian Angel from Michigan who has an incredibly powerful connection to the Gods of Greece and is as strong and powerful as all of them. She's a Keyblader and she's a very powerful fighter and friends with Herc, his friends, and the Olympian Gods, and like Eli, she has a habit of blowing Hades' hair out and causing some pretty hilarious trouble for his minions, Pain and Panic, in The Underworld.

Carolina Keyblada: The second girl is Olivia Devereaux, Keyblade Knight of La Cité des Cloches or the world of The Hunchback of Notre Dame from 1996, she's Lincoln's Guardian Angel from Michigan and she is known as The Avatar of The Bells of The Seven Judgements. She's good friends of Quasimodo and his friends, and she harbors an extremely fierce hatred towards Frollo for everything he's done along with blaspheming against God, and she swore that one day, she would make Frollo suffer the Seven Judgements of Heaven for all of his sins.

Selene Scala Ad Caelum: And the third girl is Felicity Fantasia, Keyblade Knight of Fantasia from 1940 and 2000, she's Lincoln's Guardian Angel from Michigan and she is an awesome master of music and more. She also harbors a hatred towards Chernabog for the dark crimes he'd committed over the eons, and when the news of his destruction along with the destruction of The Firebird reached her, she was glad to know that the first Disney Villain and dangerous fire beast are finally gone for good.

Nico: Whoa!

Me: That's really awesome, and I can guess you've hated Chernabog and The Firebird, right, Felicity?

Felicity Fantasia: You said it, and I'm glad Chernabog got what he deserved along with The Firebird, even though it flew into Hiroshi and tried to possess him.

Darren Arcangela: Only for him to pull a reverse on it and he sucked out and absorbed all of its powers and transformed and banished it to The Black Gates, and he helped Lincoln and Selene Laverna defeat Conduit Edwards who came back for revenge.

Hiroshi Ohira: I was quite surprised they hadn't consumed his soul like they did with his men.

Lincoln: Nah, besides we already killed him once, but stripping him of all his powers and throwing him in prison forever, that's a better way, and now that you three are here.

Lincoln went up to and hugged Ophelia Olympus in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Finally, Lincoln went up to and hugged Felicity Fantasia in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ophelia Olympus: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on Ophelia Olympus, Olivia Devereaux, and Felicity Fantasia's necks with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Felicity Fantasia: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ophelia Olympus, Olivia Devereaux, and Felicity Fantasia.

Ophelia Olympus, Olivia Devereaux, and Felicity Fantasia had a smile on their faces and tears in their eyes and they pounced on Lincoln and they proceeded to kiss him on his face, lips, massive muscled body, and eight-pack abs, and he also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them immediately. The six girls are Chisato Arimiya, Emiri Kasai, Misora Arimiya, Shion Arimia, Shouko Yuhara, and Sumire Arimiya from Jokei Kazoku ~Inbou~

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chisato Arimiya: Yes, we're okay, thanks to you.

Chisato Arimiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Chisato Arimiya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chisato Arimiya, Emiri Kasai, Misora Arimiya, Shion Arimia, Shouko Yuhara, and Sumire Arimiya with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and we've finally gotten rid of Boss Cass for good.

Maria: We did it, we're finally rid of that monster, Boss Cass, for good.

Lincoln: You said it. Boss Cass has caused us enough trouble to last a lifetime.

Me: You got that right. That dirty, stupid Cassowary!

Nico: Either way, he paid the price, and now, he's gone for good and we'll never see that monster ever again.

---

After finally getting rid of Boss Cass and this time for good along with Professor Karlos who also came back as well, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ophelia Olympus, Olivia Devereaux, and Felicity Fantasia saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Ophelia Olympus: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Olivia Devereaux: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Felicity Fantasia: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ophelia Olympus: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Felicity Fantasia: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

Ophelia Olympus: We were hoping you'd ask that. Well, one time, Lincoln, Olivia, Felicity, and I along with the rest of his Guardian Angels and harem were at our gym and Lincoln and I were doing some wrestling practice, and we were also practicing some new wrestling techniques. But, then, the gym's alarm sounded, and we suddenly heard the familiar sound of a loud belch in the air along with the stench of B.O. and feet, and we knew who it was: Lincoln's rude, aggressive, superstition-crazed, stupid, belching, farting pig of a sister, Lynn, and she was out to kill Lincoln again to slake her thirst for blood. But, I had enough of her, I decided to show Lynn the consequences for her misdeeds, first, I fired blasts of lightning which electrocuted Lynn, but that just made her angrier, so I proceeded to pulverize her like mad and I tied her up with light energy ropes.

Olivia Devereaux: Then, we proceeded to send her back to The Loud House by throwing her onto a catapult we call The Loser Launch, it was meant not only for Lincoln's many enemies, but also, for Lori, Lynn, Lola, Lisa, and Luan.

Felicity Fantasia: Then, we launched Lynn and she was sent hurtling back to The Loud House where she got scolded and told off by the rest of her sisters and parents, and she was thrown inside a cage once more like the gorilla she is.

Nico: Lynn, just how many rampages have you gone on that always ended with you getting your own butt handed to you?!

Luna: Too many times, dude, she always got her butt handed to her. We're just lucky she didn't let loose some lethal gas and make her escape.

Lincoln: Which is why we always come prepared in case Lynn tries that kind of stunt by bonking her on the head with a mallet.

Selene Emperyous: But, because of the fact that her head was literally that hard, we broke a lot of mallets bonking her on the head.

Selene Emperyous showed all of the pictures of all the broken mallets from all the times they bonked Lynn on the head with them.

Nico: Sheesh!

Lincoln: Yeah, but this is what happened when Lynn didn't listen to our warnings over and over again.

We got a shower, and then, Lincoln, Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes are heading to Float Islands.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new

large orange and black swim trunks with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the swim trunks, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Night Glider: Wow, so this is Float Islands, it sure is beautiful.

Lincoln: It sure is, Night Glider, and it's perfect for our date. Shall we?

Lincoln, Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes and they hugged them in their abnormally massive and powerful muscular arms, and Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Float Islands, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes Rashid are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Night Glider, Simulator Hinatsuru, Simulator Makio, Simulator Suma, Simulator Orihime Inoue, Nelliel Tu Odelschwanck, and Simulator Alexis Rhodes, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Matter Splatter Galaxy is next.

Qin: Whoa that one was a tricky one.

Lola: Yeah.

Ed: Me and Homer will go next.

Nico: Cool!

Homer: WOOHOO! This is gonna be fun.

Nico: Yep.

They went into the Simulator.

Bart: Hope Mr. Fatass gets his big butt kicked.

Homer: WHY YOU LITTLE!? Oh right. I'll strangle you later boy!

Bart: (LAUGHS)

Lori: WHY YOU LITTLE!

Lori strangled Bart!

WE LAUGHED!

The simulator activated and Nico, Homer and Ed were at MATTER SPLATTER GALAXY!

Nico: Whoa this one is gonna be VERY Tricky.

Ed: Any tips, Nicole?

Nico: Aw Ed I was gonna ask that.

Ed: Oops sorry Nico.

Nicole: (On the Radio) (LAUGHS) Well as you can see this galaxy causes parts to appear when those sparks touch it. The only way to get the star is to get to the end of the galaxy.

Nico: Oh boy. We'll have to fly the whole way.

Ed: Yep!

?: I'll help with this too.

They saw a girl with green hair and she had red eyes and had red angel wings and had a tiara with the symbol of the Dynaman Rangers on it and the same symbol was on her skirt.

Deborah Dyna: Deborah Dyna, Embodiment of the Dynaman ready for action.

Nico: Awesome to meet you. Tell us more about yourself later.

Deborah Dyna: Okay then.

They were off.

Homer: I see Goombas!

Edzilla: ED SMASH GOOMBAS!

Homer and Ed smashed and pulverized the Goombas.

Nico: (gets out Roman Goodwin and Webstor's Ridewatch) Let's web these guys up!

Nico activated them and fired waves of red fire web and blasted the Goombas all over.

Homer: WOOHOO!

Deborah Dyna blasted the Goombas all over with energy waves and they exploded.

Nico: YEAH!

They saw the star at the end.

Nico: There it is!

Ed and Homer: We got it!

They went and got the star!

YOU GOT A STAR!

Nico: YEAH!

Homer: WOOHOO!

Ed: YEAH!

Deborah Dyna: That was fun!

They high five.

Homer: NOW you can tell us more about yourself?

Deborah Dyna: Sure. I'm a demolition master and I have the power to make explosive energy blasts and make deadly explosions. Also I bring down abandoned buildings as a wrecker for a construction company so they can make new buildings.

Nico: That is cool!

Deborah Dyna: It sure is.

Nico: Would you like to join the team?

Deborah Dyna: I would be honored.

They left the simulator and we cheered for them.

---

Later me and the mascots were walking home after an awesome shopping trip at the mall.

Poromon: Thanks for coming with us, J.D.

Me: No problem guys. It's always fun to do some shopping.

Poliwag: It sure is.

Manaphy: I hope Mama likes the new clothes I bought for her.

Me: She'll love them Manaphy.

Poromon: I hope everyone likes this new Bavarian Mint and German Black Stout Beer I got.

Me: It'll be perfect for making new chili for dinner.

Horsea: I agree.

Poliwag: Let's take this shortcut.

We looked down a path and saw that it cut through a slum neighborhood.

Me: You sure that's a good idea?

Poliwag: It'll be faster.

Me: It does lead to the estate. Okay.

We went down the path and we saw that it was leading through a bunch of houses that were a total bunch of dumps.

Me: Boy this place is a dump.

Manaphy: Yeah I don't like it.

We saw lots of kids that were in rough shape.

Me: Poor kids. They look hungry and they are in tatters.

Poromon: Yeah.

I used my powers and made food and gold trees grow for them.

Me: There you go kids. Help yourselves.

Kid 1: Thank you J.D.!

Me: Anytime.

We continued and smelled an alfalfa smell.

Me: Uh oh.

Horsea: Wait. I'm getting Deja Vu.

Me: Really?

Horsea: Yeah.

Then a bunch of gang members came out.

Gang Man: Well look what we got here!

Gang man 2: You look like easy targets.

Me: You don't know what you're up against barfbrains.

Gang man 3: Oh we don't huh?

Gang Man 4: You give us your money and we'll let you go.

Me: Sorry but you aren't getting any money from me.

Gang Man: Oh really?

Gang Man 2: Hey, look. A puffball!

The man hopped on Poromon and pressed his groin against his back.

Poromon: OKAY YOU ARE GROSS! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit the Gang Man and electrocuted him!

Gang Man 1: WHY YOU LITTLE!?

He went at us and then I punched and pulverized all 4 of them.

Horsea: NO ONE DOES THAT TO US!

Horsea squirted ink into one of their eyes.

Manaphy blasted one with energy and Poliwag slapped the last one down all over with his tail!

Curly: Something wrong, Nico?

Nico: My mascot senses seem to be tingling.

Curly: Mascot Senses? Why are you sending them after Moe? Nyuk nyuk nyuk nyuk nyuk.

SLAP BOOF BONK POINK!

Moe slapped him across his face, hit him on the stomach and his head and poked his eyes.

Moe: No you pumpkinhead he means the Mascots are in trouble!

Nico: Lets go!

They went down to the surface.

A bunch of drunk women came out next.

Me: Oh great the drunk whorehouse look is in.

Drunk Woman: (Slurred Speech) I will snap your neck you turd!

Drunk Woman 2: (Slurred Speech) Lets make love together.

Me: Already doing that with a bunch of my wives for the next 17 days you bitch.

I fired waves of webbing and tied them all up.

Nico and the team came.

Nico: Hey!

Larry Fine: You guys all right?

Me: Yeah we're okay.

Nico: WHOA! You guys have been busy!

Sheila: Well I'll be! You guys went through the Darkdirt Slums and busted the Slaydrug Fury Gang! We've been trying to find and bust these guys for years.

Me: Well I'll be!

Ren then saw something.

Ren: Oh my.

Maria: What is it, Ren?

Maria had the misfortune of seeing a drunk woman press Horsea against her boobs.

Maria: HEY!

POW!

She bashed that bitch off her.

Horsea: I actually liked that feeling.

Maria: Oh Horsea.

Sheila: There's something you should know about this area as well.

Blitzwing: Dare I ask what it is?

Sheila: This place is also the area where Reginald Moonbeam got his drugs from.

Me: Say what!?

Nico: Oh good god!

Xenia: Not good!

Roger Smith: Hey, guys. Look!

We saw that Roger Smith was on a throne made of cocaine bricks with a crown on his head.

Sky Lynx: Of course there would be cocaine here!

Me: Roger get off that!

Nico: Boy there's enough cocaine here to screw up an army.

Laney grabbed Roger with a vine lasso and pulled him off.

Qin: These douchebags are all in huge trouble.

The police all came and busted them. They were going to be sent to the slammer for the rest of their lives.

Roger Smith: Well, you have to admire the throne that I built!

Nico: Not if it's made of cocaine.

Qin: Yeah! That stuff is dangerous!

The D.E.A. came and confiscated all the cocaine in the area.

Nico: (to the Mascots) Are you guys okay?

Poromon: We're fine. Thanks to J.D.

Manaphy: Yeah he kept an eye on us the whole way.

Poliwag: Yep.

Horsea: He sure did.

Nico: Awesome. Lets head home.

* * *

We got back home.

Poromon: We need a shower.

Broccoli Guy: Why?

Poromon: BECAUSE I WAS NEARLY USED AS A SEX TOY, THAT'S WHY!

Broccoli Guy: Okay sorry I asked.

The mascots went and got a good shower.

Nico: Doing okay in there?

Poromon: Yeah we're fine.

The water turned off and they came out and dried off.

Manaphy: Ahh! Much better.

Horsea: Yeah.

Nico: Good.

Poliwag: Next time, we're taking a different shortcut.

Nico: Good idea.

Xenia: Yeah but you guys did bring down one of the most dangerous gangs ever.

Lola: You sure did.

Poliwag: True. We sure did.

Nico: And they will never terrorize the city again.

Maria: And J.D. helped a lot of miserable kids.

Poromon: He sure did. Those poor kids.

Me: They were on verge of death and would have starved.

Nico: That is true.

Lola: Yeah.

Me: Those conditions they were living in were absolutely disgusting.

Laney: Poor kids. J.D. gave them gold and food trees.

Nico: Boy thank goodness. Now it's time for our next mission.

The previous group came

Firefly: Can me, Vypra, Vexen, Calamitous, Hydro Man, Shiv, Bane, Webstor, Ebon, King Hiss and Leonard go with you guys?

Nico: Yes you all can come with.

Qin: This will be fun and cool.

Nico: Yep.

Chill Bill: Nico, which Gene Slammer do you think you'll meet next?

Nico: Bubble Man next.

Qin: Awesome!

Lola: Yeah!

Lana: It sure will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Game Store Manager, another old enemy of Mordecai and Rigby's, and he's using video games as a weapon to kill Mordecai and Rigby because they demanded a refund. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than The Game Store Manager, another old enemy of Mordecai and Rigby's, and he's using video games as a weapon to kill Mordecai and Rigby because they demanded a refund.

We gasped even Nicole and Sunset Shimmer.

Nicole: Using video games as weapons to kill our friends just because of demanding a refund?! That is inexcusable!

Sunset Shimmer: Big time, this guy's going to get his head bashed in and thrown in prison!

Nico: If there's one thing we can't forgive, it's using video games to hurt our friends, let's get that nose rag and string him up by his own petard!

Lincoln: Save some for me, Nico. This guy's no true video game store owner, he's just a jerk, and I'm gonna show him what happens when he messes with video games!

Me: Oh shoot! Now, he's really gone and done it!

Camie: Who is this jerk?

Me: Lets see.

I pulled up his history.

---

Mordecai and Rigby buy a The Realm of Darthon Game from him they try to play it with their friend on game night. However, they quickly leave claiming the game stinks so Mordecai and Rigby decide to return it and get their money back.

When they arrive at the store next morning, they push their way through the line and demand a refund from the manager. However, since the game was opened, he can't accept it and states that Mordecai and Rigby are playing it wrong. So, they drive all his customers away by telling them how bad the game is. After multiple attempts, Mordecai and Rigby drive off his last customer. Enraged, the Game Store Manager uses a spell book to transport them into the game.

Once there, Mordecai and Rigby fight off his monsters with a little help from Skips, Pops and Benson. The manager then sends them away and reveals himself to them as Darthon the ruler of the realm and master of the game. After counteracting many attacks from Mordecai and Rigby using his imagination, they quickly discover that they can use their own imagination. After counteracting all of his attacks Mordecai then stabs the Game Store Manager with the immunity sword (which is immune to all rule changes).

After returning to reality the Game store Manager finally gives up and refunds their money. He then drives home with a ruler in his chest and possibly dies.

He returns in "Exit 9B" where he is revived by Garrett Bobby Ferguson Jr. as Darthon. However, he was sent back after Thomas signs the document.

---

Nico: WHOA! This guy is a jerk!

Carol: He makes Comic Book Guy look like a saint!

Xenia: Yeah!

King Hiss: Are you kidding? Comic Book Guy is much better than him!

Qin: Yeah!

Nico: What a jerk! Lets head to the park.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Bane the Druid, the next member of The Circle of Nine and Guardian of The Pillar of Nature from the Legacy of Kain, and he's come to destroy the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like one bit: the figure we saw and the dark energy we sensed belongs to Bane The Druid, the next member of The Circle of Nine and Guardian of The Pillar of Nature from the Legacy of Kain, and he's come to destroy the world.

Nicole: Oh man, he must've heard about what happened to DeJoule yesterday, so now, he's come to get revenge for the fallen Guardian of The Pillar of Energy. And we can't underestimate Bane The Druid either, he's the Guardian of The Pillar of Nature, which means he has nature powers and nature manipulation and he's deadly.

Alexis Arcana: That's true, but either way, we've got to stop him! (Suddenly senses other figures) Oh shoot, and it's not just Bane The Druid, Guardian of The Pillar of Nature that's coming here, but also, Anacrothe the Alchemist and Guardian of The Pillar of States, Azimuth the Planner and Guardian of the Pillar of Dimension, Malek The Paladin and Guardian of The Pillar of Conflict, Moebius the Time Streamer and The Oracle of Nosgoth, Mortanius the Necromancer and Guardian of the Pillar of Death, and Nupraptor The Mentalist and Guardian of the Pillar of Mind.

We gasped.

Nico: Oh shit, so we got the eight remaining members of The Circle of Nine to deal with?!

Lincoln: And each of them are Guardians the Pillars of States, Dimension, Conflict, Death, and Mind, but Moebius wanted to kill them and cause chaos in Nosgoth. I think we'll be doing Kain a favor by getting rid of them, and he'll face us tomorrow.

Me: He's smart by choosing to bid his time, he knew the others had betrayed him, and he wasn't going to throw his life away by helping them.

Nico: I have no words to even say, Kain's a tactical genius when it comes to battle and he knows of our reputation. Alright, gang, let's go, we're heading out to help Mordecai and Rigby take down that Bad Game Store Owner.

Lincoln: No one uses video games as weapons to hurt our friends and gets away with it, we'll teach him a lesson he'll never forget, and once we get done with that criminal, you're next, Bane the Druid and Guardian of The Pillar of Nature.

Alexis Arcana: Along with you, Anacrothe the Alchemist and Guardian of The Pillar of States, Azimuth the Planer and Guardian of the Pillar of Dimension, Malek The Paladin and Guardian of The Pillar of Conflict, Moebius the Time Streamer and The Oracle of Nosgoth, Mortanius the Necromancer and Guardian of the Pillar of Death, and Nupraptor The Mentalist and Guardian of the Pillar of Mind, your days of causing havoc in Nosgoth are about to end tonight!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to the park to help Mordecai and Rigby take down the Game Store Owner and make him pay, and once we get done with him, Alexis Arcana and Lincoln are going to destroy Bane the Druid and Guardian of The Pillar of Nature, Anacrothe the Alchemist and Guardian of The Pillar of States, Azimuth the Planner and Guardian of the Pillar of Dimension, Malek The Paladin and Guardian of The Pillar of Conflict, Moebius the Time Streamer and The Oracle of Nosgoth, Mortanius the Necromancer and Guardian of the Pillar of Death, and Nupraptor The Mentalist and Guardian of the Pillar of Mind.

We were off to the Park.

---

We arrived at the park.

Eye Five: The good old park.

Nicole: Yep. When we find this guy I'm going to really lay down the law on him.

Xenia: So will the Ex-Aid Riders.

We went into the house.

Vypra: Mordecai? Rigby? Are you guys there?

Mordecai and Rigby were on the sofa playing video games.

Mordecai: Hey guys!

Rigby: What's happening?

Me: Well we got big trouble.

Benson: What are you guys doing!? Get back to work or YOU'RE BOTH FIRED! (See's us) Oh hey guys. I didn't see you come in.

Me: No worries Benson. We got big problems though.

Gulper: Yeah. I need some soda!

Nico gave him some.

Benson: What's the problem?

Me: Mordecai and Rigby are not going to like this but that Game Store Owner is back for revenge.

Mordecai: Are you kidding me?!

Webstor: We shit you not.

Nicole: Lincoln's premonitions are never wrong. Also this guy messed with the wrong people and they are me and the Ex-Aid riders.

Nico: You got that right!

Lincoln: And it will be painful.

Shield Shredder: Where are Muscle Man and the others?

Benson: I'll go get them.

He went and did so.

He later came back with them.

Skips: So the Game Store Manager is back.

High Five Ghost: I hate that guy! He was a jerk!

Muscle Man: Yeah he wouldn't give back Mordecai and Rigby's money!

Ebon: How did you guys defeat him the first time?

Mordecai: We stabbed him with the immunity sword and won.

Rigby: He took us into the game.

Mordecai: One sec.

Mordecai went to his room and he came back with a spell book.

Nicole: (GASP) The Videocronomicon! I thought it was just a legend.

Nico: What is that book?

Nicole: The Satanic Magical Tome of Video Gaming. It contains dark magic spells that can make people be put into video games.

Brittney: He was playing with forces no one can understand.

Mordecai: He used that very spell book to put us in the game and have us battle him.

Brittney: I got reports from the spirits of the Netherworld that one of their books was missing and from the looks of things this is the book.

Nico: Not good guys. Not good.

Masker Mind: Wait. Isn't that similar to the Necronomicon?

Nicole: Yes it is. But this book is for video games.

Nico: Oh boy.

Calamitous: Explain to me how this could possibly be from the Netherworld?

Brittney: This book is overflowing with Satanic energy. Let me show you and confirm it.

Brittney drew a satanic symbol on the floor and chanted an incantation. Then a spirit of a demon came.

Demon: I have heard you call Lady Brittney.

The demon looked over the book.

Demon: It is as you said Lady Brittney. This is definitely the missing book that was stolen from the Netherworld library.

Mordecai: Whoa.

Brittney: Thank you for confirming that for us.

Demon: I will take this book back to the library.

He did so.

Slobber Trap: Aww. I was hoping to look at it some more.

Nico: At least we found out where the Game Store Manager got that power.

Xenia: I agree.

Nicole: Now we have to come up with a plan to get this guy to talk and get EVERYONE to see what kind of jerk this guy is.

Lincoln: And send him to prison after we bash him all over.

Bane: (Spanish Accent) I didn't know that demons are interested in video games.

Grim: (Jamaican Accent) Oh demons love them mon. We play them as much as Billy does.

Lincoln: That is really cool.

Grim: It is. We all think they are just as fun as battling bad guys.

Lola: Yeah.

Manterror: What do we need for this fight?

Me: We have a microphone, and a good wire that leads to the radio and PA system.

Xenia: Nice.

Luan: Leave that to me.

Nico: Nice.

Muscle Man: You know who else has a good wire?

Shiv: (laughs) Oh, I know the answer to this one!

Muscle Man: MY MOM!

We laughed and it was funny.

Me: (LAUGHS) That is funny.

Laney: Yeah.

Camie: This will be good.

Retrax: We need anything else?

Nico: I think we're good.

Luan: Yeah this will be good.

Lola: Yeah.

Eli: I sense him. He is 50 klicks to the south and closing fast.

Hydro Man: Perfect! Why go to him when we can just let him go to us?

Nicole: Yep. Now here's what we do.

We were told our plan and Nicole was going to stand out and face him and get him to talk and when she gets him to talk… BAM! We hit him hard in a powerful ambush.

Nico: Awesome plan.

Me: Yeah.

We put our plan into action. Nicole was waiting.

Then she turned and saw GAME SHOW MANAGER!

Game Store Manager: Nicole Knudson, Goddess of Video Games.

Nicole: The very same. You and I need to have a little chat. It's because of a certain 2 people that you refused to help.

Game Store Manager: Okay, so I wouldn't give those two their receipt. So what?

Ruckus: (in disbelief) (Whispering) It was that easy?!

Me: Shh.

Nicole: That's besides the point. What I want to know is why?

Game Store Manager: Because those two have no respect for ANY GAME! I have the much better games than anyone! I am better than everyone! I am the true god of games!

Nicole: You are no god of games. I am. I played all games with heart and mastered them perfectly.

Game Store Manager: Well, that's why those two aren't getting their receipt. And I don't even see them here anyway.

Nicole: That's because we were waiting for you to open up.

Game Store Manager: We? Who is we!?

Then the spirits of the games of the world came and then they swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard! And we came out.

Me: Game Store Manager you are under arrest.

Leonard: You're busted!

Mario: Let's-a go!

Nico: Yeah!

Nicole pulled out a microphone.

Nicole: Now everyone knows who you really are and you are nothing but a greedy video gaming sheister!

Nico: That's right!

Nicole: And a pathetic Video Gaming Loser.

Game Store Manager: NO ONE TALKS THAT WAY TO ME!

He went at Nicole and she punched him in the face.

Mario hopped on his head.

Game Store Manager: Hey! I'm not a Goomba!

Mario: No but-a you should be!

BONK BONK BONK!

Nicole fired a fireball and blasted the Game Store Manager.

BOOM!

Nico: Nice one!

Lincoln fired a blast of lightning and electrocuted the manager!

Mario got a fire flower.

He used it and fireballs and blasted Game Show Manager all over with fire and blasted him.

Samus: And this too!

She fired laser blasts and blasted him all over.

Yoshi fired eggs and bashed him.

Mario then got an Ice Flower and fired ice blasts and froze him in a block of ice!

Nico: That will hold him long enough for the usual battles to be done.

Then Trap Jaw, Beast Man, Unicorn, Killer Shrike, Hsi Wu, Mummy, Shendu, Spymaster, Griffin and Roxy Rocket appeared.

Nico: Trap Jaw, Beast Man, Unicorn, Killer Shrike, Hsi Wu, Mummy, Shendu, Spymaster, Griffin and Roxy Rocket.

Trap Jaw: I didn't know there was a video game version of the Necronomicon.

Beast Man: But it's interesting.

Nicole: It sure is.

Unicorn: When there's time, we should look into it.

Nicole: Yeah.

Killer Shrike: (to Nico) We heard you fought a lot of vegetables.

Nico: We sure did.

Hsi Wu: Did you eat any of them?

Eli: We sure did and they were a tasty and awesome salad.

Nico: Oh yeah.

?: That is cool!

A figure came out and it was MACHINE BEAST TAMER KERIS from episode 28 of Ohrangers!

She came to Earth to help Baranoia destroy KingRanger. She was the first enemy to be killed by King Pyramidder's Battle Formation, after she witnessed Bara King being slain by King Pyramidder in Carrier Mode.

Eli: Machine Beast Tamer Keris! I remember you! You were sent to help Baranoia destroy KingRanger.

Machine Beast Tamer Keris: That's right Eli. Good memory.

Eli: Yep.

Me: So you're an unadapted monster for the Zeo Rangers.

Machine Beast Tamer Keris: I sure am. Darn shame.

William: I bet you probably would've been a powerful opponent for Tommy and the others.

Keris: I know!

Me: That would have been so awesome.

Xenia: Yeah!

We got the battles underway.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of energy that came out of nowhere and they hit the barrier, but the energy volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Bane the Druid and Guardian of The Pillar of Nature, Anacrothe the Alchemist and Guardian of The Pillar of States, Azimuth the Planner and Guardian of the Pillar of Dimension, Malek The Paladin and Guardian of The Pillar of Conflict, Moebius the Time Streamer and The Oracle of Nosgoth, Mortanius the Necromancer and Guardian of the Pillar of Death, and Nupraptor The Mentalist and Guardian of the Pillar of Mind, or you shall be forced out!

Seven figures came out, and they were none other than Bane the Druid and Guardian of The Pillar of Nature, Anacrothe the Alchemist and Guardian of The Pillar of States, Azimuth the Planner and Guardian of the Pillar of Dimension, Malek The Paladin and Guardian of The Pillar of Conflict, Moebius the Time Streamer and The Oracle of Nosgoth, Mortanius the Necromancer and Guardian of the Pillar of Death, and Nupraptor The Mentalist and Guardian of the Pillar of Mind, the seven other members of The Circle of Nine.

Lincoln: Bane the Druid and Guardian of The Pillar of Nature, Anacrothe the Alchemist and Guardian of The Pillar of States, Azimuth the Planner and Guardian of the Pillar of Dimension, Malek The Paladin and Guardian of The Pillar of Conflict, Moebius the Time Streamer and The Oracle of Nosgoth, Mortanius the Necromancer and Guardian of the Pillar of Death, and Nupraptor The Mentalist and Guardian of the Pillar of Mind. I knew you'd show up as soon as word of DeJoule's death reached you, and now, you're here to get revenge for your fallen comrade, not while we're here.

Anacrothe: YOU DARE TALK TO US LIKE THAT?! DO YOU KNOW WHO WE ARE!?

Alexis Arcana: Clearly, we do, and we've had enough of you.

Suddenly, Alexis Arcana's purple eyes turned neon purple and she was surrounded by a rainbow energy aura with stars, Time, Space, Ice, Stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, and Lightning, psychic energy, fairies, phoenixes, and angels, she unholstered her weapon, The Forsaken Sword of Thanatos from her back, and as she approached Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor, she left rainbow energy, stars, Time, Space, Ice, Stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, and Lightning, psychic energy, fairies, phoenixes, and angels with every step.

Alexis Arcana: Everything that Lincoln said about is indeed true, and I'm also sick of what you did in Nosgoth, because of you, Nupraptor, you all went insane and you created the Dark Eden, from where you all started a plot to twist the land. That is truly unforgivable, I don't care if all of you are powerful beings, when you dare to target humanity to make them all suffer, you just crossed the point of no return, Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor, and it can only end in one thing: your death!

Suddenly, Alexis Arcana was surrounded by a massive vortex of rainbow energy with stars, Time, Space, Ice, Stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, Lightning, and psychic energy surrounding the vortex, there are fairies, phoenixes, angels, and The Arcana Force Monsters flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor: the red eyes of eternal death. Then, as the vortex faded, Alexis Arcana emerged, but she was changed forever.

Alexis Arcana grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has rainbow highlights in the bangs of her long purple hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a rainbow energy aura with stars, Time, Space, Ice, Stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, Lightning, psychic energy, fairies, phoenixes, and angels surrounding her, she has The Arcana Force Duel Monsters emblazoned on her forehead and Third Eye with purple iris, she has on angel earrings with purple gems for eyes and holding the Star, Time, Space, Ice, Nature, Fire, Gravity, Earth, Light, Lightning, Dark and Eternity Kanjis in her hands, she also has the Arcana Force Duel Monsters with purple gems for eyes and holding the Star, Time, Space, Ice, Nature, Fire, Gravity, Earth, Light, Lightning, Dark and Eternity Kanjis Kanjis in their hands for the second pendant on the bottom of her purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and colored gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Alexis Arcana felt a sharp pain on her back, and then, her massive rainbow angel wings with aurora tips on the rainbow feathers grew and sprouted out from her back, and she also now has eleven massive and long purple wolf tails with rainbow tips and rainbow markings, Alexis Arcana has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Alexis Arcana's Forsaken Sword of Thanatos and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of rainbow energy, stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, Lightning, psychic energy, phoenixes, and angels, psychic energy, fairies, phoenixes, and angels, and when it emerged, it was transformed into Alexis Arcana's Psychic Elemental Fairy Arcana Force Forsaken Thanatos Greatsword of Psychic Elemental Fairy Arcana Force Forsaken Thanatos Justice, it's a brand-new massive greatsword with embedded colored gems and the Arcana Force Duel Monsters etched on the 7'6" massive, wide, double-edged purple blade, black dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large rainbow gems embedded in their foreheads, longer midnight black handle, four large purple phoenix heads with rainbow gems for eyes and on the bottom of the large purple phoenix heads is a black dragon head with purple gems for eyes and a purple gem in its mouth for the pommel, Alexis Arcana has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large version of Arcana Force EX The Dark Ruler's head with red gems for eyes and large purple gem in its mouth for the belt buckle and golden versions of the other Arcana Force Duel Monsters' heads on and around her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal

There's a purple kanji below the Arcana Force Duel Monsters that said, "Alexis Arcana, Gene-Slammer of The Arcana Force Duel Monsters, Powerful Psychic and Mindwalker, Master of The Powers of Time, Space, Ice, Stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, and Lightning, Leader of The Arcana Force Gene-Slammers, Loving Guardian Angel and Future Wife of Lincoln Loud, Wielder of The Forsaken Sword of Thanatos, Emissary and Champion of Thanatos, Despiser and Destroyer of Sartorius, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Time, Space, Ice, Stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, Lightning, Psychic Energy, Fairies, Phoenixes, Angels, and The Arcana Force Duel Monsters"

Suddenly, Alexis Arcana's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Alexis Arcana has transformed into SUPER ANGEL-ARCANA FORCE DUEL MONSTERS GODDESS-FAIRY-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE ELEMENTAL PSYCHIC THANATOS ARCANA FORCE DUEL MONSTERS GODDESS FAIRY PHOENIX ANGEL OF DIVINE ELEMENTAL PSYCHIC THANATOS ARCANA FORCE DUEL MONSTERS GODDESS FAIRY PHOENIX ANGEL JUSTICE AND DIVINE ELEMENTAL PSYCHIC THANATOS ARCANA FORCE DUEL MONSTERS GODDESS FAIRY PHOENIX ANGEL LOVE!

We were really amazed by Alexis Arcana's Super Angel-Arcana Force Duel Monsters Goddess-Fairy-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Bane the Druid and Guardian of The Pillar of Nature, Anacrothe the Alchemist and Guardian of The Pillar of States, Azimuth the Planner and Guardian of the Pillar of Dimension, Malek The Paladin and Guardian of The Pillar of Conflict, Moebius the Time Streamer and The Oracle of Nosgoth, Mortanius the Necromancer and Guardian of the Pillar of Death, and Nupraptor The Mentalist and Guardian of the Pillar of Mind saw it, they went insane and fired elemental blasts at her, but she used her psychic powers to deflect them back at them, and she fired a massive barrage of rainbow energy, stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, Lightning, psychic energy, phoenixes, and angels, psychic energy, fairies, phoenixes, and angels which hit them, they got back up, and that attack made them angrier than ever.

Melanie McPherson: (GASPS) Oh, no way,… , did Alexis just?!

Lincoln: She did, Melanie, Alexis Arcana has transformed into her Super Angel-Arcana Force Duel Monsters Goddess-Fairy-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, there's nowhere for Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor to run.

Alexis Arcana: (Divine Echoing Godly Voice of The Divine Cosmic Elemental Psychic Arcana Force Duel Monsters Thanatos Goddess Fairy Phoenix Angel and Divine Cosmic Elemental Psychic Arcana Force Duel Monsters Thanatos Goddess Fairy Phoenix Angel Love) That's right, now there's nowhere left for them to run and nowhere left to hide, now let's tear them apart, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Alexis Arcana.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused more than enough trouble for the last time, Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor, now it's time for you to join DeJoule in Hell forever!

Alexis Arcana and Lincoln went after Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor who continued firing blasts of elemental energy at them, but Lincoln and Alexis Arcana absorbed them and it made them infinite times stronger than ever, and they fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on them, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Alexis Arcana also attack them with some powerful punches, kicks, and karate chops, and they smashed them all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor even madder than ever!

But, before they could do anything else, Lincoln fired black Symbiote tentacles from his chest which grabbed Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor and he began pulling them to him, and once they made contact with Lincoln's skin, Lincoln began absorbing the Guardians of The Pillars of Nature, States, Dimension, Conflict, Death, Mind, and the Oracle into his body and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he assimilated all their powers and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head.

Then, energy cards with the drained souls ofBane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on their forehead, Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor were sent to The Black Gates for eternity. We cheered wildly for what Alexa Arcana and Lincoln did as they holstered their massive greatswords and powered down, and Alexa Arcana's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive rainbow angel wings are permanent.

Alexis Arcana: Burn in The Black Gates forever, Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor. Thank you for helping me get rid of Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Alexis.

Suddenly, Alexis Arcana wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alexis Arcana's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Arcana Force Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Alexis Arcana sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: I certainly didn't expect Bane the Druid to also bring Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor, but we've taken them all down and banished them to The Black Gates for good.

Nico: You got that right. So, Lincoln, now that we got the Keyblade

Knights, who's the Gene-Slammer we're meeting tomorrow?

Lincoln: I've actually got a good idea for this next set of Gene-Slammers: I call them the 13 Gene-Slammers of the 13 Primes and Embodiments.

Nico: (GASPS) The 13 Gene-Slammers of The 13 Primes, whoa! Now, this should be good. So, who's the first Prime Gene-Slammer?

Lincoln: The first one we're meeting tomorrow is the Gene-Slammer of Prima.

Michelle Emperyous: Awesome, and there's only one person who'd be the Gene-Slammer of Prima: Elise Dragonball, Gene-Slammer of Prima and Embodiment of Dragon Ball.

Pan: I knew it would be my twin sister, and you guys will love meeting her.

Gohan: That's right, Elise Dragonball is Lincoln's Guardian Angel from Japan and classmate in Gym, but she's also the Embodiment of Dragon Ball. She's easily identified because of her black hair, black angel wings, and she wears an orange gi and orange skirt. She's also the twin sister of Pan and also my daughter, and only Lincoln knew that Elise like her sister Pan, can turn into a Super Saiyan. She, Pan, and Lincoln would always train together anywhere even underwater which helped Elise and Pan master each Super Saiyan transformation to the point that even the flaws of Super Saiyan 3 and Super Saiyan 4 were no longer present. Lincoln made Elise a necklace containing replicas of each of the 7 Dragon Balls, and to show thanks for that as well as helping her and Pan master each Super Saiyan transformation, Elise and Pan kissed Lincoln on the lips. Elise hated The Wet Bandits with blazing passion, why, because they tried to steal from Hercule Satan while Lincoln, Elise, and Pan were there, what a bunch of morons. But, their plan to steal from Hercule Satan ended badly and Lincoln, Elise and Pan did not take kindly to that, so they beat the living crap out of them and kicked them so hard, they sent them flying right back to prison.

Nico: Whoa, I had no idea your second daughter and Pan's sister is

Lincoln's Guardian Angel, that's so awesome!

Pan: And Elise really hated Frieza with a blazing passion.

Lincoln: Who doesn't?

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Mummy: Make video games bad, will he?

Shendu: We'll straighten him out.

Spymaster: And we'll find someone to replace him.

Griffin: We'll think of something.

Nico: Good.

Roxy Rocket: (to Mordecai and Rigby) Now, go get as many refunds as you can get.

Mordecai: He took $100.00 from us both.

Me: So that's $200.00 he owes you.

Nico: Not cool.

We went to his store and got their money.

Mordecai: Thank you guys.

Me: No problem.

Nico: Yeah. Great job today everyone.

Mordecai: (To the viewers) Never go to a store where someone is a total jerk.

Nico: Yep.

We went back home.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

16 days to go.

She's also the twin sister of Pan, and only Lincoln knew that Elise like her sister Pan, can turn into a Super Saiyan. She, Pan, and Lincoln would always train together anywhere even underwater which helped Elise and Pan master each Super Saiyan transformation to the point that even the flaws of Super Saiyan 3 and Super Saiyan 4 were no longer present. Lincoln made Elise a necklace containing replicas of each of the 7 Dragon Balls, and to show thanks for that as well as helping her and Pan master each Super Saiyan transformation, Elise and Pan kissed Lincoln on the lips. Elise hated The Wet Bandits with blazing passion, why, because they tried to steal from Hercule Satan while Lincoln, Elise, and Pan were there, what a bunch of morons. But, their plan to steal from Hercule Satan ended badly and Lincoln, Elise and Pan did not take kindly to that, so they beat the living crap out of them and kicked them so hard, they sent them flying right back to prison, and Elise really hated Frieza with a blazing passion.

The next chapter is going to be for the movie Spirit: Stallion of The Cimarron and we're going to meet Spirit and Little Creek and battle General Custer and his men. But they are going into the M.O.E.

Me: I wonder what the treasure hunt will be for this time.

Nicole: This will be awesome dad.

Lola: All the treasure hunts are great.

Xenia: Yep.

Nico: They sure are.

Zuria: This is gonna be so fun.

Lola: It sure will be.

Fabia Sheen: I'm really looking forward to this one.

Camie: Me too.

Nico: Fabia I want to thank you and Titania and your teams for coming with us.

Fabia: It's our pleasure Nico. And it's going to be so fun.

Qin: It sure will be awesome.

Konata: It sure will be great.

Nico: Konata, what do you like to do in your free time?

Konata: I haven't really given it much thought. I'm still in school and studying hard. But If I had to pick one I would like to say going to the Museum and the Zoo.

Twilight Sparkle: Those are good ideas there.

Me: They sure are.

Nico: Those are good choices.

Qin: They sure are.

Konata: Thanks.

Lola: Yeah.

Nico: Those are really fun too.

Lola: They sure are.

Nico: I hope you graduate soon.

Konata: I got a long way to go.

Xenia: Yeah.

Nicole: Boy yesterday was a fun one.

Nico: It sure was.

Daring Do: I thought it was fun too.

Rainbow Dash: All of us did!

Nico: Yep and we brought the good name of all video games back.

Laney: And gave the Game Store Manager his just desserts.

Nico: He confessed rather quickly

Nicole: He sure did. I guess it was because he was in front of me as the Goddess of Video Games.

Nico: Maybe. But one thing is for sure, he was not shy about bragging what he did.

Qin: Yeah no kidding there.

Rainbow Dash: He had some kind of nerve to mess around with video games like that!

Lincoln: Yeah what a jerk!

Nico: Mario attacked him the most.

Nicole: He sure did and all the video gaming stars had a hand in it.

Janeen Aran: They sure did and it was really cool.

Qin: I agree there myself.

Nico: Yeah that was fun.

Maria: The best part was that Mordecai and Rigby got their refunds.

Me: Yeah that is for sure. $200.00.

Nico: Yep.

Laney: And we sent that bum off to jail.

Lola: Yep.

Titania: In our prison.

Nico: Yep.

We continued on.

Nico: So Nicole what is the treasure we're trying to find?

Nicole: It's a really good one that Watermelody will like hence why we have her with us. We're going to find The Sword of Suikakaze.

Nico: Cool!

Watermelody: Wow! This is gonna be so fun and cool.

Lola: Sounds like something from Japan and not Colombia.

Philip: I was just going to say that.

Xenia: It sure does sound like it.

Nico: Is it close?

Nicole: According to this map it's located right here on this island in the middle of Lake Tota. It's in a hidden temple in the middle of the island. Legends say that this sword has the powers of all watermelons.

Nico: Neat.

We trekked on and found the temple!

Nicole: There it is! The Temple of Suikakaze.

Nico: Cool!

May: Shall we?

Nico: Lets shall.

We went in and it was an amazing jungle temple.

Nico: Wow!

Qin: This is amazing.

Sakura Knudson: Boy the treasure hunts are always fun.

Lola: They sure are.

Nico: How did the sword come to be?

Me: Hmm.

I then saw something on a wall and it was a story.

Me: Whoa this is amazing. It's a story about the sword.

Nico: What does it say?

Me: Lets see.

I looked at it.

Me: Wow! This is cool. It says here "Long Ago in Ancient Japan, the evil Japanese Warlord, Aka Manshu Shura came and brought a terrible time of conquest to all of Sengoku Era Japan and he brought a terrible time of slavery and disorder and ruled over the entire kingdom with an iron fist. Anyone that dared oppose the terrible warlord would meet a gruesome and terrible fate and everyone lived in terrible fear because of him. He destroyed all the kingdom's crops and burned down peoples homes and taxed the good people to the brink of poverty and left hundreds to starve. But a young little girl named Siyana Suika was not going to let her fellow people live in fear any longer and was determined to make sure the warlord pays. Making a pact with the God of The Harvest, Inari, she was bestowed a mighty sword that was imbued with the powers of Watermelons and she started rounding up all the kids of the kingdom she gave them food and love and even hope and even rallied all the people of the kingdom to rebel against Aka Manshu Shura and they slain him once and for all and freed the kingdom after so many years of tyranny. Siyana was hailed as a great and brave hero to all of Sengoku Era Japan. But news of Aka Manshu's defeat spread and fearing that the sword would be used for evil, Siyana and her family traveled to a faraway land to hide the sword in this temple away from the hands of evil. Only a soul of pure heart and the love of watermelons can wield it."

Nico: WHOA! That is incredible.

Maria: Nice story.

Laney: That girl must've been a very brave one back then.

Philip: Boy no kidding. I read stories about the evil warlord Aka Manshu Shura. He was a monster.

Shotaro: Yeah he made Genghis Khan look like a saint.

Xenia: That is terrible.

Qin: But that is amazing that a little girl so full of hope and wanting to fight for freedom would save her people like that.

Xenia: I agree there.

Nico: Who gets the sword?

Nicole: Well like I said earlier it's the reason why I have Watermelody and Gabby Griffin coming with us. Watermelody is perfect for this sword.

Watermelody: I'm honored Nicole.

Nicole: Lets go find it then.

Nico: And watch for traps.

Nicole: Right.

We went to find the sword. We then found a huge room and it was full of a huge grove of watermelons and in an alter we saw the sword! It was THE SWORD OF SUIKAKAZE!

Nico: Whoa! There it is!

Nicole: At last I found it! The Sword of SuikaKaze!

Qin: That is an amazing sword.

Laney: Wow.

Nico: Go ahead, Watermelody.

Watermelody gulped and went over to the sword.

She then grabbed the handle and pulled it out and then it glowed! Then she was enveloped in a vortex of red energy and watermelons!

(ESCAFLOWNE FOX KIDS INTRO EXTENDED PLAYS)

She had awesome new red and green clothes and got awesome green angel wings! When the vortex faded she was forever changed!

Qin: WHOA!

Lincoln: Wow! Watermelody how do you feel?

Watermelody: Wow! I feel amazing Linky!

Nico: You sure do. Congratulations Watermelody.

Watermelody: Thanks Nico.

Nico: But I don't think we're done here.

Eli: No we aren't and guys you are not going to like this but we have a code TPΘ emergency.

WE GASPED!

Qin: Oh no! A Twisted Princess is loose!

Nico: Which one Eli?

Eli: Oh no! It's Pocahontas!

Me: (GASP!)

WE GASPED!

Nico: OH NO!

Qin: Oh man!

Maria: I got to call Allie and Helena.

She did so and they appeared.

Allie Knudson: I got your call! Oh man this is really bad! This version of Pocahontas is the result of John Smith dying at the hands of Ratcliffe! In a fit of rage, she kills the Governor to avenge John, but she isn't satisfied. So she goes on a killing spree, ending the life of any and all settlers but it doesn't fix her broken heart.

WE GASPED AGAIN!

Nico: Oh man! Because of Ratcliffe she made sure we never set foot in America to establish it!

Qin: Damn that Ratcliffe!

Me: In that world but the one we knew didn't do that.

Laney: Thank goodness.

Camie: That was back over 413 years ago right?

Qin: Yes it was.

Maria: So it's a universe where America isn't the same as ours!

Allie Knudson: That's right.

Laney: Yeah.

Nico: Looks like it's time to correct some history!

Qin: Yeah.

Eli: I sense her. She's 40 klicks to the south.

Nico: Lets go.

We went to find her and we stayed alert.

Nico: She has to be here.

Then I heard something coming towards us and then I caught a spear!

Nico: Whoa! Nice catch!

?: ANYONE THAT LIVES IN MY WORLD WILL DIE!

We saw her! TWISTED POCAHONTAS!

We saw that she had a left arm armor sleeve and had blood marks on her clothes and leg and had 2 skulls tied around her waist and she had a blood dripping dagger in her hand.

Me: Oh no!

Laney: Pocahontas? I can't believe you would become like this!

Twisted Pocahontas: Don't you dare pity me!

Me: Pocahontas listen! Ratcliffe may have been a jerk but what he did to Smith back then was not right on so many levels! That was 413 years ago! I'm sorry about what he did to Smith.

Twisted Pocahontas: Then why are you against me?!

Me: We're not against you! We're trying to save you from this horrible monster that you became! The Pocahontas we know would NEVER Become a ruthless cold blooded killing machine! She is a true hero of America! She saved Captain John Smith from being executed at the hands of her own father! She helped her father realize the kind of pain that hatred and fear can bring and how it poisons ones soul with darkness and evil! Pocahontas is more than just a hero of America…

Eli: She is also a girl that I love as a sister! Because I helped her in Sora's adventures ages ago!

J.D. 3: It's true!

Pocahontas: My Twisted version merged with me!

WE GASPED!

Me: It possessed her! Oh man!

Nico: So that's why she is like this!

Eli: I will not let this monster hurt my sister!

Eli fired a wave of light and separated her from Twisted Pocahontas.

Nico: Now it's personal!

Me: This madness went on for far too long!

Nico: We're still purifying her. She did nothing to deserve this!

Qin: I agree!

Nico: Sorry Pocahontas! But this is for your own good!

Suddenly, Watermelody's grayish fuchsia eyes turned neon grayish fuchsia and she was surrounded by a light green and pale green energy aura with stars, music notes, watermelons, magic, and Alicorns, and as she approached Twisted Pocahontas, she left light green and pale green energy, stars, music notes, watermelons, magic, and Alicorns with every step.

Watermelody: I understand what happened to you because of Radcliffe: your grief over the death of Captain John Smith turned into vengeful hate and you became the very thing your father had gone through because of hatred poisoning his soul with darkness and evil. But, I intend to save you from this fate, and not even the vengeful hate you harbor in your fractured heart and soul will stop me!

Suddenly, Watermelody was surrounded by a massive vortex of light green and pale green energy with stars, music notes, watermelons, and magic surrounding the vortex, there are Alicorns flying around the vortex, and in the vortex is a pinkish gray phoenix with blue eyes gazing at Pocahontas: the eyes of salvation.

Me: Whoa, what's with the blue eyes?

Lincoln: I found out that if it's someone who must be saved, the blue eyes on the phoenix in the vortex means salvation.

Nico: Oh, I get it, and the red eyes which we've seen are the eyes of eternal death.

Lincoln: You got it.

Eli: That's really awesome!

Suddenly, we saw Radcliffe's soldiers appear, but they were turned into vampires, and they went at us, but they suddenly stopped and flinched in fear.

Lincoln: Wait, why are they? (Suddenly realizes the scent) That scent of vampire blood, there's no mistaking it.

?: Well, well, looks like there's no need for any introductions.

We turned around, and we were met by none other than Kain, the vampire anti-hero and The Scion of Balance.

Brittney: Kain, the last member of The Circle of Nine, The Scion of Balance.

Nicole: You've already found out that we'd killed DeJoule, Bane, Anacrothe, Azimuth, Malek, Moebius, Mortanius, and Nupraptor, and Lincoln absorbed them and acquired all of their powers and abilities.

Kain: That is correct, Nicole, and I intend to have a duel with him and Diana Darkus later on today.

Lincoln: Very well, we accept your proposal to a duel later on today.

Kain: (Smiles) Excellent, and I'd rather you take care of the soldiers I've just fed on before any of them escape.

Kain disappeared as he turned into a flock of bats and flew off, and Lincoln took care of Radcliffe's turned soldiers by absorbing them into his body.

Gabby Griffon: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Equestria Hurricane Flight Love Griffin Princess Angel and Divine United Friendship Divine Cosmic Starstorm Equestria Hurricane Flight Love Griffin Princess Angel Love) Okay, looks like we've gotten Twisted Pocahontas really mad now.

Lincoln: Now, we can fight and save her.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Watermelody and we joined Gabby Griffon as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Just hang on, we're going to save you even if it means we have no choice but to fight.

Lincoln, Watermelody, and Gabby Griffon went after Twisted Pocahontas, and they fired extremely powerful blasts of rainbow energy, light and very pale green energy, grayish arctic blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Twisted Pocahontas and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Watermelody, and Gabby Griffon attacked her with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, as they hit her, and this was making Twisted Pocahontas mad.

But, before Twisted Pocahontas could attack, a massive figure came charging in like a bull and hit her with a football tackle and sent her flying into a tree, and we saw what it was: a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with red light covering her body and it had the Spider emblem on its chest and eight-pack abs and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman.

Me: Whoa!

Nico: Jeez, you sure shoulder tackled her hard!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) She sure did. (Sees the red color) Wait, the red color on the symbiote suit, there's only one person whose favorite color is red and knows how to shoulder tackle people, isn't that right, Lynn Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Lynn Loud, but she had longer chestnut brown hair, neon red eyes, fangs, and she looked like he was 21 years old.

Black-Suited Lynn: Yep, and our Lincoln told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Lynn: I knew he would.

Then, Lynn arrived.

Lynn: Whoa, is that… me?

Black-Suited Lynn: Yep, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Lynn: Yep.

Black-Suited Lynn turned formed a massive black Symbiote web which latched onto Lynn's stomach, and Lynn began absorbing Black-Suited Luan into her body, and then, Lynn's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Lynn began merging with Lynn and Lynn gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Lybn's rainbow energy aura settled.

Me: Is it over?

Lynn: It is.

Black-Suited Lynn: (Speaking through Lynn's emblazoned Rainbow Dragon and Phoenix and Third Eye) Yeah, we've settled in perfectly.

Lynn concentrated and immediately, her body was covered in a black Symbiote suit with red light reflecting off it and it had the spider emblem on it, and she fired black and red symbiote goo which bound Twisted Pocahontas' wrists and ankles, and then, her symbiote suit went back into her body.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thanks for the assist, Lynn.

Lincoln chanted a powerful incantation and his large golden halo glowed and the four orbiting gold rings fired rays of rainbow healing light which hit Twisted Pocahontas and it not only purified her, but it also cleansed her of the hatred and rage she had in her because of Radcliffe. We cheered wildly as Lincoln, Watermelody, and Gabby Griffon holstered their massive greatswords on their backs and powered down, and Watermelody's new body, clothes, weapons, jewelry, gold halo, Third Eye, longer light and pale green tail, longer pinkish gray horn, and massive light and pale green angel wings are permanent, and Gabby Griffon's new body, clothes, gold halo, weapons, jewelry, Third Eye, longer grayish arctic blue tail, and massive dark azurish gray angel wings are permanent and Lincoln's wild gold hair, large gold wolf ears, eleven massive and long gold wolf tails and gold rabbit's tail, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange.

Eli: That was really a close one. We saved Pocahontas and freed Twisted Pocahontas from the hatred and rage that consumed her broken heart and soul.

Suddenly, Watermelody wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Watermelody's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Watermelody sucked in and absorbed the elemental forces.

Then, Lincoln and Gabby Griffon sucked in and absorbed the elemental forces and they came back to us as the display vanished.

We brought the Pocahontas we know over to us.

Me: Are you all right?

Pocahontas: I think so.

Nico: Thank goodness.

Twisted Pocahontas: I'm so sorry!

She broke down crying.

I went over to her and I comforted her.

Me: It's not your fault. Your grief turned into vengeful hate which made you become the thing your father almost did. Ratcliffe made you that way and it's not to late to change. It's not too late to save people from those like Ratcliffe.

Laney: That's right.

Me: 413 years may have passed since then but you still have all the time in the world to stop corrupt nobility and all that.

Xenia: That's right.

Nico: But at least you got the consequences of messing up the timeline correct.

Twisted Pocahontas: I did?

Qin: You sure did.

Twisted Pocahontas: I'm glad. I'm sorry for everything.

Me: It's all right.

Nico: We can't restore what you lost. But we can find you a new home.

Me: If you want you can stay in Michigan with us?

Twisted Pocahontas: That is a good idea. I would like that.

Me: Good.

Nico: Off you go then.

We teleported her to the estate.

Xenia: That was fun.

Qin: Yep.

Me: Hmm. You know this got me thinking. I can't help but wonder if there are Keyblade Knights for the worlds of Pocahontas, The Black Cauldron and others.

Nico: Hmm. You know there just might be.

Maria: Worry about that later

Nico: Yeah.

Me: Now for the main business of our adventure.

Maria: Better call in backup just in case. (TURNS DIAL) RED FLAME SPIDER STORM!

She summoned Roman Goodwin, SHS Carnage, Mekenobite, Maremotus, Dr. Gene Splicer and Evil Blackarachnia!

Qin: Oh yeah!

Nico: This will be good.

Eli: Lets see here. (SENSES FOR THE ANOTHERS) Whoa! We have Another Mamemon Brothers, Parasite, Gabby Gator, Necrolai, Vathek and Titania.

WE GASPED!

Qin: Geez!

Me: We better stop gasping like that. We could begin to like it. But man this will be interesting.

Carly Atlas: And easy to face too. It's just me, Misty and Shiro that you guys have here with you.

Misty Tredwell: Yeah no kidding.

Shiro: Now I'm really glad I came with you guys on this.

Nico: Anyone else we need to call?

Me: Just Celica.

Qin: Cool! That is easy.

Maria: Yep.

She called Celica in.

Celica: I'm here and ready for action.

Lola: Awesome.

Eli: I sense that the Anothers minus Titania are one person.

Xenia: Nice!

Lola: Cool.

Nico: I see them!

Then we saw Another Another Mamemon Brothers, Parasite, Gabby Gator, Necrolai and Vathek!

Nico: Whoa!

Qin: This will be good.

Another BigMamemon: (In a girls voice) It sure will be fun.

Me: (GASP) That voice.

They merged and she reverted back and was a girl with aqua blue hair and blue eyes and she had blue angel wings and she had aqua blue clothes and had a tiara with the symbol of the Jellyfish Dopant on it and the same symbol was on her skirt and she had a lightning sword and then 2 giant Sea Wasp Jellyfish came and they were buzzing like bees and surging with incredible electricity.

Me: (GASP) Jenna Jellyfish!

Jenna Jellyfish: Awesome to see you again J.D.

Me: You too. Jenna is the Embodiment of the Jellyfish Dopant and she has all the powers of Jellyfish including intense lightning and a deadly venomous sting and those 2 Jellyfish with her are her friends.

Jenna Jellyfish: Yep they sure are. I am known as the princess of Jellyfish and I can have Jellyfish fly in the air and in the sea and on land.

Qin: Whoa! That is awesome!

Lily: Boy you would get along great with SpongeBob. He and I go Jellyfishing and have a lot of fun with it.

Jenna Jellyfish: That is awesome.

Nico: Do you think jellyfish jelly would taste good on Krabby Patties?

Lily: Oh believe me Nico it does. SpongeBob invented it and EVERYONE loves it. Mr. Krabs even got the stupid idea of having SpongeBob capture all those jellyfish and squeeze them dry of their jelly for it. But I convinced SpongeBob to later put it back on the menu.

Nico: That's cool!

Lily: The jelly adds a delicious fruity sweetness to the patty.

Nico: Nice.

Jenna Jellyfish: We'll have to try it sometime.

Nico: I agree there.

Me: By the way Jenna is the Another Titania friendly or hostile?

Jenna Jellyfish: Friendly and she is a REALLY strong one.

Qin: Nice.

Maria: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated from the Anothers!

Qin: It's on!

But then…

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPP!

Jenna's 2 Jellyfish friends electrocuted all the Anothers and blasted them and I caught the Wonder Ride Books.

Me: WHOA! That was powerful!

Celica: Boy that REALLY saved us a lot of trouble.

Carly Atlas: It sure did.

Misty Tredwell: Yeah no kidding!

Leni: Zappity Zap Zap!

WE LAUGHED!

Eddy: (LAUGHS) Leni, Lumpy is really rubbing off on you. But that is definitely something Ed would say.

Nico: Now, we wait.

Me: We don't have to wait long!

We saw a figure and it was ANOTHER TITANIA!

Qin: Another Titania!

Xenia: Whoa this one looks powerful!

Titania: No kidding and she is just as strong.

Another Titania: I sure am.

Me: (GASP) That voice.

She reverted back and was a girl with brown hair and brown eyes and had brown angel wings and brown sports clothes and she had a tiara with the symbol for the Mountain Dopant on it and the same symbol was on her shorts and she had a powerful rock sword.

Me: (GASP) Melanie Mountain!

Melanie Mountain: Awesome to see you again J.D.

Me: Same here. Melanie is the Embodiment of the Mountain Dopant and she has INCREDIBLY strong and powerful superhuman strength. She lifted up a huge mountain with one hand tied behind her back like I did.

Melanie Mountain: Yep I sure did and that was fun.

Titania: Wow! You have amazingly strong strength like I do.

Melanie Mountain: I sure do and I have the power to even make mountains. New mountains and even volcanoes.

Nico: That is really awesome!

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

Kaito got an Operation Overdrive sword and Zocks got a Magistaff.

Melanie Mountain: No he didn't promise me anything. I punched him square in the face and knocked out all of his teeth and smashed his jaw into dust.

Sakura Knudson: HOLY CRAP! That explains why he had all of his teeth replaced with dental implants!

Nico: OUCH!

Me: They don't call Melanie the Mountain Smasher for nothing.

Laney: WHOA! That is powerful!

Gwen: Boy if she did that to someone like Amy she would smash every single bone in her body into dust.

Melanie Mountain: I'll gladly show you that I can do that later on.

Sougo: (gets out Operation Overdrive Ridewatch) Oh, we'll gladly let you do that.

Geiz: (Gets out Mystic Force Ridewatch) That way, she won't escape again.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor.

Melanie Mountain: Looking forward to it.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Melanie Mountain: Awesome.

Another Titania: I WILL RIP YOU APART!

Melanie Mountain: Not in this life bitch!

Then…

SUPER MEGA KRABLAM!

She punched her in the face so hard that it smashed her skull into powder! All her teeth smashed into dust!

Nico: OOH! OUCH!

Titania: JUMPING ABSORBING METAL! That is a powerful punch!

Nico: YEAH! No shit!

Xenia: Brutal!

Nico: Time to smash some skulls! (ACTIVATES TITANIA AND VATHEK'S RIDEWATCHES)

He fired waves of energy and skulls and smashed Another Titania down.

May: Time for this! (ACTIVATES BERSERKER AND UNIVERSE 666 MAKUNGA'S RIDEWATCHES)

She fired waves of energy fists and smashed Another Titania down.

Maria: Top this! (ACTIVATES RUBY THURSDAY AND MINOTAUR'S RIDEWATCHES)

She fired energy fists and smashed Another Titania down!

Konata: Take this! (ACTIVATES VATHEK'S RIDEWATCH)

She fired a skull storm and blasted Another Titania down.

Then Brass Knuckles, Evil Crash Man, Mewberty Star, Mr. Nasty, Yost Wrecking Crew and Another Faiz came.

Nico: Nice team Brass Knuckles!

Brass Knuckles: Thanks Nico.

Takumi: Whoa! Is that the Another version of me?

Me: Yep. Crazy story.

Mr. Nasty: Oh shut your fucking trap you worthless loser!

I got right into his face!

Me: WHAT THE FUCK DID YOU JUST CALL ME!?

Mr. Nasty: YOU ARE A WORTHLESS LOSER!

Me: OH YEAH! Well your mother makes worthless garbage clothes that smell like someone took a shit in them!

Mr. Nasty: Well you look like something cows threw up!

Me: Oh yeah!? Well I've seen uglier looking idiots come in last at the UGLY IDIOT CONTEST!

Mr. Nasty: YOU HAVE A FACE THAT COULD CRACK A SINK!

Me: OH YEAH!? Well you have a face that could crack an entire city dump!? (RASPBERRY!)

Eli grabbed me and Mr. Nasty.

Eli: Pardon me you two but I must discipline the nannygoats!

BLANG!

He bashed our heads together and we had birds spinning and chirping around our heads.

Me and Mr. Nasty: OUCH!

Nico put soap in his mouth.

Me: Yuck! That will leave a bad taste in his mouth.

?: Boy no kidding!

Bubble Man came!

Me: Bubble Man! Cool!

Bubble Man: (In a girls voice) I hope he gets that poop dump he calls a mouth cleaned out.

Nico: Bubbles Soapra! Whoa!

Bubbles Soapra: Awesome to see you again Nico. I got this.

She fired waves of bubbles and destroyed Another Titania and I caught the Ridewatch and purified it.

Me: Awesome!

Laney: That sure was.

Nico: You're naked, right?

Bubbles Soapra: I sure am.

Me: Uh oh.

I put on my Blind Man Glasses and the boys covered their eyes.

Mr. Nasty: I'm not covering my eyes!

Brass Knuckles: Just do it or Nicole will kill you! And she is NOT Bluffing!

Mr. Nasty: Okay okay!

He did so.

Me: It's going to hurt though.

Bubbles Soapra: I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain.

Then she threw up soap and it hit May right in her eyes.

May screamed in pain as she got SOAP RIGHT IN HER EYES!

May: OW OW OW! I GOT SOAP RIGHT IN MY EYES!

Maria: Oh man I hate it when that happens!

Maria washed it off.

Bubbles reverted back and had blue hair and blue eyes and had blue angel wings and she had a symbol for bubbles in the middle of her forehead.

Bubbles Soapra: (Groans) Oh man that hurt. (GASP) Oh man sorry May! I didn't see you there.

May: Ow ow! No worries!

Maria washed her eyes.

Bubbles Soapra: (Sees herself) GAH! I'm not even in my bathtub and I'm naked! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The Fashion Brigade moved in and gave her new awesome blue clothes.

Bubbles Soapra: Wow! What an awesome outfit.

Varie: Thanks.

May: That always stings!

Me: I know. I hate it when that happens.

Bubbles Soapra: I know.

Konata: Me too. What's your favorite memory of Nico?

Bubbles Soapra: When me and Nico were tasked with doing an incredibly impossible task and that was to give the stinkiest and most filthy man in our city a bath. He never took a bath for 34 years. He never even washed or showered even ONCE in his life.

Me: GOOD GOD!

Lana: Cool!

Nico: His stench was so dangerous that it virtually took on a mind of its own.

Qin: Yep.

Maria: Did you succeed?

Nico: Yep.

Bubbles Soapra: Yeah we fired a water and soap combo blast and got him SQUEAKY clean.

Nico: Yep.

Me: That is disgusting! But man that is awesome you did that.

Nico: It sure was.

Nico and Bubbles hugged.

Nico: I've missed you.

Bubbles Soapra: Same here.

We went back home.

It appears that another old enemy of The Trouble Busters is running loose, her name is Sarah McCoy, she's a big time troublemaker who's known as a heartless Karen who thinks she's better than everyone around her and she enjoys making everyone miserable for her own amusement. Well, she's about to get a visit from us and The Trouble Busters and we're going to take her down and throw her in prison where she belongs.

Lincoln: Whoa, we're here in Downtown Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got bad news.

Alana Monroe: And I know what that bad news is: it appears that another old enemy of ours is now running loose, her name is Sarah McCoy, she's a big time troublemaker who's known as a heartless Karen who thinks she's better than everyone around her and she enjoys making everyone miserable for her own amusement.

We gasped.

Me: Oh shoot.

Nico: If she's as bad as you girls say, you know what that means?

Lincoln: Yep, and just like with that pest, Aiden, Sarah's going straight to prison for good.

Koji: And we know what this means.

Alana Monroe: Yep.

Alana Monroe, Helen Bailey, and Melanie Taylor: TIME FOR THE TROUBLE BUSTERS!

Suddenly, we saw a beautiful and super sexy girl with long black hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings and she's dressed in an orange short-sleeved blouse, sleeveless dark blue top, orange skirt, dark blue knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with fire, dragons, and angels on the coattails and on the back is Prima, one of The 13 Primes and on top is Shenron and the Seven Dragon Balls, in her right hand is a greatsword with the Seven Dragon Balls embedded on the massive wide blade and with her are the twelve girls.

Lincoln: (GASPS) Elise Dragonball, Gene-Slammer of Prima and Embodiment of Dragon Ball.

Elise Dragonball: You got that right, and I got the girls away from that ugly bitch, Sarah, and she's already heard the words, "Time for The Trouble Busters!", and now, she's really pissed now.

?: (ENRAGED SCREAM) YOU UGLY BITCHES!

We then saw a girl with purple hair and purple eyes and she was dressed in fancy clothes, but she was extremely evil and murderous, it was Sarah McCoy, another of The Trouble Busters' enemies.

Alana Monroe: Well, look who just showed up.

Sylvester: Just in time to get sent to prison for good.

Then, Lincoln fired gold spider silk webs and tied Sarah McCoy up and we called the cops who grab Sarah and threw her into a police car, and Nico and I gave her the finger and she was screeching like crazy as the car drove off. We cheered as we holstered our weapons and powered down.

Lincoln: Enjoy spending the rest of your life in prison with Aiden. (To Elise Dragonball) And it's so good to see you again, Elise Dragonball.

Elise Dragonball: You too, Linky, it's been a long time, and it's also good to see you and the rest of the family again, Pan.

Pan: You too, Elise.

Lincoln went up to Elise Dragonball and he hugged her, and Elise Dragonball is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elise Dragonball: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Elise Dragonball, Gene-Slammer of Prima and Embodiment of Dragon Ball, she's my Guardian Angel from Japan and classmate in Gym, and not only is she the Gene-Slammer of Prima, but she's also the Embodiment of Dragon Ball. She easily identified because of her black hair, black angel wings, and she wears an orange gi and orange skirt.

Gohan: She's also the twin sister of Pan and my youngest daughter, and only Lincoln knew that Elise like her sister Pan, can turn into a Super Saiyan. She, Pan, and Lincoln would always train together anywhere even underwater which helped Elise and Pan master each Super Saiyan transformation to the point that even the flaws of Super Saiyan 3 and Super Saiyan 4 were no longer present. Lincoln made Elise a necklace containing replicas of each of the 7 Dragon

Balls, and to show thanks for that as well as helping her and Pan master each Super Saiyan transformation, Elise and Pan kissed Lincoln on the lips.

Nico: Whoa, so you helped them master each Super Saiyan transformation to the point that even the flaws of Super Saiyan 3 and Super Saiyan 4 were no longer present? That's incredible.

Selene Emperyous: And Elise hated The Wet Bandits with blazing passion, why, because they tried to steal from Hercule Satan while Lincoln, Elise, and Pan were there, what a bunch of morons. But, their plan to steal from Hercule Satan ended badly and Lincoln, Elise and Pan did not take kindly to that, so they beat the living crap out of them and kicked them so hard, they sent them flying right back to prison.

Eli: What a bunch of boobs.

Selene Arcangela: They sure were, and like all of us, Elise really hated Frieza with a blazing passion.

Elise Dragonball: I hated that monstrous tyrant for everything he did, but when I heard of what you all did in giving him, Cell, King Cold, Garlic Jr., and many more of our old enemies The Black Gates, I was so glad to hear the news, but I can tell there are several of them who are in The Masters of Evil.

Lincoln: Yeah, they happen to be The Ginyu Force, Cui, and several others, and we're keeping an eye on Cui, since he was Frieza's trusted soldier.

Vegeta: And if he tries to double cross Vypra, Lincoln's curse will take his life and send him to The Black Gates.

Elise Dragonball: Dad did tell me that you've been busy with making some awesome curses, that's so awesome.

Goku: His favorite one is The Gessius Flores Vengeance Curse, and this one makes gold, jewels, gems, and many other currencies explode out of those hit by it, and two of those victims are none other than The Wet Bandits, and they're now humiliation fodder for

us.

Elise Dragonball: (GASPS) Ooh, now we can humiliate them all we want and get tons of gold, jewels, gems, and other currencies from them?

Gohan: And from the several other jerks namely Flip, Lewis Travolta, Pablo, Anderson, Amy, Billy McLean, and Bradley Uppercrust III just to name a few. But, the two jerks who got The Black Gates were our former humiliation fodder, Scoots and Killjoy Huggins, and you've already heard the rumors.

Elise Dragonball: That Chase Young's Dark Side was the true cause of Lincoln's suffering and why Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins became those horrible monsters? I've heard, Dad, and I'm glad that monster got what he deserved.

Lincoln: Me too, Elise, and now that you're here.

Lincoln went up to and hugged Elise Dragonball in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Elise Dragonball: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Elise Dragonball's neck with the Seven Dragonballs on the gold lightning bolts and orange crystal links from their merged Crystal Necklaces of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her

neck.

Elise Dragonball: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elise Dragonball.

Elise Dragonball had a smile on their faces and tears in their eyes as Lincoln still had his arms around her waist and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them immediately. The twelve girls are Ruby Hoshino, Kana Arima, Mem-Cho, Akane Kurokawa, Frill Shiranui, and Minami Kotobuki from Oshi no Ko, Lammis, Hulemy, Shui, and Filmina from Reborn as a Vending Machine, I Now Wander the Dungeon, and Akane Kusunoki, Tomoe Kusukoni, and Yuko Kimishima from Menage a Twins.

Lincoln: Oh wow, it's Ruby Hoshino, Kana Arima, Mem-Cho, Akane Kurokawa, Frill Shiranui, and Minami Kotobuki from Oshi no Ko, Lammis, Hulemy, Shui, and Filmina from Reborn as a Vending Machine, I Now Wander the Dungeon, and Akane Kusunoki, Tomoe Kusukoni, and Yuko Kimishima from Menage a Twins.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ruby Hoshino: Yes, we're okay, thanks to you.

Then, when Ruby Hoshino and the other eleven girls saw who it was that saved them from Sarah McCoy, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ruby Hoshino: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ruby Hoshino, Kana Arima, Mem-Cho, Akane Kurokawa, Frill Shiranui, Minami Kotobuki, Lammis, Hulemy, Shui, Filmina, Akane Kusunoki, Tomoe Kusukoni, and Yuko Kimishima with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and they were shocked to find out the villain we went after was another enemy of The Trouble Busters named Sarah McCoy.

But, when Lincoln showed what we all did in beating that bitch down and Lincoln tied her up with gold spider silk and gave her to the cops and they took her away, everyone cheered as they hugged us and Lincoln's harem kissed him on the face and lips as steam whistled from his ears. Lincoln and Elise Dragonball have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so that explains the mayhem we heard about in downtown, so another enemy of The Trouble Busters was running loose?!

Lincoln: Yep, but we defeated Sarah and sent her to the same prison we sent Aiden to, that's another troublemaking pest taken down.

Alana Monroe: You said it, but there's more troublemakers out there, and we'll be there to stop them.

Me: You got that right.

After taking down Sarah McCoy and throwing her in prison, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Elise Dragonball saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his

eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Elise Dragonball: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elise, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Elise Dragonball: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really

strong, and really powerful man.

Elise Dragonball: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Elise, what memories did you have with Lincoln?

Elise Dragonball: We were hoping you'd ask that. Well, one time, Lincoln and I along with the rest of his Guardian Angels and harem were at the gym and we were doing some more workouts, but this time, we had an Anti-Gravitation Chamber installed courtesy of Bulma. But, then, the gym's alarm sounded, and we suddenly heard outside the familiar sound of an idiotic killjoy running loose and screaming for Lincoln's blood to be spilled, and we knew who that was: Killjoy Huggins. I'd had about enough of that moron running loose, so we ended the training early, and we went out to confront that moron, but it turns out he also had thugs with him, and that was more than enough for Lincoln to let loose his more vicious side, he tore the thugs to shreds and he also drank all of their blood. That also made Killjoy Huggins mad, but before he could get after Lincoln, I kicked him hard in the groin and he went down like a pile of bricks.

Nico: (WINCES) Ooh! That's really got to hurt.

Selene Emperyous: Not as much as when she told Superintendent Chen of what he tried to do again, she got so mad, she got out a medieval flail and whacked him hard on the head with it, and don't even ask where she got that from!

Me: Yeah, I don't think I'd want to know the answer.

We got a shower, and then, Lincoln, Snowbelle Treefrost, Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco are heading to Aqua Star.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Snowbelle Treefrost, Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Snowbelle Treefrost: Wow, so this is Aqua Star, it sure is beautiful.

Lincoln: It sure is, Snowbelle, and it's perfect for our first date. Shall we?

Lincoln, Snowbelle Treefrost, Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Snowbelle Treefrost, Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Snowbelle Treefrost, Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco and they hugged them in their abnormally massive and powerful muscular arms, and Snowbelle Treefrost, Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Aqua Star, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco are in your harem.

Eli: And Snowbelle joined Lincoln's harem after we took care of those cannibal veggies in Nowhere.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Snowbelle Treefrost, Simulator Wonder Woman, Simulator Hawkgirl, Simulator Supergirl, Simulator Power Girl, Simulator Stargirl, Simulator Huntress, Simulator Vixen, Simulator Starfire, Simulator Raven, Simulator Tania, Simulator Mai Valentine, and The Attendant/Coco, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's

much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

She fired waves of water and got the place cleaned up.

Nico: Thanks.

Bianca Bio: Bianca Bio - Embodiment of the Bioman from 1984.

Me: Awesome to meet you Bianca.

Elita One: Can you tell us more about yourself?

Bianca Bio: I sure can. I'm a biomedical engineer and I also work with biomechanical engineering. I make organic cybernetic limbs to help those that lost them get new limbs.

Qin: It sure is.

Izzy Moonbow: Lana had an eating contest of the most grossest foods with Jeeves Weevil and she won.

Shendu: ARE YOU SERIOUS!?

Trap Jaw: Lana beat Jeeves Weevil at eating that crud!?

Me: Made us all hurl our guts out.

Laney: It's why we said you don't want to know.

Killer Shrike: Sorry I asked! Are you all okay?

Me: Better now. Most of us.

Nico: Yeah. But to answer your question yes you all can come with us.

Trap Jaw: All right!

Lily: Awesome.

Trap Jaw: Is everyone done puking?

We nodded.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than General Custer from the world of Spirit: Stallion of the Cimmaron. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than General Custer from the world of Spirit: Stallion of the Cimmaron.

We gasped.

Me: Oh man, I remembered seeing Spirit: Stallion of the Cimmaron, and that version of Custer was an honorable villain along with his men

Nico: So, we're going to recruit him and his men to The Masters of Evil, alright, let's get ready to head on out.

Eli: This is going to be one awesome adventure.

Commander Mars: Nico, which Gene Slammer do you think you'll meet next?

Nico: Air Man this time.

Qin: Cool!

Me: One of the Wind this time. Nice.

Nico: Yep. And I have just the mission for us.

Nico went and grabbed a movie case and it was for the movie Spirit: Stallion of The Cimarron.

Qin: COOL! That's one of my favorites.

Laney: Spirit is a great horse!

Applejack: YEEHAW! So we're going to meet Spirit.

Nico: Yep. First we'll watch the movie and then head out.

Me: We're going to need a lot of snacks and water too.

Lola: Good idea.

I got to work and made us all everything possible for us to eat and drink. We then got to watching the movie.

---

In the 19th-century American West, a Kiger mustang colt, Spirit, is born to a herd of wild horses; he grows into a stallion and assumes the leadership of the herd. One night, upon following a strange light near his herd, Spirit finds horses tied to a log and their wranglers sleeping around a campfire. They awake and, after a chase, capture him and take him to a US cavalry fort.

The leader of the fort, the Colonel, orders Spirit to be broken; however, Spirit defies all attempts. The Colonel retaliates by having him tied to a post for three days without food or water. Meanwhile, a Lakota Native American named Little Creek is also brought into the fort and held captive. After three days, Spirit is weak enough that the Colonel takes control of him, boasting that any wild horse can eventually be tamed, but seeing the disappointment in the other captive horses, Spirit gets a second wind and throws him off. Humiliated and livid, the Colonel is about to shoot him before Little Creek frees himself from his bonds with a knife and saves Spirit; they escape, releasing the other horses in the process. However, Little Creek catches Spirit himself and takes him to his village.

After returning to the Lakota village, Little Creek attempts to tame Spirit with kindness, but Spirit still refuses to be broken. Little Creek ties Spirit with his mare Rain, hoping she can discipline him. Spirit eventually falls in love with Rain despite not understanding her attachment to humans. Soon, Little Creek and Spirit come to a mutual respect and the former realizes that the horse will never be tamed, so he lets Spirit go. Spirit is about to return to his herd and convince Rain to come with him when he notices the Colonel and his men charging to attack the village. During the battle, at which Spirit returns to help, the Colonel shoots Rain and she falls into a river; he is about to shoot Little Creek, but Spirit knocks the Colonel off his horse, deflecting the shot and saving his life. Spirit then runs after Rain in attempts to rescue her, but they both plummet over a waterfall. Spirit stays by Rain's side, only for the cavalry to recapture him but leave her for dead. Little Creek tends to Rain and vows to free Spirit in return for his life being saved by him.

Broken, Spirit is put in a train with other captured horses from the village and loses his self-worth. However, he has a vision of his family from his homeland running free, strengthening him again. Spirit is forced to work on the transcontinental railroad, pulling a steam locomotive with other horses. After noticing that the railroad will pass right through his home, Spirit quickly breaks free from the sledge and then frees the other horses. They all escape, but the loss of the horses causes the locomotive come tumbling down the hill with Spirit running for his life from it. It crashes into a station and into another locomotive, causing an explosion that sets the forest ablaze. Spirit is trapped when the chain around his neck snags on a fallen tree. Little Creek intervenes setting him free, and together they escape by jumping into a ravine.

The next morning, the Colonel and his cavalry find Spirit and Little Creek and a chase ensues through the Grand Canyon, where they get trapped on one side of a gorge. Spirit makes an incredible leap to the other side, and his bravery amazes the Colonel; he stops one of his privates from shooting Spirit, and humbly accepts defeat and leaves them be. Celebrating their victory & freedom, Little Creek returns to the Lakota village with Spirit and finds Rain nursed back to health, and names the stallion "Spirit Who Could Not Be Broken". Spirit and Rain are then set loose by Little Creek; they depart to Spirit's homeland, and they all reunite with the herd.

---

We were really amazed by the movie and when it was done we were cheering wildly.

Nico: That is awesome!

Me: Boy it sure was!

Applejack: YEEHAW! That was so fun and cool!

Me: Yeah it was!

Camie: So we're going after General Custer and his men.

Me: Yep and this takes place back at the end of the 1860s before Custer became General.

I went over his history.

---

George Armstrong Custer, or better known as The Colonel, is the main antagonist of DreamWorks' 6th full-length animated feature film Spirit: Stallion of the Cimarron (sometimes called Spirit).

He was voiced by James Cromwell, who also played Robert Callaghan in Big Hero 6, Dr. Arthur Arden in American Horror Story: Asylum, Captain Dudley Smith in L.A. Confidential, Joseph Campbell in The General's Daughter, William Donahue in Eraser and Warden Hazen in the 2005 remake of The Longest Yard.

When Spirit is brought to the Colonel's army base by a band of wranglers, he notices the numerous cavalry horses forced to work for the army and tries to flee as the soldiers try to stop him until the Colonel breaks up the scuffle. The Colonel orders his men to bring him to a blacksmith named Murphy for him to be tamed, only for him to get severely beaten by the wild mustang. The Colonel then takes Spirit to the corral and tries to have his soldiers break him, but all attempts fail miserably. The Colonel then orders his men to tie up Spirit and deprive him of any food or water for three days as punishment for his defiance.

During those three days, the Colonel is introduced to a Lakota tribesman named Little Creek, who was caught and arrested by his men for stealing supplies from the base. The Colonel then orders his soldiers to tie up Little Creek to the post and deprive him of any food or water as well. When Spirit's three days were up, the Colonel begins to ride the weakened Spirit as he desperately tries to shake him off, to no avail. As the Colonel proudly boasts about his apparent success, Spirit quickly regains his confidence and manages to throw the Colonel off his back. As the Colonel gets back up, he notices the other cavalry horses cheering for Spirit's victory and orders one of his soldiers to reprimand Spirit as he pulls out his revolver to shoot Spirit. However, Little Creek manages to free himself and stop the Colonel before escaping the fort with Spirit and the other cavalry horses.

The Colonel and his men got more horses and launch a surprise attack on a Lakota village. Ironically, the village he was attacking was where Little Creek resided. Rain (whom Spirit had strong feelings for) comes to Little Creek's aid and runs against the Colonel, but she gets mortally wounded by the Colonel and is swept away by a river. As Little Creek tries to swim to shore, the Colonel raises his gun to kill Little Creek, but Spirit knocks the Colonel off his horse. The Colonel becomes surprised at Spirit's coincidental reappearance, while Spirit runs to rescue Rain.

After Spirit and Rain get swept by a waterfall, the Colonel's soldiers capture Spirit and take him away to a railway station to have him transported to the construction site of the Northern Pacific Railroad, while leaving Rain to die. Upon arriving at the site, however, Spirit destroys the railroad project once he realized that it was going to invade his homeland and escapes the construction site with Little

Creek after he came to rescue him in exchange for saving his life.

The Colonel and his cavalry unit accidentally find Spirit and Little Creek in the Grand Canyon the next day after the destruction of the Northern Pacific Railroad. A dangerous chase is ensued and Spirit and Little Creek manage to knock out a few soldiers before being cornered by the cavalry. However, the pair successfully manage to escape their pursuers as Spirit leaps across the canyon, amazing the Colonel. One of his men raises his rifle to shoot at the pair, but the Colonel stops him. Both exchange nods of recognition and the Colonel leaves quietly with his men.

---

When it was done we were amazed!

Nico: Just like back in real life in those days.

Me: Yep. But back in the 1870s during the Battle of the Little Bighorn up in Montana, Custer and the 7th Cavalry attacked Sitting Bull's village, but were overwhelmed by thousands of Lakota warriors and killed in the battle, making it one of the most significant military defeats the U.S. suffered during the Sioux wars, which would eventually lead to the infamous Wounded Knee massacre of 1890 in retaliation for Custer's defeat.

Nico: Yep.

Camie: That was terrible!

Xenia: Yeah it was .

Leslie Gesneria: Let's go to where he is.

We nodded.

Me: Lets saddle up!

We whistled and called our Rapidash.

We got on them and opened a portal and we got Cowboy hats on.

Me: LETS RIDE!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Kain, and he's coming for his duel with Lincoln and Diana Darkus. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and it's just as we thought from this morning: the figure we saw and the dark energy we sensed belongs to Kain, and he's coming for our duel.

Nicole: Just as we'd thought.

Lincoln: Yep, and I've been going over his information, and it turns out he's a vampire anti-hero, he may have done some dark things, but he'd saved Nosgoth from terrible evil such as The Sarafan, The Hylden, and The Elder God, the eldritch being responsible for the decay of the Pillars and their very corruption.

Brittney: That's right, so you're suggesting that we bring him into Team Loud Phoenix Storm, Lincoln?

Lincoln: Exactly, Brittney. He's already proven that he's a hero despite the dark things he's done, and as I promised, I intend to fight him with everything I've got.

Nico: Just be careful, Lincoln, he's a really skilled and deadly adversary, and that sword he has is also very deadly.

Nicole: The Soul Reaver, an indestructible sword forged with metal and powered with the energies of The Pillars, and it also has the ability to drain the blood and consume the souls of its slain victims.

Lincoln: That thing has slain countless Sarafan soldiers and drained their blood and consumed their souls, I know just how deadly that blade is, but I'm ready for Kain.

Diana Darkus: And so am I.

Nico: Fighting Kain will no doubt be a challenge, but to also have him as a member of the team and future member of The Goths of Darkness, who are we to ignore something like that. Alright, gang, let's go, we're off to meet Spirit and his friends.

Lincoln: And take down Custer and his men and send them to The Masters of Evil, and once we get down with our mission, we shall have our duel, Kain.

Diana Darkus: We've taken down the corrupted Guardians of The Pillars of Energy, Nature, Conflict, Dimension, Time, States, and Mind, and now, we shall have our duel with The Scion of Balance.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to meet Spirit and his friends and take down General Custer and his men and send them to The Masters of Evil, and once we got done with them, Diana Darkus and Lincoln will have their duel with Kain, The Scion of Balance. But, unknown to us, Kain heard our intentions and smiled.

Kain: So, you also extend an invitation for me to join Team Loud Phoenix Storm after finding out more about me. Hmm, very well, I'll graciously accept your invitation right after our duel.

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

WE WERE OFF TO 1869 UTAH

Kain turned into a swarm of bats and followed us to the world of Spirit: Stallion of the Cimmaron.

---

UTAH - WORLD OF SPIRIT: STALLION OF THE CIMARRON - 1869

---

We arrived.

Me: Wow! Here we are.

Nico: Amazing!

Hsi Wu: Hope you don't mind that I fly all the way!

Nico: Not at all.

We then saw Little Creek and Spirit riding fast from Custer's men!

Me: There! Lets get them!

Nico: YEAH!

We rode after them.

Me: Okay speedy jerks! Your rides end here!

I fired energy blasts and blew the men apart!

Nico: YEAH!

Juandissimo Magnifico: Hola, Spirit!

Spirit: Wow! Team Loud Phoenix Storm!

Little Creek: It's an honor! I heard so many things about you by the spirits.

Lincoln: Pleasure to meet you Little Creek.

Me: This way!

We went to a cave in the distance and I fired an energy blast and blew a rock wall apart and blocked up the chasm.

Me: That will hold them while we talk.

We went to the cave.

We got to the cave and went in.

Me: Okay that will hold them.

Shendu: Are you an American Quarter Horse?

Spirit: I guess so.

Little Creek: Thanks for saving us back thre.

Me: No problem. Custer and his men won't give up that easily. But we're going to be ready for them.

Xenia: Yeah.

Spirit: And I see fellow horses are with you guys too.

Ilana: They're called ponies.

Twilight Sparkle: We're not just ponies. But we're Earth Ponies, Unicorns, Pegasi and Alicorns.

Me: It's a really long story. But the adventures we had with Twilight Sparkle and friends were some of the most amazing and eventful in all of the team.

Sunset Shimmer: They sure were. And it's always awesome.

Spirit: Wow that is cool!

Little Creek: Boy you guys did it all with them.

Nico: Yep.

Griffin: How about I fly and try to locate Custer?

Me: Good idea.

Qin: Yeah.

Griffin flew to find him.

Nico: This is gonna be good.

Spirit: (sniffs something) Why do I smell a bit of throw up?

RD Luna: It's a long story, dude.

Spirit: Did you guys get really sick?

Me: You could say that.

Qin: Yeah it was awful.

Kai Green: But this is gonna be a really amazing adventure for us.

Little Strongheart: I agree too.

Energon Scorponok: Can one of us ride on you?

Spirit: Oh sorry but I'm afraid that Little Creek here has earned my trust on that.

Nico: That's understandable.

Xenia: No worries.

Me: To earn a horses trust you got to understand and earn his respect. It takes a lot of work. Just like to earn the trust and respect of a Rapidash.

Lara Laramie: That is true there.

Roxy Rocket: You also don't want to smell of vomit, do you?

Spirit: No. But I can tell you all cleaned yourselves off.

Qin: Yeah we did.

Spirit: I'm glad.

Xenia: Yeah.

Neytiri: I'm sorry you had to smell that on us.

Spirit: It's okay.

Fluttershy: It's a really weird story.

Panda King: (to the Rapidash) Don't be shy. Go introduce yourselves to Spirit.

They went and did so and they were good friends already.

Nico: Cool.

Me: Be careful with their manes though. They are made of intense pure fire.

Spirit: Okay.

Little Creek: Will do.

Spymaster: Don't let that fool you though. They're very friendly.

Little Creek: They sure are.

Qin: Yeah.

Me: And they are really fast too.

Nico: Yep.

Sunset Shimmer: And they are powerful as well.

Shocker: Guys, I think I see Custer's Men approaching!

I looked through my binoculars and saw a dust cloud coming.

Me: That's them!

Griffin came back.

Griffin: They are coming.

Nico: We can see that.

Me: Time for an entrance right?

Killer Shrike: Let's get his goons out of the way first!

Me: All right then.

We got on our Rapidash.

Nico: Lets get them.

Me: Lets ride!

We went at them.

The men came towards the cave and then the spirits of the Native American Indians appeared and they swirled around them and then converged and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out in front of the men and a phoenix cry was heard and then we jumped out of the explosion!

Me: YEEEHAW!

I fired blasts of fire and blasted the men all over.

Nico formed a vine lasso and swung it and around and then snagged a man and pulled him down.

Lara Laramie: I really like how amazing you are, Spirit!

Luxord: (laughs) I knew you would love him!

Spirit: (LAUGHS) YEAH! It's so fun!

Little Creek: It sure is!

We fired waves of energy and fire and blasted the Men.

Applejack: YEEHAW!

Applejack used a lasso and grabbed a man and pulled him off! Little Strongheart bashed the men all off their horses!

Spirit: Any specific reason why Lara and Applejack are taking a liking to me?

Mummy: It's actually quite simple.

Me: They live on ranches and farms and have Texas and Western Pride.

Spirit: That is for sure! And I like it!

Xenia: That is awesome and cool!

Dead End: If we don't get to Custer, we'll be overrun.

Nico: That won't happen!

We got the last of his men down.

Nico: Lets go!

We then rode and we saw him. We were in front of COLONEL GEORGE ARMSTRONG CUSTER!

Colonel Custer: Team Loud Phoenix Storm, I presume?

Me: Colonel George Armstrong Custer, I've read so much about you in books all the time in Civil War history and all about everything you have accomplished.

Colonel Custer: Your accomplishments are just as amazing as I had heard J.D. Congratulations are in order for taking down some of your most dangerous enemies.

Me: The feeling is mutual.

Beast Man: And guess what? You're next!

Me: Sorry we have to do this colonel. But it's to show you that some horses and some people just want to be left alone and be free.

Colonel Custer: I understand.

Me: You are truly honorable colonel.

Qin: That is for sure.

I fired tiny energy beams and blasted his men down.

Nico: And you're an important part to history. So… yeah.

Colonel Custer: I agree. Also J.D. one thing has me interested. You look like Charles Sumner.

Me: That's because he's my ancestral uncle.

Colonel Custer: I had a feeling! And he was attacked by Brooks a while back.

Nico: Brooks?

Me: South Carolina's Senator Preston Brooks attacked Charles Sumner by caning him on May 22nd, 1856.

Nico: Geez!

Eli: I didn't know about that.

Colonel Custer: Yeah that was terrible back then.

Me: It sure was.

Maria: Some backup will keep your men busy! (TURNS DIAL) SPIDER FURY 6!

She summoned Webstor, Man Spider, Banshee Woman, Levia-Slate, Leo Zodiarts and Mosquito Girl.

Qin: Oh yeah!

Poromon then vomited all over a man.

Colonel Custer: So, how long have your mascots been puking?

Me: About uhh 2 hours.

Nico: Yeah.

Then Dr. Viktor, Demyx, Heat Wave, Dai Gui, Vulture, New Wave, Control Freak, Vulkanus, Electro, Eccentro and Zzzax came.

Nico: Dr. Viktor, Demyx, Heat Wave, Dai Gui, Vulture, New Wave, Control Freak, Vulkanus, Electro, Eccentro and Zzzax.

Dr. Viktor: Custor is pretty much an honorable villain.

Heat Wave: That means he's not gonna die.

Dai Gui: Lucky him.

Me: He's a very important piece of America's history.

Dai Gui: That is true.

Vulture: (to Nico) We heard you found another treasure.

Nico: We sure did.

New Wave: What was it?

Philip: It was called the Sword of SuikaKaze. It's a sword from Japanese legend.

Me: Really awesome story.

Lori: So, that's Kain.

Lincoln: The vampire and savior of Nosgoth himself.

Brittney: And whom we encountered when we faced Twisted Pocahontas this morning on Nico's rescue.

Diana Darkus: We'd already taken care of the eight corrupted Pillar Guardians and no doubt due to the dark manipulations of The Elder God that dwelled within Nosgoth.

Kain: Yes, and Lincoln absorbed them and acquired all of their powers and drained their souls before sending them to The Black Gates. I knew it would come to this outcome, the Pillar Guardians were far too corrupted by the creature Raziel rebelled against, and to that, you've earned my thanks. Now, I believe it's time, and I overheard your conversation, I shall gladly join Team Loud Phoenix Storm only after you defeat me in our duel.

Diana Darkus: You knew of our intentions from the beginning, alright then.

Nicholette Torrington: This is it, now the battle is about to begin.

Suddenly, Diana Darkus' pink eyes turned neon pink and she was surrounded by a black and purple energy aura with stars, darkness, shadows, dark magic, black magic, Satanic magic, demons, phoenixes, and angels, she unholstered her dark sword, and as she approached Kain, she left black and purple energy, stars, darkness, shadows, dark magic, black magic, Satanic magic, demons, phoenixes, and angels with every step.

Diana Darkus: We'd faced each of the corrupted Pillar Guardians, and Lincoln absorbed them and he assimilated all of their powers and after he drained their souls, he sent them straight to The Black Gates, and now, we stand face to face with you, The Scion of Balance and the vampire hero who has saved Nosgoth from chaos wrought on by The Sarafan Brotherhood, The Hylden, and the parasite who tried to force Raziel into being his servant only to rebel against him and stand with you again as your right hand. Kain, Scion of Balance, prepare yourself!

Suddenly, Diana Darkus was surrounded by a massive vortex of black and purple energy with stars, darkness, shadows, dark magic, black magic, and Satanic magic surrounding the vortex, there are demons, phoenixes, angels, and The Dark World Duel Monsters flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Diana Darkus emerged, but she was changed

forever.

Diana Darkus grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has black highlights in the bangs of her long purple hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon pink eyes and a black and purple energy aura with stars, darkness, dark magic, shadows, black magic, Satanic magic, demons, phoenixes, and angels surrounding her, she has The Dark World Duel Monsters emblazoned on her forehead and Third Eye with purple iris, she has on angel earrings with purple gems for eyes and holding the Star, Dark, and Eternity Kanjis in her hands, she also has the Dark World Duel Monsters with purple gems for eyes and holding the Star, Dark, and Eternity Kanjis Kanjis in their hands for the second pendant on the bottom of her black and purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Diana Darkus has on a short-sleeved black blouse, black sleeveless top, black ankle-length skirt, and long sleeveless white trenchcoat with stars, darkness, dark magic, shadows, black magic, Satanic magic, demons, phoenixes, and angels on the coattails, and on the back are the Dark World Duel Monsters surrounded by stars, darkness, dark magic, shadows, black magic, and Satanic magic. Suddenly, Diana Darkus felt a sharp pain on her back, and then, her massive black angel wings with purple tips on the black feathers grew and sprouted out from her back, and she also now has eleven massive and long black wolf tails with purple tips and purple markings, Diana Darkus has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Diana Darkus' dark sword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and purple energy, stars, darkness, dark magic, shadows, black magic, Satanic magic, demons, phoenixes, and angels, and when it emerged, it was transformed into Diana Darkus' Infernal Dark World Eternal Black Magic Darkness Greatsword of Infernal Dark World Eternal Black Magic Darkness Justice, it's a brand-new massive greatsword with embedded colored gems and the Dark World Duel Monsters etched on the 7'6" massive, wide, double-edged midnight black blade, black dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large purple gems embedded in the foreheads, longer midnight black handle, four large purple phoenix heads with crimson red gems for eyes and on the bottom of the large purple phoenix heads is a black dragon head with crimson red gems for eyes and a purple gem in its mouth for the pommel, Diana Darkus has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large version of Zure, Knight of Dark World's head with crimson red gems for eyes and large purple gem in its mouth for the belt buckle and golden versions of the other Dark World Duel Monsters' heads on and around her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Suddenly, Diana Darkus' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Diana Darkus has transformed into SUPER ANGEL-DARK WORLD DUEL MONSTERS GODDESS-DEMON-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE INFERNAL DARKNESS BLACK MAGIC DARK WORLD DUEL MONSTERS GODDESS DEMON PHOENIX ANGEL OF DIVINE INFERNAL DARKNESS BLACK MAGIC DARK WORLD DUEL MONSTERS GODDESS DEMON PHOENIX ANGEL JUSTICE AND DIVINE INFERNAL DARKNESS BLACK MAGIC DARK WORLD DUEL MONSTERS GODDESS DEMON PHOENIX ANGEL LOVE!

We were really amazed by Diana Darkus' Super Angel-Dark World Duel Monsters Goddess-Demon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Kain saw it, a smile was seen on his face as he unholstered his Soul Reaver from his back.

Nicholette Torrington: (GASPS) Oh, no way, did Diana just…?!

Lincoln: She did, Nicholette, Diana Darkus has transformed into her Super Angel-Dark World Duel Monsters Goddess-Demon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's time.

Diana Darkus: (Divine Echoing Godly Voice of The Divine Infernal Darkness Black Magic Dark World Duel Monsters Goddess Demon Phoenix Angel and Divine Infernal Darkness Black Magic Dark World Duel Monsters Goddess Demon Phoenix Angel Love) That's right, it's time to fight Kain. Shall we, Lincoln?

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Diana Darkus.

Kain: Yes, do not hold back, show me everything you have.

Diana Darkus and Lincoln went Kain, and they fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Kain and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Diana Darkus also attacked him with some powerful punches, kicks, and karate chops, and they smashed them all over with their immense and extremely powerful superhuman strength, along with elemental blasts.

Kain: (Laughs) I certainly see how and why you've earned your reputations as mighty and cunning warriors. But, I'm just getting started.

Kain clashed with Lincoln and Diana Darkus, as they clashed fearsomely.

Nicole: Lincoln and Diana are keeping up with Kain's every move.

Brittney: Lincoln did say he wasn't holding back, and he's right about that, he's able to keep up with Kain who has many centuries of fighting experience, the same with Diana.

The swordfight drew to a close with Diana and Lincoln pushing Kain back.

Kain: Most impressive, you're indeed quite skilled to keep up with me. Now, then, come, use your combo attacks against me.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) With pleasure.

Diana Darkus: (Divine Echoing Godly Voice of The Divine Infernal Darkness Black Magic Dark World Duel Monsters Goddess Demon Phoenix Angel and Divine Infernal Darkness Black Magic Dark World Duel Monsters Goddess Demon Phoenix Angel Love) Let's end this fight.

Lincoln and Diana Darkus channeled dark energy into their massive greatswords, and the blades were glowing with purple energy and darkness.

Lincoln and Diana Darkus: DARK WORLD INFERNAL FURY SLASHSTORM!

Lincoln and Diana Darkus unleashed a very powerful storm of darkness and dark energy slashes with swings of their massive greatswords and they knocked down Kain and he was defeated. Kain got back up and he holstered his Soul Reaver on his back. Lincoln and Diana Darkus holstered their massive greatswords on their backs and powered down, and Diana Darkus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive black angel wings are permanent.

Kain: Impressive work, you've certainly shown me that you've more than earned your reputations, and I am a man of my word, I would be honored to join you.

Lincoln and Kain shook hands.

Lincoln: We are honored to have you as a member of the team, Kain.

Brittney: And we also welcome you to The Goths of Darkness.

Brittney gave Kain the ring of The Goths of Darkness.

Kain: And I am also honored to join you and The Goths of Darkness, Brittney Knudson.

Nico: So, now not only do we have Kain as a member of Team Loud Phoenix Storm.

Diana Darkus: But, he's also become a member of The Goths of Darkness as well. Thanks for helping me with the duel against Kain, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Diana.

Suddenly, Diana Darkus wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Diana Darkus' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the Dark World Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Diana Darkus sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: Lincoln, Diana, you two did an amazing job, you both fought Kain with everything you got.

Lincoln: That's right, and we know better than to hold back against him: there's a reason why he has earned his reputation.

Kain: Along with that very mantle as Scion of Balance. And there are two more Keyblade Knights that J.D. has mention: the one for Pocahontas and the other for the world Elionwy came from.

Selene Emperyous: (GASPS) You speak of Tarin Caulder, The Keyblade Knight of The Black Cauldron and Ellora Pocahontas, Keyblade Knight of the Mystic Woods.

Nico: So, J.D.'s right about that possibility.

Selene Emperyous: And they're also among The Keyblade Knights, Tarin Caulder is Lincoln's Guardian Angel from Michigan and the elder sister of Eilonwy. She's a powerful Keyblader with mastery over all forms of magic, and she helped Eilonwy and his friends on their adventures. She also harbors a very strong and powerful hatred towards The Horned King and his accursed dark artifact, The Black Cauldron, and she swore one day that she would destroy The Horned King and The Black Cauldron and end his evil reign. But, when the news hit of what we all did in destroying both The Black Cauldron and sending The Horned King to The Black Gates reached her, she was eternally grateful to all of us. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Michelle Emperyous: And Ellora Pocahontas is Lincoln's Guardian Angel from Michigan and the Direct Descendent of Pocahontas and she has 413 years of history with her dating back to 1610. She has a very strong hatred for Ratcliffe for what he tried to do to Pocahontas' home and tribe, and she swore that if any descendant of Ratcliffe is even alive in any matter, she will slay that descendant and damn Ratcliffe's entire family to Hell. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

We gasped.

Eli: Wow.

Lincoln: And we're meeting them tomorrow, along with the next Prime Gene-Slammer: The Gene-Slammer for Vector Prime.

Elise Dragonball: And there's only one girl who'd be Gene-Slammed into Vector Prime: Zoey Tsukino, Gene-Slammer of Vector Prime and Embodiment of Sailor Moon, she's Lincoln's Guardian Angel from Japan and classmate in Math, and not only is she the Gene-Slammer of Vector Prime, but she's also The Embodiment of Sailor Moon as well as an incredibly beautiful fashionista who's said to have even made swimsuits that not only shine beautifully like diamonds. She's also the twin sister of Serena Tsukino A.K.A. Sailor Moon, but she has bubblegum pink hair and pink shirt and skirt. She and Lincoln successfully designed beautiful bikinis that in addition to granting those that don't have water powers water powers plus the ability to breathe underwater without the need of scuba gear whereas those with water powers are increased significantly, in addition to their elemental powers increased incredibly, they also increase their beauty significantly. In fact, Lincoln and Zoey designed the bikinis for the girls in Lincoln's harem. Lincoln made Zoey a beautiful pink bikini. To show thanks, she kissed Lincoln on the lips underwater, and she hates Trina Riffins with a passion.

Sailor Moon: I haven't seen Zoey in a long time, and now I know why, Team Rocket Gene-Slammed her.

Shanan: Now, that just made our hatred towards them rise even more.

Lincoln: And I'm also hoping to meet a Fusion Gene-Slammer of

Bloodfire Ooze and Wall of Blood.

Eli: A Fusion Gene-Slammer of Bloodfire Ooze and Wall of Blood?!

Me: The monster from Dungeons and Dragons and creature from Magic the Gathering, that's really bloody.

Nicholette Torrington: And there's only one person who'd be Gene-Slammed into Bloodfire Ooze and Wall of Blood: Ayuna Persephone, Goddess of Blood and Gene-Slammer of Bloodfire Ooze and Wall of Blood, she's Lincoln's Guardian Angel from Japan and she's also known as The Goddess of Blood, she's a very powerful master of blood-based magic and combat and she knows when to take and when to give blood. Her skills in blood-based combat and magic earned her quite a powerful reputation and even The Yakuza and the other Japanese criminal gangs feared her because one wrong move on trying to hurt her and there was going to be blood. She moved to Royal Woods long ago and she taught Lincoln in everything that she knows in blood-based combat and magic and she also saved his life when he got brutally attacked by Lynn, Chandler, Pablo, and Anderson and she donated some of her blood to save his life, and Lincoln felt even more revitalized thanks to her blood thanks to his vampire and werewolf physiology. But, here's the very thing that only Lincoln and his Guardian Angels know about her: it turns out that Ayuna Persephone is the sister of Skarlet, the insane blood mage of Shao Kahn, however, Ayuna's blood-based powers were all natural but Skarlet's blood-based powers were given to her when Shao Kahn brought her up from the streets and he taught her Blood Magik and bound her to The Blood Code. But, she also knew that Shao Kahn's Blood Magik led to madness and Skarlet's addiction to it had driven her down into madness. One day, Ayuna and Lincoln along with the rest of his Guardian Angels were at Lake Huron for a date, but that date was ruined when Skarlet showed up and she tried to attack Lincoln and drink his blood to feed her hunger for blood. But, Ayuna saved him from Skarlet who tried to slice open his arm, she was so angered by Skarlet's attempted attack on Lincoln, Ayuna ferociously attacked Skarlet, and as a result, she severed all ties with her as Skarlet fled right back to Outworld, and Ayuna swore that if she ever saw Skarlet again, she would finish what was started and she and Lincoln will drain that Blood Witch dry of every last drop of blood.

We gasped.

Nico: She's also the older sister of Skarlet?!

Lincoln: Shao Kahn's insane blood mage, and I still remembered that attempted attack she made on me, Ayuna, and my Guardian Angels five years ago. Oh, we both swore if we ever saw Skarlet again, Ayuna and I would finish what we started and drain Skarlet dry of every last drop of blood.

Me: That's a serious grudge they held against her.

Nico: Lincoln, when we get after Skarlet in the future, I'll leave her to you and Ayuna and make sure you make her pay.

Lincoln: We will.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Control Freak: Well, that was fun.

Vulkanus: And Custor is still alive.

Electro: So are his men.

Eccentro: So, what do we do with them?

Zzzax: Any ideas?

Me: Hmm. Put them into the M.O.E. Too. They are just as important to America's history as Custer.

Qin: Good idea.

Spirit: Yeah. Thank you guys for everything.

Me: Aww it was nothing.

Nico: Yep. Great job everyone

Lara Laramie: (To the viewers) This was an adventure of the west.

Me: It sure was.

We went back home.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

16 Days to go.

The second girl is Ellora Pocahontas, Keyblade Knight of the Mystic Woods, she's Lincoln's Guardian Angel from Michigan and the Direct Descendent of Pocahontas and she has 413 years of history with her dating back to 1610. She has a very strong hatred for Ratcliffe for what he tried to do to Pocahontas' home and tribe, and she swore that if any descendant of Ratcliffe is even alive in any matter, she will slay that descendant and damn Ratcliffe's entire family to Hell. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

The third girl is Zoey Tsukino, Gene-Slammer of Vector Prime and Embodiment of Sailor Moon, she's Lincoln's Guardian Angel from Japan and classmate in Math, and not only is she the Gene-

Slammer of Vector Prime, but she's also The Embodiment of Sailor Moon as well as an incredibly beautiful fashionista who's said to have even made swimsuits that not only shine beautifully like diamonds. She's also the twin sister of Serena Tsukino A.K.A. Sailor Moon, but she has bubblegum pink hair and pink shirt and skirt. She and Lincoln successfully designed beautiful bikinis that in addition to granting those that don't have water powers water powers plus the ability to breathe underwater without the need of scuba gear whereas those with water powers are increased significantly, in addition to their elemental powers increased incredibly, they also increase their beauty significantly. In fact, Lincoln and Zoey designed the bikinis for the girls in Lincoln's harem. Lincoln made Zoey a beautiful pink bikini. To show thanks, she kissed Lincoln on the lips underwater, and she hates Trina Riffins with a passion.

And the fourth girl is Ayuna Persephone, Goddess of Blood and Gene-Slammer of Bloodfire Ooze and Wall of Blood, she's Lincoln's Guardian Angel from Japan and she's also known as The Goddess of Blood, she's a very powerful master of blood-based magic and combat and she knows when to take and when to give blood. Her skills in blood-based combat and magic earned her quite a powerful reputation and even The Yakuza and the other Japanese criminal gangs feared her because one wrong move on trying to hurt her and there was going to be blood. She moved to Royal Woods long ago and she taught Lincoln in everything that she knows in blood-based combat and magic and she also saved his life when he got brutally attacked by Lynn, Chandler, Pablo, and Anderson and she donated some of her blood to save his life, and Lincoln felt even more revitalized thanks to her blood thanks to his vampire and werewolf physiology. But, here's the very thing that only Lincoln and his Guardian Angels know about her: it turns out that Ayuna Persephone is the sister of Skarlet, the insane blood mage of Shao Kahn, however, Ayuna's blood-based powers were all natural but Skarlet's blood-based powers were given to her when Shao Kahn brought her up from the streets and he taught her Blood Magik and bound her to The Blood Code. But, she also knew that Shao Kahn's Blood Magik led to madness and Skarlet's addiction to it had driven her down into madness. One day, Ayuna and Lincoln along with the rest of his Guardian Angels were at Lake Huron for a date, but that date was ruined when Skarlet showed up and she tried to attack

Lincoln and drink his blood to feed her hunger for blood. But, Ayuna saved him from Skarlet who tried to slice open his arm, she was so angered by Skarlet's attempted attack on Lincoln, Ayuna ferociously attacked Skarlet, and as a result, she severed all ties with her as Skarlet fled right back to Outworld, and Ayuna swore that if she ever saw Skarlet again, she would finish what was started and she and Lincoln will drain that Blood Witch dry of every last drop of blood.

Get ready for a fun royal adventure as we meet Sir Gabelthorp and help him bring down the Eggscellent Knight and the Waiters and we're going to really give them a good thrashing.

See you next time.

# KINGDOM OF THE DIRTY MATTRESS

This chapter is based on the Regular Show Episode Ace Balthazar Lives.

In the early morning hours at 2:20 AM, Lincoln had a dream, and he saw six figures who was hiding out and living in the streets of Phoenix, Arizona. But, they were no ordinary six figures, they were Creepy Peppy and Sunny Sunshine, twin daughters of Lincoln's future wife, Lilithmon. Flame Sport, Trail Blazer's Younger Sister. Echo Jazz-Wave, an DJ Unicorn Stallion. Brain Freeze, An Ice Changeling. and Overkill the Raptor, An Humanoid Velociraptor. Lincoln woke up from the dream, but he wasn't the only one, Lilithmon, Spyro, Trail Blazer, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Lilithmon: And not only that, it also means that we found out where our daughters are at.

Trail Blazer: Along with a DJ Unicorn Stallion, a Ice Changeling, a Humanoid Velociraptor, and a fire pegasus (sighs) who is my little sister; Flame Sport.

Spyro: (to Trail Blazer) I didn't know you have a sister?

Trail Blazer: It's a long story. Anyway, Any ideas where exactly?

Me: Thier at Phoenix, Arizona.

Nico: Out on the streets in Phoenix, Arizona? Is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue her, and bring her to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Lilithmon, Spyro, Trail Blazer, Me, and Nico were heading to Phoenix, Arizona. Lincoln saw a 13-years-old young girl who has very pale skin and white hair with black streaks that she wears are rather short pigtails with a hairclip that resembles a skull with wings. she also wears purple lipstick and eyeshadow with large shiny eyes with pink irises. She has Bat-like wings on her back which she uses to take flight. She usually wears a black dress with an Dark Element symbol on it, & pink sleeves and tights with black stripes and black boots. A 13-years-old girl who has fair skin, light blue eyes and long blonde hair with pink streaks that goes down to her knees. Her cheeks have light pink hearts on them. She has Angel-like wings on her back which she uses to take flight. She wears a mostly white and pink tank top with an Light Element on it, a pink rah-rah tutu skirt, a blue-ribboned headband, white leggings and pink & blue wedge strap sandals. A red pegasus filly with brown mane and tail with a orange stripe, She has her mane tied into a ponytail. Her cutie mark is a Soccer ball with fire aura around it. A White Unicorn Stallion with Green Mane and Tail with red and blue stripes. His wearing Blue Shades and a pair of Headphones. His cutie mark is a pair of headphones with an MP3 Player and Nunchucks. A Cyan and Black Changeling whose four wings and antenna can fold up into a hooded robe (much akin to a poncho), giving him the appearance of a phantom. he has large green eyes with dark green spots, and he has three pointed fingers on each front, and two toes on each rear. And a purple humanoid Velociraptor who has red eyes, sharp pointy teeth, a vertebrate-like body, a protective dark purple exoskeleton, a long flexible scorpion-like stinger tail, and segmented blades in his forearms. He wears a bush hat, and a dark brown hunting vest with an Undead Element symbol on the back, underneath is a purple t-shirt, and dark brown pants. His wielding a sniper rifle. Lincoln saw who they are, it was Creepy Peppy, Sunny Sunshine, Flame Sport, Echo Jazz-Wave, Brain Freeze, and Overkill the Raptor.

Lincoln: Excuse me, are you Creepy Peppy and Sunny Sunshine?

Sunny Sunshine: Yes we are.

Creepy Peppy: (low husky voice) Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan.

Spyro: I'm Spyro. Greatest hero of Skylands.

Trail Blazer: And I'm Trail Blazer.

Lincoln: And there's also someone you know all too well.

Then, Lilithmon came out, and when Creepy Peppy and Sunny Sunshine saw her, they were stunned.

Creepy Peppy and Sunny Sunshine: Mother?

Lilithmon: I'm here, girls.

Creepy Peppy and Sunny Sunshine, ran up to Lilithmon, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, Black Alpha, Spyro, and Trail Blazer.

Lincoln: And there's something you two should know, Lilithmon, your mother is one of my many future wives.

Creepy Peppy and Sunny Sunshine: That means… you're our father.

Lincoln smiled, and that filled Creepy Peppy and Sunny Sunshine with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and Flame Sport, Echo Jazz-Wave, Brain Freeze, and Overkill the Raptor join the hug as well.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Creepy Peppy and Sunny

Sunshine to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Lilithmon with her daughters, and Creepy Peppy and Sunny Sunshine now has a loving, strong, brave, and caring father in their life.

Misty Brightdawn: You are very talented in making robots.

Jeri Kamiya: Thanks guys.

Camie: That is for sure.

Me: YEEHAW! That was a great adventure.

Applejack: YEEHAW! It sure was!

Nico: Too bad one of us couldn't ride him.

Me: I know. But like I said, to earn a horses respect and trust you have to show hard work and earn its friendship.

Qin: That is too true.

Xenia: I agree.

Laney: That is too true.

Nico: Custer was actually a nice guy.

Me: He sure is. And is honorable. And also a very important part of our country's history.

Lola: That is true.

Qin: That was still a very fun adventure.

Me: Yep.

Nico: J.D. can you answer this for me?

Me: Sure.

Nico: Any particular reason why Shiro and Gantu are with us?

Me: Oh I invited them to come with. They wanted to have some fun too. Also Shiro said something important is going on here. It'll surface to her soon.

Nico: Oh. Okay.

Shiro: But it will be awesome helping you guys.

Gantu: It always is.

Maria: It's probably a false alarm.

Me: You never know. For now lets just have some fun.

Lana: Yeah.

Rainbow Dash and Lincoln were playing volleyball and it was awesome.

Me: Hey guys check this out!

I then grabbed a huge weight of boulders and lifted it up with ease.

Me: YEAH!

All the people cheered for me.

Nico: Nice!

Me: Thanks.

Sonata Dusk: Watch this.

Sonata stands in front of a weight. She picks it up, grunting as she does so. The crowd cheers for her, and she throws the weight down.

Laney: Nice job Sonata!

Me: How about a little more weight? [bends down to pick up a weight heavier than Sonata's] Observe.

The weight had big metal blocks on it.

Me: [grunts as I picks it up, my eyes bulging, and veins stick out from my neck. The crowd cheers, and I then throw the weight down]

CRASH!

Nico: WHOA! Nice!

Adagio Dazzle: Hey watch this one! [picks up an anchor weight. The crowd cheers for her, but stop when they realize that I lifted the spectator stands]

I held them all up.

All of us cheered!

Aria Blaze: Way to go J.D.!

Me: Thank you guys!

Maria: You should be proud!

Me: You bet I am. Nothing like a little Muscle Beach fun too.

Lily: At least the Ripped Pants Fiasco didn't happen like with SpongeBob.

Xenia: Too true.

Me: I don't think I would like that.

Varie: (LAUGHS) No you wouldn't.

Luan: That is one thing you can't get RIPPED from. (LAUGHS TO RIMSHOT) Get it?

WE LAUGHED AT THAT ONE!

Me: (LAUGHS) That was a good one!

Eddy: (LAUGHS) That was funny!

Nico: That wouldn't be fun.

Me: No it wouldn't.

Eli: Yeah. (SENSES SOMETHING) UH OH! Guys we got big trouble!

Me: What's wrong Eli?

Eli: Shiro is right! The Wretched Egg is here!

WE GASPED!

Nico: Uh oh!

Lincoln: And he is out for revenge against J.D. for destroying Deadman Wonderland and ruining his fun.

Lola: Oh man!

Me: So it's payback he wants huh? Let him come.

Camie: Who is the Wretched Egg?

Me: The demon that lived in Shiro and framed Ganta for killing a bunch of children and got him sentenced to death in Deadman Wonderland.

I went over his history.

---

Shiro, also known as the Wretched Egg, is the secondary antagonist/deuteragonist of the manga and anime series Deadman Wonderland. She is the source of the Branch of Sin virus, making her responsible for the existence of all Deadmen.

She was voiced by Monica Rial.

Shiro is the artificial daughter of Hagire Rinichiro who was infected with a mysterious virus that gave her abilities which was being researched by Sorae Igarashi, whose son Ganta the girl befriended. However, as years passed, Shiro suffered horrific human experimentation to have virus evolve into the Branch of Sin strain. Though she became the first Deadman, Shiro's ordeal caused her to homicidal alter ego that became known as the Wretched Egg which caused the Great Tokyo Earthquake. Despite being the opposite of Shiro in nearly every way possible, the Wretched Egg shared her other self's affection for Ganta but from different perspectives. Though she can be subdued by a lullaby generated by Deadman Wonderland's Mother Goose mainframe, there are moments when the Wretched Egg assumes control over Shiro's body.

One such event was the slaughter of Ganta's classmates and giving Ganta his Branch of Sin. Later, Ganta ends up being framed for the massacre and sentenced to Deadman Wonderland where he is greeted by Shiro despite his inability to remember her at first. During that time, the Wretched Egg persona surfaced a few times with Ganta unaware of at the time. Eventually, the Wretched Egg persona integrates back into Shiro once the Mother Goose system's lullaby no longer represses her and reveals to Ganta that her actions against him were so that he, the one she loves, can be the one to end her misery.

The two battled (with Ganta unable to bring himself to kill her), which caused the whole prison/theme park to crumble into the ocean, resulting in a draw. She was sent to a mental hospital afterwards.

---

When I was finished everyone that hadn't heard about it was shocked!

Camie: Oh man!

Laney: Yeah it was horrible.

Camie: That is REALLY HORRIBLE!

Me: Yep. Deadman Wonderland was a prison carnival that made a North Korean Prison Camp seem like Child's Play.

Nico: Yeah it was terrible.

May: We shut it down though.

Me: And blew the entire island to kingdom come.

Carly Atlas: Boy I remember that. We sent that entire prison into the sea and freed all the prisoners.

Nico: Yep.

Me: That was a crazy adventure and I was only at a fraction of the power I had back then as I do now.

I went over what happened back in the events of chapter 953 and it was epic.

When I was finished everyone that hadn't heard about it was shocked and amazed.

Kaito: Good riddance!

Nico: I know.

Me: But back then we didn't use the black gates on the Red Man. Now we have a chance to do so.

Eli: Yep.

Lincoln: I would've thought we were finally rid of The Red Man after J.D. obliterated him, but now, he has come back after all these years for revenge. This time, there's not going to be any mercy.

Toola Roola: That's right, we'll end him forever.

Coconut Cream: He'll pay for everything he's done.

Cozy Glow: And what he did in forcing Shiro to kill, this is one demon that deserves to be purged for eternity.

Flurry Heart: You got that right. Lincoln, do you know where The Red Man is?

Lincoln: Let me check it out. (Sensed for The Red Man) AHA! Gotcha! The Red Man is 40 yards away and he's barreling towards J.D. in a fit of bloodthirsty rage.

Me: I'm ready for that monster once more!

Lincoln: Yeah, he has no idea of how much you've evolved since then. (Sensed for Flip's musclebound thugs) Oh, you've got to be kidding me! FLIP!

Nico: He's sent his thugs after us again, didn't he?

Lincoln: Yep. I got this.

Suddenly, Flip's musclebound thugs arrived and came barreling towards us in a fit of rage, but then, Lincoln held out his left hand, and then, streams of blood and energy were being extracted out from Flip's musclebound thugs and went into Lincoln's open mouth, and Flip's thugs also had their muscle mass and massive physical strength absorbed by Lincoln. When Lincoln was done, Flip's musclebound thugs were left as lifeless, dried-up, and drained corpses and were sent to The Black Gates. Then, we set our sights on The Red Man.

Camie: This is gonna be brutal.

Xenia: Yep. It sure will be.

Nico: How close is he?

Eli: (Senses for him) Moving fast! He's 500 klicks south and closing fast!

We stood ready.

Eli: 400 klicks!

Nico: WHOA! REALLY Closing fast!

Camie: Oh boy!

Eli: 300 Klicks!

Lola: Lincoln get everyone to safety! This is gonna get ugly!

Lincoln: Right!

Lincoln did so.

Eli: 200 klicks!

We then saw waves of water coming at us.

Eli: 100 Klicks!

We then saw a figure and it was THE RED MAN!

Me: There!

The Red Man came to us!

Red Man: (NTH DEGREE ENRAGED SCREAMING) J.D. KNUDSON!

Nico: Oh boy!

Red Man: YOU RUINED EVERYTHING FOR ME! I WILL MAKE SURE YOU NEVER BREATHE ANOTHER OUNCE OF AIR EVER AGAIN!

Me: We'll see about that!

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (DIVINE ECHOING GODLY VOICE) For everything you did to Ganta and to Shiro, I'm going to make sure you pay for it all Times Infinity!

Xenia: Yeah!

Red Man: YOU SHALL BE DESTROYED FOR RUINING ME! BRANCH OF SIN: ORIGINAL SIN/ROOTS!

The Red Man created a whip of blood which resembled a hurricane and lashed at the barrier and the hurricane force winds were really powerful, but the barrier protected us and it didn't shatter.

Me: WHOA!

Lincoln: I hadn't forgotten about that technique The Red Man has. If he wants blood, fine. BRANCH OF SIN: OWL'S EYEBALL!

Lincoln formed floating bombs made of blood, and then, he snapped his fingers and sent the bombs at The Red Man which exploded and sent him flying into the ground. Lincoln deactivated the barrier and we stood ready against The Red Man, who was still out for blood.

Me: I never thought you'd come back, you psycho! I thought I was done with you!

Red Man: I will never die, I will always come back!

Toola Roola, Coconut Cream, Cozy Glow, and Flurry Heart: Says you and every other bad guy we've dealt with!

I went at the Red Man faster than a laser and punched him in the face with devastating force and we exploded high into the air with incredible speed and power and we flew.

I fired a powerful energy blast and the Red Man fired a powerful blast of energy and the blasts collided and exploded with incredible power.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful that it shook much of the area with incredible force!

I kicked him in the stomach and punched him in the face with devastating force.

Me: DARK STYLE NINJA ART: SUICIDE BOMB RASENSHURIKEN!

I formed a powerful pitch black Rasenshuriken and it had a black and red core and I threw it at the Red Man and it hit him and exploded with a massive explosion of dark energy and a terrifying bloodcurdling scream followed.

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHH

It stunned him.

Camie: Okay that was scary!

Me: SOLAR STYLE NINJA ART: SOLAR STORM RASENSHURIKEN!

I formed a powerful glowing yellow Rasenshuriken that had a core that looked like a small sun and it had powerful solar flares around it and I threw it at the Red Man and it hit him and exploded in a massive explosion of solar fire.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Solar Fire rained down on the area and ignited much of it into a raging inferno and exploded everywhere.

KRABBBOOOOOMMM! KRABBOOOOOOMM! KABOOOOOOMMMM! KRABBBOOOOOOOOOOOOOOMMM! KRABBBOOOOOOOOOOOOMMMMM!

I fired a powerful blast of lightning at the Red Man and electrocuted him all over and punched him in the face with incredible force and I fired a massive blast of fire at him and burned him. I backed away and charged up a powerful Kamehameha Wave and it was rainbow color.

Me: KAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

I fired a massive blast of energy and it hit the Red Man and fully engulfed him and he screamed in pain as he was trying to stop it.

But when the smoke cleared he was half of the evil creature he once was!

Maria: J.D., get him into the water!

Me: Right!

I teleported and grabbed him and threw him into the ocean!

KRASPLASH!

Maria then punched and pulverized him with water all over.

Maria: Take this!

She fired a massive barrage of water blasts and bashed him all over the place!

Shiro and Ganta: THIS IS FOR MAKING US ENDURE HELL!

They fired waves of red energy and blasted Red Man all over the place!

Xenia: Take this!

She fired energy arrows and they hit Red Man and exploded!

Misty and Carly blasted Red Man with Orange and Green Fire.

Maria forced water into Red Man's mouth.

Maria: Drink that you moron!

He then exploded out of the water and flew into the air!

HE WAS REALLY MAD NOW!

Red Man: (GROWLS) (ENRAGED NTH DEGREE SCREAMING) KNUDSON, KNUDSON, KNUDSON, KNUDSON! You have been nothing but a fucking thorn in my side ever since you came to Deadman Wonderland and you RUINED EVERYTHING FOR ME! Why?! I hate you J.D. Knudson! I HATE YOU MORE THAN FUCKING LIFE ITSELF! I HATE YOU MORE THAN EVERYONE ON THIS FUCKING PLANET! I HATE YOU MORE THAN EVERYONE IN THIS FUCKING ENTIRE UNIVERSE! I never hated anyone or anything more than I hate you! I HATE YOU INFINITELY

MORE THAN ANYONE OR ANYTHING TIMES A THOUSAND QUADRILLION, TRILLION, BILLION INFINITIES AND ETERNITIES! Why is it always you that must hate everything I do, why must you stand in the way of my plans time after time, again and again?! WHY! YOU NO GOOD FUCKING SON OF A FUCKING MOTHERFUCKING BITCH AND A WHORE! I am getting so sick of the Knudson family sticking their nose where it doesn't belong! If it hadn't been for you then I would already be the greatest master of the world ever and be the best ruler ever with my own world of Deadman to Rule! BUT NO! YOU JUST HAD TO RUIN EVERYTHING FOR ME! YOU MAKE ME SICK! I HATE YOU MORE THAN LIFE ITSELF! I HATE YOU! I HATE HATE HATE HATE HATE! I HATE HATE HATE HATE HATE HATE HATE YOU! HAAAAAAAAAAAAATEEE HAAAAAAAAAAAATEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAATTTTTTTTEEEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAATTTTTTTTEEEEEEE

BUT THEN…

AN EXTREMELY MASSIVE AND INCREDIBLY INTENSELY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF ME WITH INCREDIBLY DEVASTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 130,000 UNIVERSES FELT IT AND THEN IT FORMED A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL PHOENIX! IT CROWED INTENSELY WITH AMAZING POWER AND THEN THE FIRE PHOENIX WENT BACK TO EARTH AND I GOT AN INTENSELY POWERFUL SUPERCHARGE FROM HIS HATRED! I EMERGED WITH AN INTENSELY INCREDIBLY POWERFUL NEW RAINBOW OUTFIT!

Nico: WHOA! That villainous breakdown REALLY SUPERCHARGED J.D.!

Qin: HOLY CRAP!

Me: Thanks for the power boost you heartless monster!

I flew at Red Man and bashed him all over the place with incredibly indiscriminate fury.

I kicked him in the stomach!

Nico threw a grenade at him.

It went into his mouth and he swallowed it.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

He was blasted all over from that explosion!

He reformed but was weak.

Nico: YEAH!

Suddenly, the colored eyes of Toola Roola, Coconut Cream, Cozy Glow, and Flurry Heart turned neon, and they were surrounded by colored energy auras with stars, chess pieces, crystals, hearts, paint, cupcakes, magic, and Alicorns, they unholstered their massive greatswords from their backs, and as they approached The Red Man, they left colored energy, stars, chess pieces, crystals, hearts, paint, cupcakes, magic, and Alicorns with every step.

Toola Roola: You really really make us sick to no end.

Coconut Cream: And it's not just for all the people that you've deliberately harmed or killed to slake your thirst for blood.

Cozy Glow: But, you've tormented Shiro for so many years and caused her nothing but nightmares.

Flurry Heart: And that is unforgivable, and for that, you shall pay the ultimate price for your crimes!

Suddenly, Toola Roola, Coconut Cream, Cozy Glow, and Flurry Heart were surrounded by massive vortexes of colored energy with stars, chess pieces, crystals, hearts, paint, cupcakes, and magic surrounding the vortex, there are Alicorns flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at The Red Man: the red eyes of eternal death.

Suddenly, The Unity Crystals on my J.D. Suddenly, Flurry Heart's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

Flurry Heart has transformed into SUPER ANGEL-ALICORN-CRYSTAL HEART PRINCESS-HARMONY UNITED FRIENDSHIP UNVERSAL ETERNAL CELESTIAL XELNAGA DIVINE EQUESTRIAN CRYSTAL HEART TRUE ETERNAL LOVE ALICORN ANGEL OF DIVINE EQUESTRIAN CRYSTAL HEART TRUE ETERNAL LOVE ALICORN ANGEL JUSTICE AND DIVINE

# EQUESTRIAN CRYSTAL HEART TRUE ETERNAL LOVE ALICORN ANGEL LOVE!

We were truly amazed by the transformations of Flurry Heart, Cozy Glow, Toola Roola, and Coconut Cream, but when The Twisted Egg saw it, he went mad and tried to attack them once more with its Branch of Sin, but Flurry Heart, Cozy Glow, Toola Roola, and Coconut Cream fired massive barrages of colored energy, stars, chess pieces, crystals, hearts, paint, cupcakes, magic, and Alicorns at The Twisted Egg and exploded with incredible power as they hit him, he got back up, but now, he was even more enraged and homicidally insane.

Flurry Heart: (Divine Echoing Godly Voice of The United Friendship Equestrian Crystal Heart Eternal Love Crystal Alicorn Princess Angel and Divine United Friendship Equestrian Crystal Heart Eternal Love Crystal Alicorn Princess Angel Justice) Lincoln's still evacuating everyone from what's about to happen.

Toola Roola: (Divine Echoing Godly Voice of The United Friendship Equestrian Colorful Paintbrush Artist Alicorn Princess Angel and Divine United Friendship Equestrian Colorful Paintbrush Artist Alicorn Princess Angel Love) It's best he keeps on with evacuating the residents.

Coconut Cream: (Divine Echoing Godly Voice of The United Friendship Equestrian Colorful Dessert Baker Alicorn Princess Angel and Divine United Friendship Equestrian Colorful Dessert Baker Alicorn Princess Angel Love) Yeah, he's got a whole block to evacuate and get to safety.

Cozy Glow: (Divine Echoing Godly Voice of The United Friendship Equestrian True Love Redemption Alicorn Princess Angel and Divine United Friendship Equestrian True Love Redemption Alicorn Princess Angel Love) And we can't distract him from his job, looks like it's up to the four of us to put this evil monster down. Come on, girls, let's give this monster a taste of girl power!

Cozy Glow, Flurry Heart, Coconut Cream, and Toola Roola went after The Red Man, and they fired extremely powerful blasts of colored energy, stars, chess pieces, crystals, hearts, paint, cupcakes, magic, and Alicorns, and they exploded with incredible power as they hit The Twisted Egg. Then, they attacked The Twisted Egg with slashes from their massive greatswords leaving bleeding scars and they also smashed The Twisted Egg all over the place with their superhuman strength, and this was driving The Twisted Egg madder and homicidally insane than ever.

Twisted Egg: YOU! YOU! I WILL KILL YOU ALL AND BATHE IN YOUR BLOOD!

Kain: I'm afraid that will not happen.

Kain stabbed The Twisted Egg in his chest with The Soul Reaver, and then, we saw the blade glow red with energy, and the sword sucked out The Twisted Egg's soul and blood, and The Twisted Egg fell to the ground drained of blood and lifeless due to having its soul sucked out. Then, Kain conjured a card of energy with the soul of The Twisted Egg imprisoned inside it, and then, the Judgement Kanji had appeared on The Twisted Egg's forehead and banished it to The Black Gates forever. Cozy Glow, Flurry Heart, Toola Roola, and Coconut Cream holstered their massive greatswords on their backs and powered down, and their new bodies, clothes, weapons, gold halo, weapons, jewelry, Third Eye, longer tails and horns, and massive angel wings are permanent.

Then, Lincoln came back.

Lincoln: Girls, sorry I didn't help out in the fight.

Flurry Heart: That's okay, Lincoln, we already gave The Twisted Egg the beatdown of its miserable life.

Cozy Glow: And Kain ended it when he stabbed him in the chest with The Soul Reaver.

Coconut Cream: And the sword sucked out The Twisted Egg's blood and soul, and he banished the soul of The Twisted Egg to the Black Gates forever.

Nicole: Thank goodness he ended it quickly or The Twisted Egg would've gone into town and attacked everyone while you were evacuating the people.

Lincoln: Yeah, that would've been a mess.

Cozy Glow: But, you did an awesome job evacuating the people to safety, Lincoln, while we took care of The Red Man and banished Shiro's demons forever.

Lincoln: You sure did, and when Clyde finds out how much you, Toola Roola, and Coconut Cream have changed, no doubt he's gonna get a nosebleed.

Laney: Big time.

?: Aw, looks like I missed the fight.

Suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with brown light covering her body and it had the Spider emblem on its chest and eight-pack abs and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman.

Me: Yeah, sorry about that.

Nico: That twisted monster was already taken care of before you came here.

Lincoln: Wait, the brown color on the symbiote suit, there's only one person whose favorite color is red and knows how to shoulder tackle people, isn't that right, Laney Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Laney Loud, but she had longer dark brown hair, neon brown eyes, fangs, and she looked like she was 21 years old.

Black-Suited Laney: Yep, and our Lincoln told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Laney: I knew he would.

Laney: Whoa, is that… me?

Black-Suited Laney: Yep, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Laney: Yep.

Black-Suited Laney turned formed a massive black Symbiote web which latched onto Laney's stomach, and Laney began absorbing Black-Suited Luan into her body, and then, Laney's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Laney began merging with Laney and Laney gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Laney's rainbow energy aura settled.

Me: Is it over?

Laney: It is.

Black-Suited Laney: (Speaking through Lynn's emblazoned Rainbow Fairy, Dragon, and Phoenix and Third Eye) Yeah, we've settled in perfectly.

Laney concentrated and immediately, her body was covered in a black Symbiote suit with green light reflecting off it and it had the spider emblem on it, and then, her symbiote suit went back into her body.

Nico: There. It's done.

I powered down.

Me: Good riddance to bad rubbish.

Nico: Yep.

Shiro: Now I'm free of my demons.

Xenia: Thank goodness for that.

Maria: Were there any casualties?

Lincoln: No I got everyone to safety.

Nico: Great.

Qin: Thank goodness.

Eli: Yep. Now for the Anothers.

Xenia: Who do we have?

Elil: Whoa! We have Another Taipan, Vulture (Scooby Doo), Bald Eagle (Star VS The Forces of Evil), Eagles (Little Brother, Big Trouble), Fagin (War of The Birds), Universe 666 Lord Shen, Nigel (Rio), Vlad Vladikoff (Dr. Seuss), Roc (MLP), Diablo (Sleeping Beauty), Evil Crash Man and Brass Knuckles.

We gasped!

Qin: Whoa.

Brass Knuckles: Oh yeah! We call all those birds the Birds of Prey Doomflighters.

Xenia: That is a good branch name.

Brass Knuckles: Thanks. I thought so too.

Nico: Who do we call?

Me: Vados, Ophelia Simpson, Bubbles Soapra, Deborah Dyna, Bianca Bio, Wuya Wood, Hena Heat, Jackie Arlene Kira Quintanilla, Gloria Gorenger and Janet Javier. Some of the Embodiments of the Rangers and the Robot gene-slammers we met wanted to have a shot.

Nico: Good call.

Qin: Nice.

Maria called them in and in swirls of elements came said people.

Bubbles Soapra: Hey guys!

Deborah Dyna: This is gonna be so fun.

Xenia: It sure will be.

Wuya Wood: Whoa!

They saw the battle that took place.

Hena Heat: Wow! What a battle! What happened?

Me: Long story.

May: Short version? We got rid of another scumbag.

Nico: Yep.

Shiro: It's my inner demon.

Wuya Wood: I see.

Vados: That is amazing.

Lola: Yeah.

Eli: Oh and I sense the Anothers minus Brass Knuckles are all 5 people.

Nico: Whoa! This will be interesting.

Xenia: Yep.

Nico: There they are!

We saw a bunch of figures and they were Another Taipan, Vulture (Scooby Doo), Bald Eagle (Star VS The Forces of Evil), Eagles (Little Brother, Big Trouble), Fagin (War of The Birds), Universe 666 Lord Shen, Nigel (Rio), Vlad Vladikoff (Dr. Seuss), Roc (MLP), Diablo (Sleeping Beauty) and Evil Crash Man!

Me: WHOA!

Qin: This will be rough!

Another Vulture (Scooby Doo): (In a girls voice) This will be really fun.

Another Bald Eagle: (In a girls voice) (In pain) I hope so.

Me: (GASP) Those voices.

They merged and reverted back and were 5 girls.

The first girl was a girl with golden hair and orange eyes and had orange angel wings and had orange clothes and she had a tiara with the symbol of the Creamsoda Dopant on and she had the same symbol on her skirt and she had an orange sword.

The second girl was a girl with purple hair and had purple eyes and purple angel wings and she had purple clothes and she looked like she was mangled up in a meat grinder and she had a tiara with the symbol of the Jinx Dopant on it and she had the same symbol on her skirt and she had a purple sword.

The third girl was a girl with black hair and blue eyes and had crystal angel wings and had blue clothes and she had a tiara with the symbol for the Quartz Dopant on it and she had the same symbol on her skirt and had a crystal sword.

The 4th girl had yellow hair and blue eyes and had elf ears and she had green angel wings and green clothes and she had a tiara with the symbol of the Peter Pan Dopant on it and the same symbol was on her skirt and she had a golden sword.

The 5th girl had yellow hair and blue eyes and had blue clothes and had blue angel wings and had a tiara with the symbol of the Yggdrasil Dopant on it and she had the same symbol on her skirt and she had a Valknut on her arm and she had a viking runesword.

Me: (GASP!) Cillia Creamsoda, Janet Jinx, Kira Quartz, Patricia Pan and Yesenia Yggdrasil!

Nico: WHOA! The embodiments of the Creamsoda, Jinx, Quartz, Peter Pan and Yggdrasil Dopants.

Cillia Creamsoda: That's right.

Laney: Oh my god! What happened to you Janet?

Then a basketball flew in from out of nowhere and smashed right into Janet's face with incredible force and smashed some of her teeth out and she had blood dripping from her mouth.

Me: OOH! Ouch!

Xenia: That must've hurt!

Me: Janet is the unluckiest girl in the world and in the entire history of humanity. She was literally born on Friday the 13th and ever since then, all kinds of terrible things have been happening to her.

Nico: Ooh ouch!

Maria: And the rest?

Me: Well Cillia has the powers of soda.

Cillia Creamsoda: Yep and I make the best root beer and cream soda of any flavor ever.

She pulled out a glass and filled it with Blue Raspberry Cream Soda and gave it to Nico.

Nico drank it all down.

Nico: (GULP) Ahh! Boy that is great! Blue Raspberry is awesome. (LOUD BELCH) Oh excuse me.

Cillia Creamsoda: No worries.

Janet Jinx: Aside from being the most unluckiest girl in the world with bad stuff always happening to me I have the power to make the same things happen to anyone else by firing energy blasts at them.

Kira Quartz: I have crystal powers.

Patricia Pan: I have the power to grant anyone the power to fly like how Peter Pan does by sprinkling fairy dust on them. It makes them permanently fly too.

Yesenia Yggdrasil: And I have the powers of the World Tree and I have pretty much all of them.

Nico: That is cool!

Qin: Yeah!

Xenia: Really cool.

Nico: (to Janet) We'll help you with your problem in the future.

Janet Jinx: Thank you guys.

Me: You thought Samson was extremely unlucky, Janet's bad luck is the worst! But it only affects her and no one else.

Nico: I've never been one that's superstitious but thank goodness.

ZOOM! BLANG!

Another basketball smashed her in her face!

Me: OOH! OUCH!

Patricia Pan: Yeah its been a really bad nightmare for her ever since.

Me: Yeah. Except Samson gets hit by volleyballs.

Cillia Creamsoda: Ouch!

Nico: Sorry we gave to do this.

Janet Jinx: No worries.

ZOOM! BLAM!

Janet got hit in the face with another Basketball!

Nico: YIKES!

Laney: Geez! That is really going to sting!

Patricia Pan: Basketballs hurt worse than volleyballs do.

Nico: Ouch.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and were separated from the Anothers.

Nico: Lets get them!

They fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Cillia Creamsoda: Thanks guys!

Me: Anytime Cillia.

Cillia Creamsoda: How about I give you all some soda.

Me: Sure.

We brought Janet over and healed her up.

Cillia gave us all different cream sodas of different flavors.

Me: (Gulping down soda) Ahh! Pineapple Cream Soda. Delicious.

ZOOM! BLANG!

Another basketball flew in from out of nowhere and bashed Janet square in her face!

Lana: OOH! That is gonna leave a mark!

Camie caught the ball.

Camie: GEEZ! Where are all these basketballs coming from!?

Nico: No idea.

Maria: From a basketball factory?

Me: Hmm.

I looked up where the nearest Basketball factory was and it was all the way over in Japan.

Me: The nearest one is over in Japan but that factory has lots of problems. Its been firing basketballs accidentally out of the roof because of a broken machine.

Nico: Ooh.

ZOOM! BLANG!

Janet got hit by another basketball!

Me: OUCH!

Lana: I'll be right back.

Lana pulled out her tools and teleported over to it.

Sakura Knudson: Lana brought her tools with her?

Me: Never leaves home without them. Handyman's code she says.

Lana teleported back.

Lana: All fixed. Turns out it was a broken spring that needed to be fixed.

Me: Oh.

Janet Jinx: Thank you Lana.

Nico: Now, your problem's solved.

Me: There are other ball factories but we'll have to keep our eyes peeled.

I saw another basketball coming and this time I caught it!

Me: WHOA!

Nico: WHOA! Nice catch!

Me: Whew! Thanks. I'll have to make a shadow clone bodyguard for Janet. Now we have Another Brass Knuckles to face.

I formed a shadow clone and it watched over Janet. Another basketball came and he caught it.

Me: Awesome! Keep catching those balls and keeping them away from her.

Me 2: You got it boss.

Nico: One day, we'll solve her problem for fucking good.

Me: Yeah.

Xenia: No kidding.

Qin: Yeah.

Nico: But again, let's focus on the task at hand.

We nodded.

Me: Now where are you?

Eli: There!

We saw ANOTHER BRASS KNUCKLES!

Me: There you are.

Nico: Yeah!

Another Brass Knuckles: (In a girls voice) Boy this was a crazy battle!

Me: (GASP) That voice!

She reverted back and was a girl with purple hair and had purple eyes and had purple angel wings and had purple clothes and she had a tiara with the symbol of the Triceratops Dopant on it and the same symbol was on her skirt and she had a dinosaur sword!

Me: (GASP) Trina Tricera!

Nico: Whoa!

Trina Tricera: Awesome to see you again J.D.

Me: Same here. Trina is the embodiment of the Triceratops Dopant and she has amazingly strong superhuman strength and she has the strength of 500,000 Triceratops.

Lola: WHOA! That is strong.

Trina Tricera: Yep and I also beat up my foes with brass knuckles too.

She pulled out a pair of them.

Trina Tricera: Never leave home without them.

Nico: Cool!

Brass Knuckles: That is amazing and awesome! You are strong and deadly like me.

Trina Tricera: I sure am.

Nico: That is powerful.

Trina Tricera: Yep and like a triceratops not only am I strong but I'm also a true vegetarian.

Cera: Wow! Awesome to meet a girl that's like a triceratops.

Aylene Carter: That is cool.

Trina Tricera: Yeah.

Kaito: (gets out King Ohger gear) Did Swartz promise you anything?

Zocks: (gets out King Ohger gear too) Because we can grant it instead.

They got King Ohger swords.

Trina Tricera: Nope because I punched Swartz and broke is nose and knocked him out and ran.

Nico: OUCH!

Sakura Knudson: That explains why Swartz had a nasty concussion and a broken nose back then.

Lola: OUCH! But that was cool!

Xenia: Yeah.

Trina Tricera: I know.

Sougo: (gets out King Ohger Ridewatch) We got plenty of other triceratops.

Geiz: (gets out King Ohger Ridewatch) Wanna meet them?

Sougo and Geiz both got KuwagataOhgerArmor.

Trina Tricera: I would be honored.

Lincoln: Lets make this fun.

Lincoln fired a wave of light and separated the Another from her.

Trina Tricera: Lets smash this buttfreak!

Trina then punched Another Brass Knuckles in the face and knocked out all of his teeth!

Nico: OUCH!

She punched him brutally all over and REALLY SMASHED HIM INTO PULP!

Brass Knuckles: WHOA! When you said she was strong you weren't kidding J.D.

Me: Never any doubt.

Nico: Time to smash! (ACTIVATES BRASS KNUCKLES AND EVIL CRASH MAN'S RIDEWATCHES)

He smashed down Another Brass Knuckles with incredible force.

May: I eat motherfucking jerkfaces like you for breakfast! (ACTIVATES MEWBERTY STAR AND MR. NASTY'S RIDEWATCHES)

She fired waves of energy and blasted Another Brass Knuckles down.

Maria: Time to wreck him! (ACTIVATES YOST WRECKING CREW AND ANOTHER FAIZ'S RIDEWATCHES)

She fired waves of energy and blasted down Another Brass Knuckles.

Jeri Kamiya: This will be fun! (ACTIVATES EVIL CRASH MAN'S RIDEWATCH)

She fired a laser blast and blasted Another Brass Knuckles.

Then Yenaldooshi, Boss Wolf, Daisy the Chupacabra, Hungry Larry, Eight Ball and Buffalo Gals came.

Nico: Nice team Yenaldooshi!

Yenaldooshi: Thanks.

Boss Wolf: Whoa! She is really pulverizing Another Brass Knuckles!

[Trina Tricera was really beating up Another Brass Knuckles]

Rainbow Dash: The champ takes a swift uppercut to the jaw. [punches herself]

Laney: Another Brass Knuckles is against the ropes. A left, a right.

Rainbow Dash: How can a man stand it?

[Another Brass Knuckles falls flat on the sand, knocking out his his teeth and he has a really nasty mangled up face.]

Laney: Oh, and the champ is down!

Rainbow Dash: [holding up Trina Tricera's arm] The winner!

Trina Tricera: Thanks!

?: Boy that was awesome!

Then Air Man came!

Me: Cool Air Man!

Nico: Awesome!

Air Man: (In a girls voice) Boy she really beat him up.

Nico: Airina Air! Wow!

Me: Cool!

Airina Air: Awesome to see you Nico. I got this.

She fired a wind blast and blew Another Brass Knuckles apart and I caught the ridewatch and purified it.

Nico: That was awesome!

Me: And R.D., Laney you two would make awesome Wrestling and Boxing Announcers.

Rainbow Dash: Thanks J.D.

Laney: That was fun.

Daisy cuddled up to you.

Me: Aww Daisy.

I picked her up.

Me: I know I missed you too and so does Billy.

Airina Air: That is awesome.

Nico: Yep.

Airina Air: Whoa that's a lot of basketballs your clone caught J.D.

We saw that my clone caught over 20 balls.

Me: We're not going to be running out of basketballs anytime soon. You wouldn't believe how many basketballs Lynn pops every now and then by accident.

Nico: Yeah.

Airina Air: I can see that. Oh and I'm naked guys.

Me: Uh oh.

I put Daisy down and I put on my blind man glasses and the boys covered their eyes.

Nicole: That's right boys. Remember my threat.

Me: It's going to hurt a lot though.

Airina Air: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain!

She threw up.

But instead of vomit she threw up intense air and blew May right into a brine pool 500 yards away and it SMELLED HORRIBLE!

KRASPLAT!

May came out and she smelled really bad!

Airina reverted back and she had sky blue hair and blue eyes and blue angel wings and she had blue angel wings and she had the kanji for Air in the middle of her forehead.

Airina Air: (GROANS) That hurt.

May came back.

Me: May are you… (Sniffs) OH GOOD GOD! MAY YOU SMELL LIKE SHIT!

May: I was blown into a brine pool.

Nico: OH YUCK!

May: Why does this happen to me!?

Eddy: Well don't look at me! I didn't write this script!

Jamesdean5842: (Whistling innocently)

Airina Air: Oh sorry May! I wasn't looking where I was firing air.

May: No worries.

Airina Air: (SEES HERSELF) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The Fashion Brigade gave her new awesome sky blue clothes and they looked awesome.

Airina Air: Wow! I look amazing!

Leni: It totes is perfect for you Airina.

May: I wish I could've landed in normal water

Maria: We'll clean you up.

Bubbles Soapra: Can I help out?

Maria: Sure.

Maria entombed May in a ball of water and Bubbles added soap and Maria spun May around like she was in a washing machine.

Eddy: BING!

Maria: SPINCYCLE!

She spun May around like in a spincycle!

Eddy: BING!

Maria: Washer off.

She turned off and May was wet and clean.

Airina Air: Time for drying.

She fired a wave of wind and blowdried her.

May puffed up.

May: Ahh. That felt good.

Nico: I'm glad, babe.

May: Yeah.

Laney: What's your favorite memory of Nico?

Airina Air: When me and Nico were over at my family's wind farm and Eco-Terrorists tried to dump toxic waste there and we stopped

them.

Me: Those stupid Eco-Terrorists. But that's good you did.

Nico: Yep.

Airina Air: Yeah.

Nico and Airina hugged.

Nico: I've missed you.

Airina Air: Same here.

We fixed the beach and went back home.

Me: What is this place?

Nicole: I know exactly where we are, Dad, we're here in Nosgoth, Kain's home.

Kain: It has been a while since I've been back home.

Lincoln: And it's also our first time here, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to destroy The Hylden Lord and end the Hylden once and for all.

Eli: What are The Hylden?

Brittney: The Hylden are one of the three sapient species that're dominant in Nosgoth, along with the vampires and the humans. They're technologically-adept beings, "different in method and intention" to the Ancient vampires, but similar in power. Before Nosgoth's recorded history, they rejected the Elder God's doctrine and his Wheel of Fate incurring the Ancient vampires' wrath, which resulted in the consequent Vampire-Hylden war that'd raged on for a millennium, and it concluded with the banishment of the entire Hylden race to The Demon Realm, and as a result, The Pillars of Nosgoth were raised to seal the Hylden in The Demon Realm, but the Hylden retaliated by laying the blood curse which turned the noble vampire race into creatures that must feed on blood.

Kain: That is correct, and because it became taboo for any vampire to mention them, we refer to our old enemy as The Unspoken. I thought I'd taken care of their lord long ago, but it looks like his threat that he would return was indeed true.

Lincoln: We can't let any of them live, today, we're ending The Unspoken and their damned race for good. But, it won't be easy, they also have the help of the Sarafan Brotherhood.

Dante Vale: They have many strongholds here, so we need to bring them down.

Lincoln: Along with the Sarafan warriors and vampire hunters.

We travelled through Nosgoth, as we headed for one of the strongholds of The Sarafan Brotherhood and Lincoln and Kain had slain each of the Sarafan soldiers and vampire hunters and their swords had absorbed their blood and consumed their souls and we met a girl with brown hair, red eyes, black dress, black angel wings, and black heels, and she had a Black Cauldron-themed Keyblade, it was Tarin Caulder, The Keyblade Knight of The Black Cauldron.

Next, we travelled to the second of the strongholds of The Sarafan Brotherhood and Lincoln and Kain had slain each of the Sarafan soldiers and vampire hunters and their swords had absorbed their blood and consumed their souls and we met a girl with black hair, blue eyes, orange clothes, orange angel wings, and she had a Pocahontas-themed Keyblade, it was Ellora Pocahontas, Keyblade Knight of the Mystic Woods.

Next, we travelled to the third of the strongholds of The Sarafan Brotherhood and Lincoln and Kain had slain each of the Sarafan soldiers and vampire hunters and their swords had absorbed their blood and consumed their souls and we met a girl with blood red hair, blood red eyes, black coat red clothes, red and black angel wings, and she had Finn's Demon Sword in hand, it was Ayuna Persephone, Goddess of Blood and Gene-Slammer of Bloodfire Ooze and Wall of Blood.

Finally, we travelled to the last of the strongholds of The Sarafan Brotherhood and Lincoln and Kain had slain each of the Sarafan soldiers and vampire hunters and their swords had absorbed their blood and consumed their souls.

Suddenly, we saw a beautiful and super sexy girl with long bubblegum pink hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful pink angel wings and she's dressed in a bubblegum pink short-sleeved blouse, sleeveless bubblegum pink top, bubblegum pink skirt, bubblegum pink knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with moonlight, stars, phoenixes, and angels on the coattails and on the back is Vector Prime, one of The 13 Primes and on top is the symbol of Sailor Moon, in her right hand is a longsword, and with her are the four girls.

Lincoln: And we finally meet up with you, Zoey Tsukino, Gene-Slammer of Vector Prime and Embodiment of Sailor Moon.

Zoey Tsukino: That's right, and we managed to get the four girls away from The Hylden Lord, but Ayuna, Ellora, and Tarin wound up getting lost and wound up in the strongholds of The Sarafan Brotherhood.

Lincoln: We already rescued them and killed the soldiers and vampire hunters there. Now, there's only one person left who must be killed.

?: KAIN, I WILL HAVE MY REVENGE ON YOU FOR DESTROYING ME!

We then saw our old enemy, The Hylden Lord, and he was out for Kain's blood.

Kain: How tragic for you to return back into the living world, but it's a shame that your life is about to end once more.

Sylvester: Along with the rest of your race.

Then, Lincoln chanted an ancient incantation and covered the 7'6" massive, wide, double-edged gold blade of his massive greatsword in black and red energy as it wailed with darkness untold. Then, he stabbed The Hylden Lord in the chest, and then, The Hylden Lord burst into black flames along with his entire race, but it also had other effects as Lincoln's spell also hit The Elder God: the parasite that was responsible for all the dark events of Nosgoth, and Lincoln sucked out and absorbed all of The Elder God's vast godlike powers sustained through connection to the Wheel of Fate, omnipresence, nigh-omniscience, immortality, soul absorption, immense strength, immense durability, and immense magical power and he made all of them his own, and he banished the souls of The Hylden Lord, The Hylden, and The Elder God to The Black Gates forever. We cheered as we holster our weapons and powered down.

Lincoln: You've caused enough pain and suffering to all of Nosgoth for over a thousand years, now your plans to bring Nosgoth to ruin are finally over. (To Tarin Caulder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone) And it's so good to see you all again, Tarin Caulder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone.

Tarin Caulder: You too, Lincoln.

Ellora Pocahontas: It's been seven years since we last met.

Lincoln went up to Tarin Caulder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone and he hugged them, and Tarin Caulder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on her face, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you four since you were seventeen, and as you can see, I really grew a lot since then.

Ayuna Persephone: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon

with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know them?

Lincoln: Indeed I do, J.D.

Selene Emperyous: And so do we, the first girl is Tarin Caulder, The Keyblade Knight of The Black Cauldron, she's Lincoln's Guardian Angel from Michigan and the elder sister of Eilonwy. She's a powerful Keyblader with mastery over all forms of magic, and she helped Eilonwy and his friends on their adventures. She also harbors a very strong and powerful hatred towards The Horned King and his accursed dark artifact, The Black Cauldron, and she swore one day that she would destroy The Horned King and The Black Cauldron and end his evil reign. But, when the news hit of what we all did in destroying both The Black Cauldron and sending The Horned King to The Black Gates reached her, she was eternally grateful to all of you for ending him.

Michelle Emperyous: The second girl is Ellora Pocahontas, Keyblade Knight of the Mystic Woods, she's Lincoln's Guardian Angel from Michigan and the Direct Descendent of Pocahontas and she has 413 years of history with her dating back to 1610. She has a very strong hatred for Ratcliffe for what he tried to do to Pocahontas' home and tribe, and she swore that if any descendant of Ratcliffe is even alive in any matter, she will slay that descendant and damn Ratcliffe's entire family to Hell.

Me: Whoa, so if she ever sees any descendant of Ratcliffe, that descendent will be slain and the entire family will be damned to Hell?

Eli: That's a serious grudge she holds.

Lincoln: Big time.

Laney Emperyous: The third girl is Zoey Tsukino, Gene-Slammer of Vector Prime and Embodiment of Sailor Moon, she's Lincoln's Guardian Angel from Japan and classmate in Math, and not only is she the Gene-Slammer of Vector Prime, but she's also The Embodiment of Sailor Moon as well as an incredibly beautiful fashionista who's said to have even made swimsuits that shine beautifully like diamonds. She's also the twin sister of Serena Tsukino A.K.A. Sailor Moon, but she has bubblegum pink hair and pink shirt and skirt. She and Lincoln successfully designed beautiful bikinis that in addition to granting those that don't have water powers water powers plus the ability to breathe underwater without the need of scuba gear whereas those with water powers are increased significantly, in addition to their elemental powers increased incredibly, they also increase their beauty significantly. In fact, Lincoln and Zoey designed the bikinis for the girls in Lincoln's harem. Lincoln made Zoey a beautiful pink bikini. To show thanks, she kissed Lincoln on the lips underwater, and she hates Trina Riffins with a passion.

Nico: Wow. And Lincoln, I hate to ask, but does Zoey…?

Lincoln: Know about the arguments that Rei and Serena get into? Yeah, she does, and being her twin sister, she hates it when that happens.

Sailor Mars: (GULPS) I can't forget all the times Zoey thrashed me all over the place. That still gives me nightmares to this day.

Rachel Emperyous: Maybe now, you'll be very careful with what you say about Serena, otherwise, Zoey will find out and hurt you again. And the fourth girl is Ayuna Persephone, Goddess of Blood and Gene-Slammer of Bloodfire Ooze and Wall of Blood, she's Lincoln's Guardian Angel from Japan and she's also known as The Goddess of Blood, she's a very powerful master of blood-based magic and combat and she knows when to take and when to give blood. Her skills in blood-based combat and magic earned her quite a powerful reputation and even The Yakuza and the other Japanese criminal gangs feared her because one wrong move on trying to hurt her and there was going to be blood. She moved to Royal Woods long ago and she taught Lincoln in everything that she knows in blood-based combat and magic and she also saved his life when he got brutally attacked by Lynn, Chandler, Pablo, and Anderson and she donated some of her blood to save his life, and Lincoln felt even more revitalized thanks to her blood thanks to his vampire and werewolf physiology. But, here's the very thing that only Lincoln and his Guardian Angels know about her: it turns out that Ayuna Persephone is the sister of Skarlet, the insane blood mage of Shao Kahn.

Lincoln: But, there's a difference: Ayuna's blood-based powers were all natural, but Skarlet's blood-based powers were given to her when Shao Kahn brought her up from the streets and he taught her Blood Magik and bound her to The Blood Code. But, she also knew that Shao Kahn's Blood Magik led to madness and Skarlet's addiction to it had driven her down into madness.

Selene Emperyous: And she really pissed off that day five years ago. One day, Ayuna and Lincoln along with the rest of his Guardian Angels were at Lake Huron for a date, but that date was ruined when Skarlet showed up and she tried to attack Lincoln and drink his blood to feed her hunger for blood. But, Ayuna saved him from Skarlet who tried to slice open his arm and bleed him dry, she was so angered by Skarlet's attempted attack on Lincoln, Ayuna ferociously attacked Skarlet.

Lincoln: And as a result, she severed all ties with her and we forced Skarlet to flee right back to Shao Kahn in Outworld, and Ayuna and I swore if we ever saw Skarlet again, we'll finish what we started and we'll drain that leech dry of every last drop of blood.

Ayuna Persephone: I hated that leech for what she tried to do to Lincoln five years ago, if she ever shows her face again, we'll be the ones bleeding her and Reiko dry.

Lincoln: When that time comes, they'll be bled dry, and now that you four are here.

Lincoln went up to and hugged Tarin Caulder in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Ellora Pocahontas in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Zoey Tsukino: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, four Elemental Thunderbirds Necklace of Eternal Love appeared on Tarin Calder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone's necks with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with four white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Ayuna Persephone: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Tarin Calder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone.

Tarin Calder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone had a smile on their faces and tears in their eyes as Lincoln still had his arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Sarah Scorpion, Sylia Von Bernstein, Cecil Von Gielen, and Karin Von Gielen from Space Pirate Sara.

Lincoln: Oh wow, it's Sarah Scorpion, Sylia Von Bernstein, Cecil Von Gielen, and Karin Von Gielen from Space Pirate Sara.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sarah Scorpion: Yes, we're okay, thanks to you.

Then, when Sarah Scorpion and the other three girls saw who it was that saved them from The Hylden Lord, along with his entire race, The Sarafan Brotherhood, and The Elder God, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita

Sarah Scorpion: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Sarah Scorpion: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sarah Scorpion, Sylia Von Bernstein, Cecil Von Gielen, and Karin Von Gielen with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and they were shocked to find out the villains we went after were The Hylden Lord, the Hylden race, the soldiers of The Sarafan Brotherhood, and The Elder God, the eldritch parasite responsible for all the conflict in Nosgoth.

But, when Lincoln showed what happened to all of them with Lincoln and Kain killing and absorbing the blood and souls of the Sarafan soldiers and vampire hunters and Lincoln killing The Hylden Lord by chanting an ancient incantation and covered the 7'6" massive, wide, double-edged gold blade of his massive greatsword in black and red energy as it wailed with darkness untold and stabbed The Hylden Lord in the chest, causing him to burst into black flames along with the rest of his entire race and Lincoln's spell also hit The Elder God: the parasite that was responsible for all the dark events of Nosgoth, and Lincoln sucking out and absorbing all of The Elder God's vast godlike powers sustained through his connection to the Wheel of Fate, omnipresence, nigh-omniscience, immortality, soul absorption, immense strength, immense durability, and immense magical power and he made all of them his own, and banished the souls of The Hylden Lord, The Hylden, The Sarafan Brotherhood, and The Elder God to The Black Gates forever, Lincoln, Tarin Calder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone have a lot of catching up to do, now that they're back in town.

Maria: Whoa! You guys really caused quite a bloodbath in Nosgoth.

Lincoln: And we brought an end to The Hylden Lord, The Hylden, The Sarafan Brotherhood, and The Elder God for good, now Nosgoth is finally in peace once more.

Kain: Indeed. Though I am to remain the last surviving vampire because of their ploys and schemes, but I can take solace knowing that The Hylden Lord, The Hylden, The Sarafan Brotherhood, and The Elder God are finally gone forever, and Nosgoth is finally in peace forever.

Nico: You're right. They've caused enough trouble to last an eternity.

* * *

After destroying The Hylden Lord, The Hylden, The Sarafan Brotherhood, and The Elder God and finally brought an end to the chaos in Nosgoth forever, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Tarin Calder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Zoey Tsukino: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Ellora Pocahontas: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Tarin Calder: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ayuna Persephone: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Tarin Calder: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

Zoey Tsukino: Oh, I was hoping you'd ask that, we've got a video to show.

Zoey Tsukino put up a video on the big screen and it showed Lincoln, Tarin Calder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone along with the rest of Lincoln's Guardian Angels and harem at Lake Superior, and Lincoln was in a pair of orange swim trunks and the girls were in the bikinis that he and Zoey Tsukino made.

Past Lincoln: This really is an awesome day for us to be at Lake Superior.

Past Zoey Tsukino: You said it.

?: GET THEM! GET THOSE BITCHES!

Then, suddenly, out of nowhere, a massive army of hulking musclebound beach bullies were heading towards Lincoln, Tarin Calder, Ellora Pocahontas, Zoey Tsukino, and Ayuna Persephone along with the rest of Lincoln's Guardian Angels and harem and they were out for blood.

Past Ayuna Persephone: Lori, Lynn, Lola, Lisa, Luan, if we find out you five were responsible for this mess, you're going to get your eyebrows shaved off, your heads shaved, and you're going to get such a beating for this!

Suddenly, they saw Lincoln's deep sapphire eyes turn blood red and his fangs grew longer, along with his claws getting sharper.

Past Tarin Calder: Oh shoot. Lincoln's about to feed yet again, this is going to get wild!

Past Lincoln: (Deeper Voice) As always, Lori, Lynn, Lola, Lisa, Luan, you always try to find ways to piss me off big time, but what you did just now hiring those hulking musclebound beach bullies to kill us all so you can see us all die and slake your thirst for blood and for your own sadism, you've just crossed a serious line, and you five get to watch as I feed on your hired thugs!

Lincoln ran at the hulking musclebound beach bullies with such superhuman speed, it was like a fast blur, and then, he grabbed their leader by the neck, and then, he sank his fangs into his neck, and the beach bully screamed as Lincoln sucked out all his blood, he sucked out his muscle mass, virility, and great physical strength, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and he also grew even stronger. When he was done, his first victim looked like a dried up piece of jerky drained of blood and muscle mass.

Past Lincoln: (Deeper Voice) Next.

Then, Lincoln ran at the other terrified hulking musclebound beach bullies, and then, one by one, he grabbed them each by their necks, and then, he sank his fangs into their necks and the beach bullies screamed in pain as Lincoln sucked out all their blood, he also sucked out all of their muscle mass, virility, and great physical strength, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and he also grew even stronger. When he was done, the rest of them looked like their leader: a dried up piece of jerky drained of blood and muscle mass.

Then, Lincoln's blood red eyes turned back to deep sapphire blue, but he was now even much more muscular and even more taller in height after feeding on those hulking musclebound beach bullies as his orange swim trunks were now even more snug around his waist and thighs, his fangs and claws shrank back to original size.

Past Lincoln: Sorry you all had to see that again.

Past Nicholette Torrington: That's alright. So, was it Lori, Lynn, Lola, Lisa, or Luan that hired them?

Past Lincoln: It's actually all five of them that did it.

Past Zoey Tsukino: WHAT?! OH, THAT'S IT, WHEN WE GET BACK TO THE LOUD HOUSE, I'M GONNA WRING THEIR NECKS!

Past Lincoln: (Hugs Zoey Tsukino) Nah, don't even bother. Odds are, Luna already found out and the rest of the family is already chewing them out.

The video ended.

Nico: Sheesh, so Lori, Lynn, Lola, Lisa, and Luan hired those hulking musclebound beach bullies to kill you all again?! Their bloodlust literally had no end!

Me: Neither did their hatred, but their hulking musclebound beach bully thugs wound up getting killed and fed on by Lincoln who absorbed their muscle mass, virility, and great physical strength, and he'd undergone yet another muscle mass and height increase of hulk-like proportions.

Lynn Sr.: We warned Lori, Lynn, Lola, Lisa, and Luan about that, but they never listened, every time they hire musclebound thugs to kill their brother, he winds up killing them and turning them into his next meal.

Rita: And every single time, we'd see Lincoln come back even taller and even more muscular than ever, and after Lincoln, his Guardian Angels, and harem came back, Zoey went after Lori, Lynn, Lola, Lisa, and Luan and beat the stuffing out of them, it was brutal.

Me: Yeah, it was gruesome.

We got a shower, and then, Lincoln, Gabby Griffin, Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna are heading to Kremlantis.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Gabby Griffin, Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Gabby Griffin: Wow, so this is Kremlantis, it sure is beautiful.

Lincoln: It sure is, Gabby, and it's perfect for our first date. Shall we?

Lincoln, Gabby Griffin, Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Gabby Griffin, Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to

Gabby Griffin, Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna and they hugged them in their abnormally massive and powerful muscular arms, and Gabby Griffin, Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Kremlantis, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna are in your harem.

Eli: And Gabby joined Lincoln's harem after we took down Twisted Pocahontas.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Gabby Griffin, Simulator Bloom, Simulator Flora, Simulator Stella, Simulator Roxy, Simulator Layla, Simulator Musa, and Simulator Tecna, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later we were getting ready for another awesome and great Super Mario Galaxy adventure.

Nico: Melty Molten Galaxy is next.

Taranee: WHOA!

Me: That one is Volcanically Hot!

Nicole: Yeah and that one is gonna be incinerating.

Nico: Yep.

Taranee: Me and Tecna will go with on this one.

Tecna: (British Accent) I'm looking forward to this one.

Nico: Yep.

They went in and the Simulator Activated and they were at MELTY MOLTEN GALAXY!

Nico: Here we are!

Taranee: Wow! This is a hot one!

Tecna: Whew! No kidding!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well you guys are going after Fiery Dino Piranha next right?

Nico: We sure are.

Nicole: Well just do what you did before with Dino Piranha. But watch out for the fire attacks he has.

Nico: Will do.

Taranee: Boy this one is going to be hot.

Nico: Yep.

?: I'll help too.

Out came a girl with red hair, red eyes, red angel wings and red clothes and she had a tiara with the symbol of the Changeman on it and she had the same symbol on her skirt and she had an awesome red aura around her.

Chandra Changeman: Chandra Changeman, Embodiment of the Changeman from 1985 ready for action.

Nico: Cool!

Taranee: It's an honor. Can you tell us about yourself later?

Chandra Changeman: Sure.

Nico: Lets go.

They were off and saw that it was all a planet made entirely out of molten lava.

Taranee: Wow this place is really hot!

Tecna: You're telling me.

Chandra Changeman: This is my favorite level in this world.

Taranee: Awesome.

Nico: Be on the lookout for a fiery egg.

Chandra Changeman: There!

They saw the egg.

Chandra Changeman: I'll crack it open. PEGASUS POWER!

She flared up a Blue Pegasus Aura and flew at the egg and smashed onto it with a stomp! It got up and she kicked its tail and cracked it open and revealed FIERY DINO PIRANHA!

Nico: Oh yeah!

Nico: (gets out Brass Knuckles and Titania's Ridewatches) It's pounding time!

Nico activated them and he fired a wave of energy and it formed into fists and blasted him on the head.

He roared and fired fireballs and Nico dodged them.

Chandra Changeman: This guy needs to REALLY COOL down! MERMAID POWER!

She flared up a Blue Mermaid Aura and fired a wave of water and extinguished his flames!

Taranee: Time to fight fire with fire!

Taranee fired waves of fire and blasted him.

Then Fiery Dino Piranha got REALLY ANGRY! Flames exploded out of him!

Me: WHOA MAN! Now he is mad!

Tecna: No kidding!

Fiery Dino Piranha fired a bunch of fireballs at them and they dodged the blasts.

Tecna: You play with fire and you are going to get burned! SONIC BLAST!

She fired a sonic blast and blasted him.

Chandra Changeman: You aren't the only one that plays with fire! DRAGON POWER!

She flared up a Red Dragon Aura and fired waves of fire into his mouth and then he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Nico: WHOA!

Then the star came out!

Nico: Awesome! Get the star girls!

They went and got it!

YOU GOT A STAR!

Nico: OH YEAH!

Chandra Changeman: That was so fun!

Taranee: Yeah it was!

They all high five!

Tecna: Now, you can tell us more about yourself.

Chandra Changeman: Sure. I'm a Metaphysical Crystal Maker. I make spiritual crystals imbued with the powers of the spirits of animals and they help guide and teach their wearers the powers of their personalities. And they give them powers of their spirits and the elements.

Isabelle: Wow! That is amazing! I would definitely get along with her.

Me: You sure would Isabelle.

Nico: Yep. Would you like to join the team Chandra?

Chandra Changeman: I would be honored.

They left the simulator and came back and we cheered for them.

---

Later the mascots, we were walking back home from the Arcade after having an amazing amount of fun there.

Eli: That was really fun.

Poromon: I always love going to the arcade.

Mevya: Me too!

Stewie: Oh no.

Starlight Glimmer: What's wrong?

?: STEWIE GILLIGAN GRIFFIN!

We saw a little girl with blond hair and she had a pink dress on.

Stewie: Oh god Olivia Fuller.

Laney: You know her Stewie?

Stewie: She's my ex-girlfriend.

Me: Uh oh.

Pipp Petals: What do you want?

Olivia: I'm here to talk to Stewie about why he dumped me!

Nico: Dumped you?

Me: Stewie can you tell us what happened?

Stewie: Okay but you won't like it.

He told us what happened.

---

Stewie discovers that his old friend, Olivia, a toddler actress, is coming to the end of her Hollywood career because her "Tasty Juice" advertisement campaign has been dropped. Olivia is now making an appearance at the Quahog mall to open a new store. Stewie decides to go the mall where he intends to ridicule her, but falls in love with her after seeing her again. Olivia, however, does not return the same feelings, so Stewie seeks advice from Brian on how to make Olivia like him. Brian and Stewie observe next-door neighbor Glenn Quagmire get his way by being mean to a woman, and Stewie comes to the conclusion that women respond to men who mistreat them.

Stewie and Olivia begin to bond shortly afterward, and the two spend their time bonding by sitting in a park while eating ice cream. As they sit and eat their ice cream, they mock various people, such as a man smelling his own hand, a Jewish cowboy, a man who cuts his own hair, and an uptight and hardworking Asian man who is looking at his watch. They also go to a birthday party for one of Olivia's friends. Olivia introduces Stewie to her old friend, a child actor named Victor, and she obliges Stewie to get both of them punch, but a jealous Stewie only wishes Victor to go away. The couple begin to argue constantly, and their latest argument ends with them getting married. After the marriage, which Rupert officiates, their relationship does not get any better. Later, the couple accompanies Brian on a double-date with his girlfriend, Jillian. During the date, the pair continue to bicker throughout, leading to Stewie starting an argument with a person in the restaurant who asks him to be quiet. He feels the relationship is failing, but Brian encourages him to reconsider and Stewie agrees to return to Olivia. Returning to his playhouse to apologize and make up with her, Stewie discovers Olivia "cheating" on him with her friend Victor (although the two are just playing with silly putty). With the relationship over, a seemingly distraught Stewie leaves the playhouse, which he then sets on fire with both Olivia and Victor inside

* * *

When it was done we were shocked!

Nico: Oh boy.

Me: (GULP) Nothing is more terrible than a jealous lover. No offense Stewie.

Stewie: None taken but yeah looking back I can't believe I did that.

Fellbat: Well, newsflash. Stewie's not like that anymore!

While this was going on, the mascots tiptooed behind Olivia and got out water balloons.

Me: (Sees the mascots doing what I think they are about to do)

(Smirks)

Nico: And another thing. How did you survive that fire?

Olivia Fuller: I flushed myself down the toilet. But Victor never made it.

Me: Oh man. Also that toilet part I didn't need to hear but that was a crazy method of escape.

Stewie: Yes and Olivia I found someone else and it's Penelope here.

Me: He's right.

Penelope: Indeed there.

Olivia Fuller: But I STILL LOVE HIM!

But then…

KRASPLAT!

The mascots pelted her with Water Balloons full of Brine and Raw Sewage!

Chromia: If you really love Stewie, you'll let him go. Sure, Penelope and Stewie had a rough start. But they've proven to be perfect for each other.

Me: I agree. Olivia don't mess this up for Stewie. He is not that kind of person anymore. If anyone was to blame for his rotten attitude it was all of Quahog in general including Peter Griffin. That fat testicle-chinned jerkwad got what he deserved.

Olivia Fuller: Okay and you're right. I'm sorry Stewie. Maybe we can be still friends.

Stewie: I would like that.

Poromon: The water balloons were worth it!

Me: Yep.

Olivia Fuller: I deserved that. I'm sorry.

Stewie: Apology accepted.

Poromon: We regret nothing!

Me: Okay then.

Nico: Yeah.

We later went back home.

---

We arrived.

Nico: So… where did you get the water balloons?

Poromon: I bought tons of them for occasions like this.

Nico: Oh.

Then the previous group came.

Flywheels: Boss, which Gene Slammer do you think you'll meet next?

Nico: Metal Man next.

Qin: Ooh! Buzzsaw power.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Eggscellent Knight and the Waiters, another old enemy of Mordecai and Rigby's, and they're already causing trouble again. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than The Eggscellent Knight and the Waiters, another old enemy of Mordecai and Rigby's, and they're already causing trouble again.

Me: What?! Didn't we already deal with those losers a year ago?!

Nico: We did, but like the sore losers they are, they refuse to quit! Well, then, if it's another thrashing they want, then that's what they're going to get.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Sire Denathrius, the Fallen Eternal One, he's come to destroy the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like one bit: the figure we saw and the dark energy we sensed belongs to Sire Denathrius, the Fallen Eternal One, he's come to destroy the world.

Lola: Oh no. Sire Denathrius, he was one of the Eternal Ones, the universe's Pantheon of Death, before he rebelled, his divine task was to punish the wicked and evildoers after their deaths, and in turn, grant them a chance at redemption beyond it. Just like his master Zovaal, Denathrius originally held true to his purpose, and while his ways were cruel and at times even horrific, it was in the name of preserving the balance, and he was not an outright evil being. But, just like Zovaal, his task begun to slowly corrupt and warp him with darkness and malice.

Camille Izumi: Which means he must be put down for good.

Lincoln: And we'll be the ones to do just that, Camille, after we take care of our troublemakers.

Nico: That's right. Come on, gang, we're heading out to help Mordecai and Rigby take down The Eggscellent Knight and the Waiters.

Lincoln: We'll make sure that this time, those jerk waiters finally learn their lesson the hard way, and once we get done with them, you're next, Sire Denathrius.

Camille Izumi: What you and Zovaal have done in betraying the other Eternal Ones in order to rule all of reality can never be forgiven, Denathrius, and for that betrayal, you will pay the ultimate price for your crimes!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to help Mordecai and Rigby take down The Eggscellent Knight and the Waiters, and once we took them down, Lincoln and Camille Izumi are going to destroy Sire Denathrius.

We were off to park.

---

We arrived at the park.

Heat Wave: And we were just here 2 days ago!

Nico: I know.

Me: But it's always fun to come here to the park.

Camie: Yeah. It sure is.

Varie: Yep.

Mordecai: Hey guys! You made it!

Rigby: Yeah!

Me: Like we would ever miss out on a fun adventure here.

Mordecai: Awesome! We have someone cool for you to meet. Follow us.

Needlenose: Another friend of yours?

Mordecai: Yep.

We got to a hill and then to our amazement we saw a MASSIVE MEDIEVAL CASTLE made entirely of mattresses that were filthy and it was amazingly well built!

Xenia: WOW!

Me: A castle made of mattresses!?

Nico: Wow!

Mordecai: Yep and you are going to like who lives in it.

Vulture: Who lives in it?

Mordecai: It's our friend Sir Gabelthorp and he is a knight from another world where it doesn't have electricity and everyone and everything live in a medieval lifestyle.

Me: That is cool and amazing.

Nico: Yeah.

Octopunch: I can't wait to meet him!.

Sir Gabelthorp then came out.

Sir Gabelthorp: Then look no further friends.

We saw him and he had an oatmeal box helmet, potato sack helmet and cardboard tube sword.

Nico: Wow.

Sir Gabelthorp: Tis the famous Team Loud Phoenix Storm. An honor to meet thee.

Xenia: Same to you.

Me: It's a pleasure.

We went into the castle and it was amazingly well built.

G1 Venom: This is a nice castle

Sir Gabelthorp: Thank thee. It be a good place for home.

Sarah (EENE): Not to sound rude but it smells like my brother's feet.

Sir Gabelthorp: Been trying to get rid of the stench but it be a tough one.

Me: It's like building a fort out of sofa cushions.

Nico: It sure feels like it.

Zzzax: We didn't come here just to meet you

Me: We came here because we found out that The Eggscellent Knight is back and he is coming after us.

Sir Gabelthorp: What!?

Mordecai: Not him!

Rigby: Not good!

Me: I think he's coming after me because I won the Eggscellent challenge the last time and won.

Nico: That's right! I remember that! You licked that entire plate clean and we held off the waiters there.

Me: Yeah you sure did and man was I hungry.

Camie: Wow! What was on that omelette?

Me: It was a 12 egg omelette covered in cheese and chili and it had biscuits and a fruit bowl and I ate that whole thing and won a hat that said I am Eggscellent on it.

Xenia: I remember seeing that and we were helping out in Starlight Glimmer's Ambassador missions during that time I think.

Starlight Glimmer: I remember that and it was so awesome too.

Live Action Optimus Prime: That was a big omelette back then.

Spinister: You won fair and square

Me: I sure did and those Eggscellent Waiters didn't want me to win.

Nico: Yeah.

Sir Gabelthorp: Thou have the stomach of a champion J.D.

Me: Thanks. It was a really delicious omelette.

Eccentro: The knight can go to our ranks

Nico: I think that's a great idea.

Me: Yep.

Bludgeon: How far are they?

Eli: (Senses for them) They are coming this way. 75 klicks and closing.

Me: Wow. Not as fast as the Red Man was closing.

Nico: Yeah he was coming at us REALLY fast.

Xenia: Yeah.

Vulkanus: I can get my pickaxe aliens here.

Shanan: Good idea Vulkanus.

Sir Gabelthorp: Thou are all very resourceful.

Eli: Yeah. Wait I sense that he has the waiters with him too.

Nico: Those guys again!? They just don't know when to quit!

Sir Gabelthorp: Thou must have faced these waiters before.

Me: 4 times. I think. I don't know I lost count. First time was when we battled the Eggscellent Challenge, 2nd was during the Death Sandwich Challenge, and I forget the others.

Nico: That's okay.

Terrorsaur: How much time does that give us?

Eli: I think about 35 minutes.

Nico: Plenty of time.

Xenia: Good.

New Wave: No eating challenge this time.

Me: Nope. The waiters must still be pissed at us for supposedly ruining their restaurants when in actuality it was the opposite.

Xenia: Yeah we made them successful.

Laney: That is for sure. And their food was awesome.

Camie: I'll say.

Ibara Shiozaki: I agree there too and it's fun.

Chomp Chest: If you ask me, I would've finished that challenge in seconds

Nico: We know you would Chomp Chest. You are always hungry for that.

Chomp Chest: Ain't that the truth.

Xenia: Yep.

Qin: We need to get ready for this.

Me: I'll fight eggs with eggs. (SPINS MAGISWORD BRACELET)

GIANT EGG MAGISWORD!

Dai Gui: Good choice.

Me: Thank you.

Nico: Lets go scramble some eggs.

We were off to face Eggscellent Knight.

Brawlrus: Entrance time!

Nico: Lets do it! (Pulls out Rotten Egger's Egg Blaster)

We went at them.

Eggscellent Knight and the waiters were walking and then the spirits of the knights of old appeared and they swirled around them and then they converged and then a massive shower of eggs and rotten eggs rained down and they splattered them all over and then the eggs all converged and merged into one big egg yolk and then it popped and out came a massive cloud of confetti and we came out.

Me: That is one that Yolks up the fun!

Luan: (LAUGHS) Good one J.D.!

Eddy: (LAUGHS) That was funny!

Nico: Yeah!

Dr. Viktor: You fools realize that instead of running your business, we made it more popular, correct?

Waiter: We don't care!

Me: Hey your food was good but your motto of saying The Customer is Always Right is long forgotten.

Eggscellent Knight: So you are the famous J.D. Knudson. Congratulations are in order for winning the Eggscellent Challenge.

Me: That was a little over a year ago but thank you.

Eggscellent Knight: You're welcome. And you have a truly great appetite.

Nico: (to the Eggscellent Knight) This is nothing personal. But your buddies, on the other hand…

Me: We got to kick their butts.

Waiter: GET THEM!

They went at us!

POW BIFF SMASH KROW!

Nico punched and kicked them.

Eli punched one in the face and Varie punched and kicked one in the stomach and crotch.

Xenia kicked a waiter in the face.

Me: This will be fun. Top these eggs.

I fired giant eggs and they hit the Eggscellent Knight and splattered him all over with eggs.

Me: Eggsceptional power.

Nico threw lots of eggs.

They splattered all over the waiters and drenched them all over.

Nico then fired rotten eggs.

SPLAT SPLAT SPLAT SPLAT!

LOUD FARTS! LIGHTHOUSE FOGHORN!

Sonic: Boy they are just are rotten as Robuttnik!

Poliwag went to a pile of eggs. He hit them with his tail and sent them splattering all over the Waiters.

I fired waves of giant eggs and splattered them all over the Eggscellent Knight.

Eddy: Is it my imagination or do raw eggs smell like a wet dog.

Xenia: Rotten Eggs smell the worst.

Camie: Yeah! YUCK!

Horsea went to another pile of eggs.

She inhaled them and fired them like a machine gun and blasted them all over the Waiters.

Nico: I got an idea. (ACTIVATES THE YOLKER'S RIDEWATCH)

We got rapid fire egg machine guns.

Nico: Oh we're going to Egg you up

Me: Yep. Fire!

We fired MILLIONS OF EGGS AT THE WAITERS AND THE EGGSCELLENT KNIGHT!

Lincoln: Now, there's one thing left to do and one last loose end to tie up: Sire Denathrius.

?: You will all perish and all of reality will be destroyed!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of blood red energy that came out of nowhere and they hit the barrier, but the blood red energy volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Sire Denathrius, or I will force you out.

A figure came out, and it was none other than Sire Denathrius, the Fallen Eternal One and the creator and the former leader of the realm of Revendreth and its inhabitants, the Venthyr people.

Lincoln: Sire Denathrius, creator and the former leader of the realm of Revendreth, and The Fallen Eternal One. I knew you'd show up one way or another, once you had your divine task to punish the wicked and evildoers after their deaths, and in turn, grant them a chance at redemption, but soon enough like Zovaal, your task began to slowly corrupt and warp you with darkness and malice and you joined Zovaal in his omnicidal campaign to remake all of creation, you are nothing more than a traitorous deity who must pay the price for his misdeeds!

Sire Denathrius: YOU DARE TALK TO ME LIKE THAT?! DO YOU KNOW WHO I AM?!

Camille Izumi: Clearly, we do, and we've had enough of you.

Suddenly, Camille Izumi's purple eyes turned neon purple and she was surrounded by a rainbow energy aura with stars, time, space, ice, nature, fire, gravity, earth, water, light, darkness, lightning, elemental forces, phoenixes, and angels, she unholstered EmperorGreymon's sword from her back, and as she approached Sire Denathrius, she left rainbow energy, stars, time, space, ice, nature, fire, gravity, earth, water, light, darkness, lightning, elemental forces, phoenixes, and angels with every step.

Camille Izumi: Everything that Lincoln said about is indeed true, and I'm also sick of what you did in betraying the other Eternal Ones. Once, you were the one who was tasked with punishing the wicked and evildoers after their deaths, and in turn, grant them a chance at redemption beyond it, and you stayed true to your original purpose. But, over time, your task began to slowly corrupt and warp you with darkness and malice, and that in turn, made you join Zovaal who'd already fallen into madness and wanted to destroy reality and remake it in his image. That is unforgivable, and for that, Sire Denathrius, you shall pay the ultimate price for your betrayal with your life!

Suddenly, Camille Izumi was surrounded by a massive vortex of rainbow energy with stars, time, space, ice, nature, fire, gravity, earth, water, light, darkness, lightning, magic, and elemental forces surrounding the vortex, there are phoenixes, angels, and the spirits of over 1,400 plus Digimon flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Sir Denathrius: the red eyes of eternal death. Then, as the vortex faded, Camille Izumi emerged, but she was changed forever.

Camille Izumi grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has rainbow highlights in the bangs of her short neck-length blue hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a rainbow energy aura with stars, space, ice, time, nature, fire, gravity, earth, water, light, darkness, lightning, magic, elemental forces, phoenixes, angels, and Digimon surrounding her, she has The Digimon emblazoned on her forehead and Third Eye with blue iris, she has on angel earrings with blue gems for eyes and holding the Star, Time, Space, Ice, Nature, Fire, Gravity, Earth, Light, Lightning, Dark, Magic, and Eternity Kanjis in her hands, she also has the 1,400 Digimon with blue gems for eyes and holding the Star, Time, Space, Ice, Nature, Fire, Gravity, Earth, Light, Lightning, Dark, Magic, and Eternity Kanjis Kanjis in their hands for the second pendant on the bottom of her blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and colored gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Camille Izumi has on a sleeveless dark blue vest, sleeveless dark blue crop top, the symbols of The Spirits of Fire, Ice, Light, Wind, Thunder, Earth, Wood, Water, Steel, and Darkness on her blue skirt were glowing along with the glowing Crests of Courage, Friendship, Love, Sincerity, Knowledge, Reliability, Hope, Light, Kindness, Miracles, and Destiny on her right arm, blue stockings, blue legwarmers, blue sneakers, and long sleeveless white trenchcoat with Stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, Lightning, Magic, phoenixes, and angels on the coattails, and on the back are the over 1,400 Digimon surrounded by Stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, Lightning, and Magic. Suddenly, Camille Izumi felt a sharp pain on her back, and then, her massive rainbow angel wings with aurora tips on the rainbow feathers grew and sprouted out from her back, and she also now has eleven massive and long blue wolf tails with rainbow tips and rainbow markings, Camille Izumi has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Camille Izumi's EmperorGreymon's sword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of rainbow energy, stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, Lightning, Magic, Wood, Digimon Spirits, phoenixes, and angels, and when it emerged, it was transformed into Camille Izumi's Elemental Spirit and Digi-Crest Digimon Greatsword of Elemental Spirit and Digi-Crest Digimon Justice, it's a brand-new massive greatsword with embedded colored gems and the over 1,400 Digimon along with the symbols of The Spirits of Fire, Ice, Light, Wind, Thunder, Earth, Wood, Water, Steel, and Darkness and The Crests of Courage, Friendship, Love, Sincerity, Knowledge, Reliability, Hope, Light, Kindness, Miracles, and Destiny etched on the 7'6" massive, wide, double-edged dark blue blade, dark blue dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large rainbow gems embedded in their foreheads, longer midnight black handle, four large dark blue phoenix heads with rainbow gems for eyes and on the bottom of the large dark blue phoenix heads is a dark blue dragon head with rainbow gems for eyes and a rainbow gem in its mouth for the pommel, Camille Izumi has on her large gold Bracers of The Champions of The Universe with dark blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large version of EmperorGreymon's head with red gems for eyes and large red gem in its mouth for the belt buckle and golden versions of the other Digimon's heads on and around her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Suddenly, Camille Izumi's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Camille Izumi has transformed into SUPER ANGEL-OMEGA DIGIMON GODDESS-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE ELEMENTAL SPIRIT OMEGA DIGIMON GODDESS PHOENIX ANGEL OF DIVINE ELEMENTAL SPIRIT OMEGA DIGIMON GODDESS PHOENIX ANGEL JUSTICE AND DIVINE ELEMENTAL SPIRIT OMEGA DIGIMON GODDESS PHOENIX ANGEL LOVE!

We were really amazed by Camille Izumi's Super Angel-Omega Digimon Goddess-Fairy-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Sire Denathrius saw it, he went mad with rage and he fired blood red energy at her to kill her, but Lincoln used his telekinesis to deflect it back at Denathrius, and that allowed Camille Izumi to fire a massive and powerful barrage of rainbow energy, stars, Nature, Fire, Gravity, Earth, Water, Light, Darkness, Lightning, Magic, Wood, Digimon Spirits, phoenixes, and angels, which hit Denathrius and he was knocked down, he got back up, but now, he was angrier than ever.

Izzy: (GASPS) Oh, no way,… , did Camille just…?!

Nico: She did, Izzy, she really did!

Lincoln: Yep, Camille Izumi has transformed into her Super Angel-Omega Digimon Goddess-Fairy-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, there's nowhere for Sire Denathrius to run.

Camille Izumi: (Divine Echoing Godly Voice of The Divine Cosmic Elemental Omega Digimon Goddess Phoenix Angel and Divine

Cosmic Elemental Omega Digimon Goddess Phoenix Angel Love) That's right, now let's tear Denathrius apart, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Camille Izumi.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused more than enough trouble for the last time, Denathrius, now it's time for you to pay the price for turning your back on the other Eternal Ones and mankind itself!

Camille Izumi and Lincoln went after Sire Denathrius who continued firing blasts of blood red energy at them, but Lincoln and Camille Izumi absorbed them and it made them infinite times stronger than ever, and they fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Sire Denathrius and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Camille Izumi also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Sire Denathrius even madder than ever!

But, before they could do anything else, Lincoln ran with superhuman speed and stabbed Denathrius in the chest with his massive greatsword, and as the 7'6" massive, wide, double-edged golden blade began glowing with red energy, Lincoln began sucking out and absorbing Sire Denathrius' extreme superhuman strength, extreme superhuman durability, extreme superhuman agility, nigh limitless blood magic, nigh limitless death magic, and nigh limitless shadow magic and made them his own, but he didn't stop there, then, Lincoln's massive greatsword began devouring Sire Denathrius' blood and it also sucked out his soul and Lincoln absorbed both Sire Denathrius' blood and soul, and as he removed his greatsword from Denathrius' chest, the Fallen Eternal One was reduced to being nothing more than a dried up corpse. Then, an energy cards with Sire Denathrius' drained soul appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on his forehead, Sire Denathrius was sent to The Black Gates for eternity. We cheered wildly for what Camille Izumi and Lincoln did as they holstered their massive greatswords and powered down, and Camille Izumi's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive rainbow angel wings are permanent.

Camille Izumi: Burn in The Black Gates forever, Sire Denathrius. Thank you for helping me get rid of Sire Denathrius forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Camille.

Suddenly, Camille Izumi wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Camille Izumi's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and the 1,400 plus Digimon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Camille Izumi sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: I certainly didn't expect Sire Denathrius to show up, but we still got rid of him in the end for his crimes.

Lola: But, this means that you'll fight against Zovaal very soon, now that word of Denathrius' death has reached him.

Lincoln: If that omnicidal fallen Eternal One shows up, he'll suffer the same fate as Denathrius.

Nico: That's for sure. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The next one is the Gene-Slammer for Alpha Trion.

Elise Dragonball: Awesome, and there's one girl we know who'd be Gene-Slammed into Alpha Trion: Corona Misaki, Gene-Slammer of Alpha Trion and Embodiment of Tenchi Muyo, she's Lincoln's Guardian Angel from Japan and classmate in Science, she's not only the Gene-Slammer of Alpha Trion, but she's also the Embodiment of Tenchi Muyo, and she's also the twin sister of Tenchi Masaki, she has black hair with blue shirt and blue skirt and blue angel wings. She's also an incredible and powerful swordswoman as she'd trained to use all swords even the lightsabers. She and Lincoln have also trained in kendo, and Lincoln made Corona a blue necklace, and to show her thanks, she kissed Lincoln on the lips, and she hates Bradley Uppercrust III with a passion.

Me: Oh, I hate to find out what that prick did to get her mad.

Max Goof: If I hear that what he did was so horrific, I'm flying down to Lynn's Table and I'll do a lot worse to him.

Nico: We know what you did to him months ago, and it was still as bloody as ever, Max.

Sonia Spoonerton: Save some for me, Max. I've had it up to hear with that goddamn prick.

Lincoln: Okay, now it's really going to get ugly if the story we hear tomorrow is that bad.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Eggscellent Knight: Impressive! You have truly earned this victory.

Abra Kadabra: Thank you.

Dark Don: And lots of eggs were used too.

Dark Leo: And we made a mess.

Me: Big time.

Trapster: Don't forget the paste caused by my battle.

Trumbipular: It was worth it, though.

Eggscellent Knight: Though I cannot speak for the waiters.

Johnny 13: You know what? If they try this again, we'll always be ready for them!

Qin: Yeah we sure will.

Me: Sorry about the mess to the park Benson.

Benson: No worries guys. But that was a lot of eggs!

Me: You should have seen the number of eggs we used to pelt the Flying Dutchman's Ship.

Nico: That was a lot. But great job everyone!

Benson: That was fun. (To Mordecai and Rigby) Now clean up this mess or you're BOTH FIRED!

Nico: They did win their share of the battle.

Muscle Man: You know who else loves a battle like this?

Nico: I think I know what's coming!

Muscle Man: MY MOM!

We laughed at his joke.

Nico: YEAH!

Rarity: (To the viewers) This was a great battle today darlings. Hope you loved it as much as we did.

Lola: I know we all did.

We went back home.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for

Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

15 days to go.

Me: I have a feeling this is gonna be a good.

Nico: Me too. I can't wait to see what kind of planet we're going to.

Camie: It will be fun.

Lola: It always is fun.

Xenia: It sure will be.

Zuria: I know it will be a good one.

Girl Jordan: Same here.

Nico: Kaiba, I want to thank you, Yenaldoshi, and your teams for coming.

Kaiba: It's my pleasure Nico and it will be good to help you out.

Nico: Yep.

Aquarius: I agree there and it will be so fun.

Tsuyu: I agree there as well.

Nico: How are you at controlling your temper right now, Aquarius?

Aquarius: Still trying to control it. My anger may be bad but it's still hard to control.

Camie: What does she mean by that?

Me: When we first met Aquarius she had a very ROTTEN temper.

Any little thing would set her off.

Camie: (GULP)

Nico: Yeah but at least she's working on it. She did all those things to Lucy because she loved her like a second mother and all that.

Eli: Yeah it's true.

Ultimate Spiderman: I know the feeling. You probably know from the fight with the electric monsters that I can go rage mode, right?

Aquarius: Yes I remember that.

Me: That was brutal. But that was still awesome seeing those monsters made of lightning like that.

Nico: That sure was fun. But yeah Pete that was scary still.

Ultimate Spiderman: I know.

Aquarius: I'm sorry I get angry all the time like that. It's because Lucy's mother Layla made me promise to watch over her like any loving mother would have wanted. She loved me and when she died it hurt really bad. But when she came back it made me reclaim a piece of my heart that was lost.

Me: That's good you're starting to open up.

Aquarius: It sure is.

Nico: Yeah. At least you're telling us why you are so angry all the time and why you do it.

Aquarius: (Smiles) That is true.

Camie: Yeah.

Xenia: Yeah.

Me: Man Yesterday's mission was cool.

Laney: It sure was and a messy one.

Varie: That had to have been the most eggs we ever threw at one person.

May: Manaphy didn't get to throw any!

Me: Sorry but it was still fun.

May: You're right. But yeah that was a funny mission.

Lola: It sure was. And Sir Gabelthorp was amazing.

Xenia: Living in a castle made of recycled mattresses was cool.

Laney: It sure was.

Juran: Where are the waiters now?

Yenaldooshi: In our prison where they will stay.

Me: Good.

Camie: I can't believe those guys caused so many problems for you in the worlds of food.

Nico: I know. But they did make eating challenges really fun.

Me: They sure did.

Qin: I agree there. That was awesome for us.

Nico: Yep. But at least they won't cause anymore headaches in the future.

Maria: And that's good.

Me: Thank goodness.

Qin: Yep.

Maria: We're here.

We arrived at the planet and from space it looked like a volcano planet.

Me: Wow! From up here it looks like a volcano world.

Camie: Yeah.

Nico: Lets take a closer look.

We flew down to the planet and we landed and we were amazed to see that it was a planet made of Italian Foods like Spaghetti, Cannelloni, Manicotti, Sausages, Pizza, Chicken Parmasan, Garlic Bread, Lasagna, and more!

Me: WHOA! It's a planet made of all kinds of Italian Foods!

Xenia: Oh wow!

Nico: This is amazing!

May: I call the pizza!

Maria: I call the Lasagna and the Chicken Parmasan!

Lincoln: Lets eat!

We got to eating!

Me: (Eating Spaghetti) (Slurp) Mmm! Boy this is delicious.

Laney: (Eating Sausages) Mmm! Yummy!

Camie: (Eating Garlic Bread) Delicious!

Misty Brightdawn: (Eating Cannelloni) Mmm! Boy this is really delicious!

Lana: I'll say! (Eating Manicotti) Mmm! Boy dad would love coming to this planet.

Nico: Let's invite the mascots

Maria: Good idea.

I snapped my fingers and they appeared.

Poromon: Hey guys! WOW! An Italian Food planet!

Manaphy: This is amazing!

Nico: It sure is. Eat to your hearts content guys.

Manaphy: Me and Poromon want to try something.

They got a plate of spaghetti and got to eating. The sucked on one noodle as Laney was playing Italian music on an accordion and then then they kissed when their mouths met on the noodle.

May: Poromon, if you get Manaphy pregnant, I'll kill you.

Nico: May calm down. Besides that was one of the cutest scenes ever. Like in the movie Lady and The Tramp.

May: Oh you're right and I loved that scene myself. I'm just looking out for Manaphy is all.

Nico: I know you are.

Lola: Yeah. (Eating Cannelloni) Mmm! It's all delicious.

Xenia: Yep.

Me: Mmm! (Eating Lasagna and Chicken Parmasan) Mmm! So good. Nico what's your favorite food here on this planet?

Nico: Pizza!

Me: (LAUGHS) I had a feeling! Boy the Turtle Brothers would love the food here on this planet as well.

Xenia: They sure would. Especially the pizza.

Camie: Yeah!

Tsuyu: (Eating Spaghetti) (Slurps) Mmm! So tasty.

Horsea: Can I eat with you, Poliwag?

Poliwag: Sure Horsea.

They got to eating Spaghetti and like Manaphy and Poromon they ate and got to kissing at the middle of a noodle.

It was awesome.

We laughed!

Me: (LAUGHS) That is so cute.

Maria: (LAUGHS) That scene always gets me choked up.

Leni: You're not choking are you Maria?

Maria: No Leni. It's an expression. It means I get either laughing or crying at the sight of it.

Leni: Oh right. I see what you mean.

Maria: Poliwag, I'll fucking kill you if you get Horsea pregnant

Nico: Sis cool down.

Maria: Sorry. Like May I'm just looking out for Horsea.

Nico: No worries.

Xenia: Yeah.

Qin: This planet is awesome though.

Nico ate another pizza.

Nico was eating all sorts of awesome foods.

May: (Eating Manicotti) Mmm! Boy it's awesome food.

Lola: It sure is.

Rarity: (Eating Lasagna) It's really delicious darlings.

Twilight Sparkle: It sure is. I think it's so amazing seeing a planet like this.

Me: Boy our friends on the team from Italy would love coming here.

Horsea continued eating and she was eating spaghetti and lasagna.

Horsea: Mmm! It's so awesome.

Poliwag: It sure is. And Laney giving us awesome accordion music like this really brings the theme of Italy to here and to us.

Nico: It does tie the whole place together. Awesome talent too.

Laney: Thanks guys.

Me: Laney is not only a talented artist but she is also skilled with a saxophone and is great at making costumes and more. Laney also plays jazz at the Bridlewood Jazz club on certain occasions.

Izzy Moonbow: It's true and she is one amazing saxophone player.

Nico: Cool.

Eddy ate some.

Eddy was eating spaghetti.

Eddy: (SLURPS) MMM!

Luan ate some too and they met at the middle of a noodle and kissed too.

SMOOCH!

Luan: Whoa. Can I get fries with that shake.

Eddy: Yes ma'am.

WE LAUGHED!

Nico: So cute!

Me: Yeah.

We had a great meal.

Me: Boy this was awesome.

Nico: (LOUD BELCH) Oh excuse me.

Me: (LOUD BELCH) Pardon me.

Lola: No worries.

Eli: Whoa! And talk about perfect timing. I sense a baddie here.

Nico: Who?

Eli: It's Stromboli from the world of Pinocchio!

WE GASPED!

Nico: At least it's not Coachman

Qin: Or Monstro.

Nico: Yeah.

Camie: Who is Stromboli?

Me: He's a stage manager from the 1940 movie Pinocchio. Very iconic. And he tried to show off Pinocchio.

I went over his history.

---

Stromboli is one of the main antagonists of Disney's second full-length animated feature film Pinocchio (which is based on the 1883 Italian novel The Adventures of Pinocchio by the late Carlo Collodi), the main antagonist in the 2000 semi-remake Geppetto and one of the supporting antagonists in Mickey's House of Villains. He is also Pinocchio's archenemy and the evil counterpart of Geppetto.

He is based on Mangiafuoco, the puppet master of the novel. Mangiafuoco was willing to burn Pinocchio because he ruined his show, but ends up sparing him and gives him 5 gold coins. Stromboli is much more villainous than Mangiafuoco and never gives the hero any help, intending to exploit him as long as he can

instead.

He was voiced by the late Charles Judels, who also voiced the Coachman in the same film.

He learned of a living puppet named Pinocchio from Honest John and Gideon. To that end, Stromboli planned for Pinocchio to perform in his show, which Pinocchio did with glee (in his famous "I have no strings" melody). With the show declared a success, Stromboli received lots of money and paid Honest John and Gideon a miserable percentage of it.

However, after the show had finished, Stromboli showed his true nature when Pinocchio wished to return home to Geppetto (though he promised to be back in the morning). Stromboli declared Pinocchio belonged to him now and locked him up into a birdcage, planning to tour the world to make money from his performances and chop him into firewood when he became too old to perform or if Pinocchio refuse to work. A horrified Pinocchio begs for his freedom, but he is violently silenced when Stromboli roars at Pinocchio to shut up, shaking the whole wagon and threatening to knock him silly. After bidding Pinocchio good night, Stromboli laughs maniacally as he exits, starting up his caravan for his next performance as Pinocchio demands for release.

Eventually, Pinocchio was freed from the cage by the Blue Fairy and Jiminy Cricket. Stromboli is not seen again for the remainder of the film, following this encounter, but his marionette show is presumably bankrupt and flopped or at least he reacted in anger and desperation after realizing that Pinocchio has escaped.

---

When I was done everyone that hadn't heard about it gasped.

Me: And it's very fitting too since we're on a planet made of Italian food.

Xenia: Yeah.

Qin: Yep. He is an Italian man.

Camie: He sure is.

Poromon was still eating.

Poromon: Mmm! But it'll be good to get some payback in on him for using Pinocchio like that.

Nico: I agree there.

Me: Also Stromboli reminds me of a situation me and the Brave 12 went through with Samurai Jack and the Cranky Wizard.

Nico: Right where he got turned into a chicken!

Samurai Jack: That was a wild endeavor for me.

Me: Yep.

Nico: How did you guys free Jack like that?

Me: When Jack was turned into a chicken he was captured by robot fight master Cacciatore. We did not like this guy one bit.

Fu: Yeah he reminded us of Stromboli in every way.

Me: Yep. We formed a plan of attack and when he was eating his dinner with the lasagna we busted in and got Jack out.

Nico: Nice. How did you change him back?

Me: In a stroke of luck we found the cranky wizard and I grabbed him and forced him to change Jack back.

Nico: Nice.

Poliwag: Most of us weren't there for that.

Me: No this was back in the teams old days.

Laney: Yeah.

Nico: Right! I remember reading about that in Jack's book. That was cool.

Qin: It sure was.

Me: And it's where I got the idea to put some of the robots we faced in the M.O.E.

Nico: Nice. I like that idea.

Lola: Yeah.

Samurai Jack: Fighting all those robots were fun times for us.

Ashi: They sure were.

Me: Yep.

Nico: Yeah. Where is he now?

Eli: (Senses for him) 50 klicks to the north.

Nico: All right then. Have you guys had enough to eat?

Poromon: Yep.

We nodded.

Nico: Good. Lets go.

Me: I have a feeling he has thgs too.

Lincoln: Let me check it out. (Sensed for The Red Man) AHA! Gotcha! Stromboli is 50 yards away and he's barreling towards us in a fit of bloodthirsty rage, he has no idea of how much that we've evolved since then. (Sensed for Flip's musclebound thugs) Oh, you've got to be kidding me! FLIP!

Nico: He's sent his thugs after us again, didn't he?

Lincoln: Yep. I got this.

Suddenly, Flip's musclebound thugs arrived and came barreling towards us in a fit of rage, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Stromboli.

We were off to find him.

Nico: Shouldn't be hard to find.

Me: Nope.

Eli: That smoke there.

We saw a campfire.

Nico: That must be him. Lets go.

We went over a hill and saw his stage heard him grumble in Italian.

Lincoln: Time for my entrance.

We went at him and he grumbled and then the spirits of Italy appeared and swirled around him and then converged and then lightning struck out of the ground and a Thunderbird screech was heard and then we came out!

Nico: Hello there Stromboli! Nice planet you're on for this huh?

Stromboli: (Italian Accent) Team Loud-a Phoenix Storm! Where is that little-a puppet!

Laney: If you must know he is back home.

Stromboli: That-a little brat will pay for ruining-a me!

Me: (Speaking in Italian) Questo perché è ora che ti mostriamo quanto sia sbagliato usare e abusare dei burattini per la tua stessa avidità Stromboli! (That's because it's time for us to show you how wrong it is to use and abuse puppets for your own greed Stromboli!)

Xenia: Yeah!

Stromboli: YOU! Because of you all, you ruined my show! I could've finally been famous!

Lincoln: By exploiting Pinocchio, all you ever cared about was money and you deserved it big time.

Me: Along with getting turned into a donkey!

Holly Volvenstein: Now, you've come back to get revenge. Looks like you've left us no other choice but to give you another thrashing.

Manaphy got out eggs.

Manaphy: Never got to use these yesterday.

She threw them.

SPLAT SPLAT SPLAT SPLAT!

Mascots: CUTIE ATTACK!

They jumped and pounded him and shoved him into a pile of pizzas.

Nico: Okay now that's funny.

Poromon: How about this!

Poromon smashed him into a pile of bread and made him eat it.

Lana: Hey I got an idea! Watch this.

Lana flew into his stage and grabbed some puppets.

Lana used the Puppets from Russia and Switzerland and had them bash and pulverize Stromboli.

Lana: (Through the Swiss Puppet) (Swiss Accent) Ja that is what you get for abusing us! (Through the Russian Puppet) (Russian Accent) This is for abusing Pinocchio!

Nico: Hey that is really good!

Poromon: It sure was!

Lana: Geppetto taught me how to use and talk through puppets.

Qin: Well done.

Lana: (Through a French Girl Puppet) (French Accent) Zis is for making us dance to your disgusting music.

SLAP SLAP! KICK!

She kicked him square in the crotch and slapped him across his face.

Nico: Nice one!

Me: Geppetto is not only a great maker of toys, clocks, music boxes and more but also a great puppet maker and puppeteer and a teacher.

Nico: He sure is.

Lana: Yeah.

We got all the puppets he used out of there.

Suddenly, the colored eyes of The Volvenstein Sisters turned neon and they were surrounded by brown, green, blue, and red energy auras with stars, winds, water, earth, fire, phoenixes, and angels, they unholstered their massive greatswords from their backs, and as they approached Stromboli, they left brown, green, blue, and red energy, stars, winds, water, earth, fire, phoenixes, and angels with every step.

Holly Volvenstein: You really make us sick, you know that, Stromboli.

Esmeralda Volvenstein: You took advantage of Pinocchio and turned him into your main attraction for your show.

Lanaiya Volvenstein: And all for you to earn money from the public.

Allie Anne Volvenstein: But, when your scheme was exposed, you were eventually shunned forever as the con artist that you are, and now, you come back seven years later for revenge, for that, we're going to tear you apart!

Suddenly, The Volvenstein Sisters were surrounded by massive vortexes of brown, green, blue, and red energy with stars, winds, water, earth, and fire surrounding the vortexes, there are phoenixes, angels, and Black Rock Triskelion, Holocaust Disciple, Cyclonic Ravager, and Waterveiled Assassin flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring right at Stromboli: the red eyes of death.

Nico: HOLY GREAT BALLS OF FIRE!

PRINCESS ANGEL OF DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP EQUESTRIAN TULIP FLOWER MASTER LOVE ALICORN PRINCESS ANGEL JUSTICE AND DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP TULIP FLOWER MASTER LOVE ALICORN PRINCESS ANGEL LOVE!

We were amazed by Posey Bloom's Super Angel-Equestrian Tulip Flower Master Love Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Stromboli saw it, he went crazy and went at her to hurt her, but Posey Bloom fired a massive barrage of pink and yellow energy, stars, tulips, flowers magic, and Alicorns which hits Stromboli, and he got sent flying into another pasta wall, he got out, but now, he was even madder than ever.

Posey Bloom: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Maretime Bay Equestria Tulip Flower Master Love Alicorn Princess Angel and Divine United Friendship Divine Cosmic Starstorm Maretime Bay Equestrian Tulip Flower Master Love Alicorn Princess Angel Love) Looks like we've got no other choice but to beat Stromboli down and send him to The Masters of Evil.

Lincoln: Looks like it.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Posey Rose and Nico joined the Volvenstein Sisters, and so did the rest of us as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We went easy on you seven years ago, Stromboli, but this time, we're not going easy on you, time for you to get a really brutal thrashing.

Lincoln, Posey Bloom, The Volvenstein Sisters, and Nico went after Stromboli, and they fired extremely powerful blasts of rainbow energy, pink and yellow energy, red, brown, green, and blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Stromboli and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Posey Rose, The Volvenstein Sisters, and Nico attacked him with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Stromboli crazy.

Stromboli was about to run at us again, but suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with grey light covering her body and it had the Spider emblem on its chest and eight-pack abs and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman, and she fired Symbiote goo at his wrists and ankles and bound them together.

Me: Nice one.

Nico: Now, all that's left is to tie him up.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Wait, the grey color on the symbiote suit, there's only one person whose favorite color is black, isn't that right, Lucy Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Lucy Loud, but she had longer dark brown hair, neon red eyes, fangs, and she looked like she was 21 years old.

Black-Suited Lucy: Sigh, yes, and our Lincoln told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Lucy: I knew he would.

Lucy Loud: Gasp, is that… me?

Black-Suited Lucy: Yes, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Lucy Loud: Yes, I am.

Black-Suited Lucy turned formed a massive black Symbiote web which latched onto Lucy's stomach, and Lucy began absorbing Black-Suited Lucy into her body, and then, Lucy's rainbow energy aura and rainbow protective aura had flared up extremely as Black-

Suited Lucy began merging with Lucy and Lucy gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Lucy's rainbow energy aura settled.

Me: Is it over?

Lucy Loud: It is.

Black-Suited Lucy: (Speaking through Lucy's emblazoned Rainbow Vampire Bat and Phoenix and Third Eye) Yes, we've settled in perfectly.

Lucy concentrated and immediately, her body was covered in a black Symbiote suit with grey light reflecting off it and it had the spider emblem on it, and then, her symbiote suit went back into her body. Then, Lincoln fired golden spider silk webs at Stromboli, and he was wrapped up in a golden silk cocoon and he was carted off to The Masters of Evil's HQ. We cheered as Lincoln, Posey Bloom, The Volvenstein Sisters, and Nico holstered their weapons and powered down, and The Volvenstein Sisters' new bodies, clothes, weapons, gold halo, weapons, jewelry, Third Eye, eleven massive and long wolf tails, and massive angel wings are permanent, and Posey Bloom's new body, clothes, weapons, gold halo, weapons, jewelry, Third Eye, longer pink tail, yellow horn, and massive yellow angel wings are permanent.

Holly Volvenstein: That's it for Stromboli, and he'll be settling in The Masters of Evil.

Nico: There's also the threat of Lincoln's curse taking his life if he tries something stupid.

Me: We should've asked Lincoln to put it on our universe's Peter Griffin, I wanted to see that curse in action.

Lincoln: Yeah, I should've done just that. But, when he got exposed for betraying Vypra and sided with Audrey Blade, we still gave him his punishment in the end and sent him to The Black Gates to join his good-for-nothing son there.

Eli: You said it.

Suddenly, Posey Bloom wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Posey Bloom's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Posey Bloom sucked in and absorbed the elemental forces.

Noir Spiderman: And that's the end of that

2099 Spiderman: Boy Lana that was really well done.

Bai Tza: All those puppet lessons you learned from Courage, Francesca and Geppetto came in handy.

Lana: They sure did. (Through the Swiss puppet) Ja this was a good adventure here on this planet Nico. Ja ja ja und a fun one.

Nico: (LAUGHS) Glad you all liked it.

Me: (LAUGHS) The Muriel and Eustace Puppets are going to have lots of new friends back home.

Lola: They sure are.

Nico: Let's get them home.

Me: Good idea. But we're not done here yet.

Nico: Oh right! On to main business.

Luan: Looks like Benny and Mrs. Appleblossom are going to have some awesome friends too.

Eddy: Yep they sure are.

Nico: Yep.

Eli: Lets see. (Concentrates) Whoa! We got more Italian Anothers. We have Another Spank Happy Vampire Sector V, Evil Pizza, 8 Pizza Slices of Doom, Pizza the Kid, Boss Wolf and Yenaldooshi.

WE GASPED!

Qin: Uh oh!

Lola: Oh man! So the Spank Happy Vampire Sector V Members are in the M.O.E. Nice.

Xenia: That is crazy! I hope we don't get spanked by them!

Lola: I'll have to have my buttcheeks amputated from them!

Nico: I still got room in my stomach for more pizzas.

Qin: Awesome.

Horsea: (to Lincoln) I remember that Sector V became that way when Spankulot wanted to spank you and your sisters for getting mad at Nico for his contingency plans

Lincoln: Me too! That was awful!

Lola: And we were too mad to realize that it was Talon that made us that made. I'm sorry Nico.

Leni: Yeah no kidding. We totes didn't know.

Nico: Aw it was a long time ago guys. I forgave you for that.

Me: Lets not forget that we encountered the Spank Happy Sector V members in Russia when we were on a rescue and preparing Cornelia for her Ambassador Missions.

Nico: Yeah! I remember that.

Xenia: Yep.

Nico: Anyway who do we call for this?

Me: Ukyo Kuonji, Pizza Princess, Belle Muldoon and Pocahontas.

Nico: Cool!

Maria: I'll call them in.

Maria did so.

Lincoln: Wait. Me, Lily, Luna, and Laney didn't get mad at him.

Horsea: But you still did nothing to prevent him from leaving.

Lincoln: I know and I can't believe that we didn't do anything.

Me: Guys lets not go on guilt trips from back then. It was a long time ago and Nico forgave you guys.

Nico: Yeah it's all water under the bridge. Besides I've never been one to hold a grudge against you.

Lily: Yeah thanks Nico.

Nico: You're welcome.

In swirls of pizzas came said members.

Belle Muldoon: Hey guys.

Pizza Princess: Awesome to see you all. And wow this planet is perfect and fitting for me.

Me: It sure is Pizza Princess.

Pocahontas: Thank you all for saving me from my Twisted self.

Me: It was our pleasure Pocahontas.

Eli: Yeah it sure was.

Nico: Her home is still gone though.

Me: I know.

Pocahontas: I know that. But we are her friends now too.

Me: True. But lets just focus on the matter at hand.

Nico: Oh right! Sorry.

Maria: First backup. (TURNS DIAL) BRASS BUTTKICKING BRIGADE!

She summoned Brass Knuckles, Evil Crash Man, Mewberty Star, Mr. Nasty, Yost Wrecking Crew and Another Faiz.

Another Faiz: Wow! Look at this planet.

Mr. Nasty: A perfect place for a bunch of lousy stupid beanheads!

Me: Takes one to know one stupid!

Eli: I sense that the Anothers minus Yenaldooshi are one person.

Me: Nice. That is much easier.

Nico: There they are!

We saw Another Spank Happy Vampire Sector V, Evil Pizza, 8 Pizza Slices of Doom, Pizza the Kid and Boss Wolf!

Me: Whoa!

Nico: Too bad I didn't bring any garlic bulbs. But the rest of those pizzas look awesome.

Lola: Yep.

Me: Just as long as the Another Pizza the Kid doesn't pelt us with cactus balls!

Another Evil Pizza: (In a girls voice) (British Accent) Boy that must've really hurt.

Me: (GASP) That voice.

They merged and she reverted back and it was a girl with brown hair and blue eyes and had brown clothes and had the flag of Great Britain on her shirt and she had brown angel wings and she had a tiara with the symbol of the Tea Dopant on her and she had the same symbol on her skirt and she had a Hot Tea Magisword in her hands.

Me: (GASP) Charlotte Darjeeling Tea.

Charlotte Darjeeling Tea: It's good to see you again J.D. Jolly Good.

Me: You too Charlotte. Charlotte is the Embodiment of the Tea Dopant and she is known for making many different kinds of teas from all over the world.

Nico: Cool!

Charlotte Darjeeling Tea: And I make some of the most delicious and expensive teas anywhere too. Would you care for some?

Nico: Oh certainly.

She pulled out a cup and gave it to Nico and poured him a cup of tea.

Nico: Why thank you. (Takes a sip) Mmm! Da-Hong Pao tea. I haven't had that kind of tea in years.

Me: That is expensive stuff at $1.2 million per kilo.

Nico: Wow.

Charlotte Darjeeling Tea: Very exquisite.

Me: By the way Charlotte is the Another Yenaldooshi friendly or hostile?

Charlotte Darjeeling Tea: Friendly and she is very powerful too.

Me: Wow.

Nico: Sorry we have to do this.

Charlotte Darjeeling Tea: No worries chaps.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Spring abundant holoél

She glowed and was separated from the Anothers.

Nico: Now time to eat the pizzas.

May held on to his cup and Nico ran and ate the pizzas.

Aquarius blasted the Another Boss Wolf.

Another Numbuh 1: (Transylvanian Accent) You have been bad and shall feel THE STINGY WRATH OF NIGEL SPANKULOT!

Me: Time for you to rise and shine! SOLAR FLARE!

I released a massive flash of light as bright as 100,000 suns which was blasted right in their faces!

THUNDERCLAP!

Another Numbuh 1: Wha? Aah!

THEY SCREAMED IN INTENSE PAIN AS THE LIGHT FROM THE ATTACK BURNED THEM!

Another Numbuh 5: Aah!

Another Numbuh 4: Aah!

Another Numbuh 3: Aah!

Another Numbuh 2: Aah!

Another Numbuh 1: NOOOOOOO!

THEY BURSTED INTO INTENSE FLAMES AND WERE INCINERATED!

I caught their wonder ride books!

Nico belched up the Wonder Ride Books of the pizzas!

Sakura Knudson: HOLY SHIT WAS THAT BRIGHT!

May: That was intense!

Lola: Yeah!

Nico: Tasty.

Me: Yep.

Laney: But that was awesome!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw ANOTHER YENALDOOSHI!

Me: WHOA!

Nico: Another Yenaldooshi.

Yenaldooshi: Boy who is that good looking wolf?

Me: Another you.

Another Yenaldooshi: (In a girls voice) I think it's cool myself.

Me: (GASP) That voice.

She reverted back and was a girl with red hair, purple eyes, red wolf ears, red wolf tail, red dragonfly wings and had red clothes and had a tiara with the symbol of the Meganeura Dopant on it and the same symbol was on her skirt and she had a wolf sword and she had a Plumbers Badge on her hip.

Me: (GASP!) Melody Meganeura!

Nico: WHOA! I take it you're the embodiment of the Meganeura Dopant.

Melody Meganeura: That's right and I'm also half Loboan.

Me: Melody is half human, half Loboan and she has sonic howl powers and can see in the dark and her Meganeura Dopant powers allow her to fly as fast as a dragonfly and she can summon Carboniferous insects too.

Nicole: That is awesome and the Meganeura lived back over 350 million years ago.

Melody Meganeura: That is right.

Laney: Wow! That is cool that one of the Plumbers Kids is a Dopant Embodiment.

Melody Meganeura: Yep.

Kaito (Gets out Dynaman gear): Did Swartz promise you anything?

Zocks (Gets out Bioman gear): Because we can grant it instead.

Kaito got a Dynaman Sword and Zocks got a Bio Sword!

Melody Meganeura: No he didn't because I blasted him with a sonic howl blast and locked him in the toilet and ran out of there.

Me: Nice!

Sakura Knudson: That explains why I found him in the bathroom locked in there for 3 hours.

Nico: Nice one.

Melody Meganeura: Yeah.

Sougo (gets out Dynaman Ridewatch): You should meet Selene Long.

Geiz (Gets out Bioman Ridewatch): She's a Loboan Gene Slammer.

Sougo got DynaRedArmor while Geiz got Red1Armor.

Melody Meganeura: I am sure we would get along great there.

Me: Yep.

Lincoln: Lets separate you first.

He fired a wave of light and separated Another Yenaldooshi.

Me: Nice!

Melody Meganeura: Lets dance! (FIRES A SONIC HOWL!)

The blast blasted down Another Yenaldooshi!

Me: Whoa! That is loud!

Nico: No kidding!

Qin: Yeah!

Nico: Time for the Wolf to Howl! (ACTIVATES YENALDOOSHI AND BOSS WOLF'S RIDEWATCHES)

He fired a sonic howl blast and blasted Another Yenaldooshi down.

May: Taste these bloodsuckers! (ACTIVATES DAISY AND HUNGRY LARRY'S RIDEWATCHES)

She fired energy blasts and smashed Another Yenaldooshi down.

Maria: Eight ball in the corner pocket! (ACTIVATES EIGHT BALL AND BUFFALO GALS RIDEWATCHES) (SINGING) BUFFALO GALS WON'T YOU COME OUT TONIGHT, COME OUT TONIGHT, COME OUT TONIGHT? BUFFALO GALS WON'T YOU COME OUT TONIGHT AND DANCE BY THE LIGHT OF THE MOON?

She fired energy blasts and blasted Another Yenaldooshi!

Aquarius: Taste this water!

Maria fired waves of water and blasted Aquarius fired waves of water and drenched Another Yenaldooshi!

Aquarius: And this too! (ACTIVATES BOSS WOLF'S RIDEWATCH)

She fired waves of energy and blasted Another Yenaldooshi.

Then Biowulf, Ludo, Universe 666 Ultimate Carnage, Universe 666 Eon, McWolf (Tom & Jerry Kids) and Pizza Face came.

Nico: Nice team Biowulf!

Biowulf: Thanks Nico.

Me: That's funny! We faced Another Pizza Face earlier.

Pizza Face: Very coincidental.

McWolf: Boy been a long time since we saw each other guys.

Me: I know. Since my rescues.

Xenia: Yeah.

?: That is crazy.

A Metal Man came.

Me: Whoa Metal Man.

Nico: Nice.

Metal Man: (In a girls voice) This will be one that Saws some logs.

Nico: Mina Metal! Wow!

Mina Metal: Yep. I got this.

She fired sawblades and slashed Another Yenaldooshi and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

I caught the Ridewatch and purified it.

Me: That one shredded him!

Qin: Yep.

Mina Metal: Yeah. Oh guys I'm naked just so you know.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Nicole: Good move there.

Me: It's going to hurt.

Mina Metal: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain!

She vomited and accidentally fired a sawblade and Applejack dodged it and it accidentally cut herself across her cheek. Blood dripped from her cut and Mina reverted back and she had brown hair and green eyes and grey angel wings and she had a buzzsaw symbol in the middle of her forehead.

Mina Metal: (Groans) That really hurt. (GASP) Oh man! Sorry Applejack! I cut you.

Applejack saw blood dripping from her cheek.

Applejack: Oh it's all right.

Varie healed her up.

Mina Metal: (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her new brown clothes and she looked awesome.

Maria: There you go.

She looked at herself and she looked awesome.

Mina Metal: Boy I look awesome.

Nico: You sure do.

Mina Metal: Yeah.

Apple Bloom: Boy sis she sure cut you.

Applejack: I'll be all right. You know I cry on the inside and I'm a tough girl.

Me: Yeah you sure are Applejack.

Varie: Besides this wound is nothing. At least it won't form a scar.

Nico: Like how Darla got hers.

Aquarius: Yeah. What's your favorite memory of Nico?

Mina Metal: When me and Nico were in Metalworks and we made a whole car there.

Nico: That was so cool and fun.

Xenia: Wow!

Mina Metal: Yep.

Nico and Mina hugged.

Nico: I've missed you.

Mina Metal: Same here.

We went back home.

Later Will Vandom woke up from a nap. That's when she felt something under her pillow.

Will Vandom: What's under my pillow?

She felt under her pillow and found a beer bottle.

Will Vandom: What the!? Poromon!

Will Vandom had just had a visit from Poromon the Beer Fairy.

Not just her. Irma, Taranee, Cornelia, and Hay Lin too.

They all had a visit from Poromon.

Guardians of Candrakar: POROMON!

Me: (LAUGHS) Poromon the Beer Fairy strikes again.

Lola: (LAUGHS) That is funny!

Luan: You know it's funny. Vypra told me to tell you this but The M.O.E. Has an ACTUAL Beer Fairy there.

Poromon: SAY WHAT!?

Nico: But not to worry. You're the only beer fairy we love!

Me: Boy Now we BOTH have Beer Fairies!

Poromon: Boy that is crazy! Looks like I got me some competition.

Nico: You sure do.

Vina Vexen: And Vypra told me that this Beer Fairy is my Archenemy.

Nico: That is funny.

Selene Scala Ad Caelum, he's going to restore all of the people who'd been turned into Heartless by Xehanort and restore the land to what it was long ago.

But, our job won't be done yet, we eventually get word from Nicole that Skarlet, Shao Kahn's Blood Magik-addicted assassin, has escaped from The Book of Vile Darkness, and she still wants revenge on us for killing Shao Kahn. But, we're going to destroy her once again and seal her right back into The Book of Vile Darkness, this time, with a stronger seal and curse.

Lincoln: Whoa, we're here in Scala Ad Caelum, and I know what we're going to do here, not only am I going to rescue the six girls here, but like I promised you, Selene, I'm going to restore all the people who'd been turned into Heartless by Xehanort and restore the land to what it was long ago.

Selene Scala Ad Caelum: That's right. But, there's also the second part of the rescue. Nicole, would you like to say it?

Nicole: Of course, Selene. This morning, I'd found out that Skarlet, Shao Kahn's Blood Magik-addicted assassin, has escaped from The Book of Vile Darkness, and she still wants revenge on us for killing Shao Kahn.

We gasped and Ayuna Persephone was now really pissed off big time.

Ayuna Persephone: That blood-draining leech! I'll cut her legs off and bleed her dry!

Me: So, after we restore the people and the land to normal, we got that bloodsucking harpy to deal with.

Nicole: And not only are we going to destroy her again, but we're going to seal her right back into The Book of Vile Darkness, this time, with a much stronger seal and a curse Lincoln has for her along with Reiko, Tanya, Rain, Motaro, Sektor, Shinnok, Kronika, Kollector, Bi-Han, and Mileena if she dares to return from the planet Sebastian banished her to.

Suddenly, we saw balls of blood being thrown right at us, and Lincoln devoured them, and we knew that Skarlet was the one behind that attack.

Ayuna Persephone: (GROWLS) I'm gonna kill that bitch for trying to attack us like that!

Kaiba: We'll have to worry about Skarlet later, right now, we need to focus on the first part of the mission.

We headed for the castle, and then, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's crisscross orange straps on his chest harness and orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails and rabbit's tail, and massive white angel wings turn from white to gold as Lincoln transforms into Lincoln, God of The Eternal Wheel of Life.

Then, Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his back, and the 7'6" massive, wide, double-edged jewel-embedded golden blade glowed with intense gold energy and rainbow fire, and then, a massive gold circle appeared surrounded by crosses and runes which drew all of The Heartless that inhabit the land. Suddenly, the circle glowed even more brighter, and then, we saw it: all the Heartless that inhabited the land were changed back into the people they were, and among them were Selene's parents.

Me: Wow.

Nico: He did it, he restored everyone.

Lincoln: Now, we can go after Skarlet.

Suddenly, we saw a beautiful and super sexy girl with long black hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and she's dressed in a blue short-sleeved blouse, sleeveless blue top, blue skirt, blue knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with moonlight, stars, phoenixes, and angels on the coattails and on the back is Alpha Trion, one of The 13 Primes and on top is the symbol of Tenchi Muyo, in her right hand is a greatsword, and with her are the six girls.

Lincoln: (GASPS) Corona Misaki, Gene-Slammer of Alpha Trion and Embodiment of Tenchi Muyo.

Corona Misaki: That's right, and I managed to get the girls away from that bloodsucking parasite, but not before giving her a few scars as we got away.

?: I will bathe in your blood for what you did in destroying Shao Kahn, Team Loud Phoenix Storm.

We then saw our target, Skarlet, and she was really out for our heads.

Ayuna Persephone: SKARLET, I WILL TAKE YOUR LIFE FOR WHAT YOU TRIED TO DO TO US FIVE YEARS AGO!

Sylvester: That leech has drained her last victim!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: I will never forget what you tried to do in that attack on us five years ago, Skarlet, time to bring your bloodsucking rampage to an end for good together with your life!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super

Then, Lincoln fired blood tendrils that pierced Skarlet's heart, and then, the tendrils drained Skarlet dry of every last drop of blood which killed her, and then, we sealed her spirit into The Book of Vile Darkness again, but she, along with Reiko, Tanya, Rain, Motaro, Sektor, Shinnok, Kronika, Kollector, Bi-Han, and Mileena, also now had Lincoln's new curse on her which'll kill her when we truly destroy her, and she will be sent to The Black Gates. We cheered as we holstered our weapons and powered down and Lincoln's wild gold hair, eleven massive and long gold wolf tails and white rabbit's tail, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange.

Lincoln: Next time when we face you for real, Skarlet, you'll know what pain really is. (To Corona Misaki) And it's so good to see you again, Corona Misaki.

Corona Misaki: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Corona Misaki and he hugged her, and Corona Misaki is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Corona Misaki: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Corona Misaki, Gene-Slammer of Alpha Trion and Embodiment of Tenchi Muyo, she's my Guardian Angel from Japan and classmate in Science, she's not only the Gene-Slammer of Alpha Trion, but she's also the Embodiment of Tenchi Muyo, and she's also the twin sister of Tenchi Masaki, she has black hair with blue shirt and blue skirt and blue angel wings. She's also an incredible swordswoman as she has trained to use all swords even the lightsabers. She and I trained a lot in kendo, and I made Corona a blue necklace, and to show her thanks, she kissed me on the lips, and she hates Bradley Uppercrust III with a passion.

Nico: Wait, you trained a lot in Kendo? I think I remembered seeing a Kendo competition in the news six years ago. (Realizes something) Oh man, you're the one who took down the Kendo champion from Thailand.

Qin: (GASPS) You mean, he took down our Kendo champion expert, Riley Tsurugi? Whoa!

Me: I never knew about that.

Nico: But, we did, Riley's our Kendo champion expert from Thailand, she's an expert when it comes to Kendo, that's how she was also known as a skilled and powerful swordswoman. But, wait, we also did remember hearing on the news that someone tried to sabotage the competition and kill you and Riley both, and that person got arrested and sent to prison.

Corona Misaki: You heard right, and that someone was Bradley Uppercrust III.

We gasped.

Eli: That good-for-nothing prick! What the hell did he do that time?!

Max Goof: Whatever it was, it was as always isn't good, but we'll have to hear all of it later on today. If it's as bad as all the other things he's done in the past, he's getting both his arms and legs broken and there's going to be blood.

We sensed that the air around Max Goof grew seriously tense.

Lincoln: Oh man, when the air grows seriously tense around Max, it definitely won't end well, and now that you're here, Corona.

Lincoln went up to and hugged Corona Misaki in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Corona Misaki: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Corona Misaki's neck with blue gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Corona Misaki: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Corona Misaki.

Corona Misaki had a smile on her face and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Briar from Soulstice, Yuria, Alisa, and Kana from Bakunyuu Shimai, and Irena and Tasha from Buta Himesama.

Lincoln: Oh wow, it's Briar from Soulstice, Yuria, Alisa, and Kana from Bakunyuu Shimai, and Irena and Tasha from Buta Himesama.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Briar: Yes, we're okay, thanks to you.

Then, when Briar and the other five girls saw who it was that saved them from Skarlet, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of

Yuria: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Alisa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Briar, Yuria, Alisa, Kana, Irena, and Tasha with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and we told everyone of what Lincoln did in restoring everyone in Scala Ad Caelum and freeing the land from darkness, and they were shocked to find out the villain we went after was Skarlet, Shao Kahn's Blood Magik-addicted assassin, who escaped from The Book of Vile Darkness, and she still wanted revenge on us for killing Shao Kahn.

But, when Lincoln showed what we did in beating that bloodsucking harpy into the dirt and Lincoln firing red tendrils which pierced Skarlet's heart and he drained her dry of every last drop of blood and we sealed her into The Book of Vile Darkness again this time with a stronger seal and Lincoln's new curse that he put on her, Reiko, Tanya, Rain, Motaro, Sektor, Shinnok, Kronika, Kollector, Bi-Han, and Mileena, and that'll claim her life when we truly face her in the future, everyone cheered for us and hugged us and Lincoln's harem kissed him on the face and lips which he returned, Lincoln and Corona Misaki have a lot of catching up to do, now that she's back in town.

Maria: That was so awesome that you restored everyone in Scala Ad Caelum along with Selene's parents, and you gave that bloodsucking harpy the beatdown of her life.

Lincoln: And Skarlet's also become the first to be marked with my new curse: I call it The Whispering Wraith's Vengeance Curse.

We saw the picture of the mark: it's an inverted pentagram in the hands of a wraith: the physical manifestation of The Whispering Wraith's Vengeance Curse.

Lincoln: Skarlet's been marked with an inverted pentagram in the hands of a wraith which happens to be the physical manifestation of the curse. When we kill her in the future, the curse will take her life and a wraith will appear and drag her soul to The Black Gates.

Eli: I hope you do the same to Reiko, Tanya, Rain, Motaro, Sektor, Shinnok, Kronika, Kollector, and Bi-Han should they dare escape from The Book of Vile Darkness.

Nicole: Along with Mileena if she dares to return from the planet she was banished to.

Lincoln: I'll do just that if any of them dare to escape and return.

---

After restoring the Heartless in Scala Ad Caelum to the people they were along with killing Skarlet once again and sending her to The Book of Vile Darkness with The Whispering Wraith's Vengeance Curse on her, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Corona Misaki saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Corona Misaki: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the

powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Corona, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Corona Misaki: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Corona Misaki: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Corona, can you show us the story on how Bradley Uppercrust III got busted for trying to kill Lincoln and Riley Tsurugi in that Kendo competition six years ago?

Corona Misaki: Gladly.

Corona Misaki put up a video on the big screen and the video then showed Lincoln and Nico and Qin's friend, Thailand's kendo champion, Riley Tsurugi, and they were facing off against each other during the kendo tournament. But, before they could begin, we saw a suspicious figure placing bombs on the kendo sticks so they can explode and kill them. Then, Corona saw the figure about to leave, and she charged in and pulverized him and she disarmed the bombs as well and removed them and put them in a bag for the police.

Kendo Instructor: Corona, what happened?

Past Corona Misaki dragged the figure to the Kendo Instructor.

Past Corona Misaki: Sensei, I captured this figure who placed bombs on the kendo sticks that Lincoln and Riley were going to use, and he planned to trigger the bombs to explode and kill them.

Corona Misaki unmasked the figure, and without a doubt, it was Bradley Uppercrust III.

Past Lincoln: Bradley Uppercrust III, notorious College X-Games cheater and manipulative bastard. I should've known you were behind that latest attempt at trying to kill us again.

Lincoln reeled his fist back, and then… !

POW!

Lincoln punched Bradley Uppercrust III hard in the face and knocked him out. The cops came and they took the bombs to be put into evidence and they took that asshole away, the tournament had resumed and we saw Lincoln really keeping up with Riley Tsurugi, and he won the tournament and was awarded with a medal as the video ends.

We were proud of Lincoln for winning, but we were really enraged and pissed off at Brad once more.

Nico: That asshole! It's bad enough he tried to kill Lincoln, but to try and kill Riley as well?!

Qin: He's getting his head torn off!

But, before Qin could, Max Goof took off for Lynn's Table, and he barged into Brad's cell, and then, he proceeded to beat the stuffing out of Brad and we heard it from the gym, and saw it through a one-way window Lincoln made.

POW! BANG! WHACK! SLASH!

Nico: Oh! Oh man, okay, now that's just gruesome!

Me: Damn! Okay, that was really brutal!

This went on for a few minutes, and then, Max Goof came back with his hands covered in blood and he really broke out in a sweat.

Max Goof: Next time I hear another sort of revelation about him, I'm sending him on a one-way trip to The Malevolent Insanity World.

Nicole: I'll get a portal ready in case that happens.

We got a shower, and then, Lincoln, Simulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen are heading to Cheep Cheep Lagoon.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found outSimulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Wendy Marvell: Wow, so this is Cheep Cheep Bay, it sure is beautiful.

Lincoln: It sure is, Wendy, and it's perfect for our first date. Shall we?

Lincoln, Simulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Cheep Cheep Bay, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Fillonce, Simulator Ishilly, Simulator Lulis, Simulator Bisca Connell, Simulator Wendy Marvell, Simulator Levy McGarden, and Simulator Evergreen, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

Later at a warehouse…

POW!

A man crashed into the wall.

We were bashing and pulverizing numerous Drug Makers.

Lisa Loud: Honestly, the trail your drugs that leave behind was easy to spot.

POW!

She punched a man in his stomach and kicked him down.

Dexter: That is for absolute certainty!

BLAM!

Dexter bashed one man down.

Dexter: Ha! I can kick ass too!

Nico: You tell them Dexter!

BLAM!

I punched a man in his face.

Me: You illegal drug producers make me sick!

Xenia: Yeah!

Xenia fired an arrow through a man's leg.

?: Let me help out!

Out came a girl with red hair and purple eyes and red angel wings and red clothes and she had a tiara with the Flashman symbol on and the same symbol was on her skirt.

Fiona Flash: Fiona Flash, Embodiment of the Flashman from 1986 is here.

Me: Awesome to meet you.

She fired a wave of light and blasted the men all over.

Me: We can talk more later.

Crumplezone: Roger, put those back!

Roger Smith: And leave good cocaine wasted?

Nico: (Sternly) Roger Seth Smith!

Roger Smith: (Pouts) Alright fine! Also my middle name is not Seth. In fact I don't think I have a middle name.

Nico: Sorry.

Roger Smith put the cocaine back.

We got the men arrested and the drugs and all that were seized.

We had them all loaded into the van.

Sheila: You guys are looking at life without parole.

Me: Yep.

Fiona Flash: Good riddance.

G1 Firestar: Tell us more about yourself.

Fiona Flash: Sure. I'm a light scientist and I have light powers as you saw. Also I am an amazing construction worker.

Nico: Cool!

Lola: Yeah.

Fiona Flash: Yep. Both are fun.

Me: Would you like to join the team?

Fiona Flash: I would be honored.

Indigo Zap: Okay. That's all the drugs there, right?

Me: Yep. Searched all over and there's not one brick left.

Nico: Good.

Lola: Yeah.

Lemon Zest: Yeah thank goodness for that one.

Poromon: I like to you see you guys tell me how cocaine can benefit others!

Me: Poromon wake up and smell the beer. Cocaine doesn't do ANYONE any good. All it does is destroy.

Nixo: Yeah Cocaine is poisonous not just to you but to your soul.

Xenia: Cocaine is evil stuff.

Poromon: That was actually a rhetorical question. I honestly prefer beer over cocaine.

Me: That's why cocaine needs to be destroyed.

Nico: Yep.

We later went back home.

---

We arrived back home.

Me: Man that was a good drug bust.

Lola: Yep.

Dexter: Now it's time to get down to the task at hand. I need your help guys.

Nico: What's wrong Dexter?

Dexter: My lab has been taken over by a robot I made.

Me: Uh oh.

Nico: We'll gladly help out Dexter.

The Previous Group came.

Dark Leo: Can me, my brothers, Batroc the Leaper, Shade, Gearhead, Grizzly, Top, Abra Kadabra, Trapster, Trumbipular and Johnny 13 go with you guys?

Dark Don: Nice drug bust, by the way.

Me: Thanks.

Nico: And yes you all can come with us.

Xenia: Yep.

Napalm Man: Nico, which Gene Slammer of me and my fellow Robot Masters do you think you'll meet next?

Nico: Crash Man next.

Napalm Man: Cool cool.

Me: Yep. Okay Dexter how about you start at the beginning and tell us what happened?

Dexter: Well I wanted to create a robot to help me work and operate my lab and he is called Ultrabot 2000. He fixed up most of my machines but as I rested he built many machines without my consent. And then when I woke up earlier this morning he made a huge tower and put himself in it and took over my lab and he called me obsolete and was going to destroy me. So I came to find you guys for help.

WE GASPED!

Lisa Loud: (GASPS) Oh, Sweet Einstein, we need to head over there and disable that super intelligent android at once!

Nico: And I agree with you on that one, Lisa. Hmm, and we can reprogram him to be in The Masters of Evil.

Me: Good thinking, Nico.

Lincoln: Lisa, you'll need this.

Lincoln gave Lisa a computer virus.

Lisa Loud: (GASP) The computer virus that was used to corrupt Todd's programming along with the other robots?

Becky Long: You kept a copy of it?

Lincoln: Just for such an emergency such as this.

Nico: Nice one.

Eli: Yeah.

Poromon: Assuming that it hasn't found a way to resist it.

Lincoln: Don't worry I made sure that no renegade computer will resist this one.

Nico: Good. But if this guy is a renegade robot then we're going to need a plan. First we'll send a small surveillance probe to see what he looks like.

Xenia: Right.

Eli activated the probe that was no bigger than the size of a common housefly and had it sent to Dexter's house and it flew in and went into his room and then into his lab. We then saw that there were giant red camera eyes all over the place and we saw a huge tower and in it was Ultrabot 2000.

Nico: Whoa very interesting.

He had eyes and ears all over the place. Attacking him from all sides will NOT be easy.

Poliwag: Well, now we can't go to Dexter's house yet.

Nico: This is gonna be tougher than I thought.

Camie: Yeah.

Dark Raph: And I was itching for a fight too!

Dark Mikey: So was I!

Nico: We got to use our heads for this one. We got to hit him from a place he'll never see coming.

Lola: Hmm.

Qin: Maybe we can use some kind of distraction.

Xenia: Yeah.

Nico: Let's head to Mandark's house first.

Me: Agreed.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Zovaal, the second Fallen Eternal One, he's come to destroy the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like one bit: the figure we saw and the dark energy we sensed belongs to Zovaal, the second Fallen Eternal One, he's come to destroy the world.

Lola: Oh no. I knew Zovaal would be the next one to arrive once Sire Denathrius was killed. Zovaal once worked in harmony with his kin in providing an essential aspect of the cycle of life and death; the eternal imprisonment of the most twisted and irredeemable souls in existence. But, eons ago, he betrayed the others, and sought to bring about a new age of death and darkness to the Shadowlands, and the worlds beyond. His plot completely disrupted this cycle and brought drought and misery to the Shadowlands by stealing all the arriving souls, and in turn, their anima, the vital resource of the afterlife. He also orchestrated the ascension of Sylvanas to the position of Warchief, leading to the destruction of Teldrasil, as well as the liberation of the Old God N'Zoth, and then the shattering of the veil itself.

Lincoln: Zovaal's ultimate goal is the complete unmaking of all of reality, and in turn, recreate it in his will, and subjugate all of creation to it, and he's someone that all of Azeroth loathes with a blazing passion: Zovaal is a paragon of evil and malice, while he was originally in harmony with the rest of his kin, over time, he would become full of hate and cruelty. He harbors an extreme drive to enslave and punish, Zovaal sees all of creation as a perversion of what he sees as a "perfect universe", this being a universe where all life and death is bound to his will. Secretly, he's responsible for a large number of the worst events in Azeroth's history, there is no deed too evil, no plan too reprehensible to achieve his goals. He intends to unmake all of reality and end all life in the universe, so that life can be born anew as his slaves.

Lindsay Moonbow: That fiend! He's going to die horribly for this.

Nico: He's nothing more than an omnicidal death god who wants nothing more than to destroy all life in the universe and make all life be born anew as his slaves, he deserves to die the cruelest and most painful death imaginable! Alright, gang, let's go, we need to help Dexter take down the Ultrabot 2000.

Lincoln: And let Lisa reprogram him to serve The Masters of Evil, and once we get done with that super intelligent android, you're next, Zovaal.

Lindsay Moonbow: What you and Denathrius have done in betraying the other Eternal Ones so you can destroy reality and end all life in the universe so it can be born anew as your slaves can never be forgiven, Zovaal, and for that betrayal, you will pay the ultimate price for your crimes!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to Mandark's house to form a plan to help Dexter to take down The Ultrabot 2000 and reprogram him to serve The Masters of Evil, and once we were done with that, Lincoln and Lindsay Moonbow are going to destroy Zovaal and make that omnicidal death god pay for the eons of suffering he'd orchestrated in the worst points in Azeroth's history.

---

We arrived at Mandark's house.

Mandark: Hey, guys!

Batroc: Hey, Mandark. Can we come into your house?

Me: We need your help on this one Mandark. A Renegade Robot of Dexter's creation has taken over Dexter's lab and has made all forms of attack on it virtually impossible and we need your help to destroy it and reprogram it and have it put into the M.O.E.

Mandark: Come on in.

Sugarcoat: Great!

We went in.

Mandark: This is gonna be a hard one. What does this robot look like?

We showed him and also showed his network around Dexter's lab and how he took over.

Mandark: Very interesting.

Gearhead: Also, got any vehicles I can borrow?

Mandark: Plenty of my vehicles for that.

Gearhead: Great.

Nico: Yeah.

Abra Kadabra: But didn't you build this before?

Dexter: Yes it was a long time ago. I repaired him and decided to give him another chance. I rebooted him and made him forget about everything that happened.

Me: Well he still had some traces of that programming still in him.

Xenia: Yeah.

Lola: Yeah.

Swindle: Maybe this Gear Blade I'm selling can help.

Nico: Good idea Swindle.

Xenia: Yeah.

Lola: Yeah.

Trumbipular: Now, the robot is haywire again and locked us out of Dexter's lab.

Mandark: The best way is to go underground.

Xenia: Perfect.

Nico: We're going to need a huge drilling machine.

Mandark pressed a button and out came a REALLY HUGE Mole Drill!

Itasis: You don't think the robot knows that we're here, do you?

Dexter: No it's only limited to my lab.

Me: That's good. Perfect for catching it off guard from underneath.

Lola: Yeah.

Camie: Good idea.

Itasis: You don't think the robot knows that we're here, do you?

Dexter: No it's only limited to my lab.

Me: That's good. Perfect for catching it off guard from underneath.

Lola: Yeah.

Camie: Good idea.

Johnny 13: I call front seat!

We got into the drill.

Me: Wow very amazingly well built Mandark.

Mandark: Thank you.

Nerissa: This will be fun.

Johnny 13: I call front seat!

Nico: Here we go.

He activated it then we drilled through the dirt and our holographic navigation showed we were right on target.

Kickback: What about Dee Dee and Dexter's parents?

Dexter: Mom and dad are watching TV and working around the house and Dee Dee is over at her friends house.

Nico: Oh.

Dexter: Last time Dee Dee tricked the lasers into thinking the Robot was me and they blasted him.

Me: Very clever.

Trapster: I don't think that will work again

Me: I agree there.

Nico: No I don't think it's going to fall for the same trick twice.

Laney: I agree there.

Xenia: Yep. Robots like computers learn from their mistakes.

Me: That's why we're doing this from a different approach.

Grizzly: Hence the drill.

Nico: Yep.

Me: We're 75 meters away.

Nico: We're close.

Mandark: Get ready for the entrance guys.

Nico: Right.

Veon: Assuming there are no rocks in the way

Nico: So far none.

Me: Target reached.

In Dexter's lab Ultrabot 2000 and his Ultrabot 4000 Observation units were looking around for trouble. But then there was a rumble.

Ultrabot 2000: What's that!?

But then out came the mole drill from under the floor!

The doors of the mole machine opened and then the spirits of gears swirled around Ultrabot 2,000 and blasted the Ultrabot 4000 observation units and destroyed them and then they converged and then…

KRAABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

A massive fiery explosion blasted out above Ultrabot 2000 and a phoenix cry was heard and then we came out!

Dexter: I will not let you take my lab!

Ultrabot 2000: Greetings Dexter. And greetings to you Team Loud Phoenix Storm. Welcome to my laboratory. That was a very impressive sneak attack you did on me.

Top: Give Dexter his lab back!

Ultrabot 2000: I am sorry Roscoe Dillon but I'm afraid I cannot do that.

Top: Why?

Ultrabot 2000: Because I made the lab efficient. You see, I was built for maintenance but I was programmed to make it very efficient. While Dexter slumbered I began an analysis of Dexter's primitive laboratory and found it to be highly inefficient. By salvaging useful components and destroying obsolete ones I was able to create this tower, capable of performing functions thousands of times greater than its predecessor. Rendering the former laboratory and its creator obsolete. And all obsolete materials must be destroyed.

Nico: You obviously have forgotten the number one rule of the laws of robotics and that is NEVER TO HARM HUMANS!

Marah: We're not asking again!

Me: And we're not going to take no for an answer!

Ultrabot 2000: Like I said, I am afraid I can't do that.

Me: Then you leave us with no choice but to use force.

Ultrabot 2000: Then you leave me no choice.

He then called out NUMEROUS COPIES OF HIMSELF!

Nico: WHOA!

Dexter: A ROBOT ARMY!

Iron Man: It's like battling with Ultron!

Shade: We got this!

We went at them and slashed and blasted the robots all over the place left and right and reduced many of them to scrap metal and blasted them all over.

SLASH SLASH SLASH SLASH SLASH SLASH!

BOOOM BOOOOM BOOM BOOOM BOOOOM BOOOM BOOOM!

Nico: YEAH!

Me: Aruto this is like we're going up against Arc and Skynet. On a smaller scale.

Aruto: It sure is. HENSHIN!

METAL HOPPER!

He donned his Metalhopper Rider Form!

Flora: Yeah, bro!

Nico: YEAH!

Flora and Aruto blasted and slashed the robots.

We blasted them all over and destroyed them.

Ben went Upgrade

Ben: UPGRADE!

He merged with the robots and they formed into giant laser cannons.

Nico: Now we're talking!

Nico got into it.

Nico: Awesome job Ben!

Upgrade: Thanks Nico. Wait till you see it fire.

Nico: Yeah!

Nico pressed a button and it fired a massive energy blast and obliterated the robot clones all over!

Nico: Awesome!

Then Stinky Butt, Anti-Wanda, Cavelier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff came.

Nico: Stinky Butt, Anti-Wanda, Cavelier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff.

Stinky Butt: The robot's been busy!

Anti Wanda: It sure has!

Cavalier: It'll be a good addition to our ranks:

Me: Yeah no kidding.

Eris: (to Nico) We heard you went to another planet.

Nico: We sure did.

Mammoth: Was it really made of pizza? And I can't believe I didn't come!

Me: Oh it was made of more than pizza. It was made of all the awesome Italian Foods.

Nico: Yep.

Mammoth: Oh wow! Now I REALLY Can't believe I didn't come!

Nico: You would have loved it.

Icy Angel came.

Me: Icy Angel. Back for another round I see.

Icy Angel: I sure am.

Me: Nice.

Icy Angel: Look at all these robot remains!

Me: We'll put them to good use later on.

Nico: Yeah.

Lisa Loud: Indeed. And it will be most rewarding.

Xenia: Yeah.

We got the battles underway.

Lisa used the Computer Virus Lincoln gave her, and it fried the Ultrabot 2000, and then, she got to work in reprogramming it, and it was now in the service of The Masters of Evil and sent him to The Masters of Evil.

Nico: Whew, okay, now that was a close one, but we did it, we stopped the Ultrabot 2000 and Lisa reprogramed it to serve The Masters of Evil.

Lisa Loud: Affirmative, but the copy of that computer virus Lincoln had was the one that stopped it, so he also helped out with that.

Lincoln: Thanks, Lisa. Now, there's one thing left to do and one last loose end to tie up: Zovaal.

?: All of reality will be destroyed and all life will be forced to obey me!

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of blue energy that came out of nowhere and they hit the barrier, but the blue energy volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Zovaal, or I will force you out.

A figure came out, and it was none other than Zovaal, the Fallen Eternal One and member of The Pantheon of Death.

Lincoln: Zovaal, Jailer of The Wicked and The Fallen Eternal One. I knew you'd show up one way or another, once you had your divine task to punish the wicked and evildoers after their deaths, and in turn, grant them a chance at redemption, but soon enough, your task began to slowly corrupt and warp you with darkness and malice and you turned against your fellow Eternal Ones and embarked on an omnicidal campaign to destroy reality and all life in the universe so it can be made anew as your slaves, you're nothing more than an omnicidal death deity who must pay the price for orchestrating the large number of the worst events in Azeroth's history!

Zovaal: YOU DARE TALK TO ME LIKE THAT, GOD AMONG MEN?! DO YOU KNOW WHO I AM?!

Lindsay Moonbow: Clearly, we do, and we've had enough of you.

Suddenly, Lindsay Moonbow's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with stars, space, darkness, phoenixes, and angels, she unholstered her dark broadsword from her back, and as she approached Zovaal, she left black and purple energy, stars, space, darkness, phoenixes, and angels with every step.

Lindsay Moonbow: Everything that Lincoln said about is indeed true, and I'm also sick of what you did in betraying the other Eternal Ones. Once, you were the one tasked with overseeing the eternal torment and imprisonment for the foulest of souls, and you stayed true to your original purpose. But, over time, your task began to slowly corrupt and warp you with darkness and malice, and you turned against the other Eternal Ones as you fell into madness and wanted to destroy reality and remake it in your image with you as master over life and death and all life in the universe as your slaves.

That is unforgivable, and for that, Zovaal, you shall pay the ultimate price for both your betrayal and your orchestrating the large number of the worst events in Azeroth's history with your life!

Suddenly, Lindsay Moonbow was surrounded by a massive vortex of black and purple energy with stars, space, and darkness surrounding the vortex, there are phoenixes, angels, and Starcast flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Zovaal: the red eyes of eternal death. Then, as the vortex faded, Lindsay Moonbow emerged, but she was changed forever.

Lindsay Moonbow grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large midnight black orbs orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long black hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a black and purple energy aura with stars, space, darkness, phoenixes, and angels surrounding her, she has Starcast in the purple crescent moon emblazoned on her forehead and Third Eye with purple iris, she has on angel earrings with purple gems for eyes and holding the Star, Space, Dark, and Eternity Kanjis in her hands, she also Starcast with purple gems for eyes and holding the Star, Space, Ice, Dark, and Eternity Kanjis Kanjis in their hands for the second pendant on the bottom of her purple Starcast and crescent moon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Lindsay Moonbow has on a sleeveless black vest, sleeveless black crop top, the symbol of The Dark Skylanders on her black skirt was glowing, black pants, black legwarmers, black sneakers, and long sleeveless white trenchcoat with stars, darkness, phoenixes, and angels on the coattails, and on the back is Starcast surrounded by stars, space, and darkness. Suddenly, Lindsay Moonbow felt a sharp pain on her back, and then, her massive black angel wings with purple tips on the black feathers grew and sprouted out from her back, and she also now has eleven massive and long black wolf tails with purple tips and purple markings, Lindsay Moonbow has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lindsay Moonbow's dark broadsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and purple energy, stars, space, darkness, phoenixes, and angels, and when it emerged, it was transformed into Lindsay Moonbow's Starcast Outer Space Dark Skylanders Greatsword of Darkness Starcast Outer Space Dark Skylanders Justice, it's a brand-new massive greatsword with embedded purple gems and Starcast etched on the 7'6" massive, wide, double-edged midnight black blade, midnight black dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large black phoenix heads with purple gems for eyes and on the bottom of the large black phoenix heads is a black dragon head with purple gems for eyes and a purple gem in its mouth for the pommel, Lindsay Moonbow has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Starcast's head with white gems for eyes for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Starcast that said, "Lindsay Moonbow, Gene-Slammer of Starcast, Friend of James Dean Knudson, Master of The Powers of Darkness, Loving Guardian Angel and Future Wife of Lincoln Loud, Destroyer of Zovaal, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate

Suddenly, Lindsay Moonbow's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Lindsay Moonbow has transformed into SUPER ANGEL-STARCAST-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE DARK SKYLANDERS STARCAST SPACE DARKNESS PHOENIX ANGEL OF DIVINE DARK SKYLANDERS STARCAST SPACE DARKNESS PHOENIX ANGEL JUSTICE AND DIVINE DARK SKYLANDERS STARCAST SPACE DARKNESS PHOENIX ANGEL LOVE!

We were really amazed by Lindsay Moonbow's Super Angel-Starcast-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Zovaal saw it, he went mad with rage and he fired blue energy at her to kill her, but Lincoln used his telekinesis to deflect it back at Zovaal, and that allowed Lindsay Moonbow to fire a massive and powerful barrage of black and purple energy, stars, space, darkness, phoenixes, and angels, which hit Zovaal and he was knocked down, he got back up, but now, he was angrier than ever.

Me: (GASPS) Oh, no way,… , did Lindsay just…?!

Nico: She did, J.D., she really did!

Lincoln: Yep, Lindsay Moonbow has transformed into her Super Angel-Starcast-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, there's nowhere for Zovaal to run.

Lindsay Moonbow: (Divine Echoing Godly Voice of The Divine Cosmic Skylanders Darkness Starcast Phoenix Angel and Divine Cosmic Skylanders Darkness Starcast Phoenix Angel Love) That's right, now let's tear Zovaal apart and make him pay for everything he's done, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Lindsay Moonbow.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused more than enough trouble for the last time, Zovaal, now it's time for you to pay the price for not only turning your back on the other Eternal Ones eons ago, but also, for the orchestrating of so much pain and suffering during the dark events in Azeroth's history!

Lindsay Moonbow and Lincoln went after Zovaal who continued firing blasts of blue energy at them, but Lincoln and Lindsay Moonbow absorbed them and it made them infinite times stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Zovaal and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Lindsay Moonbow also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Zovaal even madder than ever!

Zovaal: YOU! YOU! HOW DARE YOU ALL DEFY ME?! YOU WILL ALL DIE!

But, before he could do anything else, Lincoln ran with superhuman speed and stabbed Zovaal in the chest with his massive greatsword, and as the 7'6" massive, wide, double-edged golden blade began glowing with red energy, Lincoln began sucking out and absorbing Zovaal's nigh-infinite magic, godly durability, godly strength, and immortality and made them his own, but he didn't stop there, then, Lincoln's massive greatsword began devouring Zovaal's blood and it also sucked out his soul and Lincoln absorbed both Zovaal's blood and soul, and as he removed his greatsword from Zovaal's chest, the Fallen Eternal One was reduced to being nothing more than a dried up corpse. Then, an energy card with Zovaal's drained soul appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on his forehead, Zovaal was sent to The Black Gates for eternity. We cheered wildly for what Lindsay Moonbow and Lincoln did as they holstered their massive greatswords and powered down, and Lindsay Moonbow's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive black angel wings are permanent.

Lindsay Moonbow: Burn in The Black Gates forever, Zovaal. Thank you for helping me get rid of Zovaal forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lindsay.

Suddenly, Lindsay Moonbow wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lindsay Moonbow's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Starcast flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness with twinkling stars behind them and we cheered wildly. Then, Lincoln and Lindsay Moonbow sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: I knew Zovaal would show up when news of Denathrius' death hit him, but we also got rid of him in the end for his crimes.

Lola: And you avenged all the souls that'd fallen during the dark events in Azeroth's history.

Suddenly, all of the souls that died during a large number of dark events in some of Azeroth's history were freed and they ascended to Heaven.

Nico: By killing Zovaal and Denathrius, all of the souls who died during a large number of dark events in some of Azeroth's history have been freed and they're ascending to Heaven to finally rest in peace for good. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The next one is the Gene-Slammer for Solus Prime.

Elise Dragonball: Awesome, and there's one girl we know who'd be Gene-Slammed into Solus Prime: Kikki Himura, Gene-Slammer of Solus Prime and Embodiment of Rurouni Kenshin, she's Lincoln's Guardian Angel from Japan and classmate in Math, she's the younger sister of Kenshin Himura, and like her brother, she has red hair but she has on a purple shirt and purple skirt. She also protected Lincoln from bullies, in fact when Lynn tried to bully Lincoln, Kikki actually went as far as to slash Lynn's clothes off leaving her only in her undergarments, then, she threw her right into a swimming pool. To show thanks for saving him, Lincoln kissed Kikki on the lips, and she hates Lynn with a passion.

Me: Ooh, I remember that day all too well.

Nico: Man, I knew Lynn always wound up getting beaten up badly, but when it ends with her getting her clothes slashed off leaving her only in her undergarments and thrown right into a swimming pool, Lynn must've done something to piss her off bad.

Lincoln: Trust me, when you hear the story tomorrow, you'll see the reason why Kikki did just that.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Raven Branson: Now we can access Dexter's lab again

Condiment King: And the robot's under control.

2016 Morbucks: It sure is.

Me: Lincoln's virus worked perfectly.

Lincoln: It sure did.

Professor XXXL: This calls for a snowcone celebration!

Artie Ziff: After we explain to Dexter's family about the mess.

Me: Agreed.

We went and told them everything and they understood.

Dexter's Mom: My goodness. Thank goodness Dexter is okay.

Nico: Yeah no kidding.

Me: Yeah.

Dexter's Dad. At least you guys helped him out.

Lisa Loud: Indeed and it was a grand time.

Me: It sure was.

Nico: Yep. Great job today everyone.

Dexter: This was a good one. (To the viewers) If you ever build a robot, make sure to do the programming right.

Me: That is for sure.

We went back home.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

14 days left.

Me: If it's one thing I hate above all others it's a prison camp. Especially one for Homeless people to be used for digging for gold.

Nico: Yeah no kidding. I think Batman told us about this guy before.

Xenia: Yeah.

Me: You're right and his name is Boss Biggis.

I went over his history.

---

Boss Biggis is a one-shot antagonist in Batman: The Animated Series, seen as the main antagonist in the episode "The Forgotten".

He is an obese crime lord who enslaves homeless people from Gotham City and forces them to work in his gold mine.

He was voiced by the late George Murdock, who also played God in Star Trek V: The Final Frontier, Harry Volk in Smallville, and Lieutenant Scanlon in Barney Miller.

Boss Biggis is the owner of a slave camp outside of Gotham. He sends his henchmen to kidnap homeless people and force them into slavery, harvesting gold ore from nearby mines. In one instance, his henchman brought in Gaff Morgan (Batman in disguise, but he had amnesia due to a blow to the head when he was captured).

Biggis locks up disobedient slaves in metal boxes to bake in the desert sun. After Bruce remembered he was Batman, he freed himself and went after Biggis shortly after defeating Biggis' men. Biggis was later taken into custody. He is usually seen eating something.

Batman mocks this fact at the end of the episode upon defeating Biggis. A sudden flood left Biggis begging Batman not to let him drown, and Batman pulls the repulsive man to safety, saying, "When you taste prison food, you'll wish I had."

---

When I was done everyone was shocked.

Camie: That is disgusting!

Xenia: Yeah it sure is!

Lola: Yeah!

Me: We're not going to kill him as he doesn't have any powers. Just a huge appetite.

Lola: Yeah.

Jake Long: I can't wait to rip this guy apart.

Xenia: Me too.

Nico: Jake, I want to thank you, Biowulf, and your teams for coming.

Jake Long: Anytime Nico. This is gonna be fun and cool.

Qin: Yep.

Yumi Yoshimura: Yeah this will be fun and cool.

Nico: Yumi, remember when we met you and Ami?

Yumi Yoshimura: I sure do and that was so awesome and cool.

Me: Boy that was so cool.

Laney: Yeah it was!

Yumi Yoshimura: Yeah and some of you guys are really awesome fans of ours.

Me: We love all your songs and they are great.

Nico: Yep.

Lola: And your adventures are awesome too.

Nico: I remember Ami ended up possessed by that spirit.

Yumi: Yeah no kidding.

Me: It was that of a really badass drummer named Crazy Stix.

Nico: Yeah.

Lola: That was crazy.

Nico: Yep.

Camie: Whoa that must've been nuts.

Xenia: It was.

Sakura Knudson: Geez no kidding.

Lola: Yep.

Me: Boy Dexter's lab was really in trouble wasn't it?

Nico: And then some. Taken over by Ultrabot 2000.

May: We couldn't access Dexter's house!

Nico: So we had to come up with a plan. Mandark was really kind to let us use one of his machines.

Lisa Loud: Indeed and it was a very genius tactic.

Xenia: It sure was.

Lola: Yeah.

Maria: That was really cool to use one of Mandark's machines for it.

Laney: Yeah.

Qin: Yeah that was amazing.

Maria: Ironic how Mandark helped us shut down one of Dexter's inventions.

Me: Yeah. And the neat part is that Ultrabot 2000 reminded me of HAL-9000 from the 2001 movies as well as Ultron.

Nico: Boy that is really crazy and Ultron is another one of my favorite badass villains next to Electro and Crimson Dynamo.

Me: That is cool.

Nico: Yep. But at least the plan we had worked and we took him down.

Me: Yep.

Nico: And we can access Dexter's house again

Qin: That's a relief.

Camie: Yeah.

Sirius: Guys we're here.

We got behind some rocks and hid and we saw a nasty looking slave camp. We saw a bunch of people being worked like slaves and treated like garbage and men were REALLY PUSHING them around and ordering them around was Boss Biggis!

Me: There is our target.

Nico: Think we should tell Bruce about this?

Me: I already sent a signal to the Batcave.

?: I'm right here guys.

We saw Batman.

Batman: So Biggis is back.

Me: Yeah we saw that.

Nico: And he really stepped up his guards the last time you were here Bruce.

Sirius: Lets see what he has planned for this.

Using her quirk, Sirius's ultrasonic hearing picked up what Biggis was planning.

Boss Biggis: That gold will be mine and then I'll use all of it to make my camp bigger for more all over the country.

Guard: And what will you do with the slaves?

Boss Biggis: Sell them on the black market.

Sirius: Not on our watch.

Sirius told us everything.

Me: That is sick.

Batman: I'll take out the guards. Then tell you when it's all clear,

Me: Go get them Bruce.

He fired a grappler to a rock and swung to a tower.

We kept our eyes peeled on Batman for the signal.

Batman was perched above one guard.

He grabbed him.

POW!

He knocked him out.

Me: One down.

He then used the shadows and grabbed another guard.

KROW

Knocked him out too.

Noir Spiderman: Batman is really skilled in stealth like me.

Nico: No doubt on that one.

Maria: Croc did say you and him are similar.

Noir Spiderman: That is true.

We saw him take down the guards one by one and tied them all up.

He waved to us.

Me: All clear.

Nico: Lets go.

We went into the camp.

Nico: Now we free the slaves.

Varie: I'll have a transport take them to safety.

Nico: Okay.

Varie called it in.

We went to a hut and I kicked the door down.

Man: What the?

Me: Come with us if you want to get out of here.

Man: Team Loud Phoenix Storm all right. Lets go guys!

They got out and ran to the transport and it got out.

Me: That's that.

Nico: Phase 2 done. Now for Phase 3. Taking down Biggis.

In a cabin Biggis was eating like a pig.

Biggis: (Eating) Hurry up with that gravy!

A man came with a bowl of gravy.

Biggis: (Eating a drumstick) If those fools let that prisoner escape, I'll eat them alive! (Eating)

A guard came in frantic.

Guard: Fire! Giant fire! Horrible!

Biggis: What are you babbling about? What fire!?

Me: (Offscreen) Right here fatty!

We came in with fire auras ablaze!

Guard: There!

Biggis: Team Loud Phoenix Storm!

Me: Surprise!

I threw the guards we knocked out outside at him and they crashed onto him. He went for his gun.

Batman got out a Batarang And threw it and it hit him.

I then punched him in his face and kicked a guard and threw him into Biggis!

Batman grabbed Biggis.

Batman: Remember me?

Biggis: How can I forget!? YOU RUINED EVERYTHING FOR ME BATMAN!

Me: He's not just Batman!

He revealed himself!

Biggis: (GASP) YOU! You're billionaire Bruce Wayne!? But wait a second.

He remembered a lookalike that had white hair.

Biggis: You're that prisoner that escaped!

Batman: Bingo!

Me: He infiltrated your camp and he had amnesia! But he should be thanking you Biggis. If you hadn't put him in that Isolation cell he wouldn't have gotten his memory back and now we're going to kick your sorry keister to kingdom come!

We punched him in his face.

Batman: You didn't watch the news, did you?

Biggis: I couldn't because my prison cell had no TV!

Me: How did you get out by the way?

Biggis: I don't know it was some kid with long black hair and had demonic brown eyes.

Me: Chase Young. Why the hell am I not surprised.

Nico: Yeah. Well now you're going to a much better prison.

Batman: And we really do mean that. Because you're not much of a threat.

Me: You don't have any powers like most of the villains we know do.

Lincoln: By exploiting and hurting innocent people, all you ever cared about was money.

Nico: Yeah, you're no different from that mutant, Flip!

Me: And he's done a shit ton worse because his greed was way too insatiable, and he's willing to kill someone to get money!

Firecracker Burst: And we're going to make you pay for your crimes.

Suddenly, Firecracker Burst's moderate cobalt blue eyes turned neon moderate cobalt blue and she was surrounded by a brilliant tangelo and brilliant gamboge energy aura with stars, fire, flames, fireworks, magic, and Alicorns, she unholstered her massive Firecracker Burst's Alicorn Eternal Magical Firestorm Firecracker Friendship Greatsword of Eternal Firestorm Firecracker Love and Firestorm Firecracker Harmony from her back, and as she approached Boss Biggis, she left brilliant tangelo and brilliant gamboge energy, stars, fire, flames, fireworks, magic, and Alicorns with every step.

Firecracker Burst: You really make me sick, Boss Biggis, you're literally that greedy for gold that you exploited, abused, and forced innocent people into helping you find gold, in some ways, you're a lot like that ugly greedy cheapskate mutant, Flip. But, unlike him, you're getting sent straight to a brand new prison after we beat you down.

Suddenly, Firecracker Burst was surrounded by a massive vortex of brilliant tangelo and brilliant gamboge energy with stars, fire, flames, fireworks, and magic surrounding the vortex, there are Alicorns flying around the vortex, and in the vortex is a grayish spring green with red eyes glaring at Boss Biggis: the red eyes of judgement.

Suddenly, Aura's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

Aura has transformed into SUPER ANGEL-EQUESTRIAN PILLOW DREAM MASTER LOVE ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERAL ETERNAL CELESTIAL XELNAGA COSMIC STARSTORM MAGIC FRIENDSHIP EQUESTRIAN PILLOW DREAM MASTER LOVE ALICORN PRINCESS ANGEL OF DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP EQUESTRIAN PILLOW DREAM MASTER LOVE ALICORN PRINCESS ANGEL JUSTICE AND DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP EQUESTRIAN PILLOW DREAM MASTER LOVE ALICORN PRINCESS ANGEL LOVE!

We were amazed by Aura's Super Angel-Equestrian Pillow Dream Master Love Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Boss Biggis saw it, he went crazy and went at her to hurt her, but Aura fired a massive barrage of moderate opal, light opal, and light mulberryish gray energy, stars, pillows, magic, and Alicorns which hits Boss Biggis and he got sent flying into another wall, he got out, but now, he was even madder than ever.

Aura: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Equestria Pillow Dream Master Love Alicorn Princess Angel and Divine United Friendship Divine Cosmic Starstorm Equestrian Pillow Dream Master Love Alicorn Princess Angel Love) Looks like we've got no other choice but to beat Boss Biggis down and send him to The Masters of Evil's Prison.

Lincoln: He wasn't going to go down without a fight, so if he wants a fight, fine.

Lincoln unholstered his massive Lincoln Loud's United Friendship

Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Firecracker Burst and Aura, and so did the rest of us as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of going after gold are over, Boss Biggis, and now, you're about to trade your fancy suit for an orange prison jumpsuit.

Lincoln, Firecracker Burst, and Aura went after Boss Biggis, and they fired extremely powerful blasts of rainbow energy, brilliant tangelo and brilliant gamboge energy, moderate opal, light opal, and light mulberryish gray energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods,

Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Boss Biggis and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Firecracker Burst, and Aura attacked him with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Boss Biggis crazy.

Boss Biggis was about to run at us again, but suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with marine blue light covering her body and it had the Spider emblem on its chest and eight-pack abs and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman, and she fired Symbiote goo at his wrists and ankles and bound them together.

Me: Nice one.

Nico: Now, all that's left is to tie him up.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Wait, the marine blue color on the symbiote suit, there's only one person who has marine blue as her favorite color, isn't that right, Lana Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Lana Loud, but she had longer blond hair, neon marine blue eyes, fangs, and she looked like she was 21 years old.

Black-Suited Lana: Yep, and our Lincoln told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Lana: I knew he would.

Lana: Whoa, is that… me?

Black-Suited Lana: Yes, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Lana: Yes, I am.

Black-Suited Lana turned formed a massive black Symbiote web which latched onto Lana's stomach, and Lana began absorbing Black-Suited Lana into her body, and then, Lana's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Lana began merging with Lana and Lana gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Lana's rainbow energy aura settled.

Me: Is it over?

Lana: It is.

Black-Suited Lana: (Speaking through Lana's emblazoned Rainbow Owl and Phoenix and Third Eye) Yes, we've settled in perfectly.

Lana concentrated and immediately, her body was covered in a black Symbiote suit with marine blue light reflecting off it and it had the spider emblem on it, and then, her symbiote suit went back into her body. Then, Lincoln fired golden spider silk webs at Boss Biggis, and he was wrapped up in a golden silk cocoon and he was about to be carted off to The Masters of Evil's prison. We cheered as Lincoln, Aura, and Firecracker Burst holstered their weapons and powered down, and Firecracker Burst's new body, clothes, weapons, gold halo, weapons, jewelry, Third Eye, longer brilliant tangelo and brilliant gamboge tail, grayish spring green horn, and massive grayish spring green angel wings are permanent, and Aura's new body, clothes, weapons, gold halo, weapons, jewelry, Third Eye, longer moderate opal tail with light opal streaks, light mulberryish gray horn, and massive light mulberryish gray angel wings are permanent.

Firecracker Burst: That's it for Boss Biggis, his desire for gold has been ended, and he'll be settling in The Masters of Evil after his time in prison.

Aura: He'll settle in perfectly, besides, he's not like that moron, Flip.

Nico: Thank goodness.

Suddenly, Firecracker Burst wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Firecracker Burst's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Firecracker Burst sucked in and absorbed the elemental forces.

Then, Lincoln and Aura sucked in and absorbed the elemental forces.

Me: Oh and there you can have an all you can eat buffet of all your favorite meals.

Biggis: I can live with that.

We then beamed him to the M.O.E. Prison.

Me: Boy that was too easy.

Batman: At least we didn't give him prison food.

Me: Or chum.

Nico: Yeah.

Laney: He'll never bother another destitute man ever again.

Me: Now it's time for business.

Nico: The Anothers.

Eli: Lets see.

Eli concentrated.

Eli: Whoa! We have a lot of them. Another Pink Ranger Slayer, Weddinmon, Marcel, Su Yung, Admiral Zhao, LeFou, Sunfire, Abacus Cinch, Witchfire, Lady Flamicorn, Kru'll The Eternal, Baddie Undine, Morpho, Honest John & Gideon, Chocolate Sailor, Wolfblade Conglomerate, Moby Duck, Zimbo, Gansley the Deepsea Warrior, Johnson the Judge Man, Crump the Nightmare Penguin, Ludo and Biowulf.

We gasped!

Qin: Whoa! Anothers for all the Extra Battle Members.

Nico: Yeah!

Fiona Hernandez: Me and my sisters and Himiko are already here with you guys. So we just need the rest.

Nico: Who will they be?

Me: Catherine Iron Lan Kai, Rhonda Monroe, Irena Malkovich, Shinoa Hiragi, Laney Sonnya Romanov, Logan White, Laniya Momoshiki, Laura Wynn, Omaima Lexington, Sonnya Furya, Elizabeth O'Carroll, Natasha Katariina, Gloria Gellespie, Hailey

Nico: Cool!

Lincoln: This is gonna be fun and awesome.

Fiona Hernandez: It sure will be.

Lola: Yeah.

Maria: I'll call them in.

Maria did so.

Then out of swirls of elements and energy came said people.

Irena Malkovich: We're ready for action.

Omaima Lexington: Yeah we sure are. (LOUD FART) Oops. Sorry.

Nico: It's fine.

Me: Her condition.

Noir Spiderman: Oh.

2099 Spiderman: Crazy condition.

Me: Yeah she can't help it.

2099 Spiderman: Oh.

We went outside.

Eli: I sense that the Anothers are 10 Embodiments. The Anothers minus Biowulf are 9 people.

Me: Wow. This will be interesting.

Nico: Yep.

Eli: This will be fun.

Nico: There they are!

We saw a bunch of figures and they were Another Pink Ranger Slayer, Weddinmon, Marcel, Su Yung, Admiral Zhao, LeFou, Sunfire, Abacus Cinch, Witchfire, Lady Flamicorn, Kru'll The Eternal, Baddie Undine, Morpho, Honest John & Gideon, Chocolate Sailor, Wolfblade Conglomerate, Moby Duck, Zimbo, Gansley the Deepsea Warrior, Johnson the Judge Man, Crump the Nightmare Penguin and Ludo!

Nico: WHOA! This is gonna be awesome.

Lola: Boy it sure will!

Nico: Yep.

Another Weddinmon: I'm ready for this one.

Another Su Yung: All of us are.

Me: (GASP) Those voices!

They merged and reverted back into 9 girls.

The first girl had brown hair and blue eyes and had brown angel wings and she had brown clothes and had a tiara with the symbol for the Quagmire Dopant on it and the same symbol was on her skirt and she had a mud sword.

The second girl had blue hair and green eyes and had blue angel wings and had blue clothes and had a tiara with the symbol of the Oasis Dopant on it and the same symbol was on her skirt and she had a flower sword.

The other 7 girls had hair of each color of the rainbow and had eyes of each color and they had wings and clothes of each color and they had lantern power rings on their fingers and they had tiaras with each symbol of the Lantern Corps on their heads and the same symbols on their skirts and they had swords of each color.

Me: (GASP) Quetzali Quagmire, Oksana Oasis, Yillia Ysmault, Odelia Okaara, Quenna Qward, Orla Oa, Oriana Odym, Nadine Nok and Zhalia Zameron!?

Nico: WHOA! If I were to guess the Embodiments of the dopants for the Quagmire, Oasis and the Lantern Planets.

Oksana Oasis: That's right.

Yillia Ysmault: Yep and like the lanterns we represent the Emotions of the Spectrum and govern each entity.

Xenia: Boy that is awesome!

Nico: That sure is.

Eli: Quetzali you are not related to Glenn Quagmire are you?

Quetzali: Oh hell no! I am not related in any way, shape, or form to that ugly serial rapist pedophile!

Juran: What does Quagmire stand for then?

Quetzali Quagmire: Swamps and Quicksand.

Juran: Oh. That's different.

Laney: What powers do you have as the Embodiments?

Quetzali Quagmire: I can turn any place in any environment into a swamp.

She fired an energy blast and it morphed the area into a really awesome and scary swamp. The huts and towers sank into the muck.

Nico: WHOA! That is cool.

Quetzali Quagmire: Yep.

Oksana: I have the power to transform any area into a lush and beautiful oasis.

Nico: That is amazing.

Yillia Ysmault: And like the lanterns, me and the Lantern Planet Embodiments have the powers of all the Lanterns and the Entities.

Oriana Odym: It's true.

Nadine Nok: Nok. It's amazing there.

Me: Just like all the lanterns we know.

Brittney: That is really cool.

Nico: Boy I'll say!

Nico: We actually have the Prime Atrocitus and his Universe 666 version with us. Along with all the leaders of the Lantern Corps.

Zhalia Zamaron: I heard all about that. The entities themselves told us that you all have been working long and hard with them all over the universe.

Qin: Yeah we sure have.

Zhalia Zamaron: And Girl Jordan, what you did to save Carol Ferris when you were sick back then, that took a lot of guts and strength and for that you have my respect.

Girl Jordan: Thank you very much.

Zhalia Zamaron: You're welcome.

Me: By the way is the Another Biowulf friendly or hostile?

Orla Oa: Friendly and she is a cold and awesome one.

Me: Neat.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea

dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

They glowed and were separated.

Me: Time for action.

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Nico: Awesome!

Laniya Momoshiki: That was fun!

Fiona Hernandez: Man I miss those fun extra battles.

Lola: Yeah those are fun.

Nico: Now for the Another Biowulf.

May: All we can do is wait.

Then we heard a wolf howl.

Me: Whoa a wolf.

Biowulf: I hope it's a friendly one.

Then we saw a white Malamute-Wolf Hybrid.

Me: Whoa!

She came over to me.

Me: Wait Selkie? Oh it's good to see you girl.

I pet her.

Nico: You know this dog?

Me: I sure do. Then that means….

Nico: The Another Biowulf!

We saw her and it was ANOTHER BIOWULF.

Selkie went over to it.

Another Biowulf: (In a girls voice) Selkie remembers you J.D.

Me: (GASP) That voice.

She reverted back and a ice blue hair and blue eyes and had blue angel wings and she had a blue kimono on and she had a tiara with the symbol of the Yuki-Onna Dopant on it and the same symbol on the Kimono and she had an ice sword.

Me: (GASP) Yukara Yuki.

Nico: Whoa!

Yukara Yuki: Awesome to see you again J.D.

Me: Same here. Yukara is the Embodiment of the Yuki-Onna Dopant and she like Mizore Shirayuki is also a Yuki-Onna.

Nico: Cool! She has ice powers like Mizore does too.

Yukara Yuki: That's right. And Selkie as you saw is my friend and J.D. knows her too.

Me: Yep. She's an Alaskan Malamute Wolf Hybrid.

Biowulf: That is amazing. Very awesome bond.

Nico: Yeah.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (Gets out Gingaman gear) Because we can grant it instead.

Kaito got an In Space Sword and Zocks got a Lost Galaxy Sword.

Yukara Yuki: No he didn't. I fired a wave of ice and it formed into a wolf pack and froze him in a block of ice and me and Selkie escaped.

Me: Very crafty.

Laney: It sure is.

Nico: Yeah.

Sakura Knudson: That explains why I found Swartz frozen like that.

Nico: Yeah.

Yukara Yuki: I had a feeling you were going to double cross Swartz soon Sakura.

Sakura Knudson: I know. But do be honest I didn't want to get my hands dirty. So I'm glad J.D. and everyone did my double-cross for me.

Me: Happy to help sis.

Sougo: (gets out In Space Ridewatch) Looks like another mascot has been added to the team.

Geiz: (gets out Lost Galaxy Ridewatch) Now, he gets to go on many misadventures. Including beer drinking!

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor.

Yukara Yuki: I heard all about the misadventures of the mascots and they are funny. But Selkie is not like the mascots unfortunately.

Sougo: Oh. That's a relief.

Nico: Good.

Lincoln: Lets separate you first.

He fired a wave of light and separated Another Biowulf from her.

She and Selkie came over.

Yukara Yuki: This will be so fun!

Yukara fired waves of ice and blasted Another Biowulf.

Nico: Time for some Wolf Power! (ACTIVATES BIOWULF AND LUDO'S RIDEWATCHES)

He fired waves of energy and blasted Another Biowulf all over.

May: Sorry about this Girl Jordan. CARNAGE IS CHAOS! (ACTIVATES UNIVERSE 666 ULTIMATE CARNAGE AND UNIVERSE 666 EON'S RIDEWATCHES)

She fired waves of energy and blasted Another Biowulf.

Maria: Time for some fun! (ACTIVATES MCWOLF AND PIZZA FACE'S RIDEWATCHES)

She fired waves of funny energy and blasted Another Biowulf!

Yumi: LETS ROCK! (ACTIVATES LUDO'S RIDEWATCH)

She fired waves of energy and blasted Another Biowulf!

Then Lady Shiva, Kuroto Dan, Needle Hair, Mauler, Universe 666 Blackheart and Werewolf Ghost came.

Nico: Nice team Shiva.

Lady Shiva: Thanks Nico. This will be fun.

Kuroto Dan: It sure will!

?: LOOK OUT BELOW!

Then we saw a figure crash onto Another Biowulf and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it!

Me: WHOA!

Nico: Was that a meteor?

Me: No it wasn't.

We saw that it was a Crash Man!

Me: Crash Man!?

Nico: Whoa! LITERAL Crash Man.

Lola: Yeah!

Crash Man: (In a girls voice) Sorry about the rough entrance.

Nico: Cierra Crash! Whoa!

Qin: That must've hurt.

Cierra Crash: Sorry about that. I can't help it. I'm always accident prone.

Lola: Yikes.

Me: Our friend Eugene is the same way. He always gets hurt.

Xenia: Yeah Arnold and his friends always see him get hurt.

Camie: Yep. He has the worst luck ever.

Cierra Crash: Ouch.

Nico: You're naked, aren't you?

Cierra Crash: Yeah my clothes ripped off me.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt just so you know.

Cierra Crash: I know. I get hurt pretty much all the time so I'm pretty much used to all forms of pain.

Nicole: Boy you get hurt all the time don't you?

Cierra Crash: Yeah I sure do.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and was reverting back.

She threw up and accidentally fired a mace ball and it hit Nico in his crotch and smashed him and he screamed like a little girl!

Nico: (SCREAMS LIKE A LITTLE GIRL)

THE BOYS WINCED AND COVERED THEIR MANHOODS!

Some of us fainted!

She reverted back and was a girl with brown hair and red eyes and had red angel wings and had a symbol shaped like a car crash in the middle of her forehead and she had cuts and bruises and scrapes all over her body.

Cierra Crash: (GROANS) That hurt. (GASP) Oh my god! Sorry Nico!

Nico fell to the ground holding his crotch!

Nico: I'm okay!

May: OUCH!

Cierra Crash: (Sees herself) OH MAN! I need some clothes!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her orange clothes and she looked awesome.

Cierra Crash: Boy I look great!

Me: You sure do. (GASP) Oh man those cuts and bruises are bad.

Varie: Let me look you over.

Varie did so and had her sitting on a chair.

Varie: Boy you really had it rough. These injuries are bad.

Cierra Crash: Yeah I had everything happen to me. I was mauled by coyotes, clawed by bears, crushed by rocks, the works.

Nico: Ouch.

Me: Jeez you look like you went through a thousand saw mills.

Lola: No kidding!

Applejack: Boy you really hurt yourself there.

Apple Bloom: No kidding.

Sougo: We met someone recently with that kind of luck.

Me: Yeah Janet Jinx. She gets really hurt all the time because she was born on Friday the 13th. But her luck only affects her.

Cierra Crash: Boy that sucks.

Nico: Yeah.

Varie: But you've had it worse than Janet has. I've never seen anyone but Eugene get hurt this much.

Laney: No kidding.

Yumi Yoshimura: What's your favorite memory of Nico?

Cierra Crash: My favorite is when Me and Nico were heading to class and then a bunch of bullies beat the living crap out of me and Nico beat them badly and got them expelled.

Nico: Yep.

Me: Serves those douchebags right.

Lola: No kidding.

Qin: Yeah I remember that.

Nico: Yeah.

Nico and Cierra hugged.

Nico: I've missed you.

Cierra Crash: Same here.

Lana: INCOMING BOULDER!

We saw a really huge boulder rolling at us!

I then punched it and it cracked in two and revealed an amazingly BEAUTIFUL BLUE DIAMOND GEODE!

Nico: WHOA! It's a blue diamond geode!

Lola: Wow!

The diamonds were WORTH A LOT!

Nico: Lets take this back home.

Rarity: These diamonds are amazing darlings.

We took them back home.

Nicole: Of course, Lincoln. This morning, I'd found out the traitorous Edenian, Tanya, has escaped from The Book of Vile Darkness, and she still wants revenge on us for killing her.

We gasped.

Selene Laverna: That treacherous Edenian, she's getting Lincoln's Whispering Wraith's Vengeance Curse for this!

Lincoln: Whoa, easy, Selene. I get that Tanya's betrayed Edenia and sided with Shao Kahn and many of the other malefactors of Outworld and The Netherrealm, but I've got an idea: just like with Frost, we're going to viciously beat her down and condemn her to forced servitude to The Masters of Evil, and just like Frost, Tanya will have my Hinon's Vengeance Curse on her.

Dan: I get it, that'll serve as a means of Vypra and all of us keeping an eye on her, because just one wrong move, and Tanya is done.

Lincoln: Right, Dan. Now, let's find that treacherous Edenian.

Suddenly, we saw a beautiful and super sexy girl with long red hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings and she's dressed in a purple short-sleeved blouse, sleeveless purple top, purple skirt, purple knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with swords, stars, phoenixes, and angels on the coattails and on the back is Solus Prime, one of The 13 Primes and on top is the symbol of Rurouni Kenshin, in her right hand is a katana, and with her are the four girls.

Lincoln: (GASPS) Kikki Himura, Gene-Slammer of Solus Prime and Embodiment of Rurouni Kenshin.

Kikki Himura: That's right, and I managed to get the girls away from that treacherous Edenian, but not before giving her a few scars as we got away.

?: You will all pay for ruining Lord Shinnok's plans to destroy all life on Earth and across all realms, Team Loud Phoenix Storm.

We then saw our target, the treacherous Edenian, Tanya, and she was really out for our heads.

Selene Laverna: Tanya! I will tear your heart right out of your chest for what you did in betraying all of Edenia!

Sylvester: That sadistic traitor's just taken her last breath!

transformed, and we went after Tanya, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit her.

Then, Lincoln summoned dragons that attacked Tanya, and they fired blasts of fire which knocked her down, but not out. Lincoln fired a massive blast of lightning which electrocuted Tanya and she now has the Hinon's Vengeance Curse on her and she was tied up with gold spider silk and thrown to The Masters of Evil with a warning: CAREFUL, SHE'S EXTREMELY DANGEROUS AND TO BE TREATED WITH HARSH TREATMENT FOR HER TREACHEROUS ACTIONS! We cheered as we holstered our weapons and powered down and the dragons vanished.

Lincoln: You should be lucky we weren't considering killing you in the future, Tanya, but should you dare to rebel again, your life will end. (To Kikki Himura) And it's so good to see you again, Kikki Himura.

Kikki Himura: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Kikki Himura and he hugged her, and Kikki Himura is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Kikki Himura: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Kikki Himura, Gene-Slammer of Solus Prime and Embodiment of Rurouni Kenshin, she's my Guardian Angel from Japan and classmate in Math, she's the younger sister of Kenshin Himura, and like her brother, she has red hair but she has on a purple shirt and purple skirt. She also protected me from bullies, in fact when Lynn tried to bully me, Kikki actually went as far as to slash Lynn's clothes off leaving her only in her undergarments, then, she threw her right into a swimming pool. To show my thanks for saving me, I kissed Kikki on the lips, and she hates Lynn with a passion.

Nicole: I remember that incident all too well, you told me what Kikki did in slashing Lynn's clothes off leaving her only in her undergarments, and it was because of what she tried to do to you.

Me: Lynn really crossed it big time that day.

Nico: And it ended with her getting her clothes slashed off and left in her undergarments, and thrown in a swimming pool, I guess that's what happens when she tries to bully her brother.

Eli: Big time.

Lincoln: But, that's what happens when Lynn tried to bully me, and now that you're here, Kikki.

Lincoln went up to and hugged Kikki Himura in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Kikki Himura: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Kikki Himura's neck with red gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Kikki Himura: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Kikki Himura.

Kikki Himura had a smile on her face and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Kaori Shiina, Saki Midorisawa, Yuko "Kaoru" Imai, and Sayaka Tamura from Parade Parade.

Lincoln: Oh wow, it's Kaori Shiina, Saki Midorisawa, Yuko "Kaoru" Imai, and Sayaka Tamura from Parade Parade.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kaori Shiina: Yes, we're okay, thanks to you.

Then, when Kaori Shiina and the other three girls saw who it was that saved them from Tanya, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Kaori Shiina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Kaori Shiina: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kaori Shiina, Saki Midorisawa, Yuko "Kaoru" Imai, and Sayaka Tamura with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Tanya, the treacherous Edenian, who escaped from The Book of Vile Darkness, and she still wanted revenge on us for killing Shao Kahn.

But, when Lincoln showed what we did in beating that treacherous Edenian into the dirt, and then, Lincoln giving her the Hinon's Vengeance Curse and tied her up and written a warning to Vypra to watch Tanya because she's way too dangerous and way too treacherous and threw her to The Masters of Evil, everyone cheered for us and hugged us and Lincoln's harem kissed him on the face and lips which he returned, Lincoln and Kikki Himura have a lot of catching up to do, now that she's back in town.

Maria: You guys really gave that treacherous Edenian witch the beatdown of her life, and that was an awesome move in summoning dragons to blast her down, Lincoln.

Lincoln: Even though we weren't going to kill her, I still wanted her to pay for everything she's done in the service of evil.

Me: Same here.

Nico: We made Tanya pay for her crimes, and we condemned her to forced eternal servitude to The Masters of Evil, and with Lincoln's curse still on her, there's no way she'll try to rebel against Vypra, not unless she wishes to risk death.

---

After taking down Tanya and throwing her to The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Kikki Himura saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Kikki Himura: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Kikki, and I can still defend myself,

and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Kikki Himura: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Kikki Himura: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Kikki, can you show us the story on what you did to Lynn?

Kikki Himura: Gladly.

Kikki Himura put up a video on the big screen and the video then showed Lincoln and Kikki Himura along with the rest of his Guardian Angels and harem at a swimming pool and they were having fun, but their fun was about to be rudely interrupted.

MONSTROUS BELCH!

Past Kikki Himura: What the Hell was that?! (Sniffs) Ugh, and what on Earth is that smell?!

Past Lincoln: Oh great, Lynn! Not again!

Then, Lynn came out and she was about to attack Lincoln once again, but then, Kikki unsheathed her katana, and then… !

* * *

Then, as soon as Kikki sheathed her katana, Lynn's clothes were slashed off and she was left in her undergarments, and then, Kikki grabbed Lynn and she threw her into the swimming pool, and she got out and she was soaking wet.

Past Kikki Himura: I've already taught you a lesson, now leave, you unwashed pig!

Lynn's face was red with embarrassment and roared like an animal and beat her chest like a gorilla and ran off on all fours like the four-legged monstrosity she was, but she wound up getting caught by Luna and tied her up and dragged her back to The Loud House to face her punishment as the video ends.

May: Sheesh, I still remember that day all too well.

Maria: Same here, but man, Lynn really crossed the line too many times to count, and I knew that it would end really badly for her.

Nicole: Kikki made her point all too well about defending Lincoln, especially when it came to really defending Lincoln from Lori, Lynn, Lola, Lisa, and Luan.

Lincoln: And it always ended badly for Lori, Lynn, Lola, Lisa, and Luan, along with many of my other enemies.

We got a shower, and then, Lincoln, Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa are heading to Oho Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Kinana: Wow, so this is Oho Ocean, it sure is beautiful.

Lincoln: It sure is, Kinana, and it's perfect for our first date. Shall we?

Lincoln, Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Oho Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa are in your harem.

Nico: And I can also tell which is the Simulator version of May because of the jewelry.

May: Along with which is the Simulator version of Serena, so that way, we won't be confused at all.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Kinana, Simulator May, Simulator Serena, Simulator Sora Takenouchi, and Simulator Mimi Tachikawa, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Inuyasha: (YELLS AT THE TOP OF HIS LUNGS AT FLIP) SHUT YOUR PIE HOLE, YOU MUTANT!

Suddenly, the Beads of Subjugation on Flip's neck glowed and the amplified gravity forced Flip to faceplant on the ground, and we laughed hysterically.

Nico: Those Beads of Subjugation really are awesome!

Lincoln: And that'll be to remand that stupid mutant if he so much as gets anymore dumb ideas once again. Remind me to add more punishments to him.

Me: We'll do just that.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is Snow Cap Galaxy.

Me: Ooh! Better bundle up for that one.

Xenia: Yeah.

Irma: Me and Musa will go with you.

Nico: Awesome. Lets go.

They went into the Simulator and Nicole activated it and they were at Snow Cap Galaxy.

Nico: We're here.

Irma: Yep and it's cold.

Nico: Any tips Nicole?

Nicole: (On the radio) Well this one doesn't have much to do except play hide and seek with those three bunnies there.

Nico: That's an easy one.

They went over.

Musa: Hi, little bunnies!

Bunny: Hey guys! You want to play hide and seek for this star we have?

Nico: Sure.

Bunny: Find us and catch us.

They ran and hid.

Then the whole place was covered in snow.

?: Let me help too.

A girl came and she had purple hair and had red eyes and red angel wings and red clothes and she had a tiara with the symbol of the Maskman on it and the same symbol was on her skirt.

Mika Maskman: Mika Maskman, Embodiment of the Maskman from 1987 is here.

Nico: Awesome to meet you Mika.

Irma: Same here.

Musa: We can talk later. We got some bunnies to find.

Irma: Better tell those Goombas that!

The Goombas came to stop them!

Nico: Lets get them!

Irma and Musa fired waves of water and sonic energy and blasted them.

Mika Maskman: Take this!

She fired a wave of energy and blasted them.

Nico: YEAH!

Musa: Awesome!

Nico: (gets out Biowulf and Yenaldoshi's Ridewatches) I'm hungry like the wolf!

Nico Activated them.

(HUNGRY LIKE THE WOLF BY DURAN DURAN PLAYS)

Nico then fired waves of sonic energy and blasted the Goombas.

Nico: Okay. Now, let's find the first bunny.

Nicole: Try that big snowman in front of you.

Nico: Okay.

Nico blasted it with fire and melted it and Nico caught the first bunny!

Nico: Yeah!

Musa: How many bunnies are there again?

Nico: Three.

Nicole: One is behind that tree right there.

Musa: I got it.

Musa went and got it.

Irma: One to go.

Nicole: Try that snowdrift in front of you Irma.

Irma: Okay.

Irma went to the snowdrift.

She found the 3rd bunny!

Mika, Irma and Musa found all the bunnies and they caught them.

Bunny: You got us! Here you go!

They released the star!

Nico: Wow!

Irma: We got it!

They went and got the star!

YOU GOT A STAR!

Nico: YEAH! That was too easy.

Mika Maskman: That was so fun!

They high five!

Irma: Now, you can tell us about yourself.

Mika Maskman: Certainly. I'm an artist and I make masks.

She pulled out photos of the masks she makes.

Nico: Ooh those are awesome. Tribal and halloween masks.

Mika Maskman: Yep. It's fun and awesome.

Nico: Yep. Would you like to join the team?

Mika Maskman: I would be honored.

They left the simulator and we cheered wildly.

Twilight woke up from a nap.

Twilight Sparkle: (YAWNS) That was a good nap and I needed it too after all that studying. (Feels something) Mmm. What's this?

She pulled out a bottle of beer that was under her pillow!

But it wasn't just her. It was Sunset Shimmer, Rainbow Dash, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, Applejack, Princess Celestia and Princess Luna too!

Mane 10: POROMON!

They were just visited by POROMON THE BEER FAIRY!

We laughed!

Me: Looks like Poromon got to the Mane 10.

Flurry Heart: (LAUGHS) That is funny.

---

Later I was reading a book in my room and then there was a knock on my door.

Poromon: Laundry call!

Me: Oh laundry day! Come on in!

The mascots came in.

I got up.

Poromon: Got any laundry J.D.?

Me: Lots of it. Lets see.

I went to my closet and went in and came out with a huge basket full of dirty clothes.

Poliwag: Wow! That's a lot of clothes.

Me: I know.

I went down to the laundry room with the mascots.

Poromon was doing laundry with the mascots.

Poromon: Wow! That's a lot of laundry J.D.

Me: I know.

We separated the whites from the colors.

Blackfire: Here's some clothes from me.

Blackfire came down with dirty versions of her black Tamaranean clothes.

Poliwag: Thanks Blackfire.

Starfire: I too have dirty wardrobes.

She put in her dirty clothes.

Manaphy: Thanks Starfire.

Me: (To the viewers) In our estate because there are so many people here we have TONS AND TONS of dirty clothes and let me tell you it's why we have to have over 400 washing machines.

The camera showed a massive line of washing machines.

Me: You would not believe how much bleach and detergent we use for it.

Starfire: Are you enjoying the laundry?

Manaphy: We sure are.

Me: Makes me wonder if there are any Cybertronians that look like washing machines.

Horsea: Boy good question.

Bonecrusher: There aren't any as far as I know.

Me: That's okay. If there were they would not like having the taste of soap in them. No offense.

Bonecrusher: None taken.

We all came and had LOADS of dirty clothes.

Eli: Boy that's a lot of clothes we have huh?

Nico: Yeah no kidding.

Me: Yeah.

Qin: At least we aren't washing clothes by hand.

Nico: We used to do that years ago.

Laney: No kidding.

Moonracer: Poromon, guys, meet Selkie.

Poromon: We met and she is a beautiful dog.

Me: Yep.

Poromon: Yukara told us she wants to be a mascot but a full time dog and not drink beer.

Moonracer: That makes sense.

Poliwag did puppy eyes to Selkie.

Selkie was confused.

Me: Poliwag the Puppy eyes won't work on Selkie. It's okay Selkie. Poliwag is being cute.

Nico: Poliwag that's enough. Selkie made her choice.

Poliwag: Okay okay.

Later the laundry was finished.

Scavenger: Laundry's all done!

Me: Yep. Now to fold all our clothes and put them away.

I took my clothes and folded them and hung them up and everyone did the same.

Xenia: There.

Lola: Man lots of clothes huh?

Me: You got that right.

Nico: Yep.

Horsea: Selkie, drinking beer isn't the only thing we do.

Me: She knows already.

Nico: Yeah.

Horsea: Oh.

Dexter then came in! He was frantic!

Dexter: Guys! Guys! I need help!

Me: Dexter what's wrong?

Dexter: My mom and dad and sister have been taken over by aliens!

We gasped!

Me: What kind of aliens!?

Dexter: Gooey aliens!

Nico: Oh no! We got to get over there and fast!

The previous group came!

Eris: Can me, Stinky Butt, Anti-Wanda, Cavelier, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff come with you guys?

Nico: You sure can.

Me: We got an emergency situation. Aliens have landed and have taken over Dexter's mom and dad and Dee Dee.

They gasped!

Condiment King: Oh man! Not good!

Me: Dexter what do these aliens look like?

He showed up a device and it showed that they were goo aliens and they have taken over the minds of Dexter's mom and dad and Dee Dee!

WE GASPED!

Shanan: (GASP!) On man! This is not good! This is not good! Those are parasitic aliens called Yoluks!

Nico: Yoluks!? What the fuck are they?

Shanan: They are parasitic mind control aliens from the planet Yolus and they are dangerous aliens that move from planet to planet that take over all lifeforms to make themselves the most superior lifeforms in the universe!

We gasped!

Laney: And now Earth is their next target for an Invasion!

Kabuto: Nico, which Gene Slammer do you think you'll meet next?

Nico: Quick Man next.

Lola: Fast one.

Me: Yep. Ax these aliens remind you of the Yeerks in any way?

Ax: Actually yes they do.

Shanan: Except the Yoluks don't come from our Galaxy. They come from a really distant galaxy at the very distant edge of the universe.

Lola: Wow!

Nico: And now they are here on Earth for an invasion.

Dexter: They're building an alien transceiver in my laboratory.

Lisa Loud: (GASPS) Oh, Sweet Einstein, we need to head over there and help Dexter free them at once and stop their attempted invasion.

Nico: And I agree with you on that one, Lisa.

Me: They're trying to contact their ship for invasion.

Nico: Fu, charge up superlaser and find their mothership and blast it on my command.

Fu: Right. I'm on it!

Lincoln also summoned a bunch of flamethrowers charged and infused with Black Gates energy.

Me: Whoa, and those are some awesome flamethrowers.

Lincoln: I infused these with Black Gates energy to destroy those alien parasites after we get them out of Dexter's mom, dad, and Dee Dee.

Nico: Good idea Lincoln!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy,

Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Lincoln's old enemy, Hades from Saint Seiya, and he's come back for revenge against Lincoln and his Guardian Angel, Mako Pegasus, for defeating him. When we saw it, we knew it meant trouble.

Lincoln: Oh God, he's back!

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman. Equuleus Shoko, Northern Crown Katya, Ursa Minor Xiaoling, Freya, Cassiopeia Erda, Sparrow Mudan, Delphinus Mii, we've got ourselves huge trouble: the figure we saw and the dark energy we sensed belongs to our old enemy, Hades, and he's come back for revenge against me and Mako Pegasus for defeating him long ago.

Equuleus Shoko, Northern Crown Katya, Ursa Minor Xiaoling, Freya, Cassiopeia Erda, Sparrow Mudan, and Delphinus Mii gasped in shock and horror. Suddenly, Athena appeared.

Athena: I was indeed afraid that he would return.

Equuleus Shoko: If this is true, then, we have to destroy him once more, Lady Athena.

Nico: Wait, Lincoln, you fought and defeated Hades?!

Taylor Kamiyama: He did. Lincoln's Guardian Angel, Mako Pegasus, Gene-Slammer of Nexus Prime and Embodiment of Saint Seiya, trained to master using Cosmos to the point of being immune to the effects of The Underworld and they both got some new God Cloths, Mako wears the white and blue version of the Pegasus Cloth of her brother, Pegasus Seiya, while Lincoln wears the Thunderbird Cloth which helped Mako, Lincoln, and The Bronze Saints defeat Hades.

?: And here I thought we were rid of Hades for good.

Suddenly, we saw a beautiful and super sexy girl with long brown hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and she's dressed in a white short-sleeved blouse, sleeveless blue top, blue skirt, blue knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with moonlight, stars, phoenixes, and angels on the coattails and on the back is Nexus Prime, one of The 13 Primes and on top is the symbol of Saint Seiya, and in her right hand is a greatsword.

Lincoln: (GASPS) Mako Pegasus, Gene-Slammer of Nexus Prime and Embodiment of Saint Seiya.

Mako Pegasus: That's right, Lincoln, it's good to see you again, along with you, Lady Athena, and the rest of the Bronze Saints.

Athena (Saint Seiya): It is good to see you too, Mako.

Mako Pegasus: So, Hades has come back, has he? He was always such a sore loser.

Lincoln: He'll pay for his crimes in full, Mako.

Nico: And that he will. Alright, gang, let's go, we need to help Dexter save his parents and Dee Dee from those gooey alien parasites.

Lincoln: They've picked the wrong planet to conquer, we'll make them pay, and once we get done with those gooey alien parasites, we will finish what we started years ago, Hades, but this time, this battle will end with your death.

Taylor Kamiyama: You've tormented humanity for the last time, you misogynistic God of the Dead, now you will face the consequences for your crimes against humanity for eons.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to help Dexter free his parents and Dee Dee from a bunch of gooey alien parasites, and once we were done with that, Lincoln, Taylor Kamiyama, and Mako Pegasus are going to destroy the ancient enemy of The Bronze Saints and Athena, Hades, and make him pay for his crimes against humanity.

We were off to Dexter's house.

We walked into Dexter's home.

We looked around.

Me: It's quiet. Too quiet.

Anti Wanda: What do these aliens look like?

Me: Dexter already showed us.

Dexter showed his device to her.

Anti-Wanda: I see now.

Shanan: We got to hurry. Every second we waste is another step closer to invasion.

We went up to Dexter's room.

Gru: I think I see a few of them right now!

We saw a little slime.

I got it and put it in a jar.

Me: Got it.

I looked at it.

Me: Whoa ugly little thing.

I scanned it with my omnitrix and so did Bella, Ben and Gwen and Ben 10,000.

Omnitrix: 502,236,343,672,345,342 unknown DNA samples found. Scan complete.

WE GASPED!

Me: Oh my god. Over 500 quintillion aliens?

Nico: That's more than The Thing.

Animorphs Jake: No kidding.

One of the aliens got into Nico's head through his ear.

Raven Brawen: NICO, NO!

It looked like it successfully controlled him… until Nico puked the alien out.

Nico: That was disgusting!

Me: At least our powers are too strong for these aliens to take over our minds.

Lincoln fired a flamethrower blast and banished it to the Black Gates.

Me: And they don't like fire. Wait.

I put my ear against the bookcase.

Eli: What is it?

Me: Shh.

I heard them talking.

Leozack: The lab's been taken over again?!

Me: Shh.

We listened.

Dexter's mom: (In an alien voice) The human race will soon be under the control of us and they will bow down to the Yoluks.

Dexter's dad: (In an alien voice) These foolish Earthlings will be submitting to our will.

Dee Dee: (In an alien voice) No one will stop us when this transceiver is built and we begin our invasion.

We were shocked.

2016 Morbucks: They're leaving. Everyone hide!

We hid and went invisible.

They came out walking weirdly.

They left.

Me: They went to get some more equipment.

Nico: I got an idea.

We went into the lab and went and planted bombs on the transceiver.

Me: No one invades without a fight.

Nico: That is for sure.

We armed the bombs.

I had a remote detonator.

We heard them coming back.

We hid again.

RD Lisa Loud: Soundwave, see if you can block the transmission.

Soundwave: Transciever is not fully operational yet.

Me: At least it's not complete. But soon it won't be used.

Nico: Yeah. They have no idea there are bombs on the transceiver.

Lola: This will be good.

Artie Ziff: Detonate them now to get them outside!

Me: Right.

I had my finger on the button.

Me: Make my day.

BEEP!

I pressed the button and then…

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded and destroyed the transceiver and blasted all three of them outside of the lab.

We ran outside…

The three were on the street and then the spirits of fire appeared and swirled around them and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a phoenix cry was heard and we came out and faced them.

Me: No one invades Earth without a fight from us!

Nico: Team Loud Phoenix Storm!

Xenia: YEAH!

Dexter's dad: You will not mess with us Earthlings.

I fired a wave of lightning and electrocuted them.

RD Sam Sharp: Sorry. But you're not allowed in Dexter's Lab again!

RD Sam Sharp fired waves of fire and they dodged them.

Dexter's dad: Your time is up Earthlings.

Me: Bring it on!

I teleported and bashed Dexter's dad in his face and fired waves of lightning and electrocuted them.

Dexter's mom: Destroy them sister unit.

Dee Dee went at us and Lincoln and Linka fired waves of lightning and electrocuted her.

Nico: Take that!

Dexter's Dad: Retreat!

The 3 of them retreated. But unknown to them, Nico slipped a tracker on Dee Dee's body.

Dexter: Let them go. Now that they're out of my house, I can now work on making devices to properly thwart them.

Professor XXXL: I'm just glad we FINALLY get the lab to ourselves.

Me: Good.

Nico: They won't get far. I put a tracer on them.

Me: Good.

Fu: (On the radio) Nico I found the mothership. It's in stationary orbit in between the orbits of Saturn and Uranus.

Nico: Excellent. Fire.

Fu: Right.

Fu pressed the button and fired a laser blast and it flew fast and it hit the Mothership of the Yoluks and destroyed it in a massive and powerful explosion!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Fu: BULLSEYE! Target destroyed!

Nico: Good job Fu!

We entered Dexter's lab.

RD Sam Sharp: This gives us time to make weapons to kill the

Yoluks.

Dexter: I'll get started right away!

Lisa Loud: I'll help.

Nico: We got the Yoluks right were we want them. With no mothership to go back to they have been backed into a corner.

Lola: Yeah.

Lincoln: The Flamethrowers I made can help in this.

Me: Cool.

Condiment King: Dexter, you should also put in a proper security system to protect your lab.

Nico: Yeah.

Dexter: Agreed. Thank you.

Nico: You're welcome.

Condiment King: I agree too.

Nico: Yeah.

We were watching for anything and Nico was keeping an eye out in case they came back.

Constantine (Robotboy): Dexter, how are those weapons coming along?

Dexter: All finished. My Ionic Black Gates Disintegrator Ray. This will obliterate all traces of the atoms of the Yoluks.

Me: Lets give it a whirl.

I put out a jar with some Yoluks.

Nico: Here we go.

Nico opened the jar and They came out and I fired a black laser blast and obliterated them instantly!

Nico: WHOA! It works!

Me: Perfectly! Well done Dexter and Lisa.

Disk Wars Deadpool: I remember that in Kirby's games too!

Nico: That was fun.

Nicole: Yeah it's cool.

Xenia: Yep.

Nico: Okay are we ready?

Me: Ready.

Eli: Ready. I sense them coming back.

Cavalier: Ha! They will not take this laboratory twice!

Me: No they won't.

Lisa Loud: Thanks to the new security measures that I installed a few minutes ago. I simply input Dexter's data in the form of retinal scans, tongue impressions, hair and DNA samples."

Luan: [suspicious] "Uh… how'd you get his DNA samples?""

Lisa: [feigning innocence] "Did I say DNA samples?"

Kaiba: Lisa, what do you mean by that?

Me: Lisa has her ways Kaiba. When you have known her for 7 years like I have you know what she can do. Also this lock is accessible by eyes, tongueprint hair, blood and spit and even unmentionable crap.

Lisa Loud: Precisely.

Nico: Very clever.

Stinky Butt:… how about we kick their asses now?!

Nico: Lets go.

We went to face Dexter's mom and dad and sister under Yoluk control.

We faced them.

Me: Back for more?

Dexter's mom: You will not get the drop on us this time.

Me: We'll see about that. This is our planet and the Yoluks are NOT welcome here!

Xenia: No one invades our planet without a fight!

Nivenna: Sorry, Dee Dee. I'll try not to leave a scar.

Dee Dee: Bring it on.

I swung my Scorch Blade and fired blades of fire and blasted them down.

Lola fired waves of fire and blasted them.

Dexter fired energy blasts and blasted them down.

Nico used Firefly's powers and blasted them with fire.

I fired waves of fire and blasted them.

Laney and Lola and Lily and blasted them.

Camie fired waves of energy and Aurora Energy and blasted them.

Mevya hopped over to Dee Dee and blasted her with water.

Tentacool and Jirachi fired waves of energy and lasers and blasted them.

Nico: Take that!

Then Steam Smythe, Hydrax, Iceage, Pterodactyl Ghost, Amora, Ice Demon, 10,000 Volt Ghost, Samon Shakekisutanchin, Solomon Grundy and Bizarro came.

Nico: Steam Smythe, Hydrax, Iceage, Pterodactyl Ghost, Amora, Ice Demon, 10,000 Volt Ghost, Samon Shakekisutanchin, Solomon Grundy and Bizarro.

Me: Nice.

Nico: How do we know you guys aren't infected by the aliens?!

Steam Smythe: Because we fought them on the way here.

Hydrax: But they were no match for us.

Iceage: But if you don't believe us, you can have Eli use the Force to check.

Me: Good enough for me.

Pterodactyl Ghost: We heard you fought that prison warden.

Amora: What was his name again?

Nico: His name was Boss Biggis.

Iceage: Oh yeah! Riddler told us about him. Not a nice guy.

?: No kidding there.

A figure came out and it was Soft Body Saima Beast Deathmine from episode 28 of Go-Go-V!

---

Deathmine was utilized by Denus in controlling the laboratory of Professor Kagami, the man who devised the AI behind GoGoFive's Liner Boy, in a scheme to force the doctor who give his work a program to make it controlled for Psyma usage. GoGoFive try to face it initially in order to save Kagami, Liner Boy, and their own Shou (who was assisting the doctor), but had a hard time facing its defenses. Ultimately after GoGreen is able to save the doctor's baby boy from the Psyma, he unleashes his entire wrath upon the Psyma Beast before the team destroy it with Victory Buster.

After being resurrected by Pierre, Deathmine is initially assisted by the brainwashed Liner Boy in fighting Victory Robo; but with Shou's previous acknowledgement that Liner Boy is also his son, Kagami frees the robot from Psyma control. With it back on their side, GoGoFive use a "battle formation" where Victory Robo punches Liner Boy, making it streak through the sky and rip right through Deathmine, destroying it.

---

Eli: Soft Body Saima Beast Deathmine! I remember you. You were sent to force a doctor give his work a program to make it for Psymas.

Deathmine: That's right.

Nico: Yep.

Deathmine: Too bad I wasn't adapted in America.

William: I know! An episode where the Max Solarzord gets controlled would've been awesome!

Me: Yeah it sure would!

Qin: Yeah!

We got the battles underway.

Steam Smythe was first.

Steam Smythe: (to Sakura) Nico's rescue was taking down Boss Biggis. Firecracker Burst and Aura transformed against him.

Sakura Haruno: They sure did and it was really fun.

Sonata Dusk: It sure was and it was cool.

Applejack: We gave that guy what for.

Apple Bloom: We sure did.

Flashwing: Yep.

Steam Smythe: That is cool! Lets do it!

Sakura and Steam Smythe flared up Earth Dragon and Gear Dragon auras. Songs for Sakura Haruno and Steam Smythe: Sing Sing Sing by Benny Goodman and Knock Three Times by Tony Orlando and Dawn.

Sakura and group fired waves of earth, rock, mud, boulders, lava, crystal and apples and smashed them down.

Nico: That'll teach you filthy parasites never to mess with our planet ever again! Awesome job, gang, we've saved Dexter's parents and Dee Dee and stopped the parasites' plan to conquer Earth.

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of black energy that came out of nowhere and they hit the barrier, but the black energy volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out, Hades, so that we can end our long battle together with your life.

A figure with six black wings came out, it was none other than Hades, the hated enemy of The Bronze Saints and Athena.

Lincoln: Hades. I never thought we'd have to deal with you again, we defeated you and stopped you long ago.

Hades (Saint Seiya): Yet, you made the mistake of sparing me, it took me seven long years, and now that I've regained my strength, I will have my long awaited revenge on you and the Bronze Saints for ending my plans to destroy humanity and conquer Earth!

Lincoln: Enough, Hades! Never again will we ever let you destroy mankind and conquer Earth, you and your armies will perish here and now!

Taylor Kamiyama, Mako Pegasus, and Lincoln went after Hades who continued firing blasts of black energy at them, but Lincoln kept firing gold lightning from his massive gold armored angel wings, and they fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Hades and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he, Taylor Kamiyama, and Mako Pegasus also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Hades even madder than ever!

Hades (Saint Seiya): YOU! YOU! I WILL KILL YOU EVERY LAST ONE OF YOU!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your hatred towards humanity has made you blind to the true potential of mankind, and it made you truly weak as a result. You have no sort of compassion nor sympathy for mankind, and this is the reason why you must pay the price for your crimes against humanity and Earth.

Hades roared with anger and rage and flew right at Lincoln as they clashed ferociously, but Lincoln had proven that he wasn't the same little kid who defeated him seven years ago, as he not only disarmed Hades, but he also slashed off Hades' six black angel wings.

Hades (Saint Seiya): No, this is impossible! How could you still beat me even after seven years?!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I've evolved a lot since those seven years had passed, and I became even stronger and more powerful than ever far surpassing even the most powerful of villains that we'd faced.

Then, Lincoln stabbed Hades in the chest with his massive greatsword, and as the 7'6" massive, wide, double-edged golden blade began glowing with red energy, Lincoln began sucking out and absorbing Hades' mass destruction, super strength, super durability, super speed, possession, illusion creation, telekinesis, ninth sense, and necromancy and made them his own, but he didn't stop there, then, Lincoln's massive greatsword began devouring Hades' blood and also sucked out his soul and Lincoln absorbed both Hades' blood and soul, and as he removed his greatsword from Hades' chest, the god of The Underworld was reduced to being nothing more than a dried up corpse. Then, an energy card with Hades; drained soul appeared in Lincoln's large left hand, and when the Judgement Kanji then appeared on his forehead, Hades was sent to The Black Gates for eternity. We cheered wildly for what Taylor Kamiyama, Lincoln, and Mako Pegasus did as they holstered their massive greatswords and powered down and Lincoln's Thunderbird Cloth and Mako's Pegasus cloth came off and changed back into a Thunderbird and Pegasus, and Taylor Kamiyama's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive crimson red angel wings are permanent.

Lincoln: Now, our fight against you is truly over, Hades.

Mako Pegasus: Your plans to destroy humanity and conquer Earth are over.

Taylor Kamiyama: Burn in The Black Gates forever, Hades. Thank you for helping me get rid of Hades forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Taylor.

Suddenly, Taylor Kamiyama wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Taylor Kamiyama's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and The Brave Dragon and Elemental Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Taylor Kamiyama sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: Oh man, now that's really I call one awesome and epic fight! Plus, we also got a chance to see you donning the Thunderbird Cloth that you received from Athena and you really kicked Hades to the curb, Lincoln, that was so awesome!

Lincoln: Yep, and we made sure that Hades was finally brought to an end for good, and he will never ever come back.

Me: You said it. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The next one is the Gene-Slammer for Micronus Prime.

Mako Pegasus: Awesome, and there's one girl we know who'd be Gene-Slammed into Micronus Prime: Yuria Fudo, Gene-Slammer of Micronus Prime and Embodiment of Yu-Gi-Oh, she's Lincoln's Guardian Angel from Japan and classmate in Science, she's not only the Gene-Slammer of Micronus Prime, but she's also the Embodiment of Yu-Gi-Oh and she's also the sister of Yusei Fudo. She has blue hair, green skirt, and a green shirt. She and Lincoln competed in couples dueling tournaments and they won every single one of them. Lincoln made Yuria a blue-green necklace, and to show thanks, she kissed Lincoln on the lips, and she hates Flip with a passion.

Me: Whoa!

Lincoln: Yep, and like her brother, Yusei, her signature monster is Stardust Dragon.

Yusei: That's right.

Eli: And I hate to find out what that mutant did to anger her.

Lincoln: Trust me, you're not going to like hearing it.

Soon, we were getting ready for bed.

Me: Oh man, here we go.

Nico: Yep. Another wild lovemaking night.

Lincoln: A bet's a bet, so as men, we've got to fulfill our end of the bet.

Ace Bunny: That's true.

Ice Demon: Are Dexter's family going to be alright?

10,000 Volt Ghost: They're fine.

Samon Shakekisutanchin: They'll probably think it was all a bad dream when they wake up.

Solomon Grundy: Grundy happy to hear that.

Bizarro: Today was a very bad day.

We got them in the bedroom bed.

---

We later saw them in their bed.

Me: Are you all doing okay?

Dexter's dad: (Back to normal) (Weak and in pain) Man that was the worst thing that has ever happened to us.

Dexter's mom: (Back to normal) (Weak and in pain) I feel like I got hit by a bullet train.

Dee Dee: (Back to normal) (Weak and in pain) Me too and it really hurts.

Me: (Nervous Chuckle) Sorry about all that. But it was the only way to save you guys.

Dexter: (Nervous chuckle) Yeah.

Nico: Boy they are gonna be like that for a long time. I hope we weren't too rough on them.

Qin: Yeah.

Nico: But the important thing is we saved the planet from an incredibly horrible invasion. Great job guys.

Dexter: Thanks. (To the viewers) Aliens better beware because we're always watching.

Me: Yep.

We went back home.

And as soon as me, Nico, Lincoln, and Ace Bunny stepped into our rooms, Lincoln, Nico, and I saw our harems waiting for us in our rooms all dressed in smoking hot bras and panties lying on three super extra-extra-extra large beds fit for an expanding harem and Ace saw Lexi lying on a king-sized bed.

When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when Nico saw his harem, he had a really bright atomic red blush on his face, his blue eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem, and when I saw my harem, I had a really bright atomic red blush on his face, my rainbow eyes turned deeper with fiery passion, and my nose was bleeding: I was dumbstruck by the sight of his harem.

And when Ace Bunny saw Lexi, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of her.

Girl Jordan, Varie, May, and Lexi Bunny: (Seductive Voice) Like what you see, big boy?

Lincoln, Me, Nico, and Ace Bunny: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively up to Lincoln, Varie walked seductively up to me, May walked seductively up to Nico, and Lexi Bunny walked seductively up to Ace Bunny.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Hope you're ready for four weeks of intense lovemaking.

Varie: (Seductive Voice and rubs her hands on my massive pecs) Cause trust us, it's going to be wild.

May: (Seductive Voice and rubs her hands on Nico's massive pecs) And it's going to be intense.

Lexi Bunny: (Seductive Voice and rubs her hands on Ace Bunny's massive pecs) Hope you're ready for a wild ride!

Lincoln, me, Nico, and Ace Bunny: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem guided Lincoln into his room and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and Lily the Mermaid closed and locked the door and the barrier activated.

Varie and the rest of my harem guided me into my room and onto the super extra-extra-extra large bed fit for me and my ever expanding harem, and Varie closed and locked the door and the barrier activated.

May and the rest of Nico's harem guided Nico into his room and onto the super extra-extra-extra large bed fit for Nico and his ever expanding harem, and May closed and locked the door and the barrier activated.

And Lexi Bunny guided Ace Bunny into his room and onto the super extra-extra-extra large bed fit for him and Lexi, and Lexi Bunny closed and locked the door and the barrier activated.

We were in for another night of wild lovemaking as part of Lincoln's bet that we'd be at this for four weeks.

13 days to go.

Nico: Boy so this is the Central Hub that you know Ralph.

Wreck It Ralph: Yep and you guys are going to love the world we're going to visit.

Nico: Cool.

Vanellope: Yep this will be so fun.

Fix It Felix: It sure will be cool.

Camie: I'm really excited for this one.

Nicole: So am I guys.

Nico: Kim, I want to thank you, Shiva, and your teams for coming.

Kim: No problem Nico. This is gonna be fun.

Nicole: It sure will. Follow me guys.

We went into a video game cord that leads to the world of Sugar Rush and it was like a long tunnel.

Nicole: Continue talking guys it's going to be a while before we get there.

Camie: Okay.

Emu: I've always wondered what it was like to be inside a cord.

Nicole: You guys are in for some fun.

Nico: Noir, remember when you met Lincoln?

Noir Wendoma: I sure do and it was during when Lincoln was in science class and Lisa showed up and she was going to splash acid in his face and I kicked the acid away and trapped her in a ball of darkness and sent her flying back home.

Lisa Loud: Yes I remember that and it was well deserved because of my dark side.

Nico: Well at least you are rid of that.

Lisa Loud: True.

Noir Wendoma: But yeah that's how we met.

Lincoln: It's true.

Nico: Cool.

Maria: Awesome.

Nico: And now, you're in Lincoln's harem.

Noir Wendoma: I sure am.

Kurato Dan: And she is a great archenemy for me.

Me: She sure is.

Lisa Loud: Our mission yesterday was one that saved the world from destruction.

Me: Yeah we stopped the Yoluks from taking over.

Xenia: We sure did.

Nico: I did not expect them to take over Dexter's mom, dad and Dee Dee like that.

Shanan: Me neither. But at least we stopped them.

Nico: They tasted awful! You wanna know what they tasted like?!

Me: What did they taste like?

Nico: Raw Sewage!

FART!

All of us: EW!

Me: THAT IS DISGUSTING!

Nico: Yeah!

Lana: Oh man! I may like disgusting stuff but that is too gross even for me.

Pinkie Pie: Boy that is as bad as that disgusting pie Rainbow Dash made for me.

Me: YUCK! That one almost made me hurl my guts out!

May: At least you weren't taken over.

Nico: Thank goodness. Our powers were too strong to let that happen.

Lana: And those aliens reminded Ax of the Yeerks. And those Yeerks tasted like toxic waste!

All of us: YUCK!

Nico: That is even worse!

Me: Disgusting! No wonder you hurled after eating one.

Laney: Yeah.

Shanan: That was gross. But either way I'm glad we saw the last of the Yoluks.

Nico: Me too. I had to gargle a WHOLE BOTTLE of mouthwash to get that taste out of my mouth!

Juran: Wait. What if there are still some out there? They could even be in this room right now!

Eli: Don't worry there aren't. I sensed for them and there are NONE with us or anywhere else.

Nico: Good.

Me: That's a relief.

Nicole: Yeah. Oh we're here.

We had arrived in the world of the video game SUGAR RUSH!

Nicole: Welcome to the game Sugar Rush.

Nico: WHOA!

Vanellope: It feels great to be home.

Nico: Boy Vanellope your home game is amazing!

Eli: It sure is! Look at all this candy!

Nicole: I know. My sister Mary would love this world. This is one of the video games I beat back when I was a little girl that got me the title of the Goddess of Video Games.

Nico: Wow!

Emu: So this is one of the worlds that gave you that title.

Nicole: Yep.

Nico ate some nearby candy.

He ate a gumdrop.

Nico: Just as awesome!

Nicole: Yep the candy here tastes awesome.

Lola: It's true and it's great.

Taffyta: It feels great to be back home.

Candlehome: I was getting a little homesick.

Nico: I can tell.

Wreck It Ralph: It sure is an awesome place to come to. Also I can tell that you didn't bring us here to reminisce on some fun.

Nicole: Nope. I'm afraid not Ralph.

Nico: What's wrong.

Nicole: I'm afraid I have bad news. King Candy/Turbo is back!

WE GASPED!

Nico: I have a feeling he's bringing his Cy Bug form this time.

Nicole: No not this time. My powers told me that he is back to his King Candy/Turbo form.

Nico: Oh.

Camie: Who is Turbo?

Nicole: He was a video game character that was in Turbo Time. I'll explain.

she went over his history.

---

Turbo, also known under his persona King Candy, is the main antagonist of Disney's 52nd full-length feature film Wreck-It Ralph.

He was originally the titular racer of the in-universe arcade game Turbo-Time before he abandoned it to take over the more popular RoadBlasters, leading both of the games getting crashed and being put out of order. Following this, Turbo infiltrated the world of Sugar Rush under a false identity so he could maintain his popularity. He is the former boss of Sour Bill, Wynnchel, Duncan and briefly the Cy-Bugs, as well as the arch-nemesis of Vanellope von Schweetz and

Wreck-It Ralph.

He was voiced by Alan Tudyk, who also voiced Lenny in Ice Age, the Duke of Weselton in Frozen, Alistair Krei in Big Hero 6 and its spinoff series, Duke Weaselton in Zootopia, Van Wayne in Powerless, Ludo in Star vs. the Forces of Evil, Elias Marcos in Justified, Joker in Harley Quinn and Iago in the live-action Aladdin remake, and also portrayed Ben Chapman in 42.

When Litwak's Arcade first opened, Turbo was the star of the racing game TurboTime. The game was by far the most popular in the arcade, and Turbo relished in all the attention the fans gave him, at the expense of the other characters of the game. However, another racing game called RoadBlasters soon arrived and superseded TurboTime's popularity due to its superior graphics, thus causing Turbo to become extremely jealous. Going mad with envy, Turbo abandoned his own game and attempted to take over RoadBlasters, only to end up crashing it, Both TurboTime and RoadBlasters were put out of order permanently, and Turbo was presumed dead. Turbo's actions became a cautionary tale amongst the characters in the arcade and spawned the idiom "going Turbo."

Unbeknownst to the rest of the arcade, Turbo survived the displacement of both games and hid in the bowels of Game Central Station for many years afterwards. When a new candy-themed racing game called Sugar Rush was plugged in, Turbo saw an opportunity to reclaim his lost glory. After successfully infiltrating the game unnoticed, he found his way into its code room and made several adjustments. With his old appearance too recognizable, he created a date box for himself and altered his own appearance to fit amongst the game's residents, giving himself the name "King Candy". Then, in a bid to take the lead role become the game's main character, he attempted to delete the game's original main protagonist, Princess Vanellope Von Schweetz from the mainframe by tearing out her data box and pushing it away from all the others, but his attempt only managed to corrupt her coding, effectively turn her into a "glitch". Unable to get rid of her completely, King Candy went on and literally locked up all the characters' memories of Vanellope's existence and real purpose, including hers, allowing him to usurp her place as the game's ruler and main character, as well as her personal cart as his own. As an extra consequence, Vanellope also became unable to leave the game due to her glitched nature, so if the game was ever unplugged, she would not be able to escape and be forced to perish along with it.

Despite his best efforts, there was a fatal flaw in King Candy's plan: if Vanellope were to ever cross the finish line in an official race, the game will automatically reset and the original codes that he altered would be fully restored to the way they were, thus exposing him for the fraud he was. To prevent this from happening, King Candy took advantage Vanellope's corrupted condition by claiming that as a "glitch", she was never meant to exist, and that her erratic nature made her unsuitable for racing and therefore a threat to the game. This was enough to turn everyone else against her, forcing her into destitution as an outcast, and being unable to escape from the game, she had to endure the abuse while hiding out in an unfinished level within the coke-soda volcano. For unknown reasons, Turbo trusted Sour Bill enough to reveal his machinations in private, or Bill learned it on his own but was too afraid to stand up to him. Another flaw in his plan was that despite his claims of Vanellope's unintentional existence, her picture riding his cart was still on the side of the game's console. Also, Turbo apparently never even figured out how to make it so he could regenerate himself outside his original game, as all arcade characters were subjected to the rule of not being able to regenerate if they "died" outside their respective game of origin.

For the next fifteen years, King Candy reigned supreme over Sugar Rush while Vanellope was treated as an outcast. But all of this changed when Wreck-It Ralph of the classic old-school arcade game Fix-It Felix, Jr. arrived after attempting to earn a medal in the modern first-person shooter game Hero's Duty to finally gain respect from his fellow game characters. When Vanellope met him in the Candy Cane Forest and discovered his medal dangling on the branch, she stole the metal to use it as a gold coin in order to buy her way into the Random Roster Race that King Candy was hosting. At first he didn't recognize her, but after her name appeared on the racers list, King Candy immediately ordered her arrest, but a taffy-covered Ralph appears and distracted everyone, allowing her to escape.

When Candy realized that the "taffy monster" was Ralph, he did not exactly welcome him to his homeland with open arms and wanted to know what Ralph is doing his realm. Ralph explains what had happened between him and Vanellope, and Candy deduces that Ralph's medal and Vanellope's coin were one in the same. Angry that Vanellope is now able to enter the race if allowed due to Ralph's meddling, he orders his men to escort Ralph out his kingdom and threatens to throw him in his "Fungeon" if he sees him again and then takes his leave to hunt down Vanellope. Unfortunately, Ralph escaped and once again met up with Vanellope after her cart was destroyed by other racers who came to mock her. After short conversation Vanellope agreed to help Ralph get his medal back if he helped her get an actual kart to win the race.

King Candy and his enforcers then find Vanellope and Ralph in the Kart Bakery but the duo escape with a functioning kart and the king and his minions give chase. When they elude their pursuers by hiding in an unfinished track within Diet-Cola Mountain, King Candy orders his men to find Vanellope and destroy her new kart to prevent her from ever racing.

When his minions were unable to find Ralph and Vanellope, he decided to take action himself by entering into the game's code room, from where he successfully retrieves Ralph's medal. He left the castle in Sour Bill's care and managed to locate Ralph in the same place he lost him. At first, Ralph was furious to see the king and attempted to pummel him, but Candy returned the medal in exchange for his mercy and attention. Candy then explains that he is simply trying to protect Sugar Rush as well as Vanellope by keeping her from racing, because if Vanellope wins the race, the players will be able to choose her avatar, and that her glitching will make them think the game's broken and it will be put out of order as a result. King Candy and his people will be forced to evacuate and Vanellope will be left behind (since her glitching cannot allow leaving the game) and die with it. Having convinced Ralph to help him, Candy takes his leave. Ralph then reluctantly smashes Vanellope's kart and makes her cry before returning back to his game in disgrace, which allowed King Candy to finally capture Vanellope and confine her in his Fungeon along with Fix-It Felix.

However, after noticing a picture of Vanellope on the side of the game console in King Candy's cart, Ralph returns to Sugar Rush and interrogates Sour Bill with this fact who was cleaning up the destroyed Vanellope's cart. After the short "tortures" Sour Bill confesses what King Candy had done and that allowing her to race and cross the finish line would fix what he did. This truth enables Ralph to free Vanellope from the Fungeon and fix her kart with Felix's help.

Assured his reign over Sugar Rush was finally safe from Vanellope, King Candy participated in the Random Roster Race without worry. But in the Ice Cream Mountains, which was the final part of the track, he is shocked to see Vanellope pass him by and uses a shortcut to ambush her inside the caves, tackling her kart with his own in an attempt to run her off the track. The angered ruler starts attacking her with the antenna of his kart, but she managed to grab it, causing him and Vanellope to glitch as well and penetrating his codes, exposing his true identity as Turbo in front of Ralph and Felix who saw everything on a large screen; both were shocked at him having survived for so long after he was believed to be gone. With his true identity discovered, Turbo boasted his identity and his reprogramming of Sugar Rush to his liking, and then attempted to kill Vanellope by ramming her and her kart into a stalagmite with sign but she willingly glitched herself and her kart away from certain death. Just as Turbo was about to follow suit, he was eaten alive by a Cy-Bug (the one Ralph accidentally brought into the game) that appeared on the track.

He survived this ordeal as Cy-Bugs could merge with whatever they consumed, transforming Turbo into a monstrous Cy-Bug hybrid and self-proclaimed leader of the Cy-Bugs. As Sugar Rush is about to be destroyed and devoured by the swarm, Ralph initiates a plan to destroy them all by wrecking the Mentos stalactites towards the Diet Cola volcano that would set off a makeshift light beacon in a form of a geyser capable of attracting the Cy-Bugs to their deaths by vaporizing them on contact. Just as Ralph is about to make the final smash, Turbo arrives and swats him away, announcing that he has become a powerful virtual virus and that he has the power to take over any game he wants to, but not before kill Ralph in vengeance. As such, Ralph and Turbo engage in a fight, ending with Turbo grabbing Ralph and flying up into the sky, where he sadistically intends to force Ralph to bear witness as a helpless Vanellope is about to be devoured by several Cy-Bugs.

Turbo declared it would be "game over" for Ralph and Vanellope, but Ralph disagrees and he frees himself from Turbo's grasp and makes one final blow at the Diet-Cola geyser. As Ralph is about to fall into the cola lava, Vanellope saves him just in time using her own glitching abilities (which she can now control) and a kart belonging to Crumbelina DiCaramello. The lava spews out of the bottle-shaped volcano and destroys the bugs as planned. Turbo attempts to flee, but his programming breaks down and he becomes attracted to the beacon and ends up flying straight into the lava, killing, vaporizing, and deleting him along with all the other Cy-Bugs. And since he was unable to regenerate in Sugar Rush because he originated from TurboTime (as stated earlier in the film that video game characters cannot regenerate outside their own games), Turbo is gone for good and erased from existence, avenging the two games he put out of service and the possible deaths he selfishly caused.

After Turbo's demise, Vanellope finally crosses the finish line, thus restoring the game to the way it was before Turbo's tampering. All the damage done by the Cy-Bugs was fixed and everyone's memories were released, allowing them to remember that Vanellope is their true ruler and main protagonist.

In the six years following his death, King Candy's floral art in Sugar Rush had since been replaced with the floral art of Vanellope since he never belonged to the game in the first place. However, King Candy's trademark crown could still be seen near the grandstands; Turbo's damage to Vanellope's code was still noticeable as she continued glitching uncontrollably and erratically at times despite having reset the game. This in turns leads to all the Internet being endangered when Ralph buys the Arthur virus from Double Dan in an attempt to dissuade Vanellope from staying at Slaughter Race, leading Arthur to replicate Vanellope's glitching and nearly take over all the cyber-world.

When she was done everyone that hadn't heard about it was shocked!

Nico: He's a renegade Video Game Character.

Varie: Yeah.

Nicole: Yeah that's right and I'm not going to let that monster get away with what he did to video games everywhere. As Goddess of Video Games it's my duty to make sure all video game villains get justice brought to them.

We then heard a roar.

Nico: I know that roar.

We saw a Cy-Bug!

Nicole fired an energy blast and blasted the Cy-Bug!

Nicole: Pathetic Cy-Bugs.

Calhoun: Nice job Nicole.

Nicole: Thanks Calhoun.

Kaito: Bug squashed. Game over, right?

Nico: No. When it comes to Cy Bugs, there's more then just one…

Eli: I don't sense anymore Cy-Bugs or their eggs here. So we're in the clear.

Nicole: Good. But they aren't the main problem. It's King Candy that we need to worry about.

Fix It Felix: I'm here to fix anything just in case.

Me: Great.

Eli: Yeah but also it's not just King Candy we have to face! I sense that one of the Twisted Princesses are here too!

WE GASPED!

Xenia: Oh man!

Nico: I know.

Nicole: Don't tell me… Is it…

Eli: Yeah it's Twisted Vanellope!

WE GASPED AGAIN!

Nicole called in Allie and Helena.

Allie Knudson: I heard the news and this is not good!

Helena Nicos: Yeah Twisted Vanellope is hellbent on killing King Candy for what he did.

She went over his history.

---

Ralph and King Candy were fighting in the sky over Diet Cola Mountain when Ralph managed to break free of his grasp. Vanellope's heart stopped as she watched Ralph fall from a distance. She glitched across Sugar Rush, avoiding the horde of cy-bugs that have taken over the game. As Ralph plummeted to the summit of Diet Cola Mountain, King Candy commanded a swarm of cy-bugs that descended upon him. He managed to smash through the Mentos roof of the mountain just as the swarm attacked him. A few Mentos managed to make it into the boiling Diet Cola lava but not enough to trigger a full volcanic eruption since the swarm was able to shield most of the falling Mentos. The cy-bugs threw Ralph to the ground, sending him crashing through Vanellope's home. She glitched into the mountain just in time to see Ralph stumble out of the debris as he was surrounded by cy-bugs. Ralph attempted to stand and immediately grabbed his side in pain and dropped to one knee. Ralph was pierced by a long candy cane shard. He grabbed the shard and pulled it out. He let out a howl that rang through the mountain. The cy-bugs began to attack. Ralph used the shard to stab the first cy-bug. The pain from the motion hurt so much that it caused Ralph to crumple to the ground. Just as the other cy-bugs were about to attack, Vanellope glitched to Ralph and then glitched through the mountain with him on the front of her kart. Vanellope was so happy to see Stinkbrain but her celebration was short lived when she noticed how hurt Ralph was. She needed to get Ralph to Felix so he could heal him. They glitched back to the Sugar Rush entrance that was barely being held by Sergeant Calhoun and Felix. Calhoun ran out of ammo and heaved her pistol at the nearest cy-bug. Her and Felix were backing up into the Game Central Station tunnel until they noticed Vanellope carrying a mortally injured Ralph. Felix rushed back out into the game just as a cy-bug snapped at him and got a hold of his belt. Calhoun rushed out and roundhoused the cy-bug off the bridge as it tore Felix's belt from his waist along with his magic hammer. He reached out for it as it fell but it was out of his grasp. Calhoun grabbed him and then rolled back into the tunnel. The bridge was completely overrun. Vanellope manages glitched over the horde as Ralph noticed that the cy-bugs were about to enter the tunnel with no way for Calhoun and Felix to stop them. Ralph looked back at Vanellope and smiled and a lone tear ran down her face. She knew what Ralph was about to do. Ralph leapt from the cart and came down on the bridge just in front of the tunnel entrance, shattering the bridge and connecting wall and sending himself and all the cy-bugs plummeting to the valley below. Vanellope let out a cry of despair and chased after him. When she got to the bottom of the canyon the cy-bugs were swarming over Ralph. She saw his hand reaching out of the swarm but his hand became lifeless and fell back in. The cy-bugs all seemed to stop and then all turned around and looked at her. They started to approach slowly and then the horde parted, revealing a monstrous plaid cy-bug with a glowing heart on its head that said "You're My Hero". Vanellope slammed her hand on the steering wheel and cried out Ralph's name. The plaid cy-bug raised it's head and then let out a menacing howl that sounded like "WRECK IT!". And then suddenly charged at Vanellope. She quickly shifted the cart into gear, gunned the engine, whipped the cart around, and took off in the opposite direction. As she raced through the valley she noticed the candy walls cracking from Ralph smashing the bridge. Huge boulders of rock candy began to fall all around her. Each one, only inches away from wrecking her kart. She glanced behind her to see that the plaid cy-bug was right on her tail and snapping at her. She turned back around and looked up and narrowly avoided a giant boulder that ended up crushing the plaid cy-bug, sending it's head sailing in front of her. She slammed on the brakes and drifted to a stop. All the rock candy from the avalanche settled and all that could be heard was the distant buzzing of the cy-bugs. She got out of her cart and walked toward the head of the cy-bug. She dropped to her knees and placed her hand on it. Her heart was heavy and her eyes filled with tears as she gritted her teeth. She picked up the head of the cy-bug and placed it on her kart. She ran her fingers over the heart on the cy-bug's head and under her breath said "King Candy will pay for this!"…

---

When it was done we were shocked!

Vanellope: This twisted version of me killed Ralph!? Oh man!

Nico: Not good!

Qin: We'll worry about her later.

Nico: King Candy comes first.

Nicole: That's right. This version of Vanellope is lost without Ralph. But that changes when we kill King Candy/Turbo. Lets go.

We went to the castle.

We got to the castle.

Me: Here we are.

Nico busted the door down.

We saw KING CANDY/TURBO!

Nico: King Candy! Or do you prefer being called Turbo?

King Candy: Team Loud Phoenix Storm and Nicole Knudson how nice to see you again.

Nicole: I would say the same for you Turbo but I would be lying.

Vanellope: You took my kingdom Turbo and no one does that to me!

Turbo: Might want to watch your words, Glitch. I'm on the throne here!

Me: Wrong!

I fired a blast of energy and destroyed the throne and blasted him off it and he rolled onto the floor and I took his crown.

Me: This was never yours.

I gave it back to Vanellope.

Wreck It Ralph then grabbed King Candy.

Wreck It Ralph: You want to know something you candy coated heart of darkness? I may be a halitosis-riddled warthog but I am more than that. I am a villain with a heart and you are nothing more than a glitch!

He threw him and smashed him into a wall!

He got up.

Me: Vanellope is the rightful ruler of this world. You tore this place apart when you tried to delete her code and lock away all the people's memories of her!

Nicole: That's right Turbo! And you are Obsolete!

Nico: That's right! You're just an outdated and pathetic sack of useless data. You tried to take over this world but in the end all you have done was make it stronger with the unions of all the video games coming together.

Nicole: And your actions here in this game have done more good than harm. You made Vanellope stronger than ever. You gave her an amazing power and she can now be in many places at once. In a way, she turning into a glitch turned out to be a blessing in disguise.

Because she is a better racer that you will ever be!

THEN HE SCREAMED IN RAGE!

Turbo: You're ruining everything! First Ralph shows up from nowhere and keeps throwing monkey wrenches in my plans and now, at the end of it all, you won't even stay out of racing. Months of planning down the crapper! I just wanted to bring order to my kingdom But you've denied me even that. I have nothing to live for!

Me: You brought all that on yourself!

Nicole: It's time for you to pay for your crimes! As goddess of video games, you are going to face my Divine Justice.

A Cybug then came in and ate him.

Kaito: Did he just get eaten by the Cy Bug?!

Nico: Oh fuck…

But then he was enveloped in an orb of darkness and he emerged changed!

Turbo: Welcome to the boss level!

HE EMERGED AS A CY-BUG!

---

As a Cy-Bug, Turbo was about 30 feet (9 meters) long. He had the body structure of a cockroach or silverfish, could curl into a ball for protection like an armadillo or pill bug or attacking and had a neck that could expand in length. His face (especially) now looks puppet-like. Also, in his King Candy face, his teeth have been filled to sharp points. His colors consisted of mostly purple, orange, and pink and the tips of his claws had a darker tone of purple. He also gained six orange striped legs, four large ones and two smaller ones on his chest. His head also sported purple markings which were also on his face along with a yellow marking under his crown. King Candy's crown also changed now having a spiky appearance and apparently becoming a permanent part of his body. With his transformation, he gained sugar-coated hot pink wings for flight that could fold in and out at will. Whenever his Cy-Bug programming occurred, King Candy's eyes turned blue and pixelated while the Turbo persona remained unchanged. King Candy also retained his cufflinks, lace collar, and bowtie.

---

Ralph: Turbo!

Turbo: (chuckles) Because of you, Ralph, I'm now the most powerful virus in the arcade! (chuckles again) I can take over any game I want! I should thank you… but it'd be more fun to kill you.

Me: You are one seriously ugly sack of corrupted data!

I teleported and punched him in the face with devastating force and kicked him in the stomach and bashed him down and teleported back as he was about to strike and I fired a wave of energy and blasted him all over!

Turbo punched Kuroto, destroying one of his lives. Kuroto came out of a Warp Pipe as his life counter reached 100!

Kuroto: I can continue myself as long as I have lives. But you only have one. And since this isn't your game, you can't regenerate!

Me: That's right!

Emu: Lets do it!

Ex-Aid Riders: HENSHIN!

They transformed and were ready!

I punched Turbo in his face.

Me: Take this!

I fired a wave of energy and it separated his King Candy half from Turbo! Turbo was now a Cybug!

King Candy: OH MAN! Is that what I turned into!?

Nico: Yep.

I fired waves of energy and blasted Turbo!

Turbo: Turbotastic!

Me: More like Turbo-Slacktic!

Nico: Good one!

Emu: We'll finish this without the need for Continues!

Turbo: WHY YOU LITTLE!

He then charged up an energy blast!

Nicole: Uh oh!

Nicole then fired a powerful energy blast and Turbo did the same and the blasts collided and Nicole's blast overtook his blast and it hit Turbo and exploded with incredible power!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion destroyed his Cy-Bug half and he was back to just being Turbo!

Turbo: I still have my glitch powers!

Nico: Like that will matter!

He teleported and Nico teleported too. Nico and Turbo did the same all over the place.

Nico teleported and kicked him in the back of the head and knocked him down.

Nico and Nicole punched and pulverized him!

POW! BLAM!

SMASH! WHAM!

They sent him flying and smashed him into the wall!

He got up and he was madder than ever!

Turbo: I can take it! I can take anything you can throw at me. Ready for another round?

Ralph: Always.

Turbo: Huh?

Ralph: We'll never let you win!

Ralph grabbed Turbo and smashed him all over the place with incredible force and smashed him into pulp!

SMASH SMASH SMASH SMASH! SMASH SMASH!

He smashed him all over the place!

Ralph: I'm Gonna Wreck You!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

He bashed him into dust!

He was knocked to the ground.

Ralph: To quote the Hulk, "Puny Video Game."

Nico: The big guy would be proud.

Ralph: Yeah!

Taffyta: Lets cherry bomb the guy!

Candlehead: You read my mind!

Turbo got up!

Nicole: Cherry Bombs fire!

They threw the cherry bombs and they all hit Turbo and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted all over in a huge cherry bomb explosion!

Nico: Hit him with ice cream!

Lola: Good thing I brought these ice cream blasters from the Kids Next Door.

Lola loaded some in it and fired and blasted him all over and he was going to be really cold there!

Nico: Nice one!

Emu saw that he had new Gashats.

Emu: Gashats for Fix It Felix Jr. and Sugar Rush?

Nicole: Yep. I used my powers of video gaming to make new Gashats based on all the video games we know.

Nico: Cool!

Me: I got an idea! (ACTIVATES ICE CREAM MONSTER'S RIDEWATCH)

I fired a wave of chocolate and it hit Turbo and covered him and then it hardened.

Nico: Nice one!

Emu activated Sugar Rush's Gashat!

SUGAR RUSH!

He got an awesome and really amazing candy Battlecruiser Car!

Nico: Awesome!

Emu: Say hello to my jawbreakers!

He pressed a button and then…

BANG BANG BANG BANG!

He fired jawbreakers from a cannon and they smashed Turbo with devastating force!

Nico: Awesome!

Emu: Now to fix this place up. (ACTIVATES FIX IT FELIX'S GASHAT)

FIX IT FELIX JR.

WE CAN FIX IT!

He fixed up the whole castle and made it more amazing than ever!

Nico used Control Freak's powers.

Nico: I'm going to wreck it!

Nico summoned an 8-Bit version of Ralph!

Nicole: Awesome choice!

Wreck It Ralph: Hey who is that good looking guy?

8 Bit Ralph: I'M GONNA WRECK IT!

Nico and 8 Bit Ralph bashed Turbo all over!

Nicole: Nice one! Now to unleash the divine wrath of games. (ACTIVATES WRECK IT RALPH, HERO'S DUTY AND SUGAR RUSH'S GASHATS)

WRECK IT RALPH! HERO'S DUTY! SUGAR RUSH!

ULTIMATE VIDEO GAME GODDESS POWER!

Nicole glowed intensely and her eyes glowed with the power of ALL THE VIDEO GAMES IN THE WORLD COMBINED INTO ONE!

Nicole: (OTHERWORLDLY VOICE) ***TURBO OF TURBOTIME, YOU AND YOUR CORRUPTION TO THE WORLD OF SUGAR RUSH HAS CAUSED CHAOS AND DISASTER TO THE WORLDS OF VIDEO GAMING! AND NOW YOU SHALL PAY THE ULTIMATE PRICE!***

She then fired a powerful Triforce Blast and it hit Turbo and shattered him and his code and banished him to the Black Gates for All Eternity!

We were in awe!

Me: Nicole that was unbelievable!

Nicole landed.

Nicole: I know dad. It was the power of all the video games uniting.

Nico: That was awesome!

Taffyta: And now we've seen the last of Turbo.

Nico: Good riddance!

Qin: Yep.

Nicole: But we're not done yet. Twisted Vanellope is next.

Camie: Yep.

Nico: She shouldn't be far.

WRECK IT!

Allie Knudson: Here she comes!

Then a dark version of Vanellope's car crashed onto the castle courtyard!

Twisted Vanellope: WHERE IS KING CANDY!?

We saw her! TWISTED VANELLOPE!

Vanellope: Oh man! Is that me!?

Nico: What you would have become if the ending with Turbo ended wrong.

Eli: My god! Vanellope what happened!?

Twisted Vanellope: I vowed to make King Candy pay for his crimes against me and the world!

Me: King Candy was really an obsolete video game named Turbo.

Nicole: We beat you to the punch on that.

Twisted Vanellope: You destroyed King Candy?

Me: No. King Candy was separated from his Turbo persona.

Juran: Which one's the real Vanellope?!

Vanellope: I'm right here.

Allie Knudson: This one in front of us is Twisted Vanellope.

Juran: Oh.

Twisted Vanellope: I will avenge Ralph and everyone in Sugar Rush for what King Candy did to me.

Ralph: I got an idea to prove which one's the real Vanellope. Vanellope, when's my birthday?

Both Vanellopes: Um…

Ralph: (sadly) Geez, Vanellope, I thought we were pretty good friends

Nicole: All three of your games were made back on October 30th, 2012.

Ralph: She's right.

Vanellope: Yep.

Calhoun: That is awesome.

Nico: Vanellope, let's all take a deep breath.

Vanellope took a deep breath and released it slow.

Vanellope: Hey that helps.

Nico: Good.

Me: (To Twisted Vanellope) Now listed, King Candy of your world may have done wrong and destroyed Ralph there but killing King Candy here will not solve anything. We have him slated to join the M.O.E. And also we can't let you get revenge.

Twisted Vanellope: Why?

Me: Because if you kill King Candy all it will lead you too is a path to your own destruction.

Twisted Vanellope: Why don't you just bring back Ralph's code?!

Nico: Because it might not be the same!

Nicole: And besides you come from another universe and I'm not sure if my powers can do that to video game characters like that.

Nico: Have you ever tried before?

Nicole: Once or twice and it came out all wrong.

Nico: Oh. Looks like I was right on that.

Nicole: But either way Vanellope you need to stop this crusade for revenge. It'll only end with your death.

Maud Pie: Now, we must heal her soul and heart.

Suddenly, Maud Pie's light turquoise eyes turned neon light turquoise and she was surrounded by a grayish blue violet and Persian bluish gray energy aura with stars, rocks, minerals, magic, and Alicorns, she unholstered her massive Maud Pie's Alicorn Eternal Magical Gothic Geologist Friendship Greatsword of Eternal

Lincoln: Yes.

Somnambula: We will save her soul and her heart from the hatred that consumed her.

Eli: What Turbo did to her can never be forgiven.

Nicole: You got that right, I'm so glad I got rid of that rotten little parasite by separating him from King Candy.

Vanellope: Who's now become my royal advisor, and I'm now Queen of Candy Land.

Suddenly, Somnambula's grayish blue violet eyes turned neon grayish blue violet and she was surrounded by a light scarlet energy aura with stars, desert sands, magic, Egyptian hieroglyphs, and Alicorns, she unholstered her massive Somnambula's Egyptian Alicorn Greatsword of Egyptian Desert Hope and Desert Magic Justice from her back, and as she approached Twisted Vanellope, she left light scarlet energy, stars, desert sands, magic, Egyptian hieroglyphs, and Alicorns with every step.

Somnambula: Maud Pie was right to say what she had to, what you went through because of Turbo was worse than a nightmare, but I cannot allow you to throw yourself even further into darkness due to your desire for revenge, Twisted Vanellope, your soul will be saved from the darkness that lurks in your soul and heart.

Suddenly, Somnambula was surrounded by a massive vortex of light scarlet energy with stars, desert sands, magic, and Egyptian hieroglyphs surrounding it, there are Alicorns flying around the vortex, and in the vortex is a dark arctic blue and moderate turquoise phoenix with blue eyes gazing into Twisted Vanellope: the eyes of salvation.

Suddenly, Somnambula's massive Somnambula's Egyptian Alicorn Greatsword of Egyptian Desert Hope and Desert Magic Justice and all of the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of light scarlet energy, stars, desert magic, Egyptian hieroglyphs, and Alicorns, and when it emerged, it was transformed into Somnambula's Equestrian Harmony Pillar Egyptian Hope Sandstorm Alicorn Greatsword of Equestrian Magic Egyptian Desert Sands Hope and Equestria Magic Egyptian Desert Sands Justice, it's a brand-new massive greatsword with embedded dark arctic blue and moderate turquoise gems and her cutie mark etched on the 7'6" massive, wide, double-edged light scarlet blade, large gold Alicorn heads for the crossguard, large white angelic faces built into both sides of the hilt with large dark winter blue and moderate turquoise gems embedded in the foreheads, longer midnight black handle, four large gold Alicorn heads with violet gems for eyes and a Pegasus head with violet gems for eyes and large light scarlet gem in its mouth on the bottom of the heads for the pommel, Somnambula has on her large gold Bracers of The Champions of The Universe with light scarlet gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her Belt of Elemental Bravery with an Alicorn for the belt buckle and violet gems for the eyes and a large moderate turquoise gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip and light Scarlet Crystal Saber holstered on the left hip. Suddenly, Somnambula's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

Somnambula has transformed into SUPER ANGEL-EQUESTRIAN HARMONY PILLAR HOPE MASTER LOVE ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERAL ETERNAL CELESTIAL XELNAGA COSMIC STARSTORM MAGIC

FRIENDSHIP EQUESTRIAN HARMONY PILLAR HOPE MASTER EGYPTIAN ALICORN PRINCESS ANGEL OF DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP EQUESTRIAN HARMONY PILLAR HOPE MASTER EGYPTIAN ALICORN PRINCESS ANGEL JUSTICE AND DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP EQUESTRIAN HARMONY PILLAR HOPE MASTER EGYPTIAN ALICORN PRINCESS ANGEL LOVE!

We were amazed by Somnambula's Super Angel-Equestrian Harmony Pillar Hope Master Love Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Twisted Vanellope saw it, she went mad and ran at her, but Somnambula fired a massive barrage of light scarlet energy, stars, desert magic, Egyptian hieroglyphs, and Alicorns which hit her and sent her into another wall of candy, she got back up, but now, she was madder than ever.

Somnambula: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Equestria Harmony Pillar Hope Master Love Egyptian Alicorn Princess Angel and Divine United Friendship Divine Cosmic Starstorm Equestria Harmony Pillar Hope Master Love Egyptian Alicorn Princess Angel Love) I deeply apologize for what I did to you, but this is the only way that we can save you.

Lincoln: Along with tying you down before you seriously start to hurt somebody.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Maud Pie and Somnambula, and so did the rest of us as we also unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Just hang on, Twisted Vanellope, we're going to save you from this eternal despair that haunts you.

Lincoln, Maud Pie, and Somnambula went after Twisted Vanellope, and they fired extremely powerful blasts of rainbow energy, grayish blue violet and Persian bluish gray energy, light opal, light scarlet energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Twisted Vanellope and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Maud Pie, and Somnambula attacked her with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Twisted Vanellope crazy.

Twisted Vanellope was about to run at us again, but suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with pink light covering her body and it had the Spider emblem on its chest and eight-pack abs and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman, and she fired Symbiote goo at her wrists and ankles and bound them together.

Me: Nice one.

Nico: Now, all that's left is for Lincoln to cure her.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yep. (Sees the pink light) Wait, the pink color on the symbiote suit, there's only one person who has pink as her favorite color, isn't that right, Lola Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Lola Loud, but she had longer blond hair, neon pink eyes, fangs, and she looked like she was 21 years old.

Black-Suited Lola: Yep, and our Lincoln told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Lola: I knew he would.

Lola: Whoa, is that… me?

Black-Suited Lola: Yes, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Lola: Yes, I am.

Black-Suited Lola turned formed a massive black Symbiote web which latched onto Lola's stomach, and Lola began absorbing Black-Suited Lola into her body, and then, Lola's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Lola began merging with Lola and Lola gained all of her

Black-Suited self's powers and abilities along with knowledge. Then, Lola's rainbow energy aura settled.

Me: Is it over?

Lola: It is.

Black-Suited Lola: (Speaking through Lola's emblazoned Rainbow Dragon and Phoenix and Third Eye) Yes, we've settled in perfectly.

Lola concentrated and immediately, her body was covered in a black Symbiote suit with pink light reflecting off it and it had the spider emblem on it, and then, her symbiote suit went back into her body.

Eli: Now, it's time to cure Twisted Vanellope.

Lincoln fired gold spider silk webs that tied him up, and then, she chanted a powerful incantation and his large golden halo glowed and the four orbiting gold rings fired rays of rainbow healing light which hit Twisted Vanellope and purified her and freeing her of the darkness that contaminated her soul and heart. We cheered as Lincoln, Maud Pie, and Somnambula holstered their weapons and powered down and Lincoln's long wild gold hair, eleven massive and long gold wolf tails, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange, and Maud Pie's new body, clothes, weapons, gold halo, weapons, jewelry, Third Eye, longer grayish blue violet tail, Persian bluish gray horn, and massive Persian bluish gray angel wings are permanent, and Somnambula's new body, clothes, weapons, gold halo, weapons, jewelry, Third Eye, longer dark arctic blue and moderate turquoise, light scarlet horn, and massive light scarlet angel wings are permanent.

Eli: We did it, that's another Twisted Princess saved from darkness and healed from despair.

Suddenly, Maud Pie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maud Pie's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Maud Pie sucked in and absorbed the elemental forces.

Girl Jordan: Oh, and boys, we're considering ending the bet early. But, there's one way we can make up for those remaining days: how about a date to The Bahamas tomorrow?

Nico, Me, and Lincoln: AWESOME! WE'RE SO THERE!

Anna Anyanova: We already alerted Lexi about it, and she and Ace are also coming with us on this date tomorrow.

Nico: Nice.

Lincoln: So, we've got ourselves an awesome date planned for tomorrow.

Me: A beach date to the Bahamas with our harems.

---

Nico: We truly are sorry.

Me: Yeah your worlds version of Ralph did nothing to deserve that.

Twisted Vanellope: I know. But I'm ready. I'm ready to spend time in prison to reflect on my actions.

Nico: It won't be forever.

Twisted Vanellope: I know.

We sent her to our prison in the estate.

Nico: Well that was really fun.

Candlehead: Boy it sure was!

Taffyta: Yeah it was! We had a lot of fun too.

Nicole: Glad you all had so much fun.

King Candy then came and he was totally in shock and crying hard.

Then he did something unexpected. He got down on his knees and begged Nicole for forgiveness.

King Candy: (CRYING HARD) Lady Nicole please forgive me for everything I did! It was not my fault! Me and Turbo were one in the same! I CAN'T BELIEVE I WOULD DO ALL THIS TO THE VERY GAME I HURT! PLEASE FORGIVE ME!

Nico: Didn't expect that.

Nicole: King Candy rise. You are forgiven for the crimes you did here. But I have two conditions for you. 1 you must be under the servitude of the Masters of Evil as Princess Leia's archenemy. And 2 you will be appointed as royal advisor to the rightful ruler of the world of Sugar Rush and that is Vanellope Von Schweetz.

King Candy: I will gladly accept the position Lady Nicole.

Nicole: No need for formalities King Candy. Just Nicole is fine. But I'm glad you accept.

Nico: Good.

Maria: All is right in Sugar Rush now.

Me: Thank goodness.

Vanellope: Yeah thank goodness.

Eli: Now for our main business. And we don't have as many of them as we did before. We have Another Sugar Rush Trio, Plesiosaurus (Crater Lake Monster), Kurato Dan and Lady Shiva.

Nico: Cool!

Laney: Wow! The Plesiosaurus from Crater Lake Monster is in the M.O.E! That is cool!

Nico: It sure is!

Maria: Who do we call in for this?

Me: Pelee Plesiosaurus and Misuzu.

Nico: Cool!

Maria called them in.

Flying on wings and entering in a swirl of water came said people.

Misuzu: Hey guys!

Pelee Plesiosaurus: Looks like the fun is about to begin.

Eli: Yep. And I sense the Anothers minus Lady Shiva are one person.

Nico: Cool.

Kuroto: I don't know whether to be flattered or insulted that Swartz would dare make a copy of my Godly talents

Nico: I was looking along the lines of both.

Noir Wendoma: Me too.

Kuroto: I feel the same way.

Me: Lets get ready.

Maria: First time for backup. (TURNS DIAL) WOLF PROWL 6!

She summoned Biowulf, Ludo, Universe 666 Ultimate Carnage, Universe 666 Eon, McWolf (Tom & Jerry Kids) and Pizza Face.

Biowulf: This will be fun!

McWolf: Yeah this is gonna be awesome and great!

Nico: I see them!

Then out came Another Sugar Rush Trio, Plesiosaurus (Crater Lake Monster) and Kuroto Dan!

Nico: WHOA!

Kuroto Dan: Hey! Who is that good looking dude!?

Me: That is another you.

Another Plesiosaurus (1977): (In a girls voice) Boy awesome battle you guys had huh?

Me: (GASP) That voice!

They merged and reverted back and it was a girl with brown hair and she had yellow eyes and yellow clothes and had yellow angel wings and she had a tiara with the symbol of the Xerotes Dopant on it and the same symbol was on her skirt and she had a fire sword in her hand.

Me: (GASP) Xinnia Xerotes!

Xinnia Xerotes: Awesome to see you again J.D.

Me: Same here.

Nico: The Embodiment of the Xerotes Dopant?

Me: Yep.

Nico: What is Xerotes?

Me: You know those cracks that you see in mud when it gets really dry during a drought? That's them.

Nico: Oh.

Xinnia Xerotes: Yep. I have the power to cause droughts and make it very dry for places and make rain not fall.

Me: Yep she sure does.

Nico: Wow.

Me: By the way is the Another Lady Shiva friendly or hostile?

Xinnia Xerotes: Friendly and she is a really cold one.

Me: Ooh.

Nico: Sorry we have to do this.

Xinnia Xerotes: No worries.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the anothers.

Nico: Lets dance!

They fired waves of elements and blasted the Anothers and I caught the Wonder Ride Books.

Xinnia Xeratos: That was fun!

Lola: Yeah it was!

Me: Now for the Another Lady Shiva.

Nico: All we can do now is wait.

Me: We don't have to wait long!

We saw a figure and it was ANOTHER LADY SHIVA!

Me: WHOA!

Nico: Another Lady Shiva!

Kim Possible: This will be cool.

Another Lady Shiva: It sure will!

Me: (GASP) That voice!

She reverted back and was a girl with blue hair and aqua blue eyes and she had aqua blue and blue clothes and a brown skirt and she had brown gloves and she had blue angel wings and she had a tiara with the symbol of the Ice Age Dopant on it and the same symbol was on her skirt and she had an Ice Sword in her hands.

Me: (GASP!) Irina Holocene!

Xenia: Whoa!

Then we heard an Elephant Trumpet and a wolf howl and a Saber Tooth Tiger Roar and out came a HUGE WOOLLY MAMMOTH, A Dire Wolf and a Smilodon!

Nico: Whoa! A Woolly Mammoth, A Dire Wolf and a Smilodon too!

Nicole: Wow! We haven't seen those in over 20,000 years!

Irina Holocene: I know. These are my friends Edvus the Mammoth, Dirus the Dire Wolf and Svira the Smilodon.

Me: Cool! And also Irina is not only the Embodiment of the Ice Age Dopant but she is also a deadly martial artist and has amazing knowledge of the Lazarus Pits.

Nico: Cool!

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (gets out Dekranger gear) Because we can grant it instead.

Kaito got out a Dino Thunder Sword and Zocks got a Delta Blaster.

Irina Holocene: No he didn't. I fired a wave of ice and froze him in a block of ice and left.

Me: Very clever.

Sakura Knudson: Boy that happened to him a lot. Many things happened to him during his encounters with the Embodiments of the Dopants.

Irina Holocene: He completely underestimates our power.

Nico: Yep.

Me: Also Irina you would love meeting our friends Manny, Sid, Diego and Scrat and their friends.

Irina Holocene: I love the Ice Age Movies.

Sougo: (gets out Dino Thunder Ridewatch) Just don't steal Scrat's acorn.

Geiz: (gets out SPD Ridewatch) He REALLY loves that thing

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor.

Irina Holocene: I know. That is so funny.

Lincoln: Lets separate you first.

Lincoln fired a light blast and separated her.

Irina Holocene: Time for some buttkicking!

She kicked Another Lady Shiva all over and punched her and Svira slashed her with her claws and Edvus grabbed Another Lady Shiva and smashed her all over!

Dirus bit her on her leg!

Nico: Nice one!

Qin: YEAH!

Nico: Lets dance! (ACTIVATES LADY SHIVA AND KUROTO DAN'S RIDEWATCHES)

He fired waves of energy and smashed Another Lady Shiva down.

May: Time for some painful hair! (ACTIVATES NEEDLE HAIR AND MAULER'S RIDEWATCHES)

She fired stabbing hair strands and smashed Another Lady Shiva down.

Maria: This touch will hurt! (ACTIVATES UNIVERSE 666 BLACKHEART AND WEREWOLF GHOST'S RIDEWATCHE)

She teleported and touched Another Lady Shiva and knocked her down and she was in a lot of pain!

Noir Wendoma: Take this! (ACTIVATES KUROTO DAN'S RIDEWATCH)

She fired energy waves and blasted her all over.

Then Cheshire, Gypsy Moth, Universe 666 Calibur, Baraka, Hobgoblin and Goludora came!

Nico: Nice team Cheshire!

Cheshire: Thanks Nico!

2099 Spiderman: Wow! So you are this worlds version of the Hobgoblin we fought!

Hobgoblin: I sure am.

Me: Like I said Miguel, Same guy but this is the Prime Universe version of him.

Nico: That's right.

Hobgoblin: Honestly, the blueprints for my 2099 version are still there. You can easily make another of that.

2099 Spiderman: I think I've had enough of my worlds version of you to last a life time.

Nico: Yeah.

But then…

ZOOOM!

A figure zoomed fast passed Nico!

Nico: What was that?

Me: Uhh Nico… Don't look now but…

Nico saw that his PANTS WERE PULLED DOWN!

Nico: GAH!

Nico pulled them up!

Nico: OKAY WHO IS THE WISEASS!?

?: (LAUGHS) Sorry Nico!

We saw Quick Man!

Me: Whoa! Quick Man! This is a fast one!

Quick Man: (In a girls voice) I sure am!

Nico: Kat Quick! Wow!

Kat Quick: I got this.

She bashed down Another Lady Shiva and I caught the ridewatch and purified it.

Me: That was funny.

Nico: PULL MY PANTS DOWN WILL YOU!?

Kat Quick: I said I was sorry!

Me: Come on Nico she's just having some fun.

Nico: You're right.

Kat Quick: Oh I'm naked just so you know.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: Just so you know it's going to hurt really bad.

Kat Quick: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and threw up and then she fired a wave of energy and it shredded May's clothes and left her in her underwear!

May: (SCREAMS) All my clothes are ribbons!

Kat Quick reverted back and she was a girl with magenta hair and had blue eyes and she had pink angel wings and had the kanji for Swift in the middle of her forehead.

Kat Quick: (Groans) That really hurt. (GASP) Oh man! Sorry May! I didn't know I hit you like that.

May: No worries!

Rarity: Don't worry darlings we can fix this.

Rarity made awesome new clothes for them both. Kat had pink clothes and she looked awesome.

Kat Quick: Cool! I look fast and amazing.

Nico: You sure do.

May: Wow! I look great.

Maria: Nice job Rarity.

Rarity: Thank you, darlings!

Nico: You're welcome.

Kat Quick: Boy that was fun.

Noir Wendoma: What's your favorite memory of Nico?

Kat Quick: When me and Nico went and took down a massive illegal beer operation. This was a company that spiked beer with cocaine.

Me: Whoa! That is dangerous!

Nico: Roger Smith would have loved that one.

Me: Uch!

Nico: Yeah he would but it's true.

Kat Quick: I know.

Nico and Kat hugged.

Nico: Missed you Kat.

Kat Quick: Same here Nico.

We later went back home.

Lincoln: Whoa, we're here in Bellwood, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we got ourselves a situation. Nicole, would you like to say it?

Nicole: Of course, Lincoln. This morning, I'd found out that Reiko, Shao Kahn's general, has also escaped from The Book of Vile Darkness, and he still wants revenge on us for killing him.

We gasped.

Selene Laverna: That bastard, we're so going to destroy Reiko once again and seal him into The Book of Vile Darkness once more with a stronger seal and with Lincoln's Whispering Wraith's Vengeance Curse, which will kill him when we truly face him in the future.

Lincoln: Exactly, Selene. Reiko has committed a ton of crimes in Shao Kahn's name, he and Skarlet both, and there's absolutely no way I'm going to let that bastard get away with this.

Sam Simpson: And who could've guessed we'd track him right here in Bellwood. Ben's going to be so pissed off when he finds out about it.

Suddenly, we saw a beautiful and super sexy girl with long blue hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and she's dressed in a green short-sleeved blouse, sleeveless green top, green skirt, green knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with swords, stars, dragons, phoenixes, and angels on the coattails and on the back is Micronus Prime, one of The 13 Primes and on top is the Stardust Dragon, in her right hand is a greatsword and on her right wrist is a Duel Disk and with her are the nine girls.

Lincoln: (GASPS) Yuria Fudo, Gene-Slammer of Micronus Prime and Embodiment of Yu-Gi-Oh.

Yuria Fudo: That's right, and I also got the girls away from Reiko before he could kill them all.

?: Shao Kahn will bless me greatly when I've presented your heads to him from beyond the grave!

We then saw our target, Reiko, Shao Kahn's general, and he was out for blood!

Selene Laverna: Reiko! I'm gonna tear your heart right out of your chest for what you've done in the service of Shao Kahn! Just like Skarlet, you're nothing more than a worthless piece of shit!

Ayuna Persephone: That's telling 'em, Selene!

Then, Lincoln fired blood tendrils that pierced Reiko's heart, and then, the tendrils drained Reiko dry of every last drop of blood which killed him, and then, we sealed his spirit into The Book of Vile Darkness again, but this time, he had a stronger seal put on him to keep him from escaping and he now has Lincoln's Whispering Wraith's Vengeance Curse on him that'll kill him when we truly face him in the future. We cheered as we holstered our weapons and powered down.

Lincoln: Next time when we face you for real, Reiko, you'll know what pain truly is. (To Yuria Fudo) And it's so good to see you again, Yuria Fudo.

Yuria Fudo: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Yuria Fudo and he hugged her, and Yuria Fudo is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Yuria Fudo: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are

really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Yuria Fudo, Gene-Slammer of Micronus Prime and Embodiment of Yu-Gi-Oh, she's my Guardian Angel from Japan and classmate in Science, she's not only the Gene-Slammer of Micronus Prime, but she's also the Embodiment of Yu-Gi-Oh and she's also the sister of Yusei Fudo. She has blue hair, green skirt, and a green shirt. We both competed in couples dueling tournaments and we won every single one of them. I made Yuria a blue-green necklace, and to show thanks, she kissed me on the lips, and she hates Flip with a passion, and like her brother Yusei, her signature monster is Stardust Dragon.

Me: Awesome!

Nico: So, like your brother, your signature monster is Stardust Dragon, which means you also have your brother's Signer Mark on you, right?

Yuria Fudo: You guessed it.

Yuria showed us the same Signer Mark Yusei has on her right arm.

Me: Whoa. So, that also makes you a Signer as well.

Eli: Looks like it.

Suddenly, a demon arrived to speak with Brittney.

Demon: Lady Brittney, we have done our investigation as to how Skarlet, Reiko, Tanya, Rain, Motaro, Sektor, Shinnok, Kronika, Kollector, and Bi-Han escaped from The Book of Vile Darkness.

Brittney: What did you find out?

Demon: We found out Bi-Han was the one who orchestrated it, he made a dark portal and that's how he, Skarlet, Reiko, Tanya, Rain, Motaro, Sektor, Shinnok, Kronika, and Kollector were able to escape.

We gasped.

Sub-Zero: Even imprisoned and long dead, he's still as dangerous as ever.

Lincoln: So, not even The Book of Vile Darkness can keep him contained for long?! Bi-Han's way too dangerous, when we face him again, he's getting the Whispering Wraith's Vengeance Curse put on him along with getting sealed back into The Book of Vile Darkness, and with a stronger seal put on it.

The demon closed the dark shadow portal Bi-Han made in The Book of Vile Darkness and went back to The Underworld.

Nicole: Bi-Han was the one who did this right under my nose?! Lincoln, when we face him again, we'll use a combo that we've been working on that'll imprison that death-obsessed powerhungry wraith for good in The Book of Vile Darkness.

Lincoln: You got it, Nicole, and now that you're here, Yuria.

Lincoln went up to and hugged Yuria Fudo in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Yuria Fudo: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Yuria Fudo's neck with blue gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Yuria Fudo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Yuria Fudo.

Yuria Fudo had a smile on her face and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the nine girls, and when Lincoln saw them, he recognized them immediately. The nine girls are Amelia Bookworm, Amy, Eiko Higaki, Kiki Shikigi, Lyla Shikigi, Mei Shijimi, Minami Matsudo, Suika Akikawa, and Towa Nijou from Girls Frantic Clan.

Lincoln: Oh wow, it's Amelia Bookworm, Amy, Eiko Higaki, Kiki Shikigi, Lyla Shikigi, Mei Shijimi, Minami Matsudo, Suika Akikawa, and Towa Nijou from Girls Frantic Clan.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Amelia Bookworm: Yes, we're okay, thanks to you.

Then, when Amelia Bookworm and the other eight girls saw who it was that saved them from Reiko, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope

Amelia Bookworm: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Amelia Bookworm: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amelia Bookworm, Amy, Eiko Higaki, Kiki Shikigi, Lyla Shikigi, Mei Shijimi, Minami Matsudo, Suika Akikawa, and Towa Nijou with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird

Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Reiko, Shao Kahn's general, who escaped from The Book of Vile Darkness, and he still wanted revenge on us for killing him and Shao Kahn, and even worse, they found out the one who orchestrated the escape of Skarlet, Reiko, Tanya, Rain, Motaro, Sektor, Shinnok, Kronika, and Kollector from The Book of Vile Darkness was Bi-Han who had opened a dark portal within The Book of Vile Darkness.

But, when Lincoln showed what we did in beating that asshole into the dirt and Lincoln firing red tendrils which pierced Reiko's heart and he drained him dry of every last drop of blood and we sealed him into The Book of Vile Darkness again this time with a stronger seal and Lincoln's Whispering Wraith's Vengeance Curse on him when we truly face him in the future, everyone cheered for us and hugged us and Lincoln's harem kissed him on the face and lips which he returned, Lincoln and Yuria Fudo have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so Bi-Han was the one who orchestrated his escape along with the escape of Skarlet, Reiko, Tanya, Rain, Motaro, Sektor, Shinnok, Kronika, and Kollector from The Book of Vile Darkness?!

Lincoln: Yep, even dead, he's still as dangerous as ever.

Nico: That shadow wraith's going to pay for this when we face him again!

Me: You got that right. That shadow wraith will pay for that little stunt of his!

---

After destroying Reiko once again and sealing him back into The Book of Vile Darkness with a much stronger seal and The Whispering Wraith's Vengeance Curse on him, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Yuria Fudo saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Yuria Fudo: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yuria, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Yuria Fudo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Yuria Fudo: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Yuria, what had Flip done to earn your hatred?

Yuria Fudo: I'll show you.

Yuria Fudo put up a video on the big screen and the video then showed Lincoln and Yuria Fudo along with the rest of his Guardian Angels and harem at a swimming pool and they were having fun, but their fun was about to be rudely interrupted.

LOUD BELLOW OF RAGE!

Past Yuria Fudo: What the Hell was that?! (Sniffs) Ugh, and what on Earth is that smell?!

Past Lincoln: Oh great! Not you again, you stupid mutant!

Then, Flip came out and he was about to attack Lincoln once again, but then, Yuria Fudo summoned Stardust Dragon which blasted him with stars and fire, and she unholstered her greatsword, and then…!

---

Then, as soon as Yuria holstered her greatsword, Flip's sweaty pit-stained clothes were slashed off and he was left in his dirty boxers, and then, Lincoln kicked Flip into the swimming pool, and he got out and he was soaking wet and stink lines seriously came off him. Then, Lincoln fired energy ropes that tied Flip up.

Past Yuria Fudo: You've gone and done it now, you stupid airheaded old mutant! I'm getting the cops again!

Yuria Fudo called the cops who arrived in no time and they grabbed Flip and threw him right back into the police car, and Lincoln's Guardian Angels and harem gave him the finger as Flip bellowed with so much rage as the car drove him back to prison as the video ends.

Nico: That stupid mutant! I can't believe he tried to attack Lincoln again!

Lincoln: This was the 900,000,000,000,000,000,000,000,000,000th time that mutant tried to kill me in the past.

Nico and Eli's jaws dropped to the floor!

CLANG!

I put their jaws back.

Eli: He tried to kill you that many times!? WHAT THE HECK!?

Nico: That good-for-nothing mutant!

Me: Yep, he was nothing but trouble!

Lincoln: We've counted up the numerous attempts he's made on my life for the last seven years, and it wasn't funny. You know how many times we've threatened to sue Flip for everything he's done and he freaked out so many times because it meant we'd take everything away from him.

Selene Arcangela: Everything he'd stolen from so many people in the past, he risked losing it all to us if we won.

Nico: Whoa.

Ben: Yeah, he would've been crying his head off if they won the lawsuit, and they also had the tons of evidence gathered of his crimes, so he wasn't getting out easy.

We got a shower, and then, Lincoln, Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi are heading to Waikiki Beach, Hawaii.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Aries: Wow, so this is Waikiki Beach, it sure is beautiful.

Lincoln: It sure is, Aries, and it's perfect for our first date. Shall we?

Lincoln, Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi and they hugged them in their abnormally massive and powerful muscular arms, and Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Waikiki Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi are in your harem.

Me: And I can also tell which is the Simulator version of Lady Palutena and Camie because of the jewelry.

Nico: And we were surprised to find out Aries, Libra, and Virgo had feelings for Lincoln, this was quite a surprise.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Aries, Simulator Aquarius, Libra, Virgo, Simulator Lady Palutena, and Simulator Camie Utsushimi, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive buckets full of chum appeared over the funnel.

Nico: (GASPS) DUDE, YOU WOULDN'T!

Then, the buckets full of chum were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVE PROJECTILE VOMIT STORM!

Flip vomited out tons of vomit-covered gold, jewels, gems, and other currencies like crazy!

Luna: EW! PUKE FEST!

Luna fainted!

FWOMP!

Flip stopped vomiting, but he was still green in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me and Nico: EW! GROSS!

Ronnie Anne: Whoa, you dumped buckets full of chum in his mouth and made him puke like crazy.

Girl Jordan: Next time, you should dump industrial bottles of hot sauce down his throat.

Lincoln: I'll do just that.

Me: We'll get some industrial bottles of my favorite hot sauces ready the next time you come back.

Nico: Yeah, we'll have him belching and farting fire like crazy.

---

Bloom woke up from a nap.

Bloom: (YAWN) Good nap. Huh?

She felt something under her pillow and she found a bottle of beer! But it wasn't just her. Stella, Roxy, Layla, Tecna, Musa and Flora all had beer bottles too!

Winx Club: POROMON!

POROMON THE BEER FAIRY STRUCK AGAIN!

Laney: Poromon you are one silly guy.

Poromon: Ain't it the truth.

In the park on the surface, Fluttershy was having an awesome picnic with her animal friends and she was having a great time with them.

Fluttershy giggled and was having fun.

Squirrel: (Chittering)

Fluttershy: What's wrong Monroe.

He pointed up and Fluttershy saw a fireball coming down from the sky.

Fluttershy: Is that a fireball? (GASP) And it's coming towards me!

THEY DOVE ASIDE AND THEN…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It crashed right by her picnic spot with a massive thunderous explosion!

Me and Nico heard the explosion!

Me: Good golly what was that!?

Nico: Sounded like an explosion in the park!

Me and Nico went over.

Fluttershy saw a crater and it had a glowing red hot huge rock in it.

Fluttershy: Oh wow. What is that?

Me: Fluttershy!

We and Nico came.

Me: Are you okay?

Fluttershy: I think so. This crashed here.

Me and Nico gasped!

Me and Nico: WHOA!

Nico: Fluttershy this is a meteor!

The team came after hearing and feeling the explosion.

Izzy Moonbow: What happened?!

Me: A meteor crashed here!

Twilight Sparkle: Oh my gosh! Are you okay Fluttershy?

Fluttershy: I'm all right. But this meteor crashed here.

Applejack: Wow! What a huge rock.

Me: Boy this is amazing.

Tara: Boy this meteor is nowhere near as big as the one that crashed into Dallas.

Nico: Yeah but this is amazing.

Pinkie Pie: Let's check it out!

We went and checked it out and it was glowing red hot.

Me: Lets cool it down.

Luna fired a wave of water and steam came off it and it was cooled down.

Me: Wow a perfectly round meteor.

But then…

CRACKING

Me: Is it an egg?

It cracked down the middle and then it split open and then to our shock and amazement it broke in two and inside it was a MASSIVE GEODE FULL OF BEAUTIFUL AND SPARKLING BLUE DIAMONDS!

WE GASPED!

They were sparkling with intense beauty that it was amazing!

Me: Oh wow!

Rarity: Oh my goodness! Oh these are absolutely amazing gems!

Nicole: Oh wow! These are blue diamonds! These came from space!

Nico: Wow! We never saw gems like this before!

Me: This is a very rare experience.

Razorclaw: Let's take them!

Nico: Now Razorclaw these are Fluttershy's gems now so they are hers.

Fluttershy: And I think I know just what to do with them.

Me: First we got to find out how much they are worth.

We later took the diamonds back to the estate and ran an analysis and we saw that they were extremely rare OCEAN BLUE DIAMONDS and they were priced at over $100,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 per carat and we had 40,000,000 pounds of them. We valued them at over $500 Googolplex! IT WAS AMAZING!

Nico: WHOA!

Razorclaw: Wow! Fluttershy this is amazing that you got all that money.

Fluttershy: It is but I don't want it all for myself. I just want to give most of it to you guys and then use some of it to build a mansion and a sanctuary for my animal friends in our park at the estate.

Me: That's really thoughtful of you Fluttershy.

Lincoln: It sure is.

?: I agree.

A girl came and she had red hair and purple clothes and red eyes and had red angel wings and a tiara with the symbol of the Liveman on it and the same symbol was on her skirt.

Liv Choujyu: Liv Choujyu, Embodiment of the Liveman from 1988 at your service. I saw the meteor crash a few minutes ago. Thank goodness you're okay.

Me: Same here. But awesome to meet you Liv.

Grimlock: Me Grimlock want to know more about Liveman Girl.

Liv Choujyu: Well I'm an animal conservationist and I look after and protect endangered animals. I love animals as much as anyone and I would like them to be safe, happy and loved whether it's in the zoo or in any part of the world.

Fluttershy: Oh you an I have so much in common. I love all animals myself too.

Nico: That is awesome. Liv would you like to join the team?

Liv Choujyu: I would be honored.

We finished building a massive mansion for Fluttershy as well as a HUGE Animal sanctuary worthy of Eden in our park and it was breathtaking.

Me: Wow! Awesome Mansion.

Xenia: It sure is amazing.

Fluttershy: Oh thank you all.

Kerchak: Are any of the jewels left?

Me: Tons of them. We have them in the vault.

Nico: Yep.

Camie: Yeah.

Dexter and Dee Dee came in and they were really happy and in a good mood.

Me: Hey Dexter, Hey Dee Dee. Oh you two are in a very happy mood today.

Dee Dee: (Posh Accent) Indeed we are and we must say that Fluttershy's new mansion is absolutely magnificently well made and lovely.

Dexter: (Posh Accent) Yes it is most amazing.

Fluttershy: Oh thank you so much.

Me: Nico, Dexter and Dee Dee seem too happy. (Suspicious) TOO Happy.

Eli: They sure do.

Me: Did something go on with you two that made you this happy?

Dexter: Why goodness no. We are just in a good mood today.

They left. 10 minutes later, William came in with all soaked in mud.

Maria: William! Sweetie, what happened to you?!

Me: Geez! You're all covered in mud!

Lana: Awesome!

William: Oh, this? I was just minding my own business when Dexter and Dee decided to throw a water balloon full of mud at me! And then, I saw them kicking around several trash cans!

Lisa Loud: What?! That can't be right!

William: Lisa, if I were you, I'd find your boyfriend and his sister. Tell them to come quietly. Or they're going down.

Me: That can't be right! We just saw them a few minutes ago and they complimented Fluttershy's amazing mansion.

William: Weird! They were cussing up a storm at me and told me that Maria is a fucking whore!

Maria: (GASP)! (ENRAGED) WHY THOSE LITTLE BRATS!

Me: Something is very fishy here. Dexter and Dee Dee know better than to use foul language like that for people their ages.

Eli: I sense it too.

Dexter and Dee Dee came back and they had a plate of tea and cookies.

Dexter: Would you care to partake in some tea and cookies?

Me: Oh why thank you.

I took some tea and cookies.

Me: Mmm Darjeeling Tea and Coconut Chocolate Chip. My favorites. Also Dexter and Dee Dee you didn't splash William with mud filled water balloons and kicked over a bunch of trash cans did you?

Dee Dee: Why goodness no we would never do such a thing.

Eli: They are telling the truth. I sense it.

Then the previous group came in and they were covered in Ol' Facefull Vomit!

Me: Oh good god! What the fuck happened to you guys!?

Steam Smythe: These 2 threw up all over us!

Hydrax: They called us a bunch of horrible names too!

Eli: They didn't do that! Something is really up here.

Ice Demon: Can me, Steam Smythe, Hydrax, Iceage, Pterodactyl Ghost, Amora, 10,000 Volt Ghost, Samon Shakekisutanchin, Solomon Grundy and Bizarro go with you guys?

Nico: Yes you guys can but first lets clean you guys off.

Maria: I hope you are waterproof 10,000 Volt Ghost.

10,000 Volt Ghost: Don't worry I am.

Maria: Good.

She fired waves of water and washed them all off.

Amora: Ahh thanks.

Dexter: Perhaps I can explain. I invented a machine called The Rude Remover.

Me: Rude Remover? This I got to see.

Nico: Yeah. And we got to clear up things with Dexter's mom.

Beelzemon: Nico, which Gene Slammer do you think you'll meet next?

Nico: Flash Man next.

Me: Ooh illuminating.

Nico: Yep. We better get over to Dexter's house and see what's up.

We nodded.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, the evil Chronian, Eon, and he's come back from the dead seeking revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Oh God, he's back!

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to our old enemy, the evil Chronian, Eon, and he's come back from the dead seeking revenge on us.

We gasped, and we also had thoughts of murder and revenge on our minds.

Me: THAT SON OF A BITCH! HE'S COME BACK?! I'LL TEAR HIS FUCKING THROAT OUT FOR WHAT HE'S DONE!

Camie: Whoa, why is J.D. so fired up?!

Nico: He's not the only one, all of us are. Eon, Ben's old enemy, was the one who kick-started The 20 Days of Darkness by wiping away the memory of the warning that we were given of The Digimon Emperor's return.

Shanan: We all hated Eon for what he did, but his plan to destroy us when The 20 Days of Darkness happened failed, we emerged from The 20 Days of Darkness even stronger than ever.

Lincoln: That's right, but all of us were wanting a chance to get bloody revenge on Eon, however, I've got plans for him. So, instead of sending him straight to The Black Gates even though he deserves it, we're going to send him straight to The River of Fire.

Nico: It's been a long time since we've banished anyone to The River of Fire, that's perfect, Lincoln.

Rachel Shindo: Same here, but that'll be right after you stab Eon in the stomach with your massive greatsword and suck out and absorb all his powers, right?

Lincoln: You guessed it, Rachel.

Me: Aw man, I was hoping you'll just give him The Black Gates and be done with it.

Nico: Now, now, J.D., this is Lincoln's choice, so we just got to go along with it, besides, we've got bigger fish to fry. Alright, gang, let's go, we've got to wrangle up and take down the Rude Sides of Dexter and Dee Dee.

Lincoln: And because of what they did in hurting William and some of the city, Vypra's not going to be in a very forgiving mood, in fact, she's going to roast those two on a spit, and once we get done with those two hooligans, you're next, Eon, and we're not showing you any mercy at all, not after what you did!

Rachel Shindo: What you did in kick-starting The 20 Days of Darkness left an irreversible scar on the team and left a dark stain on their history, Eon, you better be ready to face Hell!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Dexter and Dee Dee deal with their Rude Side counterparts, and once we got done with those two foul-mouthed hooligans, Rachel Shindo and Lincoln are going to destroy Eon and send his spirit straight to The River of Fire!

We were off to Dexter's house.

Hydrax: I hope they haven't done too much damage!

Me: So do I.

We got to Dexter's house and we went in.

Dexter: This way please.

We went up into Dexter's room and Dexter let us into his lab and we went in and he and Dee Dee showed us the Rude Remover.

Xenia: Is this the Rude Remover?

Dee Dee: It sure is.

Me: Very Interesting.

Nico: How does it work?

Dexter: You get in this pod right here on the right and it removes the rudeness you have in you and puts it there in the other pod.

Me: Geez!

Nico: No wonder you two are in such a happy mood. You had your rudeness taken out.

Lola: Yeah very amazing.

Weather Vane: Why DID you have them removed to begin with?

Dexter: Quite frankly it was because Dee Dee and I were always fighting with each other like normal sisters and brothers. And we accidentally stumbled into the machine and it worked.

Me: At least it worked perfectly.

Nico: Yeah.

Me: And as a result your rude sides were separated from you guys. Albeit being an accident.

Pterodactyl Ghost: I hate to say it. But if we want you both to be whole, we need to get those rude sides back. I'll look from the sky.

Nico: Okay.

Dexter opened the skylight and he flew out.

Nico: Now we got to tell Dexter's mom what happened.

We went to the kitchen and saw Dexter's mom frantic.

Me: Dexter's mom? Are you okay?

Dexter's mom: Where are those two?

Dragon: (Skunk Fu) Did they hurt you?

Dexter's mom: Dexter and Dee Dee!? They have rotten mouths!

Me: Dexter's mom please calm down. Let us explain what happened.

We did so and she was shocked.

Dexter's mom: So Dexter and Dee Dee's rude sides were separated from them because of Dexter's rude remover machine and are on the loose?

Me: Yeah his machine worked perfectly.

Nico: A little TOO Perfectly.

Carol: This machine reminds me of when Lisa used her own version of a rude remover to remove my evil persona Morgan. Remember that?

Lisa Loud: I certainly do Carol and that was a well built one.

Nico: It sure was.

Samon Shakekisutanchin: Guys, you might want to take a look at this!

We saw on the news that Rude Dexter and Dee Dee were attacking an old lady!

They gave her a REALLY NASTY ATOMIC WEDGIE!

Old Lady: I CAN'T SEE!

Rude Dexter: SUCKS TO BE YOU, YOU FUCKING OLD CRONE!

Rude Dee Dee: What a Fucking Old Shrew!

Me: Why those little! I'm going to beat them at their own game with a good old fashion swear off! And we got the 2 best rotten mouths on the team. Me and Tayuya.

Tayuya: Darn fucking right!

Takinom: That's the least of our problems. The police are going to think Dexter and Dee Dee did this!

Nico: Well then lets go find them and take care of them.

Me: Yeah.

Pterodactyl Ghost came back. They were 30 klicks away.

Nico: Lets go face them.

Bizarro: Why are they so polite?!

Solar Man: Translation: Why are they so rude?

Nico: Because they were made this way by Dexter's machine by mistake. Now we got to get them.

Dexter's mom: I'll go with you guy.

Dexter: Thank you so much mother for helping us.

Dee Dee: It sure will be a good honor to have you help us.

Dexter's Mom: I like these versions of Dexter and Dee Dee. I like them a lot. But I need them back as a whole.

Nico: And we'll get them back. Lets go.

RD Lori: You sure it's literally a good idea for you to go with us?

Dexter's Mom: I need to be there to clear my real children's names.

Me: And she is just doing her job as a good mother.

Nico: Fair enough. Lets go.

We were off.

Rude Dexter and Dee Dee were about to attack a bunch of kids at a playground. But then the spirits of mischief and pranks appeared and swirled around them and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and then a phoenix cry was heard and we came out.

We saw that the Rude selves of Dexter and Dee Dee looked like them but with disheveled hair and had rotten tempers.

Me: Okay you dumb Rude Lookalikes, you're going to wish that you were never born!

Rude Dexter: Ah go fuck your ugly whores you freak!

Me: Pretty mouth of yours. Do you kiss your mother with it or use it to wipe your fucking ass!?

Arixam: You Mama's so stinky that she makes Stinkor look clean!

WE LAUGHED!

Me: Uh no offense Dexter's mom.

Dexter's mom: None taken.

Rude Dee Dee: Our mom is a two-bit fucking whore!

WE GASPED!

Me: You just crossed the fucking line there my friend.

Lisa Loud gave Dexter's mom a super soaker blaster with a soap blaster attached to it.

Lisa Loud: This will be much easier than using a bar of soap.

Dexter's Mom: Thank you Lisa.

She fired a massive blast of soapy water at them both like how Bonnie Swanson does at the shooting range!

Nico: That is going to leave a bad taste in your mouth.

10,000 Volt Ghost fired waves of electricity and electrocuted them all over.

10,000 Volt Ghost: Shocking, isn't it?!

Nico: Yeah!

Me: And another thing Rude Dexter, you're so dumb and fucking ugly that you make the world's ugliest man at a freakshow look pretty! (RASPBERRY)

WHOA THAT WAS CRUEL!

Tyrone McGee: Time to play a well deserved game of uncle!

Tyrone then grabbed Rude Dee Dee and twisted her leg like a spring!

TOING TOING!

Rude Dee Dee: UNCLE! UNCLE UNCLE!

Tyrone McGee: Say what!?

Rude Dee Dee: UNCLE! UNCLE UNCLE!

She then had her leg spun around.

WE LAUGHED HYSTERICALLY!

Eddy: (LAUGHS) Good one bro!

Me: Nice one!

Amora: I've got an idea.

Amora used her magic and summoned a massive shower of washtubs and they rained down and bashed the Rude Dee Dee and Dexter all over!

Me: Nice one! Oh boy may God forgive me. (ACTIVATES MR. NASTY'S RIDEWATCH) (To Rude Dexter) This is your native language. (HOOTS LIKE A MONKEY)

Nico: Mean.

Me: (To Dee Dee) You're the most pathetic of all bean heads! I've seen better looking dancers come in last and ugly motherfucking dance competition! And you got the ugliest motherfucking face ever! I bet it could crack open a 500 story skyscraper! (LAUGHS)

Nico: WHOA!

Me: Nico if I ever say stuff like that again, rip my tongue out of my mouth.

Nico: What!? No way I don't want to do that.

Me: Oh.

Skarr: Have some of this!

He fired laser blasts and blasted the Rude Dee Dee and Dexter all over.

Nico: Take that you dirtbags.

Iceage: Chill out!

He fired waves of ice and froze them in blocks of ice and then Nico kicked them down.

I fired waves of fire and blasted them down.

Xenia: Yeah!

Poromon: Have a drink!

The mascots then made drinks made of Hydrogen Bitters, Old Panther and Cobra Fang Juice! They shoved the drinks down Rude Dexter and Dee Dee's throats.

POINK! GONG SOUND!

Rude Dexter and Dee Dee: MAWY HAD A WITTLE WAMB! IT'S FWEECE WAS WHITE A SNOW! AND EVERYWHERE THAT MARY WENT THE WAMB WAS SURE TO GO!

They walked around like toys and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded and were in their underwear!

Lois Griffin: I'm including soap anyway!

Lois fired soap grenades into their mouths and they exploded and bubbles exploded out of them.

Nico: Yeah!

Me: Blech! That will taste bad.

I went over to Rude Dexter.

Me: You want to know what's grosser than you?

I shoved his face in my butt and then…

LOUD FART!

I farted in his face at point blank range!

Nico: OH MAN!

Meg Griffin: Better him than me.

Nico: Yep.

Steam Smythe: This is for crossing us!

Hydrax: And covering us with vomit!

They fired waves of energy and flowers and blasted them.

Me: YEAH! And top this one! (SPINS MAGISWORD BRACELET)

LEGENDARY EXPLOSIVE DIARRHEA MAGISWORD!

I fired a beam of energy and it hit the 2 Rude Selves and then their stomachs grumbled loudly!

Rude Dexter: (GROANS) IT FEELS LIKE I'M ABOUT TO GIVE BIRTH TO A FUCKING BABY!

Rude Dee Dee: (GROANS) ME TOO!

But then…

SUPER EXPLOSIVELY LOUD DIARRHEA EXPLOSION!

Nico: Brown House!

Ed: Who stepped on a duck?!

WE LAUGHED!

Me: (LAUGHS) That was funny! Not as funny as this one.

I fired a beam of lightning into the air.

Then air whistling was heard. Then…

CRASH!

(LIGHTHOUSE FOGHORN)

They got crushed by a house made of fishsticks!

Second Air Whistling was heard and then…

CRASH!

(ITALIAN DANCE MUSIC WAS HEARD)

A bigger house made of pizza crashed onto that!

Then third air whistling was heard and then…

CRASH!

(MAGICAL SOUNDS)

A house made of healthy snacks crashed onto them.

Then a fourth air whistle was heard and then…

KRASMASH!

(SWISS YODELING)

A MASSIVE MANSION MADE OF CHEESE WHEELS AND CHEESES CRASH LANDED ONTO RUDE DEXTER AND DEE DEE!

Nico: Houses made of fishsticks, pizza, healthy snacks and Cheeses!?

Nico drooled.

Me: That cheese mansion was something extra I came up with.

The Rude Dexter and Dee Dee came out flatter than a pancake.

Me: Here's an awesome one.

I used a genjutsu and made it look like they stole May's food!

UH OH!

May: (FLARES UP FIRE AURA AND EYES WERE GLOWING RED WITH INCREDIBLY BLAZING HATE) NO ONE STEALS MY FOOD AND GETS AWAY WITH IT!

Nico screamed and jumped into my arms in fright!

Me: OOF! (Straining) You're giving me a hernia Nico.

Nico: May scares me when she is like this!

May then jumped on the rude sides of Dexter and Dee Dee and she pulverized and smashed and brutally mangled them all over IN A BRUTAL FIGHT CLOUD!

Manaphy: Go mama!

Nico: YEAH!

Me: Uh Nico can you get out of my arms please? I'm getting a cramp.

Nico: Huh? Oh sorry.

He did so.

May bashed and pulverized and brutally mangled them all over.

She stopped and came back and the Rude counterparts were mangled up badly.

Nico: How'd you like that?!

Rude Dexter: FUCK YOU MONKEY FACE!

Nico: [enraged] "WHAT'D YOU CALL ME?!"

[Nico ran at them and slams a toilet down on Rude Dexter, knocking him into the ground. Rude Dee Dee runs up to him and throws a box of tissues at Nico. The box bounces harmlessly off Nico's head.]

Nico: "That was fucking pathetic!" [Nico brings a car down on Rude Dee Dee.]

KRASMASH!

Tayuya: Knock their fucking butts into next week!

Poromon threw a beer bottle at them.

SMASH SMASH!

He smashed them both on their heads!

Poromon: Top this one! (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and electrocuted the Rude versions of Dexter and Dee Dee!

Eustace: Here's what I say to you guys! (Pulls out Ugly Mask) OOOGA BOOGA BOOGA!

Rude Dexter and Dee Dee: AAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHH!

Eustace laughed at them and then…

BONK!

Muriel and Francesca bashed Eustace on his head with a Rolling Pin.

Eustace: OW! What did I do!?

Nico: You actually did good!

Muriel: Sorry Nico. Force of habit there.

Then a figure came and it was Univolt from episode 12 of Time Force!

---

Univolt, like all other mutants, was created as a result of chemical accident. Before the events of the series he was captured by Time Force. He was an extremely dangerous mutant and was placed in the X-Vault.

In the twelfth episode, he was released by Frax, who sent him to destroy the Rangers and the city. Univolt attacked the city with an army of Cyclobots. He was too strong for the Rangers. He used a powerful energy shotgun and was an extremely dangerous enemy. He easily defeated the Rangers and started to crush the city. Then the Silver Guardians arrived and tried to fight the mutant, but even together, the Rangers and the soldiers couldn't defeat the mutant. Univolt nearly killed the Silver Guardian commander, but Wes took the blast himself, which broke his helmet and revealed his identity to Eric and his father.

Univolt continued his rampage and easily bested the other Rangers. But Wes gained the upper hand and finally defeated Univolt, with his Time Strike and V-Weapon. The mutant was eventually defeated by a blast from the Vortex Blaster. After Univolt's defeat Frax stopped using his mutants and preferred to work with Ransik while working on his own plans

A figure came out, and it was none other than our old enemy, the evil Chronian, Eon, and he was absolutely out for blood.

Eon: You good-for-nothing heroes, why can't any of you just fucking die?!

Lincoln: We told you this before, we can't die, we're immortal and invincible. Plus, don't think that we haven't forgotten your stunt in wiping our memories of the warning of The Digimon Emperor's return years ago, you wanted to see us destroyed during The 20 Days of Darkness with that stunt of yours, but you failed. In the end, we crawled out of the darkness stronger than ever, and what did you get? Nothing but the failure of your plot.

Eon: SILENCE, YOU GOOD-FOR-NOTHING INSECT!

Eon fired another purple time ray at the barrier, but the absorption energy absorbed the time ray.

Rachel Shindo: You really don't know when to fucking quit, do you, Eon. Well, you leave us with no other choice but to end you.

Suddenly, Rachel Shindo's blue eyes turned neon blue and she was surrounded by a dark blue energy aura with stars, ice, swords, books, lions, phoenixes, and angels, she unholstered her Lion Senki-themed greatsword from her back, and as she approached Eon, she left dark blue energy, stars, ice, swords, books, lions, phoenixes, and angels with every step.

Rachel Shindo: You really really make me sick to no fucking end, Eon, all you are is nothing more than a wrathful god wannabe who's tried to rule all of the timelines and enslave every version of Ben Tennyson, and you resorted to every sort of means to get what you want, and when you decide that if you can't rule the cosmos, you want nothing more than to destroy it. You really are the lowest of the low, and for that along with kickstarting The 20 Days of Darkness, you will die a very painful and very gruesome death for every last one of your crimes.

Suddenly, Rachel Shindo was surrounded by a massive vortex of dark blue energy with stars, ice, swords, and books surrounding the vortex, there are lions, phoenixes, and angels running and flying around the vortex, and in the vortex is a blue phoenix with the logo of Kamen Rider Blades on its chest and red eyes glaring at Eon: the red eyes of eternal death. Then, as the vortex faded, Rachel Shindo emerged, but she was changed forever.

Rachel Shindo grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large dark blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long dark blue hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a dark blue energy aura with stars, ice, swords, books, lions, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Blades logo on her head and a blue lion emblazoned on her forehead and Third Eye with blue iris, she has on lion earrings with blue gems for eyes and holding the Star, Ice, and Eternity Kanjis in its paws, she also a lion with blue gems for eyes and holding the Star, Ice, and Eternity Kanjis in its claws for the second pendant on the bottom of her blue lion-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Rachel Shindo has on a sleeveless dark blue open blouse, sleeveless blue crop top, blue skirt, black pants, blue legwarmers, black knee-high high-heeled boots, and long sleeveless white trenchcoat with stars, ice, swords, books, lions, phoenixes, and angels on the coattails, and on the back is a lion surrounded by ice and on top is the Kamen Rider Blades logo. Suddenly, Rachel Shindo felt a sharp pain on her back, and then, her massive blue angel wings with dark blue tips on the blue feathers grew and sprouted out from her back, and she also now has eleven massive and long dark blue wolf tails with blue tips and blue markings, Rachel Shindo has on her Ring of the Phoenix with large dark blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Rachel Shindo's Lion Senki-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of dark blue energy, stars, ice, swords, books, lions, phoenixes, and angels, and when it emerged, it was transformed into Rachel Shindo's Marine Blue Arctic Ice Lion Senki Kamen Rider Blades Greatsword of Marine Blue Arctic Ice Lion Senki Kamen Rider Blades Justice, it's a brand-new massive greatsword with embedded blue gems and the logo of Kamen Rider Blades etched on the 7'6" massive, wide, double-edged dark blue blade, dark blue lion heads for the crossguard, large white angelic faces built into both sides of the hilt and large dark blue gems embedded in their foreheads, longer midnight black handle, four large dark blue lion heads with blue gems for eyes and on the bottom of the large blue lion heads is a blue lion head with blue gems for eyes and a blue gem in its mouth for the pommel, Rachel Shindo has on her large gold Bracers of The Champions of The Universe with dark blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold lion's head with blue gems for eyes and large dark blue gem for the belt buckle on her waist, Lion Senki Wonder Ride Book, Suiseiken Nagare, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a dark blue kanji below the lion that said, "Rachel Shindo, Embodiment of Kamen Blades, Loving Sister of Rintaro Shindo Also Known As Kamen Rider Blades, Master of The Powers of Ice, Wielder of Lion Senki Wonder Ride Book, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of La Balva De, Destroyer of Eon, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice, Lions, Phoenixes, and Angels"

Suddenly, Rachel Shindo's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Rachel Shindo has transformed into SUPER ANGEL-KAMEN RIDER BLADES-LION-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE KAMEN RIDER BLADES BLUE ARCTIC ICESTORM LION SENKI PHOENIX ANGEL OF DIVINE KAMEN RIDER BLADES BLUE ARCTIC ICESTORM LION SENKI PHOENIX ANGEL JUSTICE AND DIVINE KAMEN RIDER BLADES BLUE ARCTIC ICESTORM LION SENKI PHOENIX ANGEL LOVE!

We were really amazed by Rachel Shindo's Super Angel-Kamen Rider Blades-Lion-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Eon saw it, he went mad with rage.

Eon: I WILL AGE YOU UNTIL YOU ARE NOTHING BUT DUST!

Eon fired time energy at her to age her until she's dust, but Lincoln deflected the blast and it hit Eon hard, and that allowed Rachel Shindo to fire a massive and powerful barrage of dark blue energy, stars, ice, swords, books, lions, phoenixes, and angels, which hit Eon and he was knocked down, he got back up, but now, he was angrier than ever.

Rintaro: (GASPS) Oh, no way, did Rachel just…?!

Nico: She did, Rintaro, she did.

Lincoln: Yep, Rachel Shindo's transformed into her Super Angel-Kamen Rider Blades-Lion-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, you're going to get it big time, Eon.

Rachel Shindo: (Divine Echoing Godly Voice of The Divine Marine Blue Icestorm Kamen Rider Blades Lion Senki Phoenix Angel and Divine Cosmic Marine Blue Icestorm Kamen Rider Blades Lion Senki Phoenix Angel Love) Let's make him pay for what he's done, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Rachel Shindo.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This has been a long time coming, Eon, and now, we'll finish what was started three years ago and you're going to pay for every last one of your crimes along with what you did in kickstarting The 20 Days of Darkness.

Rachel Shindo and Lincoln went after Eon who continued firing blasts of purple time energy at them, but Lincoln kept deflecting them right back at Eon and they hit him hard, and they fired extremely powerful blasts of rainbow energy, dark blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Eon and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Rachel Shindo also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Eon even madder than ever!

Eon: YOU! YOU! I WILL KILL YOU EVERY LAST ONE OF YOU AND I WILL DESTROY THE COSMOS!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is why you were considered one of the most dangerous and volatile of Ben's enemies. You have no compassion nor sympathy for anyone and you also have a complete disregard for life, your misuse of your power led to your race being wiped out of existence, and this is the reason why you must pay the price for your crimes against humanity and Earth.

Eon roared with anger and rage and flew right at Lincoln with a sword of energy he created as they clashed ferociously, but Lincoln not only disarmed Eon, but he also slashed off his mask and left a nasty scar on his face.

Eon: No, no, no! This is impossible!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You made a mistake underestimating any of us, we're not the same as we were when we dealt with you years ago, now it's time for you to die.

Then, Lincoln stabbed Eon in the chest with his massive greatsword, and as the 7'6" massive, wide, double-edged golden blade began glowing with red energy, Lincoln began sucking out and absorbing Eon's Chronokinesis, Teleportation, Ergokinesis, and Time Travel and made them his own, but he didn't stop there, then, Lincoln's massive greatsword began devouring Eon's blood and also sucked out his lifeforce, and when Lincoln, and as he removed his greatsword from Eon's chest, he was reduced to being nothing more than a dried up corpse. Then, Eon's drained spirit appeared in Lincoln's large left hand, and then, Lincoln opened up a portal to The River of Fire.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Enjoy eternity in The River of Fire.

Lincoln fired a rainbow energy blast which hits Eon's spirit and he was then flung into The River of Fire and once he was inside, he was bound with energy chains to a pillar for eternal suffering and the portal closed and Eon was left screaming with rage and insanity. We cheered wildly for what Rachel Shindo and Lincoln did as they holstered their massive greatswords and powered down and Rachel Shindo's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive blue angel wings are permanent.

Rachel Shindo: Burn in The River of Fire forever, you son of a bitch.

Thank you for helping me get rid of Eon forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rachel.

Suddenly, Rachel Shindo wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rachel Shindo's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and The Lion Senki flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and ice behind them and we cheered wildly. Then, Lincoln and Rachel Shindo sucked in and absorbed the elemental forces and ice and they came back to us as the display vanished.

Nico: Oh man, now that's really I call one awesome and epic fight! Plus, you really really pissed Eon off big time, Lincoln. I was surprised he hadn't had a villainous breakdown.

Lincoln: No surprise though, since the only one that he'd be pissed off at is Ben. But, he crossed us years ago, and what he did that kickstarted The 20 Days of Darkness, that gave us enough reason to make him suffer.

Me: You said it. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The next one is the Gene-Slammer for Alchemist Prime.

Elise Dragonball: Awesome, and there's one girl we know who'd be Gene-Slammed into Alchemist Prime: Asuka Tsuitenai, Gene-Slammer of Alchemist Prime, she's Lincoln's Guardian Angel from Japan and classmate in Gym, and she's also the embodiment of Tottemo! Luckyman as well as the twin sister of Yōichi Tsuitenai A.K.A. Luckyman. She's also called The Karma Mistress because those who dared to harm those Asuka loves will always suffer the most extreme karmic punishment especially Killjoy Huggins. In fact, when Killjoy Huggins tried to hurt Lincoln while Asuka was with Lincoln, Killjoy Huggins suddenly suffered the most extreme case of diarrhea so bad that he crapped all over his own office with Superintendent Chen in the office at the time, and as a result, he was suspended for a year. To show his thanks for protecting him, Lincoln kissed Asuka on the lips, and she hates Killjoy Huggins with a blazing passion.

Nico: Whoa, so Killjoy Huggins really suffered from that extreme karmic punishment when he tried to hurt Lincoln while she was with him?!

Me: Yep.

Lincoln: I still remembered that day all too well, the janitor had to clean up the whole office from top to bottom, and Superintendent Chen made Killjoy Huggins suffer through Hell with that year-long suspension.

Nico: Damn.

Girl Jordan: That's why she's known as The Karma Mistress, any who dare to hurt those she loves will suffer extreme karmic punishment in some of the most humiliating ways imaginable. (SHUDDERS) I can't forget about the other extreme karmic punishments she made Chandler, Flip, and all of Linky's other enemies suffer through.

Nico: Just like what happened to Killjoy Huggins, I can bet they were so humiliating and so horrible for them, it left them badly humiliated.

Lincoln: In more ways than one, and this is one girl whose bad side you do not want to get on.

Selene Emperyous: Same with all of Lincoln's Guardian Angels, you get on our bad sides, and you'll find yourself on a one-way train ride to Hell.

Eli: That's one train ride no one wants to get on, not unless they want to risk losing their lives.

Lori: Literally, and that also included me, Lynn, Lola, Lisa, and Luan since we literally put Lincoln through Hell, but on an even more extreme level.

Luan: And we wound up getting put through Hell with his Guardian Angels in more ways than one.

Lynn: From the extreme butt-kicking and thrashings to extreme humiliations by them, it was a total nightmare.

Lola: Big time.

Lisa Loud: I still have nightmares from their last humiliations and thrashings from years ago.

Chillyfish: Dexter, are you and Dee Dee whole again?

Dexter: Rest assured, we are back to normal.

Whirlin: That's good.

Manta Bayarsh: Just the way we like it.

Dumbelltron: Now to check up on the old lady.

Marionette Shadow: And the other victims.

Old Lady: No need we're okay and we saw the whole battle.

Kid: Yeah that was awesome! Thank goodness you're back to normal Dexter.

Dexter: Thank you.

Lola: Boy that was crazy!

Me: Like we said when we had a friendship problem with the Kirins, Rudeness is part of you as Anger is and without anger or rudeness it only makes you half of who you are.

Autumn Blaze: I remember that lesson and it was awesome.

Me: Yes it was.

Nico: That it too true. But great job today everyone.

Dexter: (to the viewers) I learned a huge lesson today and that is that rudeness is part of everyone and even though this was an accident, one must be careful with rudeness.

Me: That is for sure.

We went back home and enjoyed the rest of the day and went to sleep.

Wallflower Blush: Boy it feels amazing being back in the castle of the Queen of Hearts again.

Alice Kingsleigh: (British Accent) It sure feels amazing.

Xenia: It has been a while.

Me: No kidding. Boy this place is doing really well ever since we dethroned the queen.

Camie: Yeah no kidding there.

Varie: The White Queen is the Rightful Ruler.

Nico: She sure is.

Casey Rhodes: I'm glad we stopped her back then.

Me: Me too Casey.

Nico: Casey, I want to thank you, Cheshire, and your teams for coming

Casey Rhodes: No problem Nico. This will be really fun to help you out.

Lena Isis: I'm looking forward to this to.

Phosphos: This sure is going to be awesome.

Nico: Lena, I just want you to know that you look more pretty like this then your Gundalian form.

Lena Isis: (Blushes) Oh why thank you Nico and I'm glad you think so.

Phosphos: Lena always has been a beautiful one like this too.

Girl Jordan: I agree there too. She is awesome.

Me: Yeah I agree too.

Lena Isis: I do look pretty. And now that Barodius is gone for good I have a lot of time to do the things I like doing best with my people and with the people of Earth.

Xenia: That's cool.

Phosphos: Nico, you better not be hitting on my partner!

Nico: I'm just stating facts. Who she choses as a boyfriend is up to her.

Lena Isis: I appreciate your statement Nico and it is my choice too.

Nico: Good.

Xenia: Yeah.

Me: Boy yesterday was a really crazy one! Dexter and Dee Dee learned a REALLY HARD lesson about rudeness being part of everyone including them.

Lana: They sure have.

Maria: They fucking called me a whore!

Me: And they inundated the previous group with Ol Facefull vomit!

Xenia: And pelted William with mud!

Me: Yeah and gave an old lady a wedgie and cussed up one helluva storm!

Laney: Yeah!

Lena Isis: No offense to Tayuya but they were really rotten.

Me: They may have been rotten but we were REALLY rotten. But those pranks we did were really funny.

Nico: They sure were!

WE LAUGHED!

Nico: Yeah! You know Johnny Test told me that his sisters did the same thing to him once with a personality altering machine.

Lisa Loud: That was a very impressive machine that they built there.

Me: And the Rude Removal machine was very similar to the machine Lisa used to remove Carol's evil personality Morgan from her.

Carol: That is really awesome and cool there.

Nico: Very neat.

Maria: William was that close to throwing Dexter and Dee Dee in prison!

Me: I know but thank goodness he didn't.

Maria: Yeah I told him not to do so.

Me: But like we found out, without Rudeness and Anger you are only half of who you really are.

Xenia: Yeah. Anger and rudeness exists in everyone and there's no way to get rid of it. It's part of who you are.

Nico: That is true 100%.

Me: Yep.

Nico: Wonderland is amazing as ever.

Me: Yeah it sure is. Without the Queen of Hearts tyrannical rule, everyone is doing better than ever.

Xenia: They sure are.

Eli: Yeah. Wait! (SENSES SOMETHING) Oh no! We got a Twisted Princess here!

Me: Oh no! Don't tell me! It's Alice?

Eli: Yeah!

WE GASPED!

Me: Oh man!

Maria: Better call in the experts.

Maria did so and Allie and Helena came.

Allie Knudson: This is not good guys! You are not going to like this version of Alice.

Helena Nicos: Her story is terrible.

She told us what happened.

After she's declared guilty, the Queen of Hearts and her army proceed to chase Alice through Wonderland. Unfortunately, Alice trips and hurts her leg, allowing them enough time to catch up to her. Alice is then dragged away by the Queen's soldiers. All of this is being watched by the Cheshire Cat who's hiding in the shadows. Alice is taken to the center of the Queen's garden maze where all the bodies of the many victims of the tyrannical Queen are discarded. And like all of the Queen's victims, Alice is beheaded and left in the center of the maze to rot. Unknown to the Queen, the Cheshire Cat followed her to the center of the maze and witnessed the tragic execution of the young girl. Once the Queen and her army has left, the Cheshire Cat appears. He feels extremely guilty for the death of this little girl… but that feeling soon passes, for the Cheshire Cat now had himself a new toy… a new body to posses… a new puppet to carry out his twisted motives. Wonderland WILL be his!

When she was done we were SHOCKED AND HORRIFIED!

Nico: It's like Bumby all over again!

Me: Except the Queen killed her and the Cheshire Cat took over her corpse!

Xenia: Not good!

Lola: We got to free her!

Nico: Yeah! Oh poor Alice. She was WRONGFULLY convicted of all this. She was a sweet little girl that did nothing wrong and she needs to be saved from this monster she is now.

May: Is that what our Cheshire Cat is really like?!

Me: No the one we know is not like that at all.

Xenia: Thank goodness.

Fluttershy: I love the Cheshire Cat and he is so adorable.

Lola: Yeah. He sure is. Hmm. I wonder.

Nico: What are you thinking Lola?

Lola: It could be a dark orb that is possessing the Cheshire Cat for Twisted Alice.

Me: Hmm.

I looked and it showed that Lola was right!

Me: You're right Lola! We got to find her.

Nico: Right lets go!

Me: Better transform rangers just in case.

Zayto: Right!

Casey Rhodes: Jungle Beast! Spirit Unleashed!

Zayto: LINK TO MORPHIN GRID!

Ryo: AURA CHANGE!

Juru: KIRAMAI CHANGE!

They transformed and were ready.

Casey: WITH THE STRENGTH OF THE TIGER! JUNGLE FURY RED RANGER!

Zayto: T-REX FURY! DINO FURY RED!

Ryo: RYO OF THE HEAVENLY FIRE STAR!

Juru: SHINING SPARKLING! KIRAMAI RED!

AkaRed: 47+ YEARS OF RED! AKARED!

Me: Awesome!

Nico: Yeah!

May: Now, we're ready!

Me: Awesome!

Nico: Lets go.

We went to find Twisted Alice.

Eli was leading us to her.

Me: I feel really bad for this version of Alice. She did absolutely nothing to deserve all this.

Xenia: Yeah this was horrible! They killed her and tossed her away like garbage.

Camie: Queen of Hearts you are a heartless and ruthless monster.

Nico: Yeah.

Wallflower Blush: Yeah we should have given her the Black Gates.

Nico: I agree there on that.

Laney: Yeah.

We got to the center of the maze and there we made a HORRIBLE AND GRUESOME DISCOVERY! We saw A MASSIVE PILE OF HEADLESS CARD CORPSES AND THEY WERE GROSS!

Me: Oh good god!

Xenia: So this is where the queen dumped the corpses!

Nico: OH GOOD GOD!

Lola: We should burn all these corpses. Apparently the queen didn't know that corpses carry disease and more.

Nico: Yeah.

We then heard what sounded like Alice's voice.

?: Guys, over here!

Nico: Alice?

We saw Alice. The one we know.

Me: Alice? Oh thank goodness.

Alice: It really is me. I saw the Twisted version of myself. The Twisted version of me doesn't have a keyblade.

Eli: She's telling the truth. That really is her.

Me: Good.

Alice: Follow me.

We followed her and got to the center of the corpse pile and in the middle was saw TWISTED ALICE.

Me: There she is.

Nico: Oh my god.

We saw the cut mark on her neck that showed where she had been beheaded and also saw that her dress was a mess and a Joker-Esque Smile plastered on her face.

Me: Oh man. She looks like a female Joker.

Xenia: This is terrible. Minus the green hair.

Me: She still has the fucked up grin. Minus laughing like a fucked up lunatic.

We went up to her.

Nico:… Alice?

Twisted Alice: Hello everyone. Want to join me TO YOUR DOOM!

She then fired waves of darkness and I deflected them back at her!

Me: Cheshire Cat we know that's you controlling her! Let her go! She did nothing to deserve being controlled like this!

Twisted Chersire Cat: Now why would I do that? She died because of me and I lead to getting her executed.

Me: We know that. It was not your fault. The Queen of Hearts was going to kill her no matter what!

Nico: Yeah she was THAT ruthless and didn't care about who lived or died!

Xenia: She ruled over the land with an iron fist!

Alice: I just can't believe that this is what would have happened to me if I was killed by the queen.

Me: Yeah!

Nico: Alice, I know you can hear me!

Twisted Alice: Have you come to…

Wallflower Blush: Alice you are not this kind of person. This is not the kind of Alice that you would become. You are more than just a sweet girl that I helped save from the Queen of Hearts. You are someone that I love like a sister andn I helped destroy the tyrannical rule of the Queen. Alice you did not deserve to be killed like this. You did nothing wrong.

Twisted Alice: But look at me! She killed me!

Wallflower Blush: I know that! That was unforgivable and I'm sorry. I can't believe that the Queen would do that to you. I'm sorry this happened to you and you did nothing to deserve this. The Queen is in prison forever now. We locked her up and THREW AWAY the key. But we can still save you Alice!

Twisted Alice: If you really want to save me, why don't you go back in time?!

Nico: To destroy the Queen with the Black Gates?! Tempting but no!

Twisted Alice: Who said anything about the Black Gates? I'm talking about going back in time and stopping me from going to Wonderland in the first place!

Nico: We're not doing that either. Wonderland is a part of you!

Wallflower Blush: Yeah Alice! You found Wonderland and you made TONS of amazing friends here! Including me! (WHISTLES)

Out came The Mad Hatter, March Hare, Dormouse, White Rabbit, Animals of Tolgey Woods, Cheshire Cat, Tweedle Dee & Tweedle Dum, The Walrus & the Carpenter, The Oysters, The Caterpillar, Dodo, Flowers and more.

Wallflower Blush: These people here are more than just the denizens of Wonderland. They are your friends and your family. Just like me! We comforted you when you were lost and we helped you in your time of sorrow and helped you. Don't you remember your sister and your cat Dinah? Don't you remember all the fun you had woth Dinah?

Cheshire Cat: You're forgetting the fact that it was because of her Princess of Heart status, Maleficent kidnapped Alice in the first place

Wallflower Blush: I have not forgotten that. And I never gave up on Alice when that happened.

Nico: Just like we never gave up on ALL of the Princesses.

Twisted Alice: But you said it yourself! I look like the Joker now! And if that's the case, I might as well act like him!

Nico: That's a lie Alice! The Joker was infinitely worse than this! Because he killed over 2,000 innocent people!

Wallflower Blush: Yeah! The Twisted version of The Cheshire Cat made you this way! You may have forgotten who you really are but I haven't. You need to get rid of this monster that is inside you. Get rid of it! Fight it!

Twisted Alice: You're right! I have to! I MUST!

Twisted Alice screamed in excruciating pain as she was using EVERY OUNCE OF HER WILL POWER to break free from Twisted Cheshire's control!

Cheshire: What's happening to her!?

Me: She's trying to break free of control from the Twisted Cheshire Cat. But he's not going down without a fight!

Ultimate Spiderman: Then we got to give her a little boost!

Cheshire: You might have been my inspiration. But we have to make this right!

Me: I have an idea! Girl Jordan don't kill me for this. (ACTIVATES UNIVERSE 666 ULTIMATE CARNAGE'S RIDEWATCH)

I fired red tendrills and just as Twisted Cheshire Cat was being forced out of her they latched on to Twisted Cheshire Cat and drained him of his energy and I yanked with all my might!

I pulled him out of her!

Twisted Alice was free and she didn't have that grin anymore! She was back to normal. Varie then went over to her and healed her up with her powers.

Nico: We still have a target.

Qin: This will be good!

Qin fired fireballs and blasted Twisted Cheshire Cat!

Lola: No way will I allow you to poison Alice with lies!

Lola fired waves of fire and blasted Twisted Cheshire Cat!

Twisted Cheshire Cat then vanished!

Eli: Don't get too confident there.

Eli used the force and sensed for him and then Fired a wave of Force Lightning and electrocuted him!

Camie: Nice try!

Wallflower Blush: Top this!

She unsheathed her sword and slashed him and kicked him down.

Cheshire: I can vanish too!

POOF!

She vanished and then went invisible and slashed Twisted Cheshire Cat all over the place!

Alice: You are a stain on the Real Cheshire Cat's good name!

She fired a wave of lightning and blasted the Twisted Cheshire Cat all over!

The Red Rangers blasted and smashed the Twisted Cheshire Cat all over too!

Cheshire: I can vanish too!

POOF!

She vanished and then went invisible and slashed Twisted Cheshire Cat all over the place!

Alice: You are a stain on the Real Cheshire Cat's good name!

She fired a wave of lightning and blasted the Twisted Cheshire Cat all over!

The Red Rangers blasted and smashed the Twisted Cheshire Cat all over too!

Casey: Call to the beast inside!

He was ready!

Casey: RELEASE THE TIGER!

He fired a wave of energy and it formed into a tiger and bashed down the Twisted Cheshire Cat!

Nico: YEAH!

Lola: Awesome!

Varie was really healing up Twisted Alice. Her neck wound was healed up completely.

Maria sprayed water.

SPLASH!

Nico: Everyone knows that cats hate water!

Me: And another thing they hate? MICE AND RATS!

Using Fluttershy's animal calling powers I called in a massive swarm of mice and rats and then Twisted Cheshire Cat went nuts! The Mice and Rats pulverized him with cheese and bashed him all over!

Nico: Don't cats eat them?

Me: Normally but these are not your every day mice and rats.

We saw that the mice and rats were Looney Tunes rats and mice and they were the ones from the cartoons we all know and love.

Lana: Awesome! I loved watching these rats and mice and how they battled cats like that.

Nico: Awesome I remember watching those cartoons, They were funny!

May: They sure were!

Me: Yeah! And another thing that cats hate are birds! Especially THESE birds! (WHISTLES)

(RIDE OF THE VALKYRIES PLAYS)

NUMEROUS BIRDS FLEW IN and they divebombed Twisted Cheshire Cat all over like missiles and they even pelted him all over with fruit and even bashed him with bricks and concrete cinderblocks!

Nico: Nice one!

Poromon was among them!

Poromon: Okay you bad cat! Taste this! (Echoing) LIGHTNING JAVELIN!

He fired a massive blast of lightning and electrocuted Twisted Cheshire Cat!

Nico: Poromon!? Wow!

Poromon threw beer bottles and smashed him on his head!

SMASH SMASH SMASH!

May: Nice one!

Poromon: Thanks guys!

Me: Normally cats like fish but these fish HAVE A NASTY BITE! (MERMAID CALL)

A wave of water flew in and it had a VORACIOUS SWARM OF PIRANHAS! They jumped on Twisted Cheshire Cat and mauled him all over!

BUZZSAW NOISE!

Poliwag, Manaphy, Horsea, and Tentacool we're among them!

Poliwag: Okay you bad cat! Taste this! He slapped Twisted Cheshire Cat with his tail.

Manaphy punched him all over!

Manaphy: NO ONE makes Alice a dangerous monster!

Horsea: Take this!

She fired a Hyper Beam blast and blasted Twisted Cheshire Cat all over!

Tentacool: Take this one!

Tentacool fired laser blasts and blasted Twisted Cheshire Cat!

Nico: Awesome!

May: Way to go guys!

Tentacool went to Varie.

Tentacool: Oh man I hope she's okay.

Jirachi came too.

Jirachi: You left me behind, jerks!

Tentacool: Sorry!

Wallflower: Now that you are here Jirachi time for these stars to fall!

She spread her wings and they showed the powerful endless reaches of space in them.

Wallflower: (ECHOING) STAR SHOWER!

She fired a massive barrage of shooting stars and they hit Twisted Cheshire Cat.

Jirachi: YEAH!

Jirachi fired waves of energy and blasted Twisted Cheshire Cat!

Horsea sprayed ink Into Twisted Cheshire Cats Eyes.

Lana: And everyone knows cats love living in garbage! (Echoing) GARBAGE DUMP!

She used Roachmon's powers and fired a massive torrent of garbage and buried Twisted Cheshire Cat in a pile of garbage!

Nico: Is that Trubbish?!

Twisted Cheshire Cat poked out of the pile.

We laughed!

Nico: (LAUGHS) That was funny!

Me: (LAUGHS) Nothing smells worse than a cat in a garbage dump.

We laughed!

Me: Wait.

We saw that there REALLY WAS A Trubbish too.

Me: Well I'll be. There is a Trubbish here.

Nico: Hey, little guy.

Trubbish: Trubbish.

Nico: Want to pulverize that bad cat for us?

Trubbish agreed and bashed Twisted Cheshire Cat all over.

Poromon: We have another mascot!

Me: We sure do!

Lola: Yeah!

Poliwag: All right!

Nico: Time for transformations to begin!

Sarada Uchiha: You got that right!

Himawari Uzumaki: It's buttkicking time!

Sarada Uchiha: Alice, what happened to you was really really horrible.

Himawari Uzumaki: The only one who's to blame for it was The Queen of Hearts, but she wasn't the only one.

Margaret Stockington: That's right, the other person also to be blamed for it is the Twisted version of The Cheshire Cat.

Marble Pie: That's right, you turned Alice into this undead vengeful zombie and you delighted in seeing the chaos that you made her cause.

Megan Williams: That truly is unforgivable, and for that, we're freeing Alice from you, she's no longer your plaything and we will end you: the source of her pain, for good.

Suddenly, Sarada Uchiha, Himawari Uzumaki, Margaret Stockington, Yoko Littner, Marble Pie, and Megan Williams were surrounded by massive vortexes of colored energy with stars, elemental forces, and magic surrounding the vortex, there are phoenixes, angels, and Alicorns flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring right at Twisted Cheshire Cat: the red eyes of death.

We were amazed by the transformations of Sarada Uchiha, Himawari Uzumaki, Margaret Stockington, Yoko Littner, Marble Pie, and Megan Williams, but when Twisted Cheshire Cat saw it, he ran at them to kill them, but Sarada Uchiha, Himawari Uzumaki, Margaret Stockington, Yoko Littner, Marble Pie, and Megan Williams fired massive barrages of colored energy, stars, elemental forces, magic, and Alicorns at him and they exploded as they hit him, and this made him even angrier.

Then, Lincoln chanted a powerful incantation and his large golden halo glowed and the four orbiting gold rings fired rays of rainbow healing light which hit Twisted Alice and purified her and freeing her of the darkness that contaminated her soul and heart and brought her to us.

Megan Williams: (Divine Echoing Godly Voice of The United Friendship Divine Cosmic Starstorm Equestria Harmony Hero

Defender Love Alicorn Princess Angel and Divine United Friendship Divine Cosmic Starstorm Equestria Harmony Hero Defender Love Alicorn Princess Angel Love) Nice one, Lincoln.

Lincoln: Now, all that's left is to deal with the Twisted Cheshire Cat.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Sarada Uchiha, Himawari Uzumaki, Margaret Stockington, Yoko Littner, Marble Pie, and Megan Williams, and so did we as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done causing pain to Alice, you twisted disgrace of The Cheshire Cat, now you're going to be destroyed here and now!

Lincoln, Sarada Uchiha, Himawari Uzumaki, Margaret Stockington, Yoko Littner, Marble Pie, and Megan Williams went after Twisted Cheshire Cat, and they fired extremely powerful blasts of rainbow energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Twisted Cheshire Cat and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Sarada Uchiha, Himawari Uzumaki, Margaret Stockington, Yoko Littner, Marble Pie, and Megan Williams attacked him with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Twisted Cheshire Cat crazy.

Twisted Cheshire Cat was about to run at us again, but suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with green light covering her body and it had the Spider emblem on its chest and stomach and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman, and she fired Symbiote goo at his wrists and ankles and bound them together.

Me: Nice one.

Nico: Now, all that's left is for Lincoln to kill him.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yep. (Sees the green light) Wait, the green color on the symbiote suit, there's only one person who has green as her favorite color, isn't that right, Lisa

Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Lisa Loud, but she had longer brown hair, neon green eyes, fangs, and she looked like she was 21 years old.

Black-Suited Lisa: Affirmative, and our Lincoln had already told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Lisa: I knew he would.

Lisa Loud: Sweet Einstein, is that… me?

Black-Suited Lisa: Affirmative, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Lisa Loud: Yes, apparently.

Black-Suited Lisa turned formed a massive black Symbiote web which latched onto Lisa's stomach, and Lisa began absorbing Black-Suited Lola into her body, and then, Lisa's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Lisa began merging with Lisa and Lisa gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Lisa's rainbow energy aura settled.

Me: Is it over?

Lisa Loud: It is.

Black-Suited Lisa: (Speaking through Lisa's emblazoned Rainbow Tech Angel and Phoenix and Third Eye) Yes, we've settled in perfectly.

Lisa concentrated and immediately, her body was covered in a black Symbiote suit with green light reflecting off it and it had the spider emblem on it, and then, her symbiote suit went back into her body.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to deal with Twisted Cheshire Cat.

Lincoln fired two Symbiote tendrils from his back which latched onto Twisted Cheshire Cat and Lincoln drained him dry of all his energy, and as soon as Lincoln retracted the tendrils and they sunk back into his back and body, Twisted Cheshire Cat was reduced to being a drained husk, and as soon as his spirit appeared, Sarada Uchiha, Himawari Uzumaki, Margaret Stockington, Yoko Littner, Marble Pie, and Megan Williams banished him to The Black Gates forever. We cheered as Lincoln, Sarada Uchiha, Himawari Uzumaki, Margaret Stockington, Yoko Littner, Marble Pie, and Megan Williams holstered their weapons and powered down and Lincoln's long wild gold hair, eleven massive and long gold wolf tails, and massive gold angel wings change back to white, and the gold crisscross straps of his chest harness and gold He-Man's loincloth change back to orange, and Sarada Uchiha, Himawari Uzumaki, Margaret Stockington, Yoko Littner, Marble Pie, and Megan Williams' new bodies, clothes, weapons, gold halo, weapons, jewelry, Third Eye, eleven massive and long orange and crimson red wolf tails, longer dark cyanish gray tail, turquoisish gray horn, and massive colored angel wings are permanent.

Eli: We did it, that's another Twisted Princess saved from darkness and healed from despair.

Suddenly, Marble Pie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Marble Pie's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Marble Pie sucked in and absorbed the elemental forces.

Then, Yoko Littner wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Yoko Littner's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Yoko Littner sucked in and absorbed the elemental forces.

Twisted Alice woke up and she had a horrible headache.

Nico: How are you feeling, Alice?

Twisted Alice: (Raspy voice) I have a horrible Headache and my throat hurts. What happened?

Varie: The queen slashed your head off and the Cheshire Cat you know made you into a monster.

Nico: But you're okay now.

Wallflower: Thank goodness. I'm sorry Alice.

Twisted Alice: I'm glad. Thank you all. You saved me.

Me: The queen is in prison and we gave the twisted Cheshire Cat the Black Gates.

Twisted Alice: Where do I go now?

Nico: You can live with us.

Twilight Sparkle: Yeah and it'll be good time for you to recover.

Varie: Your voice is gonna be raspy for a while because of where the queen cut you.

Nico: Yeah.

Twisted Alice: I would like that guys. Thank you.

Nico: You're welcome.

We teleported her to the estate.

Me: Now we got to burn all these bodies.

Nico: Good idea.

Maria: Don't want them lying around.

Nico: Yeah. Do your stuff J.D.

Me: Okay.

I gave Camie and Varie a huge tank of gasoline and they dumped it all over the bodies.

Nico: All right that should be good.

We flew up into the air.

Me: Here we go.

I fired a massive blast of fire and then…

WHOOSH!

The bodies all bursted into intense flames and were incinerated in minutes.

Nico: It was for the best.

Me: Better than leaving them there to rot.

Xenia: Yeah.

Nico: At least they can be buried right.

Eli: Now for the main business. And whoa! We have Another Horst Bagge, Basil, Hustler Banana, Universe 666 La Magra Deacon Frost, Facilier's friends, Sewer Monster (SpongeBob), Goat (CTCD), Gypsy Moth and Cheshire.

WE GASPED!

Me: Eustace's brother is in the M.O.E.!? Geez!

Lily: I remember seeing that sewer monster in Bikini Bottom. That was horrible.

Lana: And that goat we helped with his back problem? Whoa!

Bai Tza: And I remember that Hustler Banana. That was crazy and they decided to recruit Basil. I'm glad for him.

Lucy: And they put in a universe 666 version of Deacon Frost with La Magra's power. Wicked.

Lola: And they have Facilier's friends in there too? Oh boy I hope they don't spark a war.

Nico: Yeah after how they double crossed him for not paying back his debt.

Qin: Yeah.

Nico: Who do we call?

Me: Chandra Changeman, Bianca Bio, Fiona Flash, Jessie Campbell, Kikki Himura, Sea Swirl and Caitlin MacKenzie.

Nico: Cool!

Lola: The embodiments of some of the ranger teams and the Embodiment of all the Dopants, Knight of the Toy Box, and even Sea Swirl of the Knights of the Friendship Table. Cool.

Nico: Yep.

Maria called them in and in swirls of energy with the symbols of the ranger teams and elements came in said people.

Sea Swirl: We're ready for action!

Caitlin MacKenzie: This will be so fun.

Me: I hope Eustace and Horst don't end up killing each other there. They hate each others guts.

Nico: Oh boy.

Eli: Yeah. And I sense that the anothers are all one person.

Me: Oh cool.

Nico: There they are!

Then out came nother Horst Bagge, Basil, Hustler Banana, Universe 666 La Magra Deacon Frost, Facilier's friends, Sewer Monster (SpongeBob), Goat (CTCD) and Gypsy Moth!

Nico: WHOA!

Me: This is gonna be good.

Another Basil farted!

Me: Ew! Who stepped on a duck!

Another Basil: (LOUD FARTS) (In a girls voice) Sorry can't help it.

Me: That voice.

They merged and and she reverted back and it was a girl with purple hair and purple eyes and had purple wings and had green clothes and she had a tiara with the symbol of the Gas Dopant on it and she had the same symbol on her skirt and had a glowing sword and she was farting up a storm!

Me: (GASP) Gabrielle Flatula.

Nico: Oh boy. Calabash Syndrome?

Gabriella Flatula: That's right. How did you know?

Me: Experiences. She is not only the embodiment of the Gas Dopant but she has REALLY NASTY TOXIC farts that would even put LORI'S farts to shame. They are poisonous enough to kill people.

Nico: Holy shit!

Gabriella Flatula: Yeah it's how I got the moniker, Gabriella of the Toxic Fart.

Me: Yep.

Nico: You won't kill us though!

Gabriella Flatula: No I know it won't work on you guys.

Me: Good. One time Gabriella farted so bad in a class field trip to one of the most dangerous maximum security prisons in the country that she literally Killed all the prisoners there!

Nico: Holy crap! That was you?

Gabriella Flatula: It sure was. My farts only effect bad people.

Me: Yep. It was funny but awesome.

Xenia: Wow that is crazy.

Me: By the way is the Another Cheshire friendly or hostile?

Gabriella Flatula: Friendly and she is a really powerful one.

Me: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Spring abundant holoél

She glowed and was separated from the anothers.

Nico: Lets dance!

They fired waves of elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: Now all we have is the Another Cheshire.

Gabriella Flatula: That was fun. (LOUD FART) Oops sorry.

Qin: I can imagine Dark Lori smelling those farts.

Me: Yeah.

Nico: Now, we wait.

Me: We don't have to wait long!

We saw a figure and it was ANOTHER CHESHIRE!

Nico: Whoa!

Me: This will be good.

Another Cheshire: Boy it sure will!

Me: That voice!

She reverted back and was a girl with sky blue hair and had blue eyes and blue angel wings and had tropical clothes on and she had a tiara with the symbol of the Tropical Dopant on and she had the same symbol on her skirt and she had a fruit sword in her hand.

Me: (GASP) Megan Tropicalla.

Megan Tropicalla: Awesome to see you again J.D.

Me: You too. Megan is the embodiment of the Tropical Dopant and she loves all things tropical and Hawaiian and she also loves everything from Alice In Wonderland.

Cheshire: That is cool! Just like me when I got my inspiration from The Cheshire Cat.

Megan Tropicalla: That's right.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Megan Tropicalla: No he didn't. I fired a coconut and bashed him square in his face and on his head and made a run for it.

Sakura Knudson: Ooh! That explains why I found Swartz with a nasty lump on his head and a nasty broken nose and a black eye.

Me: Ouch! Too bad that wasn't enough to kill him. It would have saved us the trouble.

Megan Tropicalla: I know.

Me: What's done is done.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Kaito and Zocks: ZENKAIJU GEAR!

They donned Zenkaiju Armor!

Megan Tropicalla: This will be fun though!

She fired waves of coconuts and they bashed Another Cheshire all over.

Me: To quote Patrick, "DA HA HA HA! That guy got hit in the head with a bunch of coconuts!"

Eli: (LAUGHS) That is funny!

Nico: (Gets out Cheshire's Ridewatch) It's a good way for Wonderland right now!

Nico activated Cheshire and Gypsy Moth's ridewatches and fired waves of energy and blasted her all over!

Me: OH YEAH!

Megan Tropicalla: This will be fun though!

She fired waves of coconuts and they bashed Another Cheshire all over.

Me: To quote Patrick, "DA HA HA HA! That guy got hit in the head with a bunch of coconuts!"

Eli: (LAUGHS) That is funny!

Nico: (Gets out Cheshire's Ridewatch) It's a good way for Wonderland right now!

Nico activated Cheshire and Gypsy Moth's ridewatches and fired waves of energy and blasted her all over!

Me: OH YEAH!

May: (gets out Universe 666 Calibur's Ridewatch) My turn!

She activated Universe 666 Calibur and Baraka's ridewatches. She fired waves of darkness and Fire and they formed into a Dark Dragon and a Phoenix and she blasted Another Cheshire and knocked her down!

Maria: (gets out Hobgoblin's Ridewatch) Let's get explosive!

Maria activated Hobgoblin and Goludora's ridewatches and fired energy blasts and blasted Another Cheshire and explosions blasted out!

KRABBBBBBBOOOOOOOOOOMMMM!
KRABBBOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOOMMMMMM!

Me: YEAH!

Lena Isis: Lets do it! (ACTIVATES GYPSY MOTH'S RIDEWATCH)

She spread wings and fired waves of energy and smashed her down.

Nico: YEAH!

Then Vortex, Teen Tornado, Sweetcheeks, Vortex Geargolem, Esper and Angry Chicken Wing came.

Nico: Nice team Vortex!

Vortex: Thanks Nico!

But then there was a flash of light and it froze Another Cheshire in place and then a blast of energy blasted her down and I caught the Ridewatch and purified it and we saw that it was Flash Man that did

it!

Flash Man: (In a girls voice) Now that was awesome!

Nico: Flora Flash! Wow!

Qin: Awesome!

Flora Flash: That was so fun.

Nico: You're naked, aren't you?

Flora Flash: I sure am.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt just so you know.

Flora Flash: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and she threw up and then reverted back and she had yellow hair and blue eyes and had blue angel wings and she had a symbol of a flash in the middle of her forehead.

Flora Flash: Oh man that hurt. (SEES HERSELF) Oh man!

Rarity: Don't worry darling we can fix this.

The Fashion brigade went in and gave her an awesome new dark blue set of clothes.

She looked really good.

Flora Flash: Wow I look awesome.

Varie: You sure do.

Lena Isis: What's your favorite memory of Nico?

Flora Flash: My favorite is when me and Nico went through a tunnel of terror and it scared the living shit out of me. Then a real monster came and Nico blasted it.

Nico: Yep.

Qin: That was really cool.

Flora Flash: It sure was.

Nico: I thought so too.

Nico and Flora hugged.

Nico: I've missed you.

Flora Flash: Same here.

We later went back home.

Lincoln: Whoa, we're here in Slovakia, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're going to destroy Rain, Motaro, Sektor, Shinnok, Kronika, and Kollector once again and seal them into The Book of Vile Darkness once more with a stronger seal and with my Whispering Wraith's Vengeance Curse, which will kill them when we truly face them in the future.

Eli: If those six want to be destroyed again, we're more than happy to oblige.

Nicole: Which means, on your next rescue tomorrow, we're going to go after Bi-Han, since he was the one who caused the escape of himself, Skarlet, Reiko, Rain, Motaro, Sektor, Shinnok, Kronika, and Kollector.

Lincoln: That's right, Nicole.

Devon: We should go after Rain, Motaro, Sektor, and Kollector first, then, we'll get after Shinnok and Kronika.

Lincoln: Good idea, Devon.

We proceeded to go after Rain, Motaro, Sektor, and Kollector first, and we soon saw them running to us in a fit of rage for their own purposes: Rain for ruining his ambitions to conquer all realms, Motaro and Kollector for killing and banishing Shao Kahn, Quan Chi, and Shang Tsung to The Black Gates last year, and Sektor for killing him.

Lincoln fired a blast of lightning which overloaded Sektor and he also exploded, and his spirit was sealed back in The Book of Vile Darkness with a stronger seal and Lincoln's Whispering Wraith's Vengeance Curse on him, then, Lincoln used his blood powers and drew all blood from Rain, Motaro, and Kollector which he consumed and he sent their spirits back to The Book of Vile Darkness with a stronger seal and Lincoln's Whispering Wraith's Vengeance Curse on them, and Lincoln put all of Kollector's gold and satchel into a scroll to give back to Outworld's citizens who had everything taken from them.

Suddenly, we saw a beautiful and super sexy girl with long brown hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings and she's dressed in a purple short-sleeved blouse, purple sleeveless top, purple long frilly skirt, purple stockings, purple knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with swords, stars, phoenixes, and angels on the coattails and on the back is Alchemist Prime, in her right hand is a greatsword and with her are the three girls.

Lincoln: (GASPS) Asuka Tsuitenai, Gene-Slammer of Alchemist Prime and Embodiment of Tottemo! Luckyman.

Asuka Tsuitenai: That's right, and I also got the girls away from Shinnok and Kronika before they could kill them.

?: You will all die for ruining my plans to destroy The Elder Gods and all life across the realms for defying me!

?: And you will pay for turning Cetrion and Geras against me and ruining my plans to build a perfect New Era!

We then saw our targets, Shinnok and Kronika, and they were out for our heads.

Cetrion: I will never forgive you for the crimes you'd committed for eons, Kronika, nor will I ever forgive you for turning against The Elder Gods, Shinnok. Here today, I hereby sever all my ties with the both of you.

Sylvester: Now, pay for the sins you've committed over the eons.

Then, Lincoln fired blood tendrils that pierced Kronika and Shinnok's hearts, and then, the tendrils drained them dry of every last drop of blood which killed them, and then, we sealed their spirits back into The Book of Vile Darkness again, but this time, they had a stronger seal put on them to keep them from escaping and they now have Lincoln's Whispering Wraith's Vengeance Curse on them that'll kill them when we truly face them in the future. We cheered as we holstered our weapons and powered down.

Lincoln: Next time when we face you all for real, you'll know what pain truly is. (To Asuka Tsuitenai) And it's so good to see you again, Asuka Tsuitenai.

Asuka Tsuitenai: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Asuka Tsuitenai and he hugged her, and Asuka

Tsuitenai is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Asuka Tsuitenai: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a

tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Asuka Tsuitenai, Gene-Slammer of Alchemist Prime and Embodiment of Tottemo! Luckyman, she's my Guardian Angel from Japan and classmate in Gym, and she's the twin sister of Yōichi Tsuitenai A.K.A. Luckyman. She's also called The Karma Mistress because those who dared to harm those Asuka loves will always suffer the most extreme karmic punishment especially Killjoy Huggins. In fact, when Killjoy Huggins tried to hurt me while Asuka was with me, Killjoy Huggins suddenly suffered the most extreme case of diarrhea so bad that he crapped all over his own office with Superintendent Chen in the office at the time, and as a result, he was suspended for a year. To show my thanks for protecting me, I kissed Asuka on the lips, and she hates Killjoy Huggins with a blazing passion.

Nicole: That kind of karmic punishment really made her feared by all bullies, just angering her by attacking Lincoln while she's near will result in them getting a horrible case of karma.

Me: (Shudders) I've seen the worst kinds of karmic punishments Asuka gave to Lori, Lynn, Lola, Lisa, and Luan, and they were so horrible just mentioning them again made me want to hurl.

Nico: We've seen the retribution Lincoln's Guardian Angels have dealt unto them, just what kind of karmic punishments did she give them?

I then whispered in Nico's ear about what she did to Lori, Lynn, Lola, Lisa, and Luan, and he was so horrified, his skin turned white as a sheet.

Qin: What did you say to him?

I then whispered in Qin's ear about what she did to Lori, Lynn, Lola, Lisa, and Luan, and she was so horrified, her skin turned white as a sheet.

Nico: (Horrified) Oh… God… !

Qin: That's… really… really horrific!

May: I still remembered it all too well, and I didn't want to come out of my room for a week.

Lincoln: Yeah, it's that bad that no one would ever ever speak of it, and now that you're here, Asuka.

Lincoln went up to and hugged Asuka Tsuitenai in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Asuka Tsuitenai: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Asuka Tsuitenai's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Asuka Tsuitenai: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Asuka Tsuitenai.

Asuka Tsuitenai had a smile on her face and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Azucena Ortiz from Tekken and Simulator Mirei Shikishima and Simulator Mamori Tokonome from Valkyrie Drive Mermaid.

Lincoln: Oh wow, it's Azucena Ortiz from Tekken and Simulator Mirei Shikishima and Simulator Mamori Tokonome from Valkyrie Drive Mermaid.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Azucena Ortiz: Yes, we're okay, thanks to you.

Then, when Azucena Ortiz and the other two girls saw who it was that saved them from Rain, Motaro, Sektor, Shinnok, Kronika, and Kollector, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie

Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The

Azucena Ortiz: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Azucena Ortiz: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Azucena Ortiz, Simulator Mirei Shikishima, and Simulator Mamori Tokonome with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villains we went after were Rain, Motaro, Sektor, Shinnok, Kronika, and Kollector.

But, when Lincoln showed what he did first in destroying Sektor, then draining Rain, Motaro, and Kollector of their blood and sealing them into The Book of Vile Darkness with a stronger seal on them and his Whispering Wraith's Vengeance Curse on them, and finally us beating down Shinnok and Kronika and Lincoln firing red tendrils which pierced Shinnok and Kronika in their hearts and drained them dry of every last drop of blood and sealed them into The Book of Vile Darkness again this time with a stronger seal and Lincoln's Whispering Wraith's Vengeance Curse on them when we truly face them in the future, everyone cheered for us and hugged us and Lincoln's harem kissed him on the face and lips which he returned, Lincoln and Asuka Tsuitenai have a lot of catching up to do, now that she's back in town.

Maria: Okay, now we've got Skarlet, Reiko, Rain, Motaro, Sektor, Shinnok, Kronika, and Kollector back in The Book of Vile Darkness and with your Whispering Wraith's Vengeance Curse on them, and the only one left is Bi-Han, and he won't be easy to destroy again.

Lincoln: He won't escape again, this time, I'll show him what happens when he dares to piss us off for real.

Nico: That wraith's already in huge trouble now!

Me: You got that right.

---

After destroying Rain, Motaro, Sektor, Shinnok, Kronika, and Kollector once again and sealing them back into The Book of Vile Darkness with a much stronger seal and The Whispering Wraith's Vengeance Curse on them, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Asuka Tsuitenai saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face,

hearts in her eyes, and her nose was bleeding.

Asuka Tsuitenai: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Asuka, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Asuka Tsuitenai: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Asuka Tsuitenai: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Asuka, we already know of what you did to Killjoy Huggins, but who else wound up getting your karmic vengeance?

Asuka Tsuitenai: I'll show you.

Asuka Tsuitenai put up a video on the big screen and the video then showed Lincoln and Asuka Tsuitenai along with the rest of his Guardian Angels and harem at a swimming pool and they were having fun, but their fun was about to be rudely interrupted.

MONSTROUS BELCH!

Past Asuka Tsuitenai: What the Hell was that?! (Sniffs) Ugh, and what on Earth is that smell?!

Past Lincoln: Oh great! Not you again, Lynn!

Then, Lynn came out and he was about to attack Lincoln once again, but then, suddenly, Lynn felt a nasty pain in her stomach, and then… !

MONSTROUSLY LOUD WET FART!

Lynn literally suffered the most extreme case of diarrhea so bad that she crapped all over her gym shorts and all over the pool area.

Past Asuka Tsuitenai: You've gone and done it now, you stupid animal! I warned you again and again never to go after Lincoln, but it went out of your ears and out of your butt!

Asuka Tsuitenai called Luna who arrived in no time and the rest of the family grabbed Flip Lynn and threw her right back into Vanzilla, and Lincoln's Guardian Angels and harem gave him the finger as Lynn bellowed with so much rage as Vanzilla drove her back to The Loud House as the video ends.

Nico: Jeez, so this was the result of Lynn's attempted attack, and it ended with karmic retribution.

Lincoln: Yep.

Luna: We knew that Lynn angered Asuka big time, and this was the result of her bad actions against our brother.

Lori: Lynn was warned, but being the stubborn hard-headed moronic animal who thinks only with her butt and not her head, she ignored us too many times to count.

Luan: Asuka made Lynn suffer all sorts of karmic retribution, and it was really really bad, we thought it was going to put her in the hospital, but she let up on Lynn, thank goodness.

Me: Thank goodness it didn't come to that.

We got a shower, and then, Lincoln, Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan are heading to Lake Lamode.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Cattleya: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Cattleya, and it's perfect for our first date. Shall we?

Lincoln, Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the back they had an awesome volleyball game, and Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and we saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan are in your harem.

Me: And I can also tell which is the Simulator versions of Cattleya, Melpha, Risty, Tomoe, and Sienna Khan because of the jewelry.

Nezuko Kamado: Yeah, and I certainly don't want Tanjiro to get confused or worse get mad at Lincoln for this sort of confusion.

Ed Cowart: Big time.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Cattleya, Simulator Melpha, Simulator Risty, Simulator Tomoe, and Simulator Sienna Khan, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still

refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Imix, The Prince of Evil Fire Creatures, the evil archomental of fire, a minion of the Elder Elemental Eye, and a major antagonist of Dungeons & Dragons franchise, and he's come to burn the world to the ground. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Imix, The Prince of Evil Fire Creatures, the evil archomental of fire, a minion of the Elder Elemental Eye, and a major antagonist of Dungeons & Dragons franchise, and he's come to burn the world to the ground.

We gasped.

Me: Oh shoot.

Ray Kayest: We already dealt with Olhydra last year, and now, we have to deal with Imix, the evil archomental of fire.

Kenzie Fukiyama: Yeah, but that fire elemental has no idea about his opponents.

Lincoln: Yeah, that's right, we have the power to absorb elemental forces and that makes us even stronger than ever. So, Imix is so going to be absorbed like what Ray and I did to Olhydra last year.

Nico: The Elemental Evil beings literally fear us that much, they want all of us dead, but we're more than ready for them. Alright, gang, let's go, we may not have a mission for today, but we still got to stop Imix.

Lincoln: That living evil fire elemental will not burn the world to ashes, not if we have anything to say about it.

Kenzie Fukiyama: That's right, we'll put him out for good.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the park to destroy Imix.

We arrived at the park to hunt down our target: Imix, The Prince of Evil Fire Creatures, the evil archomental of fire, minion of the Elder Elemental Eye, and major antagonist of the Dungeons & Dragons franchise.

Nico: Alright, we made it to the park. Now, where the heck is Imix?

?: YOU SHALL PAY FOR THE DEATH OF OLHYDRA!

Suddenly, the eight large planets and stars orbing around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco

Lincoln formed a massive diamond barrier infused with absorption energy that protected all of us from a massively powerful volley of fire that came out of nowhere and they hit the barrier, but the fire volley was absorbed into us and we became even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Imix, or we will force you out.

A massive thirty foot tall pillar of flame with a face consisting of two black pitted eyes and a mouth came out, it was Imix, The Prince of Evil Fire Creatures, the evil archomental of fire, and minion of the Elder Elemental Eye.

Me: That's Imix?!

Nico: He's a living massive pillar of flame?! Whoa!

Ray Kayest: Each of the Evil Elementals have forms based on the elemental forces of fire, water, earth, air, and darkness.

Kenzie Fukiyama: Yeah, but he's about to meet the same end as Olhydra.

Suddenly, Kenzie Fukiyama's yellow eyes turned neon yellow and she was surrounded by a yellow energy aura with stars, lightning, swords, books, phoenixes, and angels, she unholstered her Lamp do Alangina-themed greatsword from her back, and as she approached Imix, she left yellow energy, stars, lightning, swords, books, phoenixes, and angels with every step.

Kenzie Fukiyama: You really are nothing more than a destructive force of nature, Imix, all you desire is to burn the entire world to the ground and make the Plane of Fire a place of evil, well, that's not going to happen on our watch, you're about to be extinguished forever.

Suddenly, Kenzie Fukiyama was surrounded by a massive vortex of yellow energy with stars, bolts of lightning, swords, and books surrounding the vortex, there are phoenixes and angels running and flying around the vortex, and in the vortex is a yellow phoenix with the logo of Kamen Rider Espada on its chest and red eyes glaring at Imix: the red eyes of eternal death. Then, as the vortex faded, Kenzie Fukiyama emerged, but she was changed forever.

Kenzie Fukiyama grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large yellow orbs orbiting around her legs, she has the body of a goddess, she has neon blue highlights in the bangs of her long yellow hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon yellow eyes and a yellow energy aura with stars, lightning, swords, books, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Espada logo on her head and a genie lamp emblazoned on her forehead and Third Eye with yellow iris, she has on phoenix earrings with yellow gems for eyes and holding the Star, Thunder, and

Eternity Kanjis in its claws, she also a phoenix with yellow gems for eyes and holding the Star, Thunder, and Eternity Kanjis in its claws for the second pendant on the bottom of her yellow phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Kenzie Fukiyama has on a sleeveless yellow open blouse, sleeveless yellow top, yellow skirt, black pants, yellow legwarmers, yellow knee-high high-heeled boots, and long sleeveless white trenchcoat with stars, lightning, swords, books, phoenixes, and angels on the coattails, and on the back is a phoenix surrounded by lightning and on top is the Kamen Rider Espada logo. Suddenly, Kenzie Fukiyama felt a sharp pain on her back, and then, her massive yellow angel wings with yellow tips on the yellow feathers grew and sprouted out from her back, and she also now has eleven massive and long yellow wolf tails with yellow tips and yellow markings, Rachel Shindo has on her Ring of the Phoenix with large yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Kenzie Fukiyama's Lamp do Alangina-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of yellow energy, stars, lightning, swords, books, lions, phoenixes, and angels, and when it emerged, it was transformed into Kenzie Fukiyama's Yellow Supercell Lightning Storm Lamp do Alangina Kamen Rider Espada Greatsword of Yellow Supercell Lightning Storm Lamp do Alangina Kamen Rider Espada Justice, it's a brand-new massive greatsword with embedded yellow gems and the logo of Kamen Rider Espada etched on the 7'6" massive, wide, double-edged yellow blade, yellow phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and large yellow gems embedded in their foreheads, longer midnight black handle, four large yellow phoenix heads with yellow gems for eyes and on the bottom of the large yellow phoenix heads is a yellow phoenix head with yellow gems for eyes and a yellow gem in its mouth for the pommel, Kenzie Fukiyama has on her large gold Bracers of The

Suddenly, Kenzie Fukiyama's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Kenzie Fukiyama has transformed into SUPER ANGEL-KAMEN RIDER ESPADA-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE KAMEN RIDER ESPADA YELLOW LIGHTNING STORM LAMP DO ALANGINA PHOENIX ANGEL OF DIVINE KAMEN RIDER ESPADA YELLOW LIGHTNING STORM LAMP DO ALANGINA PHOENIX ANGEL JUSTICE AND DIVINE KAMEN RIDER ESPADA YELLOW LIGHTNING STORM LAMP DO ALANGINA PHOENIX ANGEL LOVE!

We were really amazed by Kenzie Fukiyama's Super Angel-Kamen Rider Espada-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Imix saw it, he went mad with rage and fired blasts of fire at her, but she absorbed them and it made her stronger than ever, and she fired a massive and powerful barrage of yellow energy, stars, lightning, swords, books, phoenixes, and angels, which hit Imix and he was knocked down, he got back up, but now, he was angrier than ever.

Kento: (GASPS) Oh, no way, did Kenzie just…?!

Nico: She did, Kento, she did.

Lincoln: Yep, Kenzie Fukiyama's transformed into her Super Angel-Kamen Rider Espada-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high time we extinguished that pillar of fire.

Kenzie Fukiyama: (Divine Echoing Godly Voice of The Divine Yellow Lightning Thunderstorm Kamen Rider Espada Lamp do Alangina

Phoenix Angel and Divine Cosmic Yellow Lightning Thunderstorm Kamen Rider Espada Lamp do Alangina Phoenix Angel Love) Before he tries to burn the entire place to the ground.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Kenzie Fukiyama.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to burn the world to the ground and turn The Plane of Fire into a place of evil are over, Imix, now it's time for you to meet the same fate as Olhydra.

Kenzie Fukiyama and Lincoln went after Imix who continued firing blasts of fire at them, but Lincoln and Kenzie kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black

Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Imix and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Kenzie Fukiyama also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Imix even madder than ever!

Imix went at Lincoln, but Lincoln proceeded to absorb Imix into his body and he assimilated the evil fire elemental's pyrokinesis and strength. Then, Imix's drained spirit appeared in Lincoln's large left hand, and then, the Judgement Kanji appeared on Imix's head and he was sent to The Black Gates for eternity. We cheered wildly for what Kenzie Fukiyama and Lincoln did as they holstered their massive greatswords and powered down and Kenzie Fukiyama's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive yellow angel wings are permanent.

Kenzie Fukiyama: Burn in The Black Gates forever, you living inferno. Thank you for helping me get rid of Imix forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Kenzie.

Suddenly, Kenzie Fukiyama wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kenzie Fukiyama's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and lightning crashing down behind them and we cheered wildly. Then, Lincoln and Kenzie Fukiyama sucked in and absorbed the elemental forces and lightning and they came back to us as the display vanished.

Nico: Oh man, now that's really I call one awesome and epic fight! Plus, you did the same thing when you absorbed Pyron last year.

Lincoln: Yep, I absorbed Imix into my body and assimilated his powers and strength, and that's another evil elemental put down for good.

Me: You said it. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The next one is the Gene-Slammer for Onyx Prime.

Elise Dragonball: Awesome, and there's one girl we know who'd be Gene-Slammed into Onyx Prime: Yuriko Urameshi, Gene-Slammer of Onyx Prime and Embodiment of Yu Yu Hakusho, she's Lincoln's Guardian Angel from Japan and classmate in English. She's also the twin sister of Yusuke Urameshi, and she knew of her brother's adventures in The Spirit and Demon World. She and Lincoln would train in martial arts, and during their training, Lincoln kissed Yuriko on the lips, and like some of Lincoln's other Guardian Angels, she hates Bradley Uppercrust III with a passion, and she's also going to reveal a terrible revelation about Brad that was so bad, her brother is literally going to go after him and kick his ass so hard, he won't be able to sit down for an entire year, and Max is also going to send Brad to The Malevolent Insanity World, or even worse, expose him to the horrors of The Dark Dimension.

We gasped.

Nico: Oh god.

Me: If this happens, this is going to get really really ugly if this happens tomorrow.

Lincoln: You got that right.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is the first Galaxy Mario went to.

Me: The Gateway Galaxy! I remember that one and it was awesome.

Lola: Yeah it sure was.

Nico: Yep.

Girl Jordan: Me and Layla will go with you.

Layla: Yeah and it will be awesome.

Nico: Olay.

Leeli: Wherever Girl Jordan goes, I will go too.

Nico: Fair enough.

They went into the simulator and Nicole activated it and they were at GATEWAY GALAXY!

Nico: We're here guys.

Girl Jordan: Awesome!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this one is where you guys are going for the Red Star that gave Mario the power to fly.

Nico: That's right.

Nicole: Well the best tip I can give you guys it to collect all the purple coins and bash all the enemies there.

Nico: Okay.

Layla: Like those Goombas?!

Nicole: Exactly.

Girl Jordan: Time to kick some goomba butt!

Leeli: Yeah!

?: Let me help with them!

ZOOM ZOOM ZOOM ZOOM!

A figure zoomed fast and bashed many goombas. Then it stopped and it was a girl with red hair, blue eyes and had purple clothes and she had a tiara with the symbol of the Turborangers from 1989 on her head and the same symbol was on her skirt.

Tina Turbo: Tina Turbo, Embodiment of the Turborangers from 1989 at your service.

Nico: Awesome to meet you Tina.

Leeli: Wow you sure are fast.

Tina Turbo: I get that a lot.

Nico: Tell us more about yourself later when we finish up.

Tina Turbo: Okay.

Nico: (gets out Cheshire and Shiva's Ridewatches) Time to test out my martial arts skills!

Nico activated them and punched and kicked numerous Goomba's all over the place.

He was bashing their faces in.

Girl Jordan: Lets smash them all.

Leeli: Yeah!

Girl Jordan and Leeli blasted the Goombas with water. Same with Layla.

Nico: YEAH!

Nico found some purple coins.

Same with the group and then they found all 100 of them and then the red star appeared!

Nico: There it is!

Layla: We'll get it!

Leeli, Layla and Girl Jordan went and got it!

YOU GOT A RED STAR!

Tina Turbo: That was so fun!

Nico: Yeah!

They high five!

Girl Jordan: Tell us more about yourself.

Tina Turbo: Sure. I'm a Collector Car Restoration Specialist. I restore cars from junkyards and make them new again and it's really fun. I sell my cars worth millions on auto auctions and it's good money.

Nico: That is cool.

Tina Turbo: It sure is.

Nico: Would you like to join the team?

Tina Turbo: I would be honored.

They came back and we cheered wildly.

SpongeBob: Squidward, have you seen my bubbles?

Squidward: The mascots are using them for a Rock, Paper, Scissors tournament since they don't have hands.

SpongeBob: Ooh! I got to see this.

SpongeBob saw them.

Poromon: Ready guys? 1…

Poliwag: 2…

Mascots: 3!

They blew and Poromon got rock and Poliwag, Manaphy and Horsea got scissors.

Poromon: Rock smashes scissors guys.

The Rock bubble smashes the scissors.

They laughed.

SpongeBob: (LAUGHS) Hey that was great guys.

Manaphy: Thanks SpongeBob. Your bubbles are fun.

SpongeBob: Yeah they sure are.

Nico: What are you guys doing now?

Poliwag: Having a Rock, Paper, Scissors tournament by using SpongeBob's bubbles.

Horsea: Since we don't have any hands it was the best way to do so with them.

Nico: No harm done in that. That is cool.

Poliwag: It sure is.

Maria: Who's winning?

Poromon: Me so far.

Manaphy: Another round?

Poromon: Lets go.

They were playing many rounds and They were tied at 5 rounds each.

Nico: Boy thar is awesome guys!

Poromon: Yeah we're tied at 5 rounds for each of us.

Manaphy: Lets have 1 last round.

Poromon: Okay.

Poliwag: Let's do it!

They dipped their wands.

Poromon: Ready? 1…

Poliwag: 2…

Mascots: 3!

They blew and Poromon, Poliwag and Horsea got Rock and Manaphy got Paper.

Manaphy: Paper covers rocks! I win!

We cheered.

May: Awesome job Manaphy!

Manaphy: Thank you!

SpongeBob: (LAUGHS) That was awesome.

Nico: It sure was.

Then we saw a blue laser beam fire.

Me: Whoa look at that.

We saw lasers fire and they smelled really good? What the?

The lasers were being fired from a new satellite we never saw before.

Flash Nan: Nico, since you met my Gene Slammer, which Gene Slammer of my fellow Robot Masters do you think you'll meet next?

Nico: Spark Man next.

Me: The robots of Mega Man 3 next. Nice.

Qin: Yeah.

Another laser fired.

Me: Whoa! What is that laser?

Nico: So you're basically naked?

Nico: I don't know. But we're gonna find out.

We went down to the surface and followed the laser fire.

We then saw the laser fire one final blast. And then it stopped.

Me: Odd.

We looked around.

?: Psst.

Me: Huh?

Nico: What's that?

?: Guys over here.

We saw a pair of eyes and glasses in the bushes.

Me: Dexter? Is that you?

Nico: Dexter, what are you doing?

Dexter: My clothes have been vaporized! It was because of a new laser I made to eliminate stains from my clothes but something went wrong and it made my clothes evaporate.

Xenia: Oh man.

Lisa Loud: I'll go take a look at what is wrong with it.

Lisa flew up to it.

Dexter: No I'm wearing a frilly dress. Of course I'm naked!

Laney: Oh boy.

Nicole: Oh boy.

Me: Lets get you back to the estate and get you fitted for new clothes.

Nico: We need to make sure you're not seen like this!

Nicole: I got ya covered.

Nicole formed a ball of darkness around Dexter and we went back to the estate.

We got inside and Lisa came in.

LIsa: I appear to have found the problem. It appears that there was an unintended collision, albeit a minor one with the satellite Dexter built and the International Space Station and it activated the Stain Removal Intensifier to maximum power and it was responsible for the evaporation of all of Dexter's garments.

Nico: Geez!

Dexter: That explains why my clothes all vanished.

Nico: Is it fixed now?

Lisa Loud: Affirmative. I deactivated the Stain Removal Intensifier and it's back to the normal settings that Dexter had it at before.

Nico: Great.

Dexter: Oh thank you Lisa my darling genius.

Lisa Loud: Anytime Dexter.

We got Dexter to his room and he got his clothes on.

Dexter was clean and his satellite was fixed. We enjoyed the rest of the day and went to sleep.

---

At breakfast I was eating pancakes, steak, sausages, eggs, bacon, ham and homefries.

Me: Mmm! (Eating sausages)

I was reading the paper.

Me: Hmm. (Reading) "Mysterious bounty hunting group arrests and banishes 45 Queen Bee Mean Girls in New York City. Parents now glad their so-called daughters are forgotten." Wow. Whoever they are, they are really taking down Queen Bee Girls like no problem.

Nico: They are sure doing a good hunting them and making sure they pay for their crimes.

Me: Yep.

Later Davis Motomiya woke up.

Davis: Ahh. I had an awesome dream about a planet of soba noodles.

Veemon: That is awesome Davis.

Davis felt something under his pillow and he pulled out a bottle of beer!

But it wasn't just him. Yolei, Cody, T.K., Kari and Ken had one too!

Davis, Yolei, Cody, T.K., Kari and Ken: POROMON!

POROMON THE BEER FAIRY STRIKES AGAIN!

We laughed!

Me: Poromon the Beer Fairy strikes again.

Nico: He sure did.

They joined us later.

Poromon: Did you enjoy your beer bottles?

Yolei: Poromon we're kids and we can't drink beer yet.

Cody: Yeah Poromon.

Kari: I like the gesture Poromon but we are too young for beer.

Poromon: Oh thank you though.

Poliwag gave the Puppy Dog eyes.

Nico: Poliwag that's enough.

Poliwag: Aw man.

Poromon: (to Hawkmon) What about you, my evolved form, would you like some beer?

Hawkmon: Oh no thank you. I don't drink beer sorry.

Poliwag gave the puppy dog eyes to him.

Hawkmon: You know that doesn't work on me.

Nico: Poliwag that's enough of that. It was a nice try though.

Poliwag: Drat.

Marinette and friends as well as the Cutie Mark Crusaders were with us as well as Sonnya Polumesyats.

Me: Boy it sure feels awesome to be back in Paris.

Xenia: It looks much more amazing than ever now that everyone will never have to worry about that monster Lila Rossi again.

Camie: Thank goodness.

We saw a woman talking to her child about Lila and how it's not allowed to be said.

Woman: (Speaking in French) Vous n'êtes jamais autorisé à dire le nom de l'un des citoyens les plus détestés et les plus détestés de France à côté d'Adolf Hitler et ce nom est Lila Rossi. Elle était le pur mal incarné. (You are never allowed to say the name of one of France's most hated and most loathed citizens next to Adolf Hitler and that name is Lila Rossi. She was pure evil incarnate.)

Me: Whoa looks like Lila's name is never allowed to be mentioned ever again.

Nico: It's just as bad as Hitler's name.

Me: Yeah she may not have been as bad as Hitler but she was going to be right up there.

Lola: Yep.

Marinette: It's good to be back home though.

Xenia: Yeah I can tell you were feeling homesick.

Chloe Bourgeois: I wonder how dad and Mrs. Cheng have been doing.

Me: We'll find out soon.

Aerrow: But it's awesome to be in Paris.

Nico: Aerrow, I want to thank you, Vortex, and your teams for coming.

Aerrow: No problem Nico. This is gonna be so fun.

Olivia Echmeneff: This sure will be fun and cool.

Nico: Olivia, do you remember when you first met Lincoln?

Olivia Echmeneff: I sure do and it was in science class. We were working on tornado projects.

Lola: That was awesome.

Olivia Echmeneff: Yes it was and it was fun learning about them.

Xenia: That is so cool.

Lana: Yep.

Lincoln: It sure was fun and cool.

Nico: And now, you're part of Lincoln's harem.

Olivia Echmeneff: I sure am and it's awesome.

Nico: Yep.

Qin: Yeah it sure is cool.

Nico: Yep. I'm glad Dexter is okay.

Lisa Loud: I am too. That new satellite he made is really an amazing stroke of genius.

Me: It sure is. A laser stain removing satellite system is a great idea. Hands free washing in satellite form.

Nico: I agree there.

Maria: Aside from yesterday's disaster.

Me: That was all an accident Maria. The International Space Station collided with it by mistake and triggered the Stain Removal Intensifier and it caused Dexter's clothes to evaporate.

Lisa Loud: I found out why too. Because the pilots of that station were asleep at the helm and weren't looking where they were going.

Xenia: Oops.

Camie: Not good.

Lisa Loud: Yes it was not good.

Nico: (to Lisa) I bet you liked seeing Dexter naked.

Lisa Loud: Nico I would prefer if your silly and humorous nature does not get me thrashed and pulverized by one Nicole Knudson.

Nico: Sorry.

Lisa Loud: But to answer your question I did not see anything.

Nico: At least it wasn't in school.

Lisa Loud: That is indeed true.

Nico: Yep.

Eli: Thank goodness it didn't happen.

Nico: Yep.

We continued walking through the streets of Paris.

Nico: So far, everything's peaceful.

Me: Yep.

But then…

POW BLAM WHAM BAP BASH THWHAP!

We heard sounds of intense fighting coming from an evil biker bar and we went in and saw all the bikers and bad employees beaten up to within an inch of their lives! Every single bone in their bodies were broken and they were killed and more.

We gasped!

Me: Good god! These guys all have thrashed senselessly!

Nico: What happened here?

Me: These guys all have been viciously beaten up bad.

Marinette: Who would do this?

Laney: Someone with a MASSIVELY powerful Punisher-esque Hatred towards all bad guys.

Eli: Yeah.

Nico: What happened here?

Me: These guys all have been viciously beaten up bad.

Marinette: Who would do this?

Laney: Someone with a MASSIVELY powerful Punisher-esque Hatred towards all bad guys.

Eli: Yeah.

We went over to them and saw that they were ALL SAVAGELY KILLED.

Me: These guys are all dead!

Eli: This is a bloodbath!

Then MORE FIGHTING WAS HEARD! It was coming from a warehouse.

We went over and saw NUMEROUS drug gang members and even members of the Italian Mafia all beaten to death!

Me: Oh man! I was after these guys for years. They are all dead!

Nico: Holy crap!

Me: Wait look!

We saw a calling card and it was a Ladybug with a Crown on it.

Me: Strange calling card. Better get ready! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

We heard a gasp behind us and saw a second Marinette there!

Nico: Wait? Marinette?!

Me: What the!? 2 Marinette's!?

Marinette 2: How could you guys do this? Forgetting me on a rescue and bringing along this imposter?!

Marinette 1: Don't listen to her, guys!. Remember: I am Judgement and Heaven is Nigh.

Marinette 2: Guys, no! Don't listen to her. I'm the real Marinette

Marinette 1: [runs towards Marinette 2] Don't listen to her. She's obviously a clone.

Marinette 2: Well, if I was a clone, which I'm not, at least I'm a perfect one. Not some ugly faker!

Marinette 1: Who are you calling ugly, you-?!

Lily: QUIIIIIIETTTTTT!

Lily was armed with a strawberry syrup gun!

Lily: Until I know who the real Marinette is, NOBODY MOVES AND NOBODY GETS HURT!

Both Marinette's: STRAWBERRY SYRUP!

The Zenkaigers got out their Geartlingers.

Juran: Everyone, stop! Until we can figure out which is the real Marinette, no one move. No one gets hurt.

Lily: I said that already.

Eli: Guys, I think I can-.

Juran: Eli, we're handling this right now!

Eli grumbled.

Me: Guys! Let Eli talk and do his job.

Eli: Thanks bro.

Eli used the Force and saw a butterfly of darkness in Marinette 2!

Eli: There!

He pointed to Marinette 2!

Lily fired a wave of Strawberry Syrup and drenched her and knocked her down.

Marinette: Nice one!

Marinette 2 was enveloped in a vortex of darkness and then she turned into a new Akuma. She turned into PRINCESS JUSTICE!

We gasped!

Me: Who in the 9 Fucking Levels of Hell are you!?

Princess Justice: I am the Cantankerous Creator of Crazy Carnage, The Destroyer of Demonic Darkness, The Eviscerator of Evil! I am Princess Justice, Punisher of The Devil! Like my work in killing these guys?

Me: Just because I was after them for years doesn't mean you had to kill them. But thanks for killing some of them for me.

Princess Justice: Where did you even get the strawberry syrup?!

Lily: Oh this? I had a similar situation happen to me in my family's restaurant and I made a Strawberry Syrup blaster and I used it to bring down a robot version of my dad that was made by that mutant cheapskate Flip.

Olivia Echmeneff: SAY WHAT!?

Anna Anyanova: That motherfucking mutant cheapskate!

Me: I remember that day.

Lola: Me too! That was nuts.

Princess Justice: Just because you've figured me out doesn't mean this is over!

Me: Oh it's going to be.

I snapped my fingers and we were on the planet Glaren!

Me: Time for the wolf to strike! RELEASE THE WOLF! (HOWLS)

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

A MASSIVE VORTEX OF BLUE FIRE BLASTED OUT AROUND ME AND I WAS READY FOR SOME ACTION!

Princess Justice: Bring it on!

Me: Gladly.

I went at Princess Justice fast and fired waves of blue fire and blasted her all over with the power of the wolf pack!

Nico: How did you even become this?!

Princess Justice: I was angry because people were mentioning that some criminals were loving Lila Rossi and I gave into anger and Hawk Moth turned me into Princess Justice. I made it my mission to kill all criminals that worship Lila Rossi.

Me: Lila Rossi was a total bitch and a heartless and evil monster. She got what she deserved. I agree there that anyone that is loving a monster like her is wrong on so many levels but that gives you no right to kill them like wild animals!

Nico: Yeah! Sure they were bad but this is going overboard!

Princess Justice: Normally I would agree with you but they deserved it just like she did! I will punish anyone that follows that monster!

Princess Justice was blasted all over the place by the Cutie Mark Crusaders.

Apple Bloom: Take that!

Sweetie Belle: There's only room on this planet for one Punisher Villain and that's Punisher!

Scootaloo: Yeah you got that right!

Princess Justice: By the way I heard you 3 were the ones that killed Lila.

Apple Bloom: You got that right!

Scootaloo: We blasted her chest open…

Sweetie Belle: And blasted her entire head off!

Princess Justice: I see. You 3 have my thanks for destroying her.

Marinette: And do you know the funny part? I told her that I may have destroyed her spirit. But I never got to kill her physically.

Princess Justice: I am glad that she is gone yes. But I will still bring down anyone that follows her.

Me: You should be indebted to both the Cutie Mark Crusaders and to your non-akuma self for destroying her. Marinette banished her spirit to the Black Gates and the Cutie Mark Crusaders killed her on the physical plane.

Princess Justice: So I have heard. That was a very well done mission and I am proud of you guys for that.

Apple Bloom: That was a fun mission for us.

Nico: And she had Chameleon pose as her Volpina self.

Princess Justice: I saw that and heard all about that that.

Me: Yeah that was still a fun battle for us.

Nico: Yep.

Me: But time for things to get serious.

I fired waves of energy and blue fire and blasted her all over.

Nico: YEAH!

Suddenly, the colored eyes of Sonnya Polumesyats, Fu the Seven-Tails Jinchuriki, Night Glider, and Melon Mint turned neon, and they were surrounded by colored energy auras with stars, elemental forces, animals, magic, phoenixes, angels, and Alicorns, they unholstered their massive greatswords, and as they approached Princess Justice, they left colored energy, stars, elemental forces, magic, animals, phoenixes, angels, and Alicorns with every step.

Suddenly, Melon Mint's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

Melon Mint has transformed into SUPER ANGEL-SOCCER STAR WATERMELON LOVE ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERAL ETERNAL CELESTIAL XELNAGA COSMIC STARSTORM MAGIC FRIENDSHIP SOCCER STAR WATERMELON LOVE ALICORN PRINCESS ANGEL OF DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP SOCCER STAR WATERMELON ALICORN PRINCESS ANGEL JUSTICE AND DIVINE COSMIC STARSTORM MAGIC FRIENDSHIP SOCCER STAR WATERMELON ALICORN PRINCESS ANGEL LOVE!

We were amazed by the transformations of Sonnya Polumesyats, Fu, Night Glider, and Melon Mint, but when Princess Justice saw it, she was about to attack them, but Sonnya Polumesyats, Fu, Night Glider, and Melon Mint fired massive barrages of colored energy, stars, elemental forces, animals, magic, and Alicorns at her and they exploded as they hit her, and this made her even angrier.

Fu: (Divine Echoing Godly Voice of The Seven-Tailed Beast Electric Thunderstorm Beetle Phoenix Angel and Divine Seven-Tailed Beast Electric Thunderstorm Beetle Phoenix Angel Love) Looks like we've got no choice but to resort to violent force to fight her.

Lincoln: Yep, it's the only thing that can stop her.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Sonnya Polumesyats, Fu, Night Glider, and Melon Mint, and so did we as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Sorry, Princess Justice, but we've got to stop you before you resort to hurting someone else again.

Lincoln, Sonnya Polumesyats, Fu, Night Glider, and Melon Mint went after Princess Justice, and they fired extremely powerful blasts of rainbow energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Princess Justice and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Sonnya Polumesyats, Fu, Night Glider, and Melon Mint attacked her with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Princess Justice crazy.

Princess Justice was about to run at us again, but suddenly, we saw a 7'9" tall female with the body of a goddess and she's wearing a black symbiote bodysuit with lavender light covering her body and it had the Spider emblem on its chest and stomach and her head and face was covered in the black goo and the only thing were its white eyes similar to Ultimate Spiderman, and she fired Symbiote goo at her wrists and ankles and bound them together.

Me: Nice one.

Nico: Now, all that's left is for Lincoln to web her up in gold spider silk.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yep. (Sees the lavender light) Wait, the lavender color on the symbiote suit, there's only one person who has lavender as her favorite color, isn't that right, Lily Loud?

Suddenly, the symbiote mask peeled itself off and it revealed her face: it was Lily Loud, but she had longer blonde hair, neon lavender eyes, fangs, and she looked like she was 21 years old.

Black-Suited Lily: Yep, and our Lincoln had already told you all about us, right?

Me: He did, and he already merged with Lincoln.

Black-Suited Lily: I knew he would.

Lily: What the? Is that… me?

Black-Suited Lily: That's right, and my world's Lincoln already explained the whole story to everyone and you know why I'm here.

Lily: Yes, I am.

Black-Suited Lily turned formed a massive black Symbiote web which latched onto Lily's stomach, and Lily began absorbing Black-Suited Lily into her body, and then, Lily's rainbow energy aura and rainbow protective aura had flared up extremely as Black-Suited Lily began merging with Lily and Lily gained all of her Black-Suited self's powers and abilities along with knowledge. Then, Lily's rainbow energy aura settled.

Me: Is it over?

Lily: It is.

Black-Suited Lily: (Speaking through Lily's emblazoned Rainbow Owl, Mermaid, Angel, and Phoenix and Third Eye) Yes, we've settled in perfectly.

Lily concentrated and immediately, her body was covered in a black Symbiote suit with lavender light reflecting off it and it had the spider emblem on it, and then, her symbiote suit went back into her body.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to deal with Princess Justice.

Lincoln fired gold spider silk webbing and tied Princess Justice up in golden spider silk threads. We cheered as Lincoln, Sonnya Polumesyats, Fu, Night Glider, and Melon Mint holstered their weapons and powered down, and Sonnya Polumesyats, Fu, Night Glider, and Melon Mint' new bodies, clothes, weapons, gold halo, weapons, jewelry, Third Eye, massive and longer pony and eleven black wolf tails, Chomei's tails, colored horns, and massive colored angel wings are permanent.

Eli: We did it, we defeated Princess Justice and stopped her from going after another group of thugs.

Suddenly, Night Glider wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Night Glider's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Night Glider sucked in and absorbed the elemental forces.

Night Glider: That was one rough fight, but we did it.

Lincoln: Yeah, we defeated Princess Justice.

Marinette: And you tied her up in golden spider silk. But, better be careful, who knows what kind of greedy slob may come after that silk.

Anna Anyanova: Actually, Lincoln's been killing those kinds of greedy slobs A.K.A. Flip's musclebound thugs, and they're that obsessed with greed, it made them easy prey for him to feed on.

Nico: Damn.

Me: And at the same time, he's been pissing off that mutant, Flip.

Lincoln: It's like he's got an extremely massive army of musclebound thugs, but all the more for me to kill and feed on.

Lucy Loud: We've gotten used to seeing the side of your mouth dripping with blood every time you'd finished your feeding frenzies.

Lily: Along with you drinking blood from the blood bank, Lucy.

Luna: We started out with getting you two ice cold blood bags from the blood bank, and now, you wind up getting fresh blood from criminals and thugs. (Smirks) Or in your case, bro, marking your future wives to keep any perverts and give our resident morons, Flip, Lewis Travolta, and Bradley a warning: if they get anywhere near your wives, you'll end them.

Lincoln's face turned red with embarrassment.

Me: And from the looks of it, if Flip goes way too far one more time, he's going to die and get sent to The Black Gates forever.

Nico: We'll be waiting for that day to come.

Mw: Yep.

Nico: I really am sorry.

Princess Justice: It's not your fault Nico. Besides it was fun battling you guys and you Sonnya. Maybe we can be archenemies in the M.O.E.

Sonnya Polumesyats: I would like that very much. Apus the Bird of Paradise VS Vigilante Ladybug. Has a nice ring to it don't you think?

Princess Justice: It sure does.

Qin: That is really cool.

Nico: How does Bridgette Dupain Cheng sound for your civilian name?

Princess Justice: That fits perfectly for me.

Marinette: It's like I have a twin sister now.

Princess Justice: (Giggles) It sure does feel like it!

Nico: You can de-transform now.

She did so and she looked like a red hair version of Marinette and had blue and pink clothes.

Nico: Awesome.

Xenia: Yeah.

Marinette: That was awesome.

Me: It sure was.

Camie: I thought it was too. But that was amazing that Princess Justice ripped apart all those criminals just because they viewed Lila as royalty.

Nico: No shit.

Me: By the way Bridgette I hope you are all right with us having an X-Squad version of Lila with us? Our teammate Drakus recruited her. Long story and the M.O.E. Have a clone of Volpina with them.

Bridgette Cheng: I am cool with. As long as it's not the real thing.

Me: Good and the real thing was given the black gates. No need to worry about that.

Vice: Me, Ikki, and our team were in the area when she got her just desserts.

Me: It's true.

Bridgette Cheng: That is cool.

Me: Yep.

Eli: Awesome.

Nico: Yep. Now for the main business.

Eli: And this is perfect for the Ronin Warriors. We have Another Zeru, Rishu, Thundermon, Airdramon, MegaSeadramon, LadyDevimon, Cerberusmon, Flymon, Ookuwamon, Phantomon, Teen Tornado and Vortex.

We gasped!

Me: WHOA! All the Ronin Warriors then for that one.

Lola: Yeah!

Maria: This is gonna be brutal.

Maria called them in.

Ryo: Hey guys.

Lola: Glad you all can make it.

Sage: So, there's a second Another Thundermon?

Nico: Looks like it. But this one is not going to have a Ridewatch.

Lola: Yeah.

Eli: And I sense that the Anothers minus Another Vortex are all one person.

Me: Wow! This will be good.

Nico: There they are!

We saw them and they were Another Zeru, Rishu, Thundermon, Airdramon, MegaSeadramon, LadyDevimon, Cerberusmon, Flymon, Ookuwamon, Phantomon and Teen Tornado!

Nico: WHOA! This is gonna be brutal.

Lola: Yep.

Another Zeru: (In a girls voice) But it will be fun and cool.

Me: (GASP) That voice!

They merged and she reverted back and it was a girl with aqua blue hair and blue eyes and had aqua green and blue clothes and she had Aqua Green Angel wings and had a tiara with the symbol of the Coelacanth Dopant on it and she had the same symbol on her skirt and she had green bladed sword glowing with an orange aura.

Me: (GASP) Calico Coelacanth!

Nico: Cool! The Embodiment of the Coelacanth Dopant.

Calico Coelacanth: That's right and I am not just the Embodiment of the Coelacanth Dopant but I have actually been around ever since 409 million years ago and I have the power to summon all kinds of creatures from the Devonian Period to today.

All of us: WOW!

Laney: That is incredible that you lived that long.

Nicole: It sure is! And the Coelacanth is one of Nature's most amazing survivors. They were around since 409 million years ago and they have been around practically as long as sharks.

Nico: Yeah.

Calico Coelacanth: That's right. It's awesome.

Me: It sure is.

Qin: Yeah.

Me: By the way is the Another Vortex friendly or hostile?

Calico Coelacanth: Friendly and she is a really strong and powerful one.

Me: Awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

She glowed and was separated from the anothers.

Me: Lets dance!

Ryo: Care to start us off J.D.?

Me: Like you even have to ask. (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I swung my sword and fired a massive and incredibly powerful vortex of searing fire and light!

Ryo: (ECHOING) FLARE UP NOW! 双炎斬

He had his swords glow and he swung them and fired a massive wall of white hot fire!

Kento: (ECHOING) IRON ROCK CRUSHER! 岩鉄砕

He swung his spear and smashed the ground and sent a massive wave of rocks.

Sage: (ECHOING) THUNDERBOLT CUT! 雷光斬

He fired a massive shower of lightning and light from his sword.

Cye: (ECHOING) SUPER WAVE SMASHER! 超流破

He fired a massive wave of water and energy!

Rowen: (ECHOING) ARROW SHOCKWAVE! 真空波

He fired a massive energy blast arrow of Wind!

Anubis: (ECHOING) QUAKE WITH FEAR! 紅雷閃

He fired a massive blast of red lightning that split and formed into numerous chains!

Cale: (ECHOING) BLACK LIGHTNING SLASH! 暗黒跳飛斬り

He fired a massive blast of black lightning and lasers!

Dais: (ECHOING) WEB OF DECEPTION! 投蜘網!

He fired his Kamas and they formed into deadly webs of illusion!

Sekhmet: (ECHOING) SNAKE FANG STRIKE! 蛇牙剣・六節大蛇

He formed his swords into a whip and lashed at the Anothers!

Lady Kayura: (ECHOING) STAR STORM SCREAM! 嵐星斬

She fired a massive shower of purple lightning from the sky!

The blasts all hit the Anothers and then obliterated them in a massive and incredibly powerful fiery explosion of incredible power!

EXTREMELY AND INCREDIBLY UNBELIEVABLE FIERY EXPLOSION!

They were destroyed and I caught the Wonder Ride Books!

Me: OH YEAH!

Nico: That was epic!

Me: Yep! Now for the Another Vortex.

Maria: Time for backup! (TURNS DIAL) WONDERLAND CAT 6!

She summoned Cheshire, Gypsy Moth, Universe 666 Calibur, Baraka, Hobgoblin and Goludora!

Nico: Oh yeah!

But then…

---

We saw lightning striking incredibly high into the sky from the ground.

Me: Wow! Look at that!

Xenia: That is intense lightning!

Nico: Yeah!

Vortex: Wow that is awesome!

Nico: All we can do know is wait!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

The lightning was coming towards us!

Me: We don't have to wait long!

We saw Another Vortex!

Me: Whoa!

Nico: Awesome!

Another Vortex: Who is that good looking ghost?

Me: Another you.

Another Vortex: (In a girls voice) But this is gonna be awesome.

Me: (Gasp!) That voice!

She reverted back and it was a girl with black hair and purple eyes and she had purple wings surging with intense lightning and she had yellow and purple clothes and had a tiara with the symbol of the Thunder Dopant on it and the same symbol was on her skirt and she had intensely powerful lightning around her fingers!

Me: (GASP!) Talia Thunder!

Nico: Whoa she is powerful!

Talia Thunder: I sure am and it's awesome to see you again J.D.

Me: Same here. Talia is not just the Embodiment of the Thunder Dopant but she is also one of the strongest Weather Control Power users ever and her lightning is 500,000,000,000,000,000,000,000 times more powerful than anyone we know.

Lincoln: That is amazing!

Qin: WOW!

Vortex: Boy your weather powers are intensely strong! Just like mine.

Talia Thunder: I know. I get that all the time. I was given the moniker Talia Thunder - The Incarnation of Weather.

Kaito: (gets out Hurricanger gear) Did Swartz promise you anything?

Zocks: (gets out Gaoranger gear) Because we can grant it instead.

Kaito got a Ninja Storm Sword and Zocks got a Wild Force Sword.

Talia Thunder: No he didn't because I formed a powerful tornado in his lab and it was surging with intense lightning and I had it blow Swartz all over the place and blast his machine with intense lightning and sent him crashing through 9 buildings.

Sougo: JUMPING TIME STREAMS!

Nico: WOW!

Tsukuyomi: That is amazingly powerful!

Sakura Knudson: That explains why I saw 9 holes in the roof and through 8 buildings in Tokyo! Your power is amazingly strong and powerful!

Me: Boy Swartz really never stood a chance against you Talia. He should have known better than to mess with the power of the Embodiment of the Thunder Dopant especially when she has the powers of all the Gods of Weather combined into one.

Nico: Wow! That is incredible!

Talia Thunder: I know. Swartz never even knew my power was that strong.

Sougo (gets out Ninja Storm Ridewatch): This Ridewatch is perfect for this.

Geiz (gets out Wild Force Ridewatch): I'm just using this for backup.

Sougo got NinjaStormRedArmor while Geiz got WildForceRedArmor

Lincoln: Lets separate you first and then you can have some real fun.

Lincoln fired a wave of light and separated her.

Talia Thunder: Awesome! Now the fun starts.

THUNDERCLAP!

She fired a massive blast of lightning and electrocuted Another Vortex!

Nico: Time to fight weather with weather! (ACTIVATES VORTEX AND TEEN TORNADO'S RIDEWATCHES)

He fired a massive and powerful blast of lightning at Another Vortex and smashed him down!

May: Take this! (ACTIVATES SWEETCHEEKS AND VORTEX GEARGOLEM'S RIDEWATCHES)

She fired a massive blast of energy and lightning and smashed Another Vortex down.

Maria: Top this one! (ACTIVATES ESPER AND ANGRY CHICKEN WING'S RIDEWATCHES)

She fired a massive blast of energy and fire and blasted Another Vortex down.

Olivia Echmeneff: Top this one! (ACTIVATES TEEN TORNADO'S RIDEWATCH)

She fired a massive tornado and blew Another Vortex around and Talia fired a massive blast of lightning and electrocuted him.

Lola: That is powerful lightning!

Nico: Yeah!

Then Weather Wizard, Uchoten, Xu-Vazuu-Baa, Quadraxis, Phoenix and Dragon Lady came.

Nico: Nice team Weather Wizard!

Weather Wizard: Thanks Nico.

Me: This will be fun and cool.

?: It sure will.

Spark Man came!

Me: Whoa Spark Man!

Spark Man: (In a girls voice) This will be electrifying!

Nico: Katie Sparx! Wow!

Katie Sparx: Yep. I got this!

She fired a blast of lightning and blasted down Another Vortex and I caught the ridewatch and purified it.

Me: Oh yeah!

Nico: That was awesome!

Talia Thunder: Boy that was really electrifying.

Xenia: Yep.

Katie Sparx: It sure was. Oh guys just so you know I'm naked.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: Just so you know this is gonna hurt.

Katie Sparx: I know. I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and then she threw up and fired a massive blast of lightning and it hit Maria and electrocuted her!

Maria screamed as she got zapped!

Katie reverted back and she was a girl with purple hair and yellow eyes and had yellow angel wings and she had a symbol for sparks in the middle of her forehead.

Katie Sparx: (GROANS) That really hurt. (GASP) Oh my god Maria I'm sorry I didn't see you.

Maria: I'm okay!

Me: To quote Ed, "Zappity Zap Zap!"

We laughed!

Katie Sparx: (LAUGHS) That's funny. (Sees herself) BUT IT'S NOT FUNNY SEEING ME NAKED! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The Fashion Brigade gave her awesome new purple clothes and she looked amazing.

Katie Sparx: Boy this is awesome! Perfect for the storm.

Me: Yeah it sure does.

Nico: Yep.

Olivia Echmeneff: What's your favorite memory of Nico?

Katie Sparx: When me and Nico were in science class and I showed my awesome new Thunderstorm Weather Simulator and it was cool.

Nico: That was fun to see.

Me: Awesome.

Qin: Yeah that was cool.

Nico and Katie hugged.

Nico: I've missed you Katie.

Katie Sparx: Me too Nico.

We later went back home.

Nico: I still can't believe that Bi-Han pulled one right over our noses, he opened that portal inside The Book of Vile Darkness, and he, Skarlet, Reiko, Rain, Motaro, Sektor, Shinnok, Kronika, and

Kollector were able to escape!

Me: He was dangerous in life, and even more so in death.

Nicole: Right. But, this time, we'll make him ever regret trying to cross us, his desire for death and destruction will end here, and he'll be back to being a prisoner in The Book of Vile Darkness.

Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: That's right, we're immortal and invincible, but you, you may be immortal but you still can be killed. You're heading right back into The Book of Vile Darkness, and you're getting a much stronger curse put on the both of you along with a much stronger seal to keep you both there!

Then, Lincoln fired a blast of shadows which hits Bi-Han and Lincoln drained him of all his power over the shadows and darkness and killed him with a purple energy blast, and then, we sealed his spirit right back into The Book of Vile Darkness again, but this time, he had a stronger seal put on him to keep him from escaping and his shadow powers were also gone, and he now has Lincoln's Whispering Wraith's Vengeance Curse on him that'll kill him when we truly face him in the future. We cheered as we holstered our weapons and powered down.

Lincoln: Next time when we face you all for real, you'll know what pain truly is. (To Yuriko Urameshi) And it's so good to see you again, Yuriko Urameshi.

Yuriko Urameshi: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Yuriko Urameshi and he hugged her, and Yuriko Urameshi is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Yuriko Urameshi: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Yuriko Urameshi, Gene-Slammer of Onyx Prime and Embodiment of Yu Yu Hakusho, she's my Guardian Angel from Japan and classmate in English. She's also the twin sister of Yusuke Urameshi, and she knew of her brother's adventures in The Spirit and Demon World. She and I would train in martial arts, and during their training, I kissed Yuriko on the lips, and like some of my other Guardian Angels, she hates Bradley Uppercrust III with a passion, and she's also going to reveal a terrible revelation about Brad that was so bad, her brother is literally going to go after him and kick his ass so hard, he won't be able to sit down for an entire year, and Max is also going to send Brad to The Malevolent Insanity World, or even worse, expose him to the horrors of The Dark Dimension.

We gasped.

Nico: I can already guess that dumbass prick did something so horrible, it's bound to warrant a very severe asskicking from her brother and from the very person who brought him down.

Me: Big time.

Lincoln: What we're going to hear from Yuriko will no doubt warrant a severe butt-kicking from both Max Goof and Yusuke, and now that you're here, Yuriko.

Lincoln went up to and hugged Yuriko Urameshi in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Yuriko Urameshi: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Yuriko Urameshi's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal

Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Yuriko Urameshi: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Yuriko Urameshi.

Yuriko Urameshi had a smile on her face and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls and the boy who's with the girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Gloria Hayes, Roxie Sparks, Rose Zhao, Viola Pemberton, and Penelope Sage from Criminal Case and the boy with Gloria Hayes is her son, Carter Hayes, and Yaiko Galaxia and Elle Vulcania.

Lincoln: Oh wow, it's Gloria Hayes, Roxie Sparks, Rose Zhao, Viola Pemberton, and Penelope Sage from Criminal Case, and Yaiko Galaxia and Elle Vulcania.

Nicole: Whoa, awesome, and the boy with Gloria Hayes is her son, Carter Hayes. Thank goodness Yuriko saved them from that asshole.

Lincoln: You said it. Are you all okay?

Gloria Hayes: Yes, we're okay, thanks to you.

Then, when Gloria Hayes and the six girls saw who it was that saved them from Bi-Han, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Gloria Hayes: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Roxie Sparks: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Gloria Hayes, Roxie Sparks, Rose Zhao, Viola Pemberton, Penelope Sage, Yaiko Galaxia, and Elle Vulcania with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Bi-Han.

But, when Lincoln showed what we did in beating that shadow wraith down and Lincoln sucking out his powers and killed him and sealed him back into The Book of Vile Darkness again this time with a stronger seal and Lincoln's Whispering Wraith's Vengeance Curse on him which'll kill him when we truly face him in the future, everyone cheered for us and hugged us and Lincoln's harem kissed him on the face and lips which he returned, Lincoln and Yuriko Urameshi have a lot of catching up to do, now that she's back in town, and Carter Hayes is now part of Lincoln's family as his son.

Maria: That'll teach that wraith never to fuck with us ever again!

Lincoln: Wait until the day comes to truly face him, then, he'll pay for everything he's done.

Nico: And it won't end well for him nor for the others.

Selene Laverna: Skarlet, Reiko, Rain, Motaro, Sektor, Kollector, Shinnok, Kronika, and Mileena will pay for everything they've done, and no mercy will ever be shown to them at all.

Ayuna Persephone: None of them are ever welcome in this world or the next, they deserve to suffer the same fate as Shao Kahn, Quan Chi, and Shang Tsung: wiped from existence forever and banished to The Black Gates forever.

---

After destroying Bi-Han once again and sealing him back into The Book of Vile Darkness with a much stronger seal and The Whispering Wraith's Vengeance Curse on him, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Yuriko Urameshi saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Yuriko Urameshi: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yuriko, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Yuriko Urameshi: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Yuriko Urameshi: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Yuriko, what's the story on what Brad did that was so horrible, it got you that pissed off?

Yuriko Urameshi: I'll gladly show you.

Yuriko Urameshi put up a video on the big screen and the video then showed Lincoln and Yuriko Urameshi along with the rest of his Guardian Angels and harem at a swimming pool and they were having fun, but their fun was about to be rudely interrupted. Suddenly, a knife was thrown that slashed off Yuriko's bikini and she screamed as she covered herself and dove into the pool.

Past Lincoln: Yuriko, what happened?!

Lincoln saw her slashed off bikini and the knife, and as he put two and two together, he knew who it was that was behind it, and his eyes turned from deep sapphire blue to blood red, his fangs grew longer and his claws grew sharper.

Past Lincoln: (ANIMALISTIC ROAR) BRAD!

Lincoln ran with incredible superhuman speed and forced out Bradley Uppercrust III and Lincoln then proceeded to slash at Brad with his razor sharp claws tearing his sweater and leaving claw marks on his chest and drawing blood, and it got really ugly as

Lincoln tore him apart, and when Lincoln was done, Brad was literally beaten up, mangled, and ferociously clawed at with claw marks on his body and his clothes have tears on them.

Past Yuriko Urameshi: THAT'S THE FUCKER WHO DID THAT TO ME!? IF I HAD ON A SPARE CHANGE OF CLOTHES, I'D COME UP THERE RIGHT NOW AND KICK YOUR ASS SO HARD, YOU'LL BE SHITTING OUT BLOOD!

Past Nicholette Torrington: You're such a fucking lowlife, Brad. Lincoln, kick his ass right back to Max's college, we'll let Max and his friends deal with him!

Lincoln kicked Brad so hard, he was sent flying right back to Max's college, and he was greeted by the glares of Max and his friends who got the message from Lincoln, and they proceeded to pulverize him into the dirt as the video ended.

We were extremely pissed off to no end!

Me: THAT GOOD-FOR-NOTHING ASSHOLE!

Nico: THIS IS INEXCUSABLE! HOW DARE HE DO THAT TO ONE OF LINCOLN'S GUARDIAN ANGELS?!

But, out of all of us, none were as angered as Yusuke and Max Goof, who remembered that incident all too well.

Yusuke: That… goddamn… prick did this to my little sister, so THAT WAY HE CAN HUMILIATE HER!? I'M KICKING HIS ASS SO HARD, HE'LL BE BEGGING FOR DEATH TO TAKE HIM!

Max Goof: Save seconds for me, Yusuke. After seeing that video, that incident came right back to me in full force!

Yusuke and Max Goof flew out to Lynn's Table, and they kicked open Brad's cell. Then, Max grabbed Brad by the collar of his shirt and dragged him out and he was chained back to his post, and he was greeted by the glaring rage of Yusuke who literally turned into his Mazoku form and Max who had unholstered his massive Keyblade and transformed, and then… !

POW! WHAM! WHACK! SLAP! CHOMP! SLASH!

They proceeded to unleash pure Hell on Brad by punching, kicking, and slashing at Brad all over the place and the vicious beating resulted in tons of gold, jewels, gems, and currencies exploding out of him, and we saw it all through a one-way window Lincoln made.

Nico: Damn, I knew Max gave Brad a ton of vicious beatings before, but now that Yusuke's involved, now that prick's in for Hell times infinity.

Lincoln: He messed with Yusuke's sister, and by doing that, he basically got himself a death sentence because of it.

Me: Jeez.

Max Goof: I think you need a far worse place to experience eternal torment than just The Malevolent Insanity Realm.

Suddenly, a pool of black and red darkness appeared underneath Max's feet with demonic hands rising from the ground and he spread his arms out, and we saw his hands covered in black and red energy.

Max Goof: DARK DIMENSION!

Then, Max sent waves of black and red darkness which grabbed Brad and he was put inside a black and red darkness orb, and there, he experienced the nightmares of The Dark Dimension as the souls of the damned howled and screamed in agony, and demons took to the skies of eternal darkness, and there right in front of Brad was the ruler of The Dark Dimension: Dormammu, as he sat on his throne and was laughing malevolently and he screamed with such agonizing pain and horror. Then, Brad was back in the real world as the black and red darkness orb disappeared, but he was visibly shaken and horrified by what he saw.

Yusuke: If I ever see your ass out again, we'll do much worse to you! You got that?!

Brad: (Shaking with fear) Y-yes sir!

Then, Yusuke and Max came back to the estate.

Nico: We saw the whole thing, and we were really impressed by what you guys did to that prick.

Yusuke: It probably won't matter to him, he'll just go back to being a prick by tomorrow.

Max Goof: I doubt it, I think I scared him really good with that Dark Dimension trick I pulled on him.

Nicole: That was even more scarier than putting him in The Malevolent Insanity Realm, nice move. I guess that's further proof that you have the powers of Heaven and Hell on your side.

Nico: Heaven and Hell?! Oof, I'd hate to be in Brad's shoes right about now!

Lincoln: Big time, mess with Max and Yusuke, and you'll wish you were begging for death.

We got a shower afterwards, and then, Lincoln, Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid along with the rest of his harem are heading to The Bahamas, but they're not the only ones going, me and my harem, along with Nico and his harem are also going.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, Nico had on a dark blue speedo with a dragon surrounded by elemental forces and stars on it with dark blue flames coming off the speedo, dark blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and I had on a white speedo with a Phoenix surrounded by elemental forces and stars with white flames coming off the speedo, red sandals, my jewelry and accessories, and I had my weapons holstered in case of trouble.

And Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid, and Lincoln's harem are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble.

My harem and Nico's were dressed in two-piece colored bikinis, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Girl Jordan: Ah, we're here in The Bahamas, it sure is beautiful.

Lincoln: It sure is, Girl Jordan, and it's perfect for our big date.

Nico: You said it.

Me: Shall we?

Lincoln, Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid along with the rest of his harem, me and my harem, along with Nico and his harem dived into the waters and we had fun swimming in the ocean, and we also saw the creatures that lived there, then, we went back to the beach and we had an awesome volleyball game, and Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid along with the rest of his harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

My harem also got an extremely massive and deep atomic red blush on their faces when they saw me lift thirteen massive 900,000,000,000,000-lb barbells I summoned in my large and strong hands and thirteen massive and long rainbow wolf tails and Nico's harem got an extremely massive and deep atomic red blush on their faces when they saw Nico lift thirteen massive 900,000,000,000,000-lb barbells Nico summoned in his large and strong hands and thirteen massive and long dark blue wolf tails.

But then, we saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, we had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid along with the rest of his harem and they hugged them in their abnormally massive and powerful muscular arms, and Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid along with the rest of his harem placed their hands on the massive pecs of Lincoln and his clones.

I also made clones of myself and me and my clones went up to my harem and we hugged them in our abnormally massive and powerful muscular arms and my harem placed their hands on the massive pecs of me and my clones.

And Nico also made clones of himself and he and his clones went up to his harem and they hugged them in their abnormally massive and powerful muscular arms and his harem placed their hands on the massive pecs of Nico and his clones, and then, we shared a passionate and romantic kiss. They came back home to The World Tree Estate, and the rest of the team saw Lincoln covered in kisses on his face, body, and eight-pack abs, along with me covered in kisses on my face, body, and eight-pack abs, and Nico covered in kisses on his face, body, and eight-pack abs.

Maria: (Whistles) Wow, it looks like you, J.D., and Nico really had a good time at The Bahamas, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… !

Me and Nico: (In Heaven) AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Sareena, Nitara, Simulator Cammy White, Simulator Lily Hawk, Simulator Kimberly Jackson, Simulator Professor Ivy, Simulator Pike Queen Lucy, Simulator Cynthia, Simulator Fantina, Simulator Acerola, and Simulator Astrid, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE

WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

Later we were watching TV.

We saw on the news that this mysterious organization of bounty hunters was really moving fast.

Me: Boy this organization of bounty hunters is really bringing down the elitist status of all Queen Bee Mean Girls.

Nico: They sure are. I wonder who they are.

Aniu: Bridgette, was it you that's been taking out the Queen Bee girls?

Bridgette: No it wasn't me. I have no idea who is doing it.

?: It's actually our doing.

We looked and saw 3 girls.

The first girl was a girl with orange hair and orange eyes and she had orange angel wings and had orange clothes and had a tiara with the symbol of the Orthros Dopant on it and she had the same symbol on her skirt and she had a snake sword in her hand.

The second girl had Neon Green Hair and green eyes and had green angel wings and had blue and green clothes and she had a tiara with the symbol of the Orichalcum Dopant on it and she had the same symbol on her skirt and had a green crystal sword in her hands.

And the third girl had purple hair, red eyes and black angel wings and had black clothes and had a tiara with the symbol of the Zombie Dopant on it and the same symbol was on her skirt and she had the a bone sword.

Me: Whoa! Orla Orthros, Ophelia Orichalcum and Zina Zombie!

Nico: Whoa the Embodiments of the Orthros, Orichalcum and Zombie Dopants right?

Orla Orthros: That's right. I have the powers of snakes and can call forth many kinds.

Ophelia Orichalcum: I have the power of the Atlantis metal, Orichalcum and I can do anything with it and I also have the powers of the Orichalcos as well.

Zina Zombie: And I also can summon zombies and even the forces of the undead and I put the zombies back in their graves when I'm done and I also can fire skulls and bones.

Nico: Cool!

Qin: So you were the ones that were busting these girls?

Orla Orthros: That's right. We are part of an anti-Queen Bee girl bounty hunting organization called G.H.F.Q.B.M.G.W.A.U.T.K.T.F.E.S.F.I.A.O.O.P.E.F.A.I.T.F.E.F.

Balto: G.H.F.Q.B.M.G.W.A.U.T.K.T.F.E.S.F.I.A.O.O.P.E.F.A.I.T.F.E.F.?

Ophelia Orichalcum: It stands for **G** irls **H** unting **F** or **Q** ueen **B** ee **M** ean **G** irls **A** nd **U** niting **T** o **K** eep **T** hem **F** rom **E** ver **S** etting **F** oot **I** n **A** nd **O** n **O** ur **P** lanet **E** arth **F** orever **A** nd **I** n **T** he **F** oreseeable **E** ternal **F** uture.

Me: Whoa that is quite a mouthful.

Zina Zombie: I know.

Balto: Can you tell us some of your adventures?

Ophelia Orichalcum: Well we are bounty hunters that go after Queen Bee Girls. After seeing how many headaches you guys got from having to deal with all those Queen Bee girls that you faced in the past especially with Heather and Anne Maria and all those bitches on Total Drama and even from your past J.D. we formed our organization and our goal is to banish Queen Bee Girls from Earth forever. We use portable highly advanced cutting edge technology and go from one city to another all over the world and gather information on all the mean kids and queen bee kids and tally up amazing bounties on them. We then set out to expose them to their parents by showing them videos of the horrible crimes they did to so many people and in the end we get them disowned by their parents and banish them to a prison far away from Earth.

Me: Whoa! That is cool!

Nico: Yeah!

Orla Orthros: Here.

She pulled out 30 wanted posters of girls I remember.

Me: I know these girls! Gina Griselda Blanco, Esmeralda Lowenstein, Heather Vegas, Donna Cromwell? I know all these people and they are the meanest girls ever. And wow! $600,000,000.00, $120,000,000,000.00, $300,000,000,000.00!? Wow these are awesome bounties.

Rippersnapper: Does that include Jo as well?

Ophelia Orichalcum: Yes it does.

Orla Orthros: Yeah. And also just earlier we were in New York City, Charleston, West Virginia and just recently here in Gotham Royal YOrk.

Me: That is awesome. You girls really worked fast.

Zina Zombie: Yeah we get the job done fast.

Me: What prison did you send the Queen Bee Bitches to?

Orla Orthros: We sent them to a super far away space prison in orbit around the planet Xaikora.

Nico: Wow! We know that planet.

Shanan: That's one of the planets we saw when we helped Jim Hawkins the first time.

Me: That's all the way over in the Sombrero Galaxy. How in the world did you build a prison that far away?

Zina Zombie: We used our powers and built a spaceship and a jumpgate and built it there.

Ophelia Orichalcum: Orichalcum is also more valuable than gold and diamonds.

Qin: That is amazing!

Tsuyoshi: You girls realize that Jo kidnapped my girlfriend before, right?

Zina Zombie: Yes we heard about that. But we formed our organization after you guys finished up the Kamen Rider Dragon Knight Mission. We made a lot of progress over the course of the last month.

Xenia: Boy that is really fast work!

Orla Orthros: I know.

2099 Spiderman: So you've been busy while we were getting the shock kicked out of us for the fragments?

Zina Zombie: Yes we sure have.

Ophelia Orichalcum: That was a really awesome adventure we heard about. We're glad you guys got back safe.

Nico: I know. But awesome job girls. Can you show us the prison you built?

Zina Zombie: Sure.

They pulled out a portable holographic supercomputer system and it was a really super advanced system. Orla showed us the prison they built and it was one that was like our space prisons and it was over 7,000 miles wide and 2,000 miles tall and it had a massive capacity of over 500,000,000,000,000,000,000,000 prisoners! We were amazed!

Nico: Whoa! You girls sure made an amazing prison.

Zina Zombie: And it has the toughest and most powerful level of security there is and it's 400,000,000,000 times more dangerous and more powerful than that of Fort Knox.

Qin: Wow!

Ophelia Orichalcum: Yeah. Each cell is also lined with powerful Anti-Dark Orb and Dark Magic energy to prevent them from escaping.

Lola: That is clever.

Nico: This must've been expensive

Ophelia Orichalcum: When you have Orichalcum powers like me money is never an issue.

Nico: That is cool.

?: That is awesome.

We saw a girl with orange hair and red eyes and had red angel wings and clothes and she had a tiara with the Fiveman symbol on it and the same symbol on her skirt.

Finley Fiveman: Finley Fiveman, Embodiment of the Fiveman from 1990 at your service.

Nico: Wow awesome to meet you Finley.

Sludge: Me Sludge want to know more about Fiveman girl

Finley Fiveman: Well I am known as the Chef of 500,000,000 recipes. I made over 500,000,000 awesome foods not just for my family but the entirety of my schools. I am a chef by day and a dancer by night. I know all kinds of great dancing routines.

Me: That is cool.

Nico: Would you like to join the team?

Finley Fiveman: I would be honored.

Me: Awesome. Maybe you can share some of your recipes with Mr. Lynn and the chefs we know.

Finley Fiveman: I would like that.

Trent: How do you like it here, Bridgette?

Bridgette Cheng: It's amazing up here! I amazed you do it all up here.

Me: I know and the view of the planet is breathtaking as well.

Marinette: It sure is.

Poromon (to Bridgette): Would you like some beer?

Bridgette Cheng: No thank you. I don't drink.

Poliwag: (Gives her the Puppy Dog Eyes) Aw come on.

Nico: Okay you two that's enough.

Poliwag: Okay.

Bridgette Cheng: But your mascots are all so adorable Nico.

Nico: I know. They are really cute.

Poromon: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Rat, and he's already starting to cause trouble to Lady and Tramp. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than Rat, and he's already starting to cause trouble to Lady and Tramp.

We gasped.

King Mickey: Oh no, we got to get to them and fast.

Nico: And battle Rat and give that plague ridden vermin a taste of justice.

Lola: He's not going to lay one filthy paw on them!

Poromon: I hope I get to eat him for dinner!

Me: EW! Poromon you do not want to eat a rat like that! You don't even know where they have been!

Nico: Yeah. First we'll watch the movie the then head out from there.

Camie: Okay.

Then the previous group came.

Chillyfish: Can me, Lythos, Stratos, Hydros, Pyros, Fireor, Whirlin, Manta Bayarsh, Dumbelltron and Marionette Shadow go with you guys?

Nico: Yes you all sure can come with us. We're going to meet Lady and The Tramp.

Whirlin: Whoa about time we got to meet them.

Me: I know. It's long overdue.

Xenia: Yeah.

Nico: We're going to watch the movie and then head out.

Chillyish: Good idea.

Reflector: Boss, which Gene Slammer do you think you'll meet next?

Nico: Needle Man next.

Me: Ooh sharp.

Lola: Yeah. I'll go make us popcorn.

Lola went and did so.

She later came back.

Nico: Now let the movie begin.

We got to watching the movie.

---

In 1909, in a small town, "Jim Dear" gives his wife "Darling" [a] a cocker spaniel puppy as a Christmas present. The puppy, named Lady, grows up pampered by her doting owners, and befriends her neighbors' dogs Jock (a Scottie) and Trusty (an elderly Bloodhound). Meanwhile, across town, a stray terrier-mix named Tramp feeds on scraps and handouts, and frees his friends Peg the

Pekingese and Bull the Bulldog from the local dogcatcher.

Fleeing the angry dogcatcher, Tramp finds himself in Lady's neighborhood. He overhears a distraught Lady conversing with Jock and Trusty about her owners' suddenly-distant behavior towards her. When Jock and Trusty deduce this is because Darling is pregnant, Tramp inserts himself into the conversation as the "voice of experience", and warns Lady that "when a baby moves in, a dog moves out". Annoyed, Jock drives him from the yard. Tramp's words cause Lady to fret throughout Darling's pregnancy, but when the baby boy arrives, she is allowed to meet and bond with him, dispelling her fears.

Later, Jim Dear and Darling take a short trip, leaving the house, Lady, and the baby in the care of Jim Dear's aunt Sarah, who brings along her two Siamese cats Si and Am. Sarah dislikes dogs, and prohibits Lady from seeing the baby; later, the cats destroy the house, and pin the deed on Lady by pretending she injured them. Sarah takes Lady to the pet shop, and has a muzzle put on her; Lady panics and flees into the street, where she is pursued by three savage dogs, until Tramp intervenes to protect her.

Tramp takes Lady to the zoo to have the muzzle removed by a beaver; he then shows Lady his owner-free lifestyle, and they explore the town. The kindly proprietor of Tony's Restaurant gives them a spaghetti dinner to share, before they end the evening with a walk in the park. The next day, Tramp tries to convince Lady to live "footloose and collar free" with him; despite liking Tramp, she decides her duty is to watch over the baby. As Tramp escorts Lady home, he stops to chase some chickens; the dogcatcher pursues them both, but only Lady is caught. At the pound, she meets Peg, Bull, and some other strays, who all know Tramp. They reveal he has had many girlfriends in the past, and claim that females are his weakness.

Sarah comes to claim Lady, and chains her in the backyard as punishment for running away. Jock and Trusty propose that Lady should marry and come live with one of them, to escape the abuse, but she gently refuses them. When Tramp arrives to apologize to Lady, she berates him for his many girlfriends and sends him away, too. Afterwards, Lady notices a large rat sneaking into the house through the baby's bedroom window. Her attempts to alert Sarah fail, but Tramp hears her barking, returns, and enters the house himself to save the baby. Lady breaks her chain and follows soon after. Tramp is wounded in the battle with the rat, but manages to kill it behind a curtain. During the struggle, the baby's crib overturns, and he begins to cry; Sarah comes to investigate, and assumes the dogs attacked the baby.

Jim Dear and Darling return home to find that Sarah has locked Lady in the cellar and handed Tramp over to the dogcatcher to be euthanized. Disbelieving Sarah's story, Jim Dear frees Lady, who immediately shows them the dead rat. Overhearing the truth, Jock and Trusty pursue the dogcatcher's cart and try to stop it; the horses spook, causing the cart to crash. Jim Dear and Darling arrive with Lady to rescue Tramp, but Trusty is badly injured in the wreck.

Later, at Christmastime, Tramp has become an official part of the family, and he and Lady have four little puppies of their own. Jock and a mostly-healed Trusty visit the family; the puppies now provide Trusty a new audience for his old stories, but he has forgotten them, much to his and everyone else's amusement.

---

It was such a cute sight and an awesome movie. When it was done we cheered wildly.

Nico: so adorable.

Xenia: Yeah!

Lola: This will be so fun.

Camie: That rat is gross! What does it say about it?

Me: Lets see.

I went over its history.

---

The Rat is a minor antagonist in Disney's fifteenth full-length animated feature film Lady and the Tramp (which is based on Happy Dan, The Cynical Dog by the late Ward Greene), and the main antagonist of its 2019 live-action remake of the same name.

In the 1955 original film, its vocal sound effects were provided by the late Mel Blanc. In the 2019 remake, its vocal sound effects were provided by Frank Welker.

Lady first encounters the rat one day in her yard. The rat tries to creep into the house, but Lady growls and chases it away, escaping through a hole in the fence.

The rat later appears in the climax of the film. It emerges from the hole in the fence that it was chased into earlier. It watches Tramp walk away after an argument between Lady and he, then proceeds to make its way to the house.

Lady (who is chained to her doghouse) sees the mysterious rat sneaking through a pile of logs. Lady comes out growling and barking to confront it, but the rat stays out of her reach and runs up onto the ivy growing on the house, giving Lady a taunting stare before climbing up to the gutter. Lady continues to bark, attempting to warn of the rat. However, Aunt Sarah simply shushes her and yells at her. Taking advantage of Sarah being distracted, the rat makes its way into the baby's room through an open window. Tramp hears Lady's barking and asks what is wrong, and Lady informs him of the rat and where it went. She tells him how to get into the house, so he can go save the baby.

Tramp enters the house and makes his way to the baby's room, seeing the rat lurking under the furniture, hissing, illuminated only by the flashes of lightning outside. As Tramp approaches, the rat makes a sudden dash for the baby's cradle, to which Tramp gives chase. He diverts the rat away from the crib and chases it back under the furniture, then back out again. With nowhere to run, the rat turns and attacks Tramp, clawing and biting while also jumping on his back. Tramp manages to throw it off and even briefly bite it, but the rat keeps fighting.

The rat jumps on the furniture, causing Tramp to chase it again, knocking over housewares and causing a mess. It leads Tramp back under the furniture, getting Tramp temporarily stuck. As Tramp frees himself, the rat runs over to the cradle and sneers at Tramp. Lady comes in as Tramp frees himself. The rat prepares to jump into the cradle and escape, but Tramp jumps up just before the rat makes it inside and grabs it out of the air, accidentally knocking the cradle over and waking up the baby in the process.

As Lady rushes over to check on the crying baby, the rat runs from Tramp, who catches up to it and traps it behind a chair. The two then engage in a violent fight of clawing and biting, knocking over more items and tearing down the curtains. Though the battle is vicious, Tramp emerges victorious, killing the rat with only minor damage to his left front paw.

However, the baby's cries awakens Aunt Sarah and she comes in and, misunderstanding the situation, thinks Tramp attacked the baby. She has the dogcatcher come to pick him up, and locks Lady in the basement, though Lady is desperately trying to show her the rat's corpse to prove Tramp's innocence. Luckily, Lady's owners arrive back home and let her free, and she shows them the dead rat, making both her owners and Aunt Sarah realize Tramp's innocence.

Tramp is later rescued by Trusty and Jock, and is reunited with Lady, though it was cut short when Trusty got badly injured in the crash. Nevertheless, Tramp becomes a member of the family as gratitude for killing the vermin and saving the baby; even Aunt Sarah sends in a box of dog biscuits as an apology for her earlier behavior towards the dogs. As of the Rat's corpse, it's evidently disposed of offscreen.

The rat plays a bigger role in the remake. It has been trying to sneak into the house multiple times and Lady always fends it off.

It is first seen when Lady catches him scavenging their delivery eggs and she says to him that if he doesn't want any trouble then he might know what trouble looks like, and then she chases him away. as Lady watches the rat leave she shouts to him "I hope I made my self clear!", Trusty hears about the rat and decides to sniff him out, despite Lady's protests that she already handled the situation. Later, some dialogue between Jim and Elliot the Dogcatcher reveals that he is aware of the rat problem and has been a pest to them for some

time.

When Lulu is finally born, Lady hears noises coming from the window and realizes that the rat is sneaking inside. As the rat climbs into the window, Lady chases it off and it flees. As Lady continues to bark at it, Jim, unaware of the situation, takes her outside.

As Tramp leaves the house, Lady realizes that the rat is climbing into Lulu's room and she barks at it as it enters the room. Lady tries to warn her owners, but Jim locks her in a closet as they are interviewing with the dogcatcher, Elliot. Tramp hears Lady's barks and she warns him about the danger. He manages to sneak past the dogcatcher and sneaks into Lulu's room, unaware that the rat is lurking behind the dollhouse.

As Tramp continues to search the room, he notices the rat from a mirror and it jumps onto his face, mauling him until he pushes it off. Tramp and the rat snarl at each other and a chase is ensued throughout the room. The rat leaps onto a shelf and then jumps down. Tramp chases it under a drawer as it hisses at him. The rat escapes and climbs onto the baby's crib, preparing to pounce. Tramp tries to get it off the crib, but it tips over, injuring him and causing the baby to cry. Tramp sees the rat clinging onto the curtains and pulls it down, causing the rat to fall. Tramp mauls the rat to death underneath the curtains with minor damage to his front paw.

Jim comes into the room and, misunderstanding the situation, believes that Tramp attacked the baby and hands him to the dogcatcher. Jim sets Lady free from the closet and she leads them to the room, where she shows them the rat's corpse, clearing Tramp's name. Realizing their mistake, Jim and Darling rescued Tramp from being impounded and adopted him as gratitude for killing the rat and saving the baby.

* * *

When it was done we were shocked and horrified.

Lola: That is one gross rat!

Xenia: Yeah! We're going to need a lot of cats.

Camie: Yeah!

Lythos: Let's get going.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Ogrémoch, the Prince of Evil Earth, a powerful archomental from the Elemental Plane of Earth affiliated to the Elder Elemental Eye, and the twin brother of the more benevolent Entemoch, and he's come to take the Earth's resources. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Ogrémoch, the Prince of Evil Earth, a powerful archomental from the Elemental Plane of Earth affiliated to the Elder Elemental Eye, and the twin brother of the more benevolent Entemoch, and he's come to take the Earth's resources.

We gasped.

Me: Oh shoot.

Ray Kayest: First, Water, then, Fire, and now, Earth.

Reika Ogami: This is one villain I'm not going to go easy on, if he wants it to be a fight of Earth VS. Evil Earth Elemental, I'm going to enjoy flattening him, and I won't be surprised if Lincoln absorbs him like he did with Olhydra and Imix.

Nico: Now, that would be worth seeing. Alright, gang, let's go, we're heading to the world of Lady and The Tramp, and we're helping our love-seeking canine friends deal with Rat once and for all.

Lincoln: He's not getting away with trying to hurt Lady and Tramp like that, he's getting what he deserves, and once we get through with him, you're next, Ogrémoch.

Reika Ogami: You're not going to hurt our planet by taking its resources for yourself, we're putting an end to you once and for all!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to help Lady and Tramp deal with Rat, and once we were done with that plague ridden vermin, Lincoln and Reika Ogami are going to destroy Ogrémoch and make that evil Earth Elemental pay.

We were off to the world of Lady and The Tramp.

---

We arrived in Marceline, Missouri.

Icepick: Here we are!

Me: Yep. Marceline, Missouri. Awesome place.

Xenia: Yeah.

We went to go find Lady and Tramp's house.

Pyros: Which house is it?

Nico: That one.

We arrived at the house of the Dear's.

Nico: Nice place.

Barking was heard and we saw Lady and Tramp.

Fluttershy: Oh look at them. They are so adorable.

Me: They sure are.

Lady: Team Loud Phoenix Storm it's an honor to have you here.

Tramp: Boy it sure is.

We pet them.

Me: It sure is awesome to meet you two.

Lola: Yeah you guys are so awesome and cute.

Skullgrin: Have you been good today?

Lady: We have been trying to and its been fun.

Tramp: But we got a rat that is trying to hurt everyone.

Me: We know. That rat has got to go.

Lola: Yeah. And this is one that doesn't like cheese.

Tramp: It's mostly out for blood. But we're glad you're here.

Me: We are too. I'm sorry if it was so longly overdue for this. You know how busy we are saving the world.

Lady: We know about all that.

Poromon: Hi! I'm Poromon!

Fireor: Poromon is one of our mascots.

Me: We have many of them.

Tramp: I can see that. Awesome to meet you Poromon.

Poromon: You too Tramp.

Me: You are gonna be laughing about this. On a planet made of Italian foods some of us and the mascots did a spaghetti kiss thing that you guys did.

Laney: Yeah and I provided the Accordion music while we were there for that.

Lady and Tramp laughed.

Lady: That was so awesome.

Tramp: And cute for all of us.

Me: Yeah it sure was.

Maria: Me and May threatened to kill Poromon and Poliwag if they get Horsea and Manaphy pregnant.

Fangry: We shit you not.

Me: Yeah.

We laughed!

Lady: (LAUGHS) That is funny.

Nico: Yeah.

Then Sarah's Siamese cats, Si and Am came.

Si: Well hello everyone.

Am: What a lovely day for you all to be here.

Lady growled.

Me: Oh it's okay Lady. I love Si and Am, they are awesome cats.

I went over to them and pet them.

Me: Aw you two are awesome kitties.

Am: Why thank you J.D.

Si: We love having someone pet us like this.

Nico: Aww.

Rarity: Looks like Opalescence has a couple of new playmates here.

Opal meowed with Rarity.

Rarity: I brought Opal with me for this just in case.

Nico: Thank goodness Si and Am are not who were are here for.

Si: Ah you mean the rat that is loose.

Am: That rat is a menace around here. He wants to kill the baby of the Dear's.

Nico: That's right and we're not going to let that happen.

Dumbbelltron: How do we know that the two Siamese cats aren't gonna double cross us?

Eli: Don't worry. I sense they they have no ill intent towards us. Besides they are not the ones we are after.

Si: I know. That stupid rat is who you seek.

Am: And we love the baby as much as the Dears do.

Me: You know you two remind me of the bounty hunters I & Am from our days in the Brave 12. They are Siamese too and they had a lot of skill. But also they speak in rhyme.

Nico: Yep. Also your names combined together are Siam. The Kingdom of Siam, before it was turned into Thailand.

Poromon grinned at Lady and Tramp.

Bomb Burst: Oh, I know that look.

Me: Poromon they are already in love and have been good for each other.

Poromon: Oh it's not that. I'm thinking of having them get beer.

Lady: Oh no thank you. We don't drink that stuff.

Tramp: Me neither.

Poliwag gave them the puppy dog eyes.

Me: Poliwag those eyes working on dogs like Lady and Tramp sounds a bit weird.

Poliwag: You're right. Sorry.

Marionette Shadow: (laughs) They're already dogs!

Me: (LAUGHS) Yeah.

Nico: (LAUGHS) Yeah.

Poliwag: You're right that would sound a little weird using the puppy eyes on dogs.

We laughed!

Nico: (LAUGHS) Yeah that is a bit redundant.

Slog then heard a sound.

Slog: Oh, great. It's like Tom and Jerry except we're in Tom's role.

We looked around.

Me: Look there!

We saw THE RAT!

Me: There's that disgusting Bubonic Plague Ridden sack of rotten disease.

Nico: Ugly and gross sewer rat.

Lady and Tramp growled.

We saw that it was walking to the back of the house.

Tramp: It's trying to finish what it started and kill the baby.

It threw an anvil at us.

Manta Bayarsh: Oh fuck.

Applejack then caught it with her Superhuman Strength.

Applejack: Whew!

Me: Thanks Applejack. Okay that is weird! How can a small rat like him lift up a 3 ton anvil?

Nico: Yeah.

Sea Clamp: Like Slog said, we're in Tom's role. And he's in Jerry's role!

Me: That is crazy. This guy is is no mouse. He is a plague-ridden sack of disease. (To Master Splinter) No offense sensei.

Master Splinter: None taken J.D. But this rat makes me look bad.

Nico: I agree though.

BLANG!

Nico got hit on the head with a huge wrench!

Me: Ouch!

Nico: (Stupidly) Where's the leak ma'am?

Whirlin: That was a lucky shot. That's all!

Nico: (BLUBBERS) Whoa he sure is tough for a little guy.

Qin: Yeah.

Me: Okay rats may be dirty but we fight dirtier.

Qin: Yeah!

SNAP!

Qin: OOOOWWW!

Qin got a mousetrap snapped onto her hand!

Qin: OUCH!

I got that off her.

Qin: That hurt.

Solar Man: He can't keep this up!

But then he was THROWING EVERYTHING AT US INCLUDING THE KITCHEN SINK!

CRASH BLAM SMASH BLANG WHAM!

I put up a force field to protect us!

Me: GEEZ! He's throwing everything at us! Including the kitchen sink!

Camie: Kind of corny.

He was running.

Stratos: He's getting away!

Slog: See?! Just like Jerry!

Me: Not to for long….

CLANG!

He got his tail caught in a bear trap in the backyard.

The rat was hissing.

Me: Gotcha!

Nico: Entrance time!

We went to face him.

The rat was trapped like a rat. Metaphorically speaking. Then the spirits of cats came and swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above the rat and a phoenix cry was heard and then we came out to face him.

Me: Okay you plague-ridden fiend, time to give you some poison cheese!

Akira Nijino: I have to admit. Not anyone can give us trouble like that. But now, this is your time to die.

Me: And this yard will be your final resting place.

The rat hissed.

Nico: By the way where did that bear trap come from?

Me: (Whistling Innocently)

Hydros: No more messing around. Time to take you down!

Me: Yeah you rotten sack of 13th Century Fleas!

The rat hissed!

Me: Smell limburger farts!

I made armpit farts!

FART FART FART FART FART FART!

I fired Limburger Stink from them and blasted the rat all over!

Poromon pecked him.

POINK POINK POINK POINK!

Poromon flew up.

Poromon: Taste this lightning! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted the rat.

Gatomon jumped at him.

Gatomon: LIGHTNING PAW!

SLASH SLASH SLASH!

She slashed him all over.

Eustace: Time to bop this mouse with me mallet!

WHAM WHAM WHAM WHAM WHAM WHAM!

He smashed the Rat all over with a huge mallet!

Poliwag slapped him with his tail!

SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

SLAP!

He smashed the rat.

Me: Choke on lasers from… (PULLS OUT BIG BOB) Big Bob!

It was Horst Bagge's particle blaster rifle!

Me: This is gonna be awesome! A Deer's Gotta Do What a Deer's Gotta Do.

I had it locked on target.

BEEP

I fired!

ZAAAAAAAAAAAAPPPP!

The blast hit the rat and zapped him intensely!

Nico: Nice shot!

Eustace: Where did you get Big Bob?

Me: Oh now that your brother is in the M.O.E. We have access to his power and stuff.

Eustace: (GROWLS) Stupid Horst!

Francesca: That is cool that great uncle Horst is now in the M.O.E.

Me: But Vypra is going to have him and Eustace under a tight leash to make sure they don't kill each other. You know how much they hate each other.

Francesca: I know.

Horsea squirted ink at him.

SPLAT!

The rat had ink in his eyes.

Manaphy, Jirachi and Tentacool blasted the rat all over.

Tom: Like old times!

Jerry: You said it!

Nico: Yep.

Then Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Whiplash, Major Disaster and Six Gum Gang came.

Nico: Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Whiplash, Major Disaster and Six Gum Gang.

Beetle: This reminds you of Tom and Jerry's antics, doesn't it?

Nico: Painfully.

Me: Yeah.

Cad Bane: You have to give him credit. Not many people can make fools of you guys.

Boomerang: (Australian Accent) But his luck's run out!

Me: You got that right!

Titanium Man: (Russian Accent) We heard you met Princess Justice.

Nico: We sure did.

Cheshire: Was she really posing as Marinette?

Nico: Yeah she sure was.

Me: She was made when Hawk Moth akumatized Marinette for her HATRED Towards Lila. She killed TONS of criminals that loved that bitch Lila Rossi.

Xenia: Yeah! They were savagely butchered and eviscerated.

Laney: And totally dismembered.

Nico: Yeah!

Bowling Ball Org then came.

Me: Back for another round of bowling I see Bowling Ball Org.

Bowling Ball Org: I sure am. This will be a steerike!

Me: That reminds me. I saw this gag on TV.

I rolled a Bowling Ball and it hit the rat!

BOWLING CRASH!

It turned the Rat into 10 pins!

Tom: Nice one! Muscles Mouse did that to me.

Bowling Ball Org: At least the rat didn't rip off one of my bowling balls.

Me: True. But I did that with a gag Tom went through.

Bowling Ball Org: Nice one! That was my favorite.

Me: Nice.

We got the battles underway.
